Legend: **Week 1** **Week 2**

My general waste collection day is:

General waste bin - nature green or red lid, collected weekly

My recycling week is:

Week 1 **Week 2**

Recycle bin - yellow lid, collected fortnightly

- ✓ To ensure collection, bins must be out by 6am on the day of collection
- ✓ Ensure that your bins are approximately 1 metre away from other bins and clear of obstacles such as low hanging trees, parked cars or bollards
- ✓ Ensure your bin is facing the road, with the wheels closest to your property or house

Find out your collection day

Re-use valuable resources

Reduces waste going to landfill

Reduces harmful greenhouse gases

MAKE SORTING SIMPLE!

RECYCLING BIN

Hard plastic bottles and containers

Drink cartons

Clean paper and cardboard

Glass bottles and jars

Metal cans, aerosols and crumpled foil

RECYCLING TIP: Remove lids, rinse containers and place items loosely in the yellow-lidded bin.

Please do not place the following in your recycling bin:

- Household waste and food scraps
- Foam and polystyrene
- Liquids
- Mirrors, light bulbs, window glass
- Soft plastics and wrappers
- Disposable nappies
- Clothing
- Ceramics and ovenware
- Garden waste

GENERAL WASTE BIN

Food scraps

Disposable nappies

Foam and polystyrene

Plastic bags

Garden hoses

Light bulbs

Plastic packaging

Did you know?

Batteries (of any type) should never be put in your recycling or waste bin. Used batteries may still contain residual charge and often produce sparks which can lead to fires in our waste trucks and recycling facilities. Make sure to always place sticky tape on the terminals before placing in your nearest battery recycling collection points located at our Customer Service Centres and Libraries and the Cannonvale & Collinsville Transfer Stations.
