

Purpose

The purpose of this Policy is to ensure that Council is consistent and fair in attributing Differential Rating Categories to assessments where it is necessary to determine the “Owner Occupied” status.

Scope

This Policy is applicable to ratepayers of the Council area who need to establish “Owner Occupied” status for purposes of levying general rates.

Guiding Principles

1. To be identified by Council as “Owner Occupied” for the purpose of the Differential Rating Categories, the property must be the Principal Place of Residence of the registered owner(s).
2. In cases of joint ownership, where all owners do not reside principally on the property, a statutory declaration will be required by those who wish to declare that the property is their Principal Place of Residence and that they are solely responsible for the payment of the annual rates, for “Owner Occupied” status to be granted.
3. To be identified as “Owner Occupied” the ratepayer is required to submit a Notification of Owner Occupier Status Form to Council. The Form will need to be completed and signed by the applicant.
4. Ratepayers who reside at the property for part of the year and reside in other places (including interstate and overseas) for the remainder of the year, will need to provide a statutory declaration confirming that they reside at the property for more than 60% of each year.
5. Where the applicant ratepayer is an approved pensioner for the granting of a Queensland Government Pensioner Rate Subsidy for a property, the subsidy application can be accepted in lieu of a Form for the granting of an “Owner Occupied” benefit (provided it meets the criteria of Item 1).
6. The property must be single residential use only. Properties that are approved as a twin-key apartment, residence with bed and breakfast facilities, duplex, flats, combined dwelling/business or multiple use etc. cannot be granted “Owner Occupied” Status. Properties where a room is commercially rented (e.g., through an online rental platform such as “Airbnb”), will not be eligible for “Owner Occupied” status.
7. Where a building permit has been approved for a granny flat on a property and that granny flat is occupied by the aged relatives of the registered owner(s) of a property, the property will be eligible for “Owner Occupied” status provided a statutory declaration is submitted to Council confirming the relationship of the occupants of the granny flat to the owner(s).
8. The applicant must be the sole registered owner or one of the registered owners of the property. A property registered in the name of a company, trust, or association (e.g., Whitsunday Housing Association Inc.) cannot be granted “Owner Occupied” status.

9. Where a Pensioner, for reasons of ill health or infirmity (e.g. poor health, feeble in body or health, physically weak, especially through age) resides some or all of the time in alternative accommodation such as a nursing home or similar type accommodation (where personal care is available on site and provided as required) or with family or friends, the residence may be regarded as being "Owner Occupied" if it is not occupied on a paid tenancy basis during the absence of the Pensioner(s). Council must be satisfied that the residence is not occupied on a paid tenancy basis and that the Pensioner(s) is/are solely responsible for the payment of rates and charges levied in respect of the said property. The Pensioner(s) will be required to complete a statutory declaration to this effect.
10. "Owner Occupied" status will be granted only for one (1) property for a given owner/ratepayer. If a second property is owned by the ratepayer(s) such property will not be eligible for "Owner Occupied" status, even if the property is not tenanted and is not producing an income.
11. The completed Form must be received by Council no later than the issue date of the Rates Notice, to be applicable for that rating period. Where Forms are received after the issue date of the Rates Notice, identification as "Owner Occupied" will commence with the next rating period and will not be backdated to the current or previous rating periods.
12. When a property with an existing "Owner Occupied" status ceases to be the Principal Place of Residence of the ratepayer (e.g., property is sold or rented, structure is demolished, property use changes, or a room is commercially rented for any length of time) the property will lose its "Owner Occupied" status, with effect from the next rating period, and the Differential Rating Category will be amended accordingly.
13. Council will make best endeavours to issue a Form when residential properties are sold and purchased, and when notification of change of address is received or new dwellings completed. However, it will be a ratepayer's responsibility to ensure that a Form is obtained, completed, signed, witnessed and lodged with Council in a timely manner, to ensure identification as an "Owner Occupied" property.
