1 APOLOGIES/LEAVE OF ABSENCE

This item on the agenda allows Council the opportunity to receive apologies/leave of absence from Councillors unable to attend the meeting.

2 CONDOLENCES

To acknowledge and observe a minute silence for the recently deceased throughout the Whitsunday Region.

3.1 - Confirmation of Minutes

MEETING DETAILS: Ordinary Council Meeting - Wednesday 23 September 2026

AUTHOR: Governance Administration Officer

AUTHORISING OFFICER: Director Corporate Support Services

PURPOSE

To confirm the Ordinary Council Meeting Minutes held on 26 August 2026.

OFFICER'S RECOMMENDATION

That Council confirms the Minutes of the Ordinary Meeting held on 26 August 2026.

BACKGROUND

In accordance with s254F of the Local Government Regulation 2012, minutes were taken at Council's Ordinary Council Meeting held on 26 August 2026 under the supervision of the person presiding at the meeting. These unconfirmed minutes were reviewed and are available on Council's website for public inspection.

DISCUSSION/CURRENT ISSUE

Council's options are:

Confirm the Minutes of the Ordinary Council Meeting held on 26 August 2026.

If Council is satisfied that the unconfirmed minutes are an accurate representation of what occurred at the meeting held on 26 August 2026 and comply with legislative requirements outlined in this report, no further action is required other than to confirm the minutes as per the recommendation.

Confirm the Minutes of the Ordinary Council Meeting held on 26 August 2026 with amendments.

If Council is not satisfied that the unconfirmed minutes are an accurate representation of what occurred at the meeting held on 26 August 2026 and comply with legislative requirements outlined in this report, then they move a motion that they be confirmed but with a list of amendments to ensure they are correct and compliant.

FINANCIAL IMPLICATIONS

The price for a member of the public to purchase a copy of the minutes must not be more than the cost to the local government of having the copy printed and made available for purchase, and if the copy is supplied to the purchaser by post, the cost of the postage.

CONSULTATION/ENGAGEMENT

Chief Executive Officer
Manager Governance

STATUTORY/COMPLIANCE MATTERS

In accordance with the Act, Council must record specified information in the minutes of a meeting regarding any declared conflicts of interest. At the Ordinary Council Meeting held on 26 August 2026 there were no conflicts of interest declared at this meeting.

Local Government Regulation 2012

Section 254F of the Local Government Regulation stipulates that the Chief Executive Officer must ensure that minutes of each meeting of a local government are taken under the supervision of the person presiding at the meeting.

Minutes of each meeting must include the names of councillors present at the meeting and if a division is called on a motion, the names of all persons voting on the motion and how they voted.

At each meeting, the minutes of the previous meeting must be confirmed by the Councillors present and signed by the person presiding at the later meeting.

RISK ASSESSMENT/DEADLINES

A copy of the minutes of each meeting must be available for inspection by the public, at a local government's public office and on its website, within 10 days after the end of the meeting. Once confirmed, the minutes must also be available for purchase at the local government's public office(s).

TABLED MATTERS

Unresolved Tabled Matters			
Date of Meeting	Resolution Number	Summary	Status
26/08/2026	RESOLUTION OM2026/08/26.8 20260183 - Development Application for a Development Permit for Reconfiguring of a Lot – One (1) Lot into Five (5) Lots and Access Easement — 97 Ecker Road, PRESTON - 10SP293983	That the item lie on the table pending a draft set of conditions for the existing sealed road section to be provided.	Item is included on 23 September 2026 Ordinary Meeting Agenda under business arising section.

**6 NOTICES OF MOTION**

**6.1 - Unreasonable Customer and Complaints Action**

**RESOLUTION OM2026/08/26.2**

**Moved By: MAYOR RY COLLINS**

**Seconded By: CR JOHN COLLINS**

**That Council:**

- 1. Acknowledges the right of members of the community to raise concerns, make complaints, seek information, criticise Council and access appropriate statutory review and accountability mechanisms.**
- 2. Recognises that unreasonable, persistent, repetitive, abusive or otherwise inappropriate customer and complainant conduct can impose disproportionate demands on Council resources, impact the health, safety and wellbeing of Councillors and employees, and reduce Council's capacity to provide services fairly and efficiently to the broader community.**
- 3. Directs the Chief Executive Officer to develop an Unreasonable Customer and Complainant Conduct Policy, having regard to the Queensland Ombudsman's Managing Unreasonable Complainant Conduct framework and relevant legislative requirements.**
- 4. Requests that the proposed policy provide an appropriate framework for:**
  - objectively identifying and assessing unreasonable conduct;**
  - proportionate and graduated management arrangements;**
  - managing repetitive matters that have previously been appropriately considered and finalised;**
  - reasonable restrictions on communication, contact and access to Council premises or facilities where warranted by a person's conduct**
  - procedural fairness, appropriate recordkeeping and periodic review;**
  - protecting Councillors, employees and Council resources from unreasonable conduct;**
  - preserving legitimate statutory complaint, information-access and review rights; and**
  - managing repeated or unreasonable use of Right to Information processes consistently with the *Right to Information Act 2009*, including consideration of the statutory mechanisms available under section 114.**

This is page 6 of the Minutes of Council's Ordinary Council Meeting - 26 August 2026

5. Directs that the draft policy be considered by the Policy Review Working Group and presented to the September 2026 Ordinary Meeting for Council's consideration and adoption.

**MEETING DETAILS**

The motion was Carried 7 / 0.

**CARRIED**

**7 DEPUTATIONS**

There were no deputations for this meeting.

**8 PETITIONS / QUESTIONS ON NOTICE**

**RESOLUTION OM2026/08/26.3**

Moved By: CR GARY SIMPSON

Seconded By: MAYOR RY COLLINS

That the petition regarding the request for an update to Gloucester Avenue traffic conditions be received and referred to the Chief Executive Officer for consideration and a report to the Council.

**MEETING DETAILS**

The motion was Carried 7 / 0.

**CARRIED**

**RESOLUTION OM2026/08/26.4**

Moved By: CR JOHN COLLINS

Seconded By: MAYOR RY COLLINS

That the petition regarding the request to update Shute Harbour Road conditions be received and referred to the Chief Executive Officer to determine appropriate action.

**MEETING DETAILS**

The motion was Carried 7 / 0.

**CARRIED**

This is page 7 of the Minutes of Council's Ordinary Council Meeting - 26 August 2026

9 QUESTIONS FROM THE PUBLIC GALLERY

*Public Question was read out by the Chief Executive Officer on behalf of submitter.*

**Name:** Jeudi Croker

**Question:**

Will Whitsunday Regional Council reconsider whether the location in Airlie Beach where Luke Brian Gilbert lost his life can be recognised as a *culturally significant site* or event under Section 1.8 of Council's Memorials in Council Parks, Gardens, Open Spaces and Road Reserve Policy (COMM\_20), and therefore whether approval of a modest, permanent memorial for Luke at that location is important to the Whitsunday community?

*A response will be provided to the customer in due course and included in the next available Ordinary Council Meeting agenda under the business arising section.*

**11.5 - 20250980 - Request for QDC Siting Variation for Dwelling House (Addition) - Front Boundary Setback and Site Cover - 30 Ridge View Road Cannonvale QLD 4802 - 2SP198032**

**RESOLUTION OM2026/08/26.10**

Moved By: CR JAN CLIFFORD

Seconded By: CR GARY SIMPSON

That Council refuse the request for Concurrence Agency Response for Dwelling House (Addition) - Front Boundary Setback and Site Coverage over 50% at 30 Ridge View Road, Cannonvale, Lot 2 SP198032 and direct the assessment manager to refuse the Building Work application for the following reasons:

- The proposed front boundary setback of 1.6m is inconsistent with the established setback pattern and streetscape character of the locality and does not achieve the performance criteria P1 of the QDC MP 1.2; and
- The proposed increase of the site cover to 54% will reduce the area available for landscaping within the front boundary setback and therefore, does not achieve performance criteria P3 of the QDC MP 1.2.

12 CONFIDENTIAL MATTERS

**PROCEDURAL MOTION - CLOSURE OF MEETING (CONFIDENTIAL SESSION)
OM2026/08/26.19**

Moved by: CR JAN CLIFFORD

Seconded by: CR MICHELLE WRIGHT

That Council close the meeting to the public at 11:32am in accordance with section 254J of the Local Government Regulation 2012 to discuss the following matters in closed session:

Pursuant to section 254J(3)(g), negotiations relating to commercial matters involving the local government for which a public discussion would be likely to prejudice the interests of the local government, namely:

- 12.1 Water and Sewer Network Planning and Hydraulic Modelling;
- 12.2 Cape Gloucester Eco Resort Infrastructure Agreement;
- 12.3 Paluma Industrial Pty Ltd & Whitsunday Regional Council Infrastructure Agreement Variation;
- 12.4 Shute Harbour Recreational Boat Ramp Project; and
- 12.5 Strategic Land Acquisition.

12.1 - Water and Sewer Network Planning and Hydraulic Modelling

RESOLUTION OM2026/08/26.21

Moved By: CR JOHN FINLAY (DEPUTY MAYOR)

Seconded By: CR JAN CLIFFORD

That Council:

1. Adopt Attachment 12.1.4 *Hydraulic Modelling Report – WRC Water and Sewer Networks* (AECOM, 23 June 2026); and
2. Endorse the Water and Sewer Network Planning Review as contained within the confidential report, as the strategic basis for the planning, prioritisation and delivery of long-term water and sewerage infrastructure across the Whitsunday Regional Council area.

12.3 - Paluma Industrial Pty Ltd & Whitsunday Regional Council – Infrastructure Agreement Variation

RESOLUTION OM2026/08/26.23

Moved By: CR CLAY BAUMAN

Seconded By: CR JAN CLIFFORD

That Council:

1. Agree to increase the maximum Cost Estimate under the Paluma Road Water and Sewer Infrastructure Agreement from \$1,171,416.20 to an all-inclusive maximum of \$1,500,000 excluding GST, comprising:
 - a. revised construction costs of \$1,167,364.25;
 - b. a consultancy allowance of 13%, being \$151,757.35; and
 - c. a contingency allowance of \$180,878.40, being approximately 13.712% of the construction and consultancy subtotal;
2. Agree to a corresponding increase in the maximum Infrastructure Credit from \$646,826.90 to \$828,255, calculated in accordance with the existing apportionment rate of 55.217%; and
3. Delegate authority to the Chief Executive Officer to negotiate, finalise and execute a Deed of Variation to the Paluma Road Water and Sewer Infrastructure Agreement between Whitsunday Regional Council, Paluma Industrial Pty Ltd, Altmann Rise Pty Ltd and Woodward Rise Pty Ltd consistent with this resolution.

4.2 - 20260183 – Development Application for a Development Permit for Reconfiguring of a Lot – One (1) Lot into Five (5) Lots and Access Easement — 97 Ecker Road, PRESTON - 10SP293983

MEETING DETAILS: Ordinary Council Meeting - Wednesday 23 September 2026

AUTHOR: Planner

AUTHORISING OFFICER: Director Liveability and Development Services

PURPOSE

To present the assessment of a development application for a rural residential subdivision in Preston and seek Council's determination.

EXECUTIVE SUMMARY

Council has received a development application to create five rural residential lots and an access easement over land at 97 Ecker Road, Preston. The proposal comprises one existing lot and four additional rear rural residential lots accessed via a shared driveway. As the proposal includes more than three rear lots accessed by a common access arrangement, it triggers impact assessment under the Planning Scheme and is therefore presented to Council for determination.

The subject site has an area of approximately 2.3 hectares and is located within the Rural Residential Zone. The site has existing access from Ecker Road, which connects to Shute Harbour Road, and contains an existing dwelling house and ancillary structures.

The proposed subdivision will create one lot retaining the existing dwelling and direct frontage to Ecker Road, together with four rear lots accessed via a shared 5.5-metre-wide access driveway within an access easement. All proposed lots comply with the minimum lot size requirement of 4,000m² and provide sufficient area and depth to accommodate future residential development. The rear lots will be serviced by the shared access easement and on-site infrastructure.

Public notification was undertaken between 5 May 2026 and 26 May 2026. Council received 17 properly made submissions opposing the application and one submission in support. The primary concerns raised related to the increased traffic generated by the development, the safety of the Shute Harbour Road/Ecker Road intersection, the condition of Ecker Road, and localised flooding.

Ecker Road is constructed to a Rural Local Access standard and is sealed for approximately 500 metres from its intersection with Shute Harbour Road, with the balance of the road remaining unsealed. In accordance with the Whitsunday Regional Council Development Manual, the additional traffic generated by the development warrants upgrading and sealing Ecker Road from the existing sealed section to the eastern boundary of the subject site. A condition requiring these works is therefore recommended should Council approve the application.

While the remaining section of Ecker Road is currently sealed to an approximate width of 4 metres, it is generally in fair condition. Recent advice from Council's Roads and Drainage Unit confirms that a 4-metre-wide sealed carriageway is acceptable for traffic volumes of up to 150 vehicles per day. As the estimated future traffic volume is 139 vehicles per day, conditions requiring the upgrade of this section are not recommended.

In response to concerns over the safety of Ecker Road / Shute Harbour Road intersection, the application was provided to the Department of Transport and Main Roads (DTMR) for a

third party advice. DTMR reviewed the application material and advised the preferred intersection treatment on Shute Harbour Road is a Basic Right-turn (BAR) / Basic Left-turn (BAL). Further comment from DTMR has been received that notes there will be marginal change to the safety risk at the intersection and has no objection to the intersection remaining in its current condition. Council has also sought peer review comment from SLR Consulting which agreed with the intersection remaining in its current condition.

The application has been assessed against the relevant provisions of the *Planning Act 2016* and the *Whitsunday Regional Council Planning Scheme 2017*. The proposal is consistent with the purpose and overall outcomes of the Rural Residential Zone code and all relevant assessment benchmarks in the Planning Scheme and is recommended for approval in accordance with the drawings and documents submitted, subject to reasonable and relevant conditions.

OFFICER'S RECOMMENDATION

That Council approves the Development Application for Development Permit for Reconfiguring of a Lot – One (1) Lot into Five (5) Lots and Access Easement at 97 Ecker Road Preston described as Lot 10 on SP293983 subject to relevant and reasonable conditions outlined in **Attachment 11.3.4**.

BACKGROUND

The site is within the Rural Residential zone and is located within the suburb of Preston, approximately 8km north-east of Proserpine and 12km south-east of Cannonvale. The subject lot is surrounded by rural residential land to the west, south and east, and rural land to the north. The site is on the northern side of the Ecker Road and has a gentle fall of 4% towards the road.

The site has a total area of 2.3ha and access to Ecker Road. Ecker Road is a rural local access road that provides accesses to 19 lots. The road is partially sealed for approximately 500m, with the remainder of the road unsealed. The allotment has frontage and access to the unsealed part of Ecker Road. Ecker Road is impacted by flood hazard overlay approximately 800m to the east of the subject site near Palm Creek and 660m to the west near the intersection of Shute Harbour Road/Ecker Road.

The development on Ecker Road gains access to the state-controlled road network at Shute Harbour Road and Ecker Road intersection. This intersection is in a posted 100kph speed zone and is immediately south of a cane railway crossing controlled by flashing lights. There is approximately 5.0m of bitumen from the road centreline to the edge of seal on Shute Harbour Road on both approaches to the Ecker Road intersection.

DISCUSSION/CURRENT ISSUE

Rear lots

The Reconfiguring a Lot code of the Planning Scheme includes a requirement that no more than one rear lot is created in a subdivision. Notwithstanding the proposal's non-compliance with this requirement, it is found that the proposal does not conflict with the overall outcomes of the code and complies with all other performance outcomes for the provisions of creating a rear lot, as follows:

- All lots will have at least 40m of internal width and more than 50m of internal depth which is adequate for the proposed rural residential purposes.

- Does not compromise the amenity of the surrounding area as the lots are an appropriate form of rural residential development.
- A safe and convenient access location is available to Ecker Road.
- All lots have suitable building envelopes and area available for effluent disposal systems.
- The access handle can accommodate a 5.5m wide shared driveway.
- Sufficient area is available on the street frontage for the collection of refuse collection bins.

Ecker Road

The subject site is accessed from Ecker Road. Proposed Lots 2 to 5 will be serviced by a shared access easement incorporating a 5.5 m wide sealed driveway designed in accordance with the Whitsunday Regional Council Development Manual.

Ecker Road services 17 properties (it is assumed the properties on the eastern side of Palm Creek would join Conway Road) and is constructed to a sealed standard, generally 4m wide, for approximately the first 500m from the intersection from Shute Harbour Road. This pavement width is non-compliant with the current Development Manual requirements which requires a 6m pavement. The remaining section of Ecker Road is unsealed generally to a 6m formation which is compliant for roads carrying less than 100 vehicle movements per day as a rural local access road. The unsealed section of the road is used by 11 properties and continues until it joins to Conway Road.

The Development Manual adopts a planning assumption of 10 vehicle movements per day per dwelling. The proposed subdivision has the potential to facilitate four additional dwellings, resulting in an estimated increase of 40 vehicle movements per day. Ecker Road currently services 17 properties, which equates to an estimated traffic volume of 170 vehicle movements per day at the point of the intersection with Shute Harbour Road. With the additional traffic generated by the proposal, the estimated traffic volume on Ecker Road would increase to approximately 210 vehicle movements per day, exceeding the 200 vehicle movements per day threshold prescribed by Table D1.3 of the Whitsunday Regional Council Development Manual for a Rural Collector road. Accordingly, an upgrade of Ecker Road would be required to accommodate the additional traffic generated by the development.

The applicant has provided traffic count data collected in 2024 which indicates that Ecker Road currently carries an average daily traffic (ADT) volume of approximately 110 vehicles per day. This demonstrates that the existing rural residential development generates fewer vehicle movements than the standard planning assumption of 10 vehicle trips per allotment per day. Based on the existing traffic volumes and the additional traffic expected from the proposed subdivision, the estimated future traffic volume on Ecker Road is approximately 139 vehicles per day. This places the hierarchy of the road as a Rural Access Road for roads between 100-199 vehicle movements per day.

As the development is placing additional traffic demand on Ecker Road it is recommended conditions of approval are imposed that require Ecker Road, from the existing sealed section to the eastern boundary of the subject site to be upgraded to the Rural Access Road standard of a sealed 6m wide pavement. The conditions are considered to be reasonable and relevant conditions as the proposed development will increase ADT on Ecker Road by 26%.

Whilst the remaining section of Ecker Road is currently only sealed to an approximate 4m width, the section of road is generally in fair condition and recent advice from the Roads and Drainage Unit a sealed 4m road width is acceptable up to 150vpd. As the estimated future

traffic volume will be 139vpd it is not recommended to impose conditions for the upgrading of this section.

Shute Harbour Road/ Ecker Road Intersection

Due to the distance of the site from Shute Harbour Road and the number of lots proposed, the application was not required to be referred to the State Assessment and Referral Agency. However, several submissions received during public notification raised concerns about the effect of the development on the Shute Harbour Road/Ecker Road intersection. Council therefore sought advice from the Department of Transport and Main Roads (DTMR).

Sight distance to the south of the intersection is restricted to approximately 180 m, which does not meet the Austroads requirements for a 100 km/h speed environment. An existing warning sign is located approximately 350 m south of Ecker Road, beyond the crest, and a cane railway crossing warning sign is located approximately 220 m south of the intersection. While these signs alert motorists to upcoming hazards and may encourage reduced vehicle speeds, an "Overtaking lane 300 m ahead" sign on the same approach may encourage some motorists to accelerate.

DTMR advised that the preferred intersection treatment for the traffic volumes using Ecker Road is a Basic Right Turn Treatment (BAR) and Rural Basic Left-turn Treatment (BAL). Shute Harbour Road currently provides approximately 5 m of sealed pavement between the road centreline and edge of seal on both approaches to the intersection. This does not meet the minimum width of 6 m required for the BAR and BAL treatments.

DTMR previously investigated complaints about the intersection in 2024. The recorded crashes were located north of the cane railway crossing and were not associated with the Ecker Road intersection. Nevertheless, the investigation concluded that a BAR treatment would be the minimum required intersection upgrade. DTMR has no current or proposed planning or funding projects for this section of Shute Harbour Road.

Further comment was sought from DTMR that notes there will be marginal change to the safety risk at the intersection and has no objection to the intersection remaining in its current condition. Council has also sought peer review comment from SLR Consulting which agreed with the intersection remaining in its current condition.

FINANCIAL IMPLICATIONS

The application fee has been paid in full.

The applicable infrastructure charge under current Charges Resolution is \$63,073.60.

APPLICATION ASSESSMENT

Council has received the following development application, which has been assessed against the provisions of the relevant legislation as reported below.

1. Application Summary

Application:	Development Application for Development Permit for Reconfiguration of a Lot for One (1) Lot into Five (5) Lots and Access Easement
Applicant:	BFPD 2 Pty Ltd ATF BFPD 2 Trust C/ - TP Assist Pty Ltd
Property Address:	97 Ecker Road, PRESTON QLD 4802
Real Property Description:	L: 10 SP: 293983
Area of Site:	2.3Ha
Planning Scheme Zone:	Rural Residential
Existing Use:	Dwelling House
Existing Approvals:	None
Public Notification:	Development application was in public notification between 5 May 2026 and 26 May 2026. Council received 17 properly made submissions opposing and 1 supporting the proposed development.
State Referrals:	Nil
Third Party Advice	Department of Transport and Main Roads
Infrastructure charges:	\$63,073.60

2. Site Description

The subject site is located within the Rural Residential Zone in the locality of Preston, approximately 8 km north-east of Proserpine and 12 km south-east of Cannonvale. The site has an area of approximately 2.3 hectares and is surrounded by rural residential properties to the west, south and east, with rural land to the north. The land has a gentle fall of approximately 4% from the northern boundary towards Ecker Road.

The site has frontage to Ecker Road, a local rural access road servicing approximately 19 properties. The first approximately 500 metres of Ecker Road is sealed, with the remaining section unsealed. The subject site gains direct access from the unsealed section of the road.

Access to the broader road network is provided via the intersection of Ecker Road and Shute Harbour Road, a state-controlled road. The intersection is located within a 100 km/h speed environment immediately south of a cane railway crossing controlled by flashing warning lights. The sealed pavement on Shute Harbour Road extends approximately 5.0 metres from the road centreline to the edge of seal on both approaches to the intersection.

3. Proposal details

The proposal seeks to subdivide the existing rural residential allotment into five lots and create a shared access easement. The existing dwelling house and ancillary shed will be retained on

Proposed Lot 1, while an additional existing shed will be contained within Proposed Lot 2. Proposed Lot 1 will retain the existing driveway access to Ecker Road, with Proposed Lots 2 to 5 being serviced by a shared access easement.

The proposed subdivision comprises:

- Proposed Lot 1 – 5,041m² with an approximate width of 61m and depth of 89m, containing the existing dwelling house, ancillary structures and the existing driveway access to Ecker Road.
- Proposed Lot 2 – 4,023m² with an approximate width of 50m and depth of 89m, containing an existing shed.
- Proposed Lot 3 – Vacant lot with an area of 4,000m², an approximate width of 48m and depth of 87m.
- Proposed Lot 4 – Vacant lot with an area of 4,020m², an approximate width of 50m and depth of 87m.
- Proposed Lot 5 – Vacant lot with an area of 4,012m², an approximate average width of 51m and depth of 86m.
- Access easement – 1,903m² with an approximate average width of 10.04m and length of 194.65m, providing access to Proposed Lots 2 to 5.

4. Planning matters

The application has been assessed against the relevant provisions of the Planning Act 2016 and the *Whitsunday Regional Council Planning Scheme 2017*. The proposal generally complies with the Planning Scheme and is recommended for approval in accordance with the drawings and documents submitted, subject to relevant and reasonable conditions.

While this development did not trigger referral to State Assessment and Referral Agency (SARA) under the *Planning Regulation 2017*, the application was referred to Department of Transport and Main Roads for a third party advice regarding the Shute Harbour Road and Ecker Road intersection.

4.1 State Planning Policy – July 2017

The State Planning Policy (SPP) includes interim development assessment requirements to ensure that State interests are appropriately considered by local government when assessing development applications where the local government Planning Scheme is appropriately integrated all the State's interests in the SPP. The most recent SPP has been reflected in the *Whitsunday Regional Council Planning Scheme*, in particular Part 2 of State Planning Provisions.

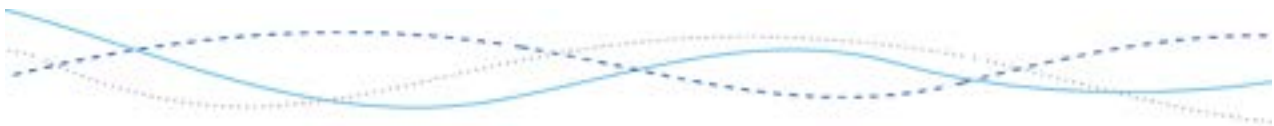

4.2 Mackay Isaac and Whitsunday Regional Plan – February 2012

The Mackay, Isaac and Whitsunday Regional Plan was established to provide the vision and direction for the region to 2031. The plan provides certainty about where the region is heading in the future and provides the framework to respond to the challenges and opportunities which may arise.

The subject site is located within the Regional Landscape and Rural Production area that identifies land with regional landscape, rural production or other non-urban values to protect the land from inappropriate development. However, the regional plan relies on the local planning schemes to consider growth needs for rural residential land in the RLRPA.

4.3 Whitsunday Regional Council Planning Scheme 2017

4.3.1 Strategic Framework

The Strategic Framework sets the policy direction for the Planning Scheme and forms the basis for ensuring appropriate development occurs in the Planning Scheme area. The proposal either supports the relevant Strategic Framework as follows:

Strategic Intent

- (1) The subject site is within the rural residential area, and the proposed subdivision supports the growth of rural residential development in the region.
- (2) The proposed lots provide for a rural residential lifestyle contributing to variety of housing. The proposed development does not increase risk associated with natural hazards.
- (4) The proposed development is in the established rural residential area of the region and does not negatively impact matters of ecological, environmental or scenic value.

Liveable communities and housing

Land use strategies

- (1) The development site is within the existing rural residential area of Preston and does not involve new residential expansion.
- (7) The proposed development is for subdivision of the existing rural residential lot and does not expand into the rural land.

Safety and Resilience to Hazards

- (1) The proposal does not create any hazard issues or have adverse impact on the community's resilience to hazards.

Infrastructure

Strategic Outcome

- (1) The subject site has access to the unsealed part of Ecker Road. The proposed development will increase demand on the transport infrastructure, and the road upgrade is required to ensure safety and efficiency of the transport infrastructure. All other services will be provided on-site at future building stage.

Land use strategies

- (2) comment from DTMR has been received that notes there will be marginal change to the safety risk at the intersection and has no objection to the intersection remaining in its current condition. Council has also sought peer review comment from SLR Consulting which agreed with the intersection remaining in its current condition.

The proposal does not undermine other outcomes and strategies in the Strategic Framework.

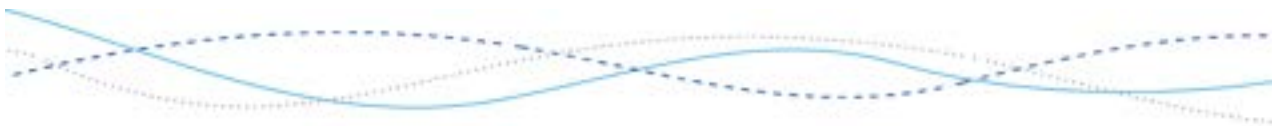

4.3.2 Overlay Codes

Acid sulfate soils overlay code

The small portion of the south -eastern corner of the subject land is within the Land above 5m AHD and below 20m AHD area of the overlay. The proposed development will avoid acid sulfate soils or manage in accordance with the Queensland Acid Sulfate Soils Technical Manual.

Agricultural land overlay code

The subject land is within the State Important Agriculture Area. The subject site is improved by a dwelling house use. The aerial and historical imagery shows no current or previous rural activities within the subject site. The small-scale rural activities compatible with the rural residential use can be carried

within the proposed lots. As such, the proposed development does not result in alienation or diminished productivity of the agricultural land.

Building heights overlay code

The proposed development does not involve construction of buildings. Therefore, this overlay is not relevant to this development.

Biodiversity, waterway and wetlands (vegetation) overlay code

The site includes area of MSES Regulated Vegetation (category C). However, the subject site has been cleared from vegetation with remaining vegetation along the drainage line to be retained within the proposed lots 1 and 2. Proposed Lot 1 includes the existing dwelling and proposed Lot 2 will retain the shed and has sufficient area for building envelop within the cleared area. Therefore, it is considered that there are no additional impacts from the proposed development.

Bushfire hazard overlay code

The subject site is affected by the high bushfire hazard risk and fire danger index (58). The northern portion of the site contains area under very high bushfire hazard risk. The site is mostly cleared from vegetation with a small patch of vegetation remaining at the front of the block. The site is gently sloping from north to south with the uphill vegetation identified as *Eucalyptus tereticornis* and/or *Corymbia* spp. and/or *E. platyphylla* and/or *Lophostemon suaveolens* woodland to open forest on hill slopes on Mesozoic to Proterozoic igneous rocks.

The subject site is in the rural residential zone and does not have access to reticulated water supply. While the proposed subdivision does not change the level of risk to the existing dwelling house, the subdivision is creating new lots and the conditions for water tanks are recommended to ensure that a water tank with water supply solely for fire-fighting purposes is available within each new lot prior to plan sealing if the lot contains the existing dwelling and at future building stage if lots are vacant.

4.3.3 Zone Code

Rural residential zone code

The proposed development is infill within the established rural residential area. The proposed lots with areas of 4,000m² or greater are sufficient to provide for semi-rural density and rural residential lifestyle.

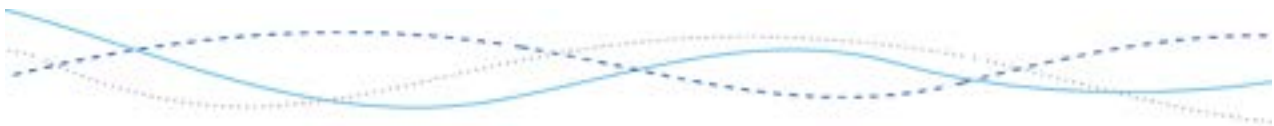

Ecker Road is designed to a Rural Local Access standard and sealed from the intersection with Shute Harbour Road for approximately 500m. The rest of the road is unsealed. The proposed development will increase vehicle trips per day by 40vpd. According to WRC Development Manual, the road must be upgraded and sealed to a minimum Rural Access standard from the existing seal to the eastern property boundary of the subject site. To ensure the safety and efficiency of the road and development a condition is recommended to be imposed for Ecker Road upgrade.

4.3.4 Development Code

Reconfiguring a Lot Code

The proposed development will create four rear lots and does not meet the performance outcome PO2 (a) and (e) of the code. Notwithstanding the proposal's non-compliance with this requirement, it is found that the proposal does not conflict with the overall outcomes of the code and complies with all other performance outcomes for the provisions of creating a rear lot, as follows:

- All lots will have at least 40m of internal width and more than 50m of internal depth which is adequate for the proposed rural residential purposes.

- Does not compromise the amenity of the surrounding area as the lots are an appropriate form of rural residential development.
- A safe and convenient access location is available to Ecker Road.
- All lots have suitable building envelopes and area available for effluent disposal systems.
- The access handle can accommodate a 5.5m wide shared driveway.
- Sufficient area is available on the street frontage for the collection of refuse collection bins.

Infrastructure code

The existing structures will be contained within proposed Lots 1 and 2. New services will be provided to additional lots at future building works stage. The reports for on-site wastewater management and foundation investigation provide recommendations for future layout and location of the disposal system within the proposed lots.

Conditions for stormwater management and operational work approval are recommended to ensure that the proposed development discharges stormwater to a lawful point of discharge and does not increase flood levels and/or flood frequency at any locations where existing landowners and/or users are adversely affected by waterway flooding for all events up to and including Q100.

Excavation and filling code

The existing driveway will provide access to proposed lot 1. The new access point (contained within the access easement) will be constructed and maintained in accordance with the requirements of D2: Site regrading and S1: Earthworks of PSP SC6.8 WRC development manual. No filling or excavation is included in this proposal. The proposed development does not result in a change in flood flows, velocities or levels external to the development site.

Transport and parking code

The subject site is accessed from Ecker Road. Proposed Lots 2 to 5 will be serviced by a shared access easement incorporating a 5.5 m wide sealed driveway designed in accordance with the Whitsunday Regional Council Development Manual.

Ecker Road services 17 properties (it is assumed the properties on the eastern side of Palm Creek would join Conway Road) and is constructed to a sealed standard, generally 4m wide, for approximately the first 500m from the intersection from Shute Harbour Road. This pavement width is non-compliant with the current Development Manual requirements which requires a 6m pavement. The remaining section of Ecker Road is unsealed generally to a 6m formation which is compliant for roads carrying less than 100 vehicle movements per day as a rural local access road. The unsealed section of the road is used by 11 properties and continues until it joins to Conway Road.

The Development Manual adopts a planning assumption of 10 vehicle movements per day per dwelling. The proposed subdivision has the potential to facilitate four additional dwellings, resulting in an estimated increase of 40 vehicle movements per day. Ecker Road currently services 17 properties, which equates to an estimated traffic volume of 170 vehicle movements per day at the point of the intersection with Shute Harbour Road. With the additional traffic generated by the proposal, the estimated traffic volume on Ecker Road would increase to approximately 210 vehicle movements per day, exceeding the 200 vehicle movements per day threshold prescribed by Table D1.3 of the Whitsunday Regional Council Development Manual for a Rural Collector road. Accordingly, an upgrade of Ecker Road would be required to accommodate the additional traffic generated by the development.

The applicant has provided traffic count data collected in 2024 which indicates that Ecker Road currently carries an average daily traffic (ADT) volume of approximately 110 vehicles per day. This demonstrates that the existing rural residential development generates fewer vehicle movements than the standard planning assumption of 10 vehicle trips per allotment per day. Based on the existing traffic volumes and the additional traffic expected from the proposed subdivision, the estimated future traffic volume on

Ecker Road is approximately 139 vehicles per day. This places the hierarchy of the road as a Rural Access Road for roads between 100-199 vehicle movements per day.

As the development is placing additional traffic demand on Ecker Road it is recommended conditions of approval are imposed that require Ecker Road, from the existing sealed section to the eastern boundary of the subject site, to be upgraded to the Rural Access Road standard of a sealed 6m wide pavement. The conditions are considered to be reasonable and relevant conditions as the proposed development will increase ADT on Ecker Road by 26%.

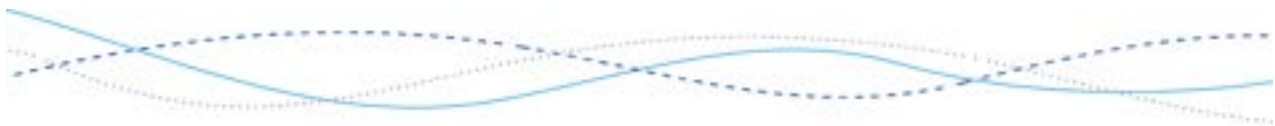

Whilst the remaining section of Ecker Road is currently only sealed to an approximate 4m width, the section of road is generally in fair condition and recent advice from the Roads and Drainage Unit a sealed 4m road width is acceptable up to 150vpd. As the estimated future traffic volume will be 139vpd it is not recommended to impose conditions for the upgrading of this section.

4.4 Public notification

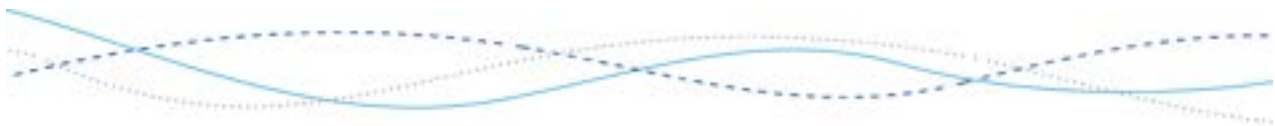

The development application was in public notification between 5 May 2026 and 26 May 2026. Council received 17 properly made submissions opposing the proposed development and one submission in support.

The issues raised in the submissions have been summarised as follows:

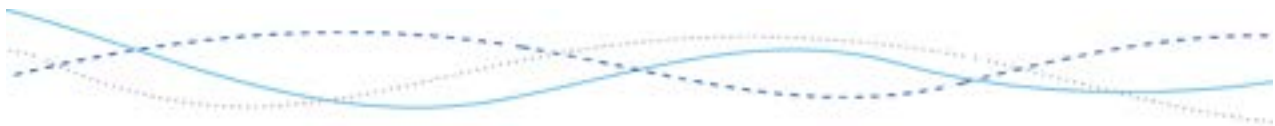

Issue	Comment
Flooding and unsealed road	The public submissions raised concerns regarding the impact of the proposed development on the condition of the road infrastructure and worsening of the road conditions during wet season due to unsealed part of the road being prone to flooding and erosion. An assessment of the developments impact on Ecker Road is provided in the transport and parking code assessment. Conditions of approval are recommended to address the standard of Ecker Road.
Shute Harbour Road/Ecker Road intersection safety	The public submissions raised concern with the intersection at Ecker Road / Shute Harbour Road and the impact of additional vehicle movements. Due to the distance of the site from Shute Harbour Road and the number of lots proposed, the application was not required to be referred to the State Assessment and Referral Agency. However, several submissions received during public notification raised concerns about the effect of the development on the Shute Harbour Road/Ecker Road intersection. Council therefore sought advice from the Department of Transport and Main Roads (DTMR). Sight distance to the south of the intersection is restricted to approximately 180 m, which does not meet the Austroads

	requirements for a 100 km/h speed environment. An existing warning sign is located approximately 350 m south of Ecker Road, beyond the crest, and a cane railway crossing warning sign is located approximately 220 m south of the intersection. While these signs alert motorists to upcoming hazards and may encourage reduced vehicle speeds, an "Overtaking lane 300 m ahead" sign on the same approach may encourage some motorists to accelerate. DTMR advised that the preferred intersection treatment for the traffic volumes using Ecker Road is a Basic Right Turn Treatment (BAR) and Rural Basic Left-turn Treatment (BAL). Shute Harbour Road currently provides approximately 5 m of sealed pavement between the road centreline and edge of seal on both approaches to the intersection. This does not meet the minimum width of 6 m required for the BAR and BAL treatments. DTMR previously investigated complaints about the intersection in 2024. The recorded crashes were located north of the cane railway crossing and were not associated with the Ecker Road intersection. Nevertheless, the investigation concluded that a BAR treatment would be the minimum required intersection upgrade. DTMR has no current or proposed planning or funding projects for this section of Shute Harbour Road. Further comment was sought from DTMR that notes there will be marginal change to the safety risk at the intersection and has no objection to the intersection remaining in its current condition. Council has also sought peer review comment from SLR Consulting which agreed with the intersection remaining in its current condition.
Conflict with Strategic Framework and Rural Residential Zone code	Submitters are concerned that the proposed development conflicts with the Strategic Framework and Rural Residential Zone code by creating rear lots with shared access inconsistent with the surrounding rural and rural residential large lots. An assessment of the proposal's compliance with the strategic framework and rural residential code has been provided. No grounds for refusal are identified.

Stormwater runoff, wastewater, and environmental health risks	To ensure that stormwater from the proposed development will discharge to a lawful point and that there is no increase in flood levels and/or flood frequency at any locations where existing landowners and/or users are adversely affected by waterway flooding for all events up to and including Q100 conditions for stormwater management and operational works approval are recommended. According to site evaluation, Proposed Lot 1 has an existing dwelling and associated effluent system. Proposed Lot 2 has an existing shed, and Proposed lots 3, 4 and 5 are vacant lots. The applicant has submitted Land Suitability Assessment for On-site Wastewater Treatment and Effluent Disposal for Proposed Lots 2 and 5, and On-site Wastewater Management and Foundation Investigation for Proposed Lots 3 and 4. The reports concluded that the proposed lots have sufficient land areas for dwelling houses and effluent disposal areas via advanced secondary treatment in accordance with the requirements of the Queensland Plumbing and Wastewater Code.
Environmental and amenity impacts	Submitters object the proposal due to concerns that development will result in vegetation loss, and increase in hard surface areas, greater development intensity and a corresponding loss of rural outlook and privacy. The application seeks approval for a Reconfiguration of a Lot, and no building or vegetation clearing is proposed as part of this development application. The subject property is primarily cleared of vegetation. The proposed development remains substantial in size, averaging of 4,000m² (one acre). Lots of this size provide opportunity for future landscaping and setbacks between future dwelling houses. As a result, the development will retain the semi- rural character consistent with the purpose of the Rural Residential Zone. The rural outlook will be preserved as the existing dwelling with ancillary buildings within the Proposed Lot 1 will be retained. The future dwellings within the proposed rear lots will be screened from the street view. Development of land within the Rural Residential Zone is anticipated by the Planning Scheme, and changes to outlook are an inevitable part of the development. The resulting lots will continue to exhibit rural-residential density, landscaped character consistent with the existing and intended future character of the locality. Future dwelling houses will be required to comply with the applicable planning and building requirements related to setbacks, site coverage and building design. The proposed lots provide for building envelopes that have separation distances from the adjoining lots sufficient to reduce the potential for unreasonable overlooking or privacy impacts.

Dust and noise pollution	Submitters raised concerns regarding the potential dust and noise impacts from the proposed development. Temporary dust and noise impacts may occur during future construction activities. However, these impacts can be managed through established construction practices and legislative requirements. The proposed development is a relatively small scale rural residential subdivision involving the creation of a total of five allotments. Any construction activities associated with civil works, access formation and future dwelling construction will be temporary in nature and limited in duration. Appropriate measures such as dust suppression, erosion and sediment controls, vehicle speed management, and restrictions on construction hours can be implemented to minimise impacts on neighbouring properties.
--------------------------	--

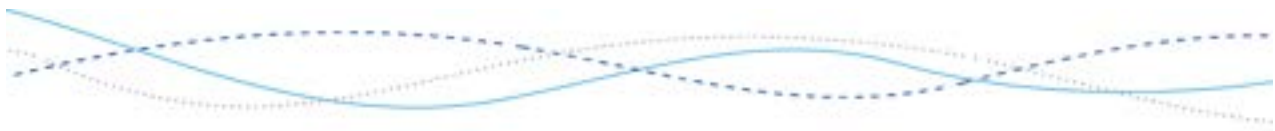

4.5 Internal referrals

The application has been assessed by Development Engineering and Environmental Officer. Draft conditions are recommended to be imposed in relation to infrastructure connections.

5. Infrastructure charges notice

The following is a breakdown on the Infrastructure Charges for the development

	Adopted Charge				
Type of Development	Development Category	Demand Unit & Qty	Charge Rate	Adopted Charge	
Reconfiguring a Lot – One (1) Lot into Five (5) Lots	Residential	3 or more bedroom dwelling house 5	\$15,768.40	\$78,842.00	
Total Adopted Charge				\$78,842.00	
	Credit				
Type of Development	Development Category	Demand Unit & Qty	Charge Rate	Discount	Total Credit
Dwelling house	Residential	3 or more bedroom dwelling house 1	\$15,768.40	N/A	\$15,768.40
Total Credit					\$15,768.40
Total Charge					\$63,073.60

1.0 ADMINISTRATION

- 1.1 The approved development must be completed and maintained generally in accordance with the approved drawings and documents:

Plan/Document Name	Prepared By	Plan Number	Dated
Reconfiguration of Lot Plan – Proposed Lots 1 to 5 – Aerial imagery	Applicant	260211-01 C01 Rev A	17/02/2026
Reconfiguration of Lot Plan – Proposed Lots 1 to 5	Applicant	260211-01 C01 Rev A	17/02/2026
Proposed Driveways Layouts and SISD design check	Paradise Engineering	202524-1-A Amend B	20/04/2026
Proposed Driveways Layouts	Paradise Engineering	202524-2-A Amend A	20/04/2026
Land Suitability Assessment for On-site Wastewater Treatment and Effluent Disposal	CQ Soil Testing	CQ30951	17/04/2026
On-site Wastewater Management and foundation investigation	Ground Environments Pty Ltd	GE_2509.1310 _Rev 1	26/02/2026

- 1.2 The following further development permits are required prior to commencement of work on site or commencement of the use:

- Operational Works:
 - Earthworks
 - Stormwater drainage
 - Access (Internal)
 - Erosion Prevention and Sediment Control
 - Road works.

All Operational Works, Plumbing and Drainage Works Development Permits must be obtained prior to the issue of a Building Works Development Permit.

- 1.3 Where a discrepancy or conflict exists between the written conditions of this approval and the approved plans, the requirements of the written condition(s) will prevail.
- 1.4 The applicant shall demonstrate and provide evidence that compliance with all conditions of this development approval and any other subsequent development approvals as a result of this development approval have been complied with at the time of sealing the survey plan or commencement of the use, whichever is the sooner.

2.0 WATER INFRASTRUCTURE

- 2.1 Design and construct a potable water supply to proposed Lots 2, 3, 4 and 5 in accordance with Council's Planning Scheme or Planning Policy applicable at the time. Such work must be in accordance with an approved detailed design at future building application stage.

3.0 ON SITE EFFLUENT DISPOSAL

- 3.1 At future building application stage, the applicant is to Design and Construct an on-site domestic sewerage treatment system to proposed Lots 2, 3, 4 and 5. Such work must be in accordance with Council's Planning Scheme applicable at the time and Queensland Plumbing and Wastewater code. The Effluent Feasibility Studies by Ground Environments Pty Ltd, dated 26 February 2026 and by CQ Soil Testing, dated 17 April 2026 should be noted at future building stage.

4.0 STORMWATER AND FLOODING

- 4.1 A Development Permit for Operational Works (Stormwater Drainage) must be obtained prior to commencement of work on site.
- 4.2 Any application for Operational Works (Stormwater) must be accompanied by engineering design drawings, including calculations and certifications of the design, demonstrating compliance with Queensland Urban Drainage Manual (current at the time of development), Council's Development Manual (current at the time of development) and this Decision Notice.
- 4.3 Each allotment to be created must be provided with a lawful point of discharge prior to signing of the Survey Plan.
- 4.4 The developed flows from the land must be drained to a lawful point of discharge prior to signing of the Survey Plans. Easements for this purpose must be provided over all land from the development to the lawful point of discharge.
- 4.5 All stormwater drainage works must be designed and constructed in accordance with the Queensland Urban Drainage Manual current at the time of development and Council's Development Manual (current at the time of development).
- 4.6 All site works must be undertaken to ensure that there is no increase in flood levels and/or flood frequency at any locations where existing landowners and/or users are adversely affected by waterway flooding for all events up to and including Q100.
- 4.7 Easements required for drainage purposes through allotments must be in accordance with details described in the Queensland Urban Drainage Manual current at the time of development.
- 4.8 Prior to signing of Plan of Survey, the owner must lodge with Council, a civil engineer's design and construction certification (by an experienced and qualified RPEQ engineer). The certification must be addressed to Council and must certify that the Roof and Allotment and Stormwater Drainage works have been constructed in accordance with the requirements of Queensland Urban Drainage Manual current at the time of development, Council's Development Manual (current at the time of development) and this Decision Notice and will not cause adverse effects to adjoining or downstream properties or infrastructure.

5.0 ACCESS AND PARKING

- 5.1 A Road Works permit must be obtained prior to commencement of work for the external access on site.
- 5.2 The external access to Proposed Lots 1 and 2 must be constructed in accordance with the Approved Road Works permit prior to the commencement of use or signing of the Survey Plans.
- 5.3 A Development Permit for Operational Works (Internal Access) must be obtained prior to commencement of work on site.
- 5.4 Any application for Operational Works (Internal Access) must be accompanied by engineering design drawings, including calculations and certifications of the design,

demonstrating compliance with Council's Development Manual (current at the time of development) and this Decision Notice.

- 5.5 At completion of construction and prior to signing of plan of survey, the Supervising Engineer shall provide certification that all External and Internal access works constructed on site comply with Council's Development Manual and this Decision Notice of Approval
- 5.6 The applicant must design and construct the internal access from Ecker Road, Road Reserve for the full length of the access Easements to Proposed Lots 2, 3, and 4 to a sealed standard, 5.5m wide, so as to comply as a minimum with the levels, dimensions and specifications as shown on Council's current Standard Drawing and Whitsunday Regional Council's Development manual standard DG 1.17 and DG 1.30 Access to Allotments prior to the signing of the Plan of Survey.
- 5.7 At a point past the proposed driveway to proposed Lot 4, the applicant must extend this driveway from a width of 5.5m to a minimum width of 3m sealed standard over a 10m transition extending to the northern property boundary of proposed Lot 5 in accordance with DG 1.17 and DG 1.30, prior to the signing of the plan of survey. Development manual standard DG 1.17 and DG 1.30 Access to Allotments prior to the signing of the Plan of Survey.
- 5.8 Easement documentation required for this internal access is to be provided to Council free of charge prior to the sealing of the survey plan.
- 5.9 The documentation for the proposed Access Easements must include statements with regard to ownership and responsibility for future construction and ongoing maintenance requirements of the sealed access within the Easements.

6.0 ROADWORKS

- 6.1 A Development Permit for Operational Works (Roadworks) must be obtained prior to commencement of work on site.
- 6.2 Any application for Operational Works (Roadworks) must be accompanied by engineering design drawings, including calculations and certifications of the design, demonstrating compliance with Queensland Urban Drainage Manual (current at the time of development), Council's Development Manual (current at the time of development) and this Decision Notice.
- 6.3 The proposed upgrade of Ecker Road shall be designed to meet to a minimum requirement for the Street and Road Hierarchy as shown in Table D1.3 of Council's Development Manual. The design criteria must as a minimum be as follows:

Rural Access

Pavement Width	- 6m
Formation	- 8m
Edge treatment	- Nil
Surface	- Two coat seal

Ecker Road must be upgraded from the edge of the existing road seal to the west for approximately 500m to the eastern property boundary of Lot 10SP293983.

- 6.4 Design and construction of the works must be in accordance with Council's Standard Specifications and Standard Drawings applicable at the time of development.
- 6.5 All stormwater drainage works associated with the above roadworks must be designed and constructed in accordance with Council's Development Manual.

- 6.6 At completion of construction and prior to Signing of Plan of Survey, the Supervising Engineer must provide certification to Council that all construction complies with this Decision Notice and Council's Development Manual.

7.0 ELECTRICITY AND TELECOMMUNICATIONS

- 7.1 Provide electricity and telecommunications connection to the proposed development to the requirements of the relevant authority. The application must submit to Council, either:
- (a) a certificate of supply demonstrating that existing low-voltage electricity supply is available to the newly created lots; or
 - (b) a certificate of supply that the applicant has entered into an agreement with the authorized electricity supplier, Ergon, to provide electricity services to the newly created lots, payment has been received, and the connection will be completed at a date in the future.
- 7.2 If low-voltage electricity supply is unavailable to the newly created lots then the applicant must provide a certificate of supply of the proposed electricity connection date to all future property owners prior to entering into a contract of sale for the newly created lots prior to signing of the survey plan.

8.0 BUSHFIRE PROTECTION PLAN

- 8.1 Prior to sealing the plan of survey for Proposed Lot 1, one tank that is below ground or of non-combustible construction is located within 10 meters of each Class 1, 2, 3 or 4 building is to be provided as follows:
- a) a take-off connection from the tank that is at a level that allows static water supply of 10,000 litres to be dedicated for firefighting purposes;
 - b) a hardstand area allowing heavy rigid fire appliance access within 6m of tank;
 - c) fire brigade tank fittings (50mm ball valve & male camlock coupling);
 - d) above ground water pipes, where fittings are metal; and
 - e) if underground, the tank has an access hole of 200mm (minimum) to allow access for suction lines.
- 8.2 At future building application stage for Proposed Lots 2, 3, 4 and 5, one tank that is below ground or of non-combustible construction is located within 10 meters of each Class 1, 2, 3 or 4 building is to be provided as follows:
- a) a take-off connection from the tank that is at a level that allows static water supply of 10,000 litres to be dedicated for firefighting purposes;
 - b) a hardstand area allowing heavy rigid fire appliance access within 6m of tank;
 - c) fire brigade tank fittings (50mm ball valve & male camlock coupling);
 - d) above ground water pipes, where fittings are metal; and
 - e) if underground, the tank has an access hole of 200mm (minimum) to allow access for suction lines.

9.0 ENVIRONMENTAL MANAGEMENT PLAN (EMP)

- 9.1 A Development Permit for Operational Works (Erosion Prevention and Sediment Control) must be obtained prior to commencement of work on site.
- 9.2 The Erosion Prevention and Sediment Control Plan must be prepared in accordance with Council's Development Manual and best Practice Erosion & Sediment Control – November 2008 (IECA White Book).
- 9.3 The strategy of the plan must be implemented and maintained for the duration of the operational and building works, and until exposed soil areas are permanently stabilised (e.g., turfed, concreted).
- 9.4 Discharges of water pollutants, wastewater or stormwater from the site must not cause measurable levels of water pollutants in the receiving waters to fall outside the acceptable ranges specified in the 'Australian Water Quality Guidelines for Fresh and Marine Waters', ANZECC 2000.
- 9.5 No visible emissions of dust must occur beyond the boundaries of the site during earthworks and construction activities on the site. If, at any time during the earthworks and construction activities the dust emissions exceed the levels specified above, all dust generating activities must cease until the corrective actions have been implemented to reduce dust emissions to acceptable levels or wind conditions are such that acceptable levels are achieved.
- 9.6 The applicant must ensure that when undertaking any on-site or external works, including any filling and extraction, appropriate dust control measures are implemented in accordance with the Environmental Protection Act 1994 and complies with the relevant air quality objectives defined in the Environmental Protection (Air) Policy 2008.

10.0 MAINTENANCE VALUATION

- 10.1 The applicant must pay to Council a maintenance valuation fee per lot at the time of sealing of the survey plan at the rate applicable at the time of payment. The current rate is \$58.00 per lot.

11.0 MISCELLANEOUS

- 11.1 If any item of cultural heritage is identified during site works, all work must cease and the relevant State Agency must be notified. Work can resume only after State Agency clearance is obtained.

The Applicant is reminded of their obligations under the Aboriginal Cultural Heritage Act, 2003 and the Torres Strait Islander Cultural Heritage Act 2003. Further information and databases are available from the Department of Aboriginal and Torres Strait Islander Partnerships at: www.datsip.qld.gov.au

- 11.2 Any alteration necessary to electricity, telephone, water mains, sewerage mains, and/or public utility installations resulting from the development or in connection with the development, must be at full cost to the developer.
- 11.3 Any building materials, equipment and the like must be appropriately tied down, placed indoors and secured on site at the time of preparation for cyclone events. The on-site supervisor is to ensure that all contractors/employees take the necessary steps to secure the construction site in the event of a cyclone.
- 11.4 All construction materials, waste, waste skips, machinery and contractors' vehicles must be located and stored or parked within the site. No storage of materials, parking of construction machinery or contractors' vehicles will be permitted in Ecker Road or adjoining land unless written permission from the owner of that land and Council is provided.

- 11.5 It is the developer's responsibility for the full rectification of any damage caused to neighbouring public infrastructure (such as footpaths, driveways, fences, gardens, trees and the like) caused by contractors, including clean-up of any litter or waste that is a result of the subject development.

12.0 ADVISORY NOTES

12.1 Hours of work

It is the developer's responsibility to ensure compliance with the Environmental Protection Act 1994, which prohibits any construction, building and earthworks activities likely to cause nuisance noise (including the entry and departure of heavy vehicles) between the hours of 6.30 pm and 6.30 am from Monday to Saturday and at all times on Sundays or Public Holidays.

12.2 Dust Control

It is the developer's responsibility to ensure compliance with the Environmental Nuisance of the Environmental Protection Act 1994 which prohibits unlawful environmental nuisance caused by dust, ash, fumes, light, odour or smoke beyond the boundaries of the property during all stages of the development including earthworks and construction.

12.3 Sedimentation Control

It is the developer's responsibility to ensure compliance with the Environmental Protection Act 1994 and Schedule 9 of the Environmental Protection Regulation 2008 to prevent soil erosion and contamination of the stormwater drainage system and waterways.

12.4 Noise During Construction and Noise in General

It is the developer's responsibility to ensure compliance with the Environmental Protection Act 1994.

12.5 General Safety of Public During Construction

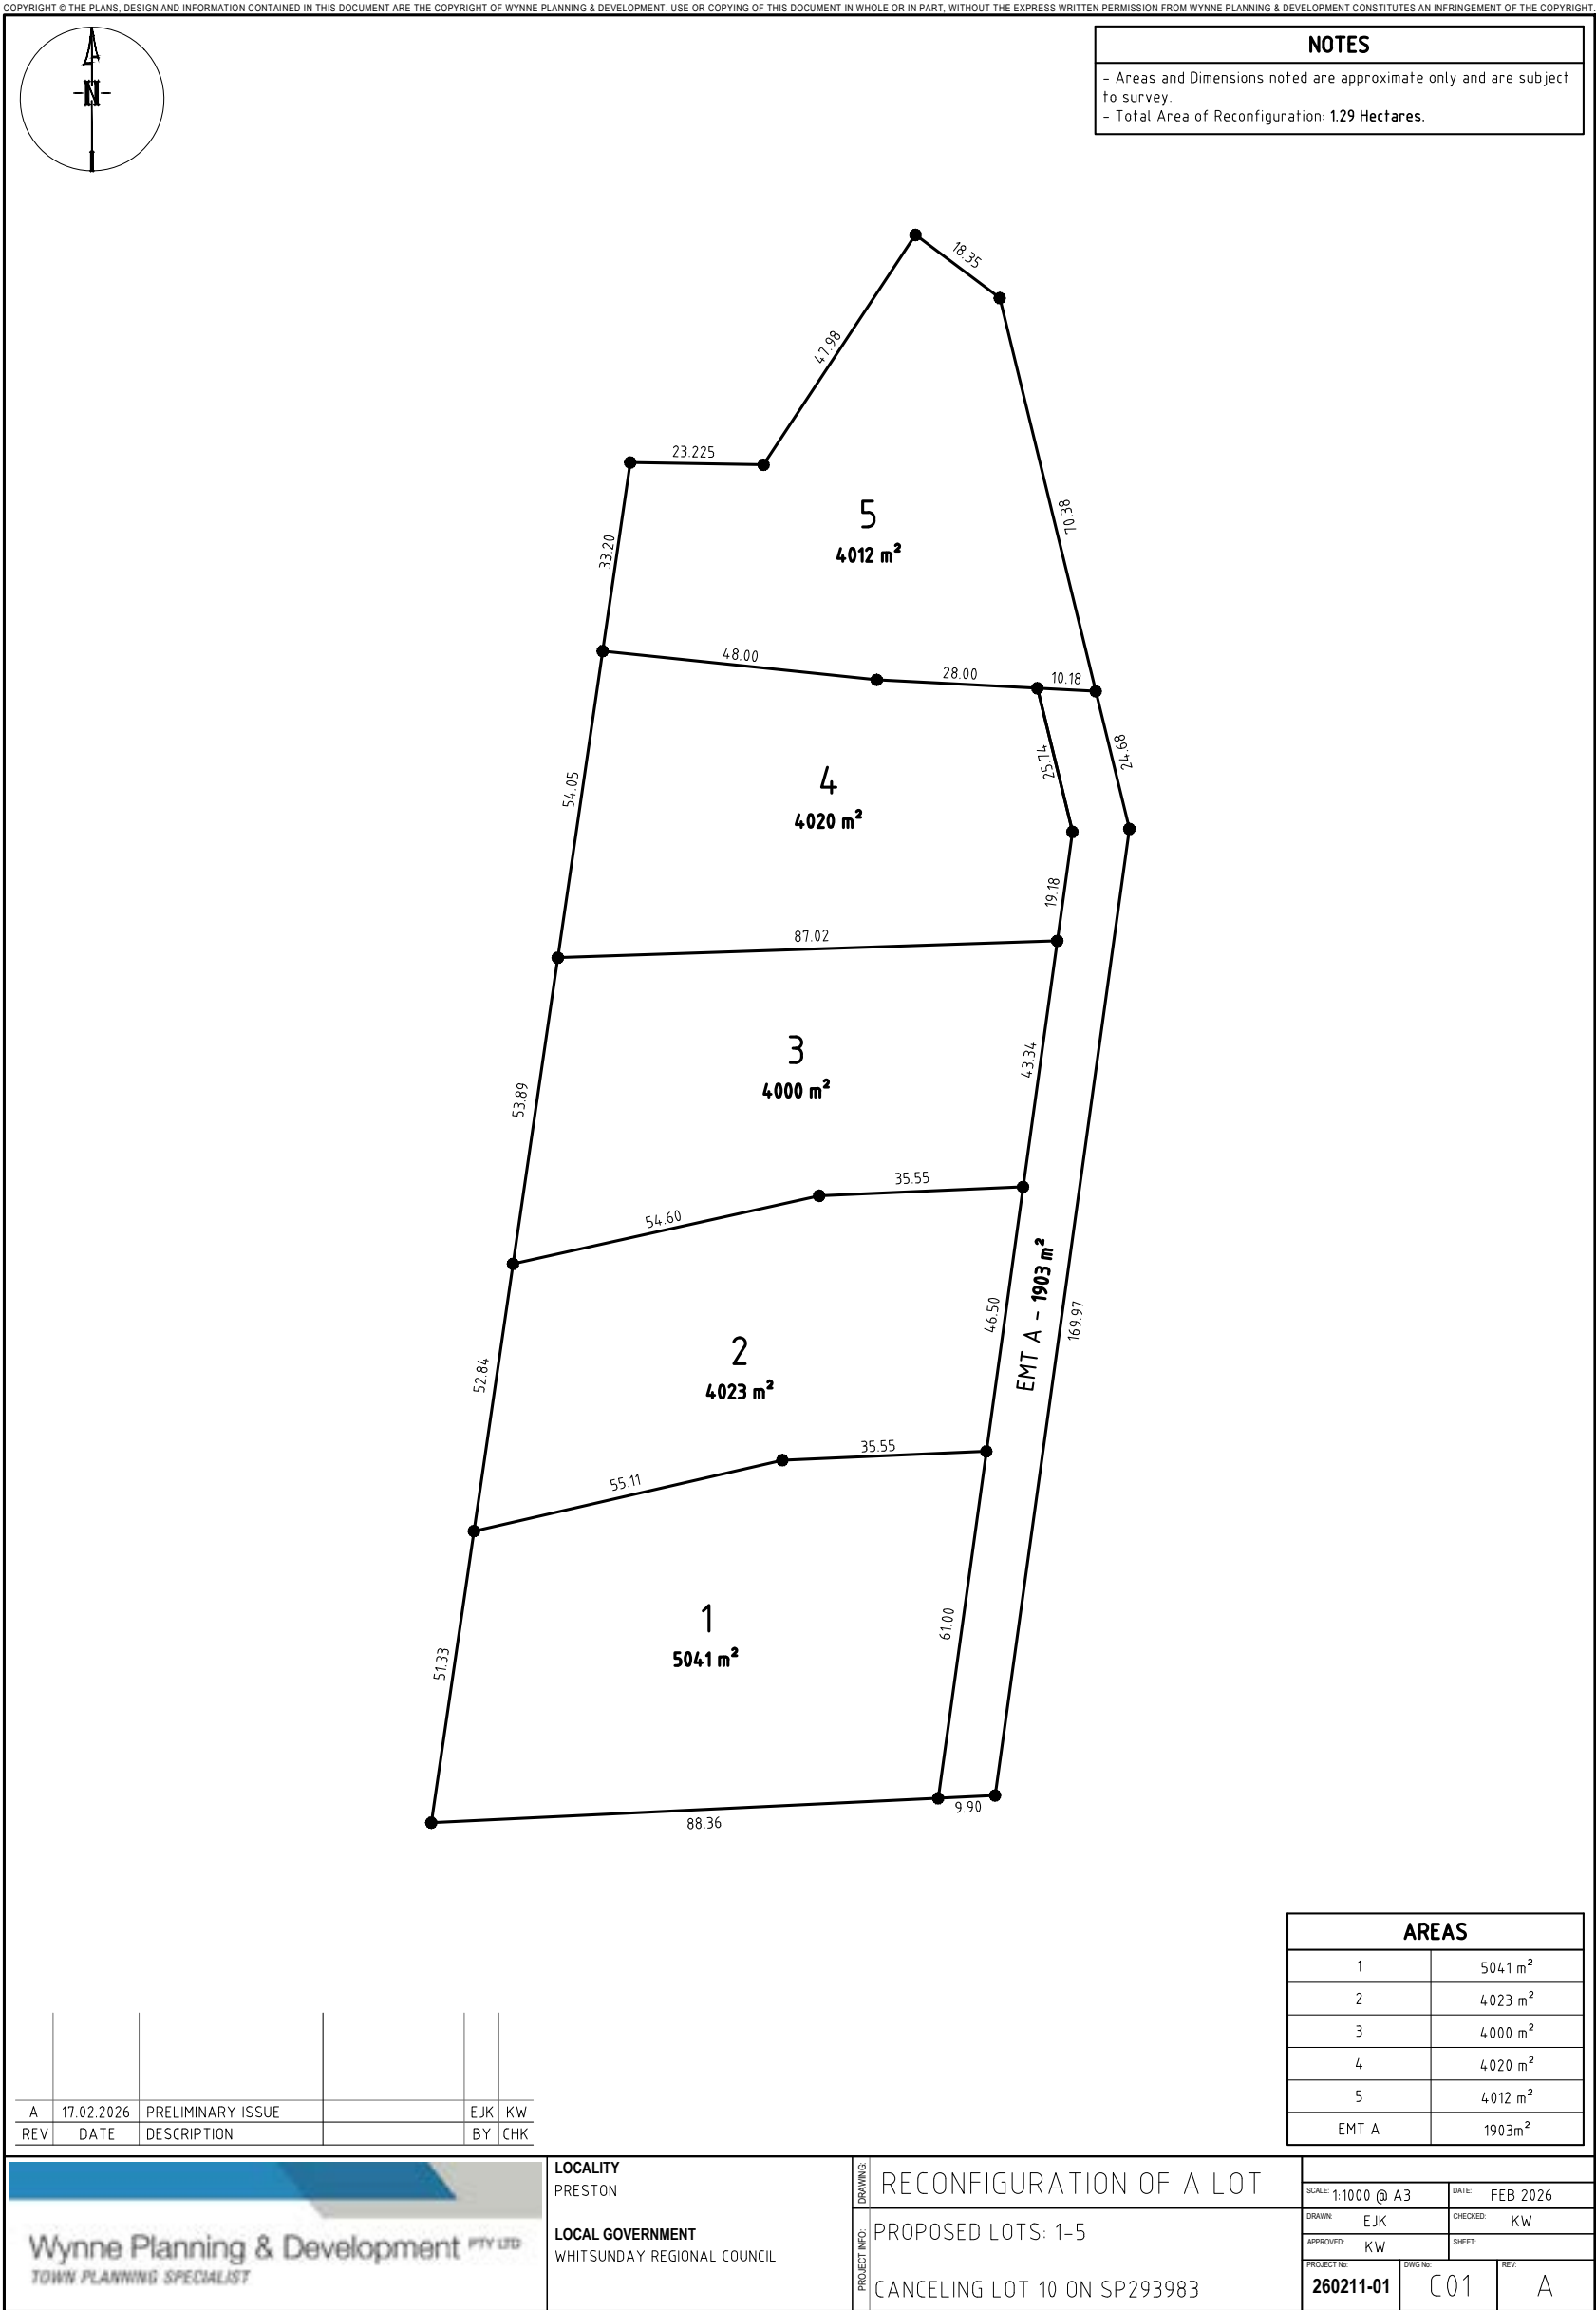

It is the project manager's responsibility to ensure compliance with the Work Health and Safety Act 2011. It states that the project manager is obliged to ensure construction work is planned and managed in a way that prevents or minimises risks to the health and safety of members of the public at or near the workplace during construction work.

It is the principal contractor's responsibility to ensure compliance with the Work Health and Safety Act 2011. It states that the principal contractor is obliged on a construction workplace to ensure that work activities at the workplace prevent or minimise risks to the health and safety of the public at or near the workplace during the work.

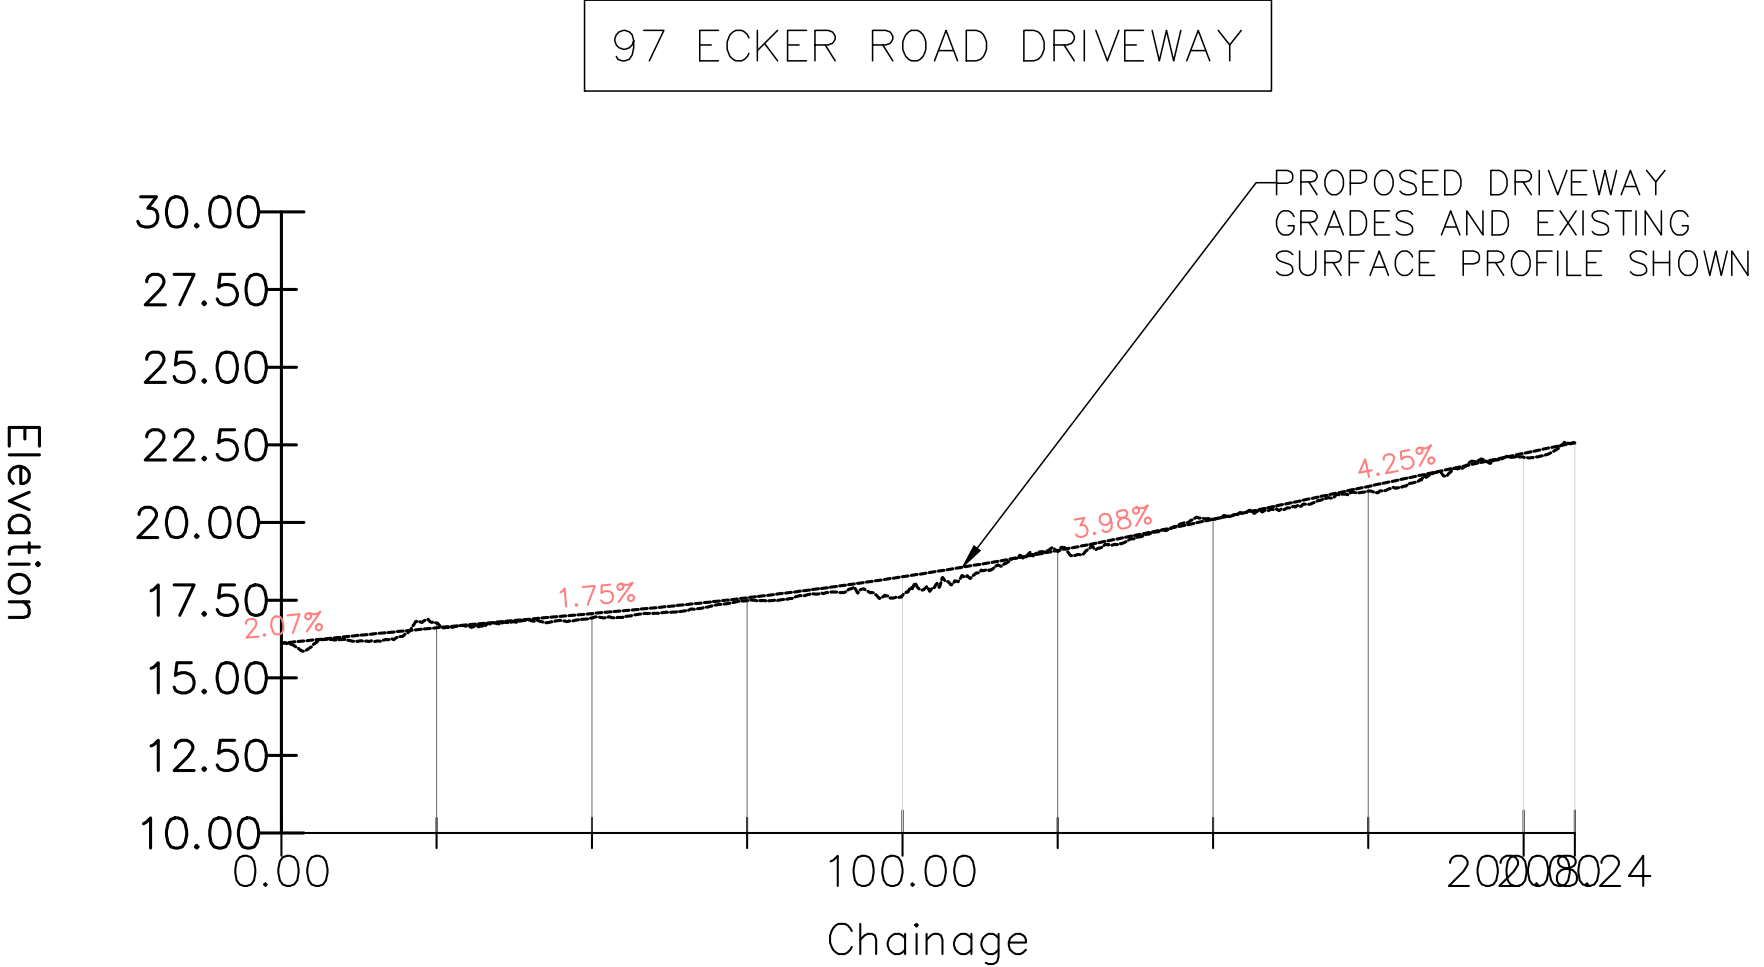

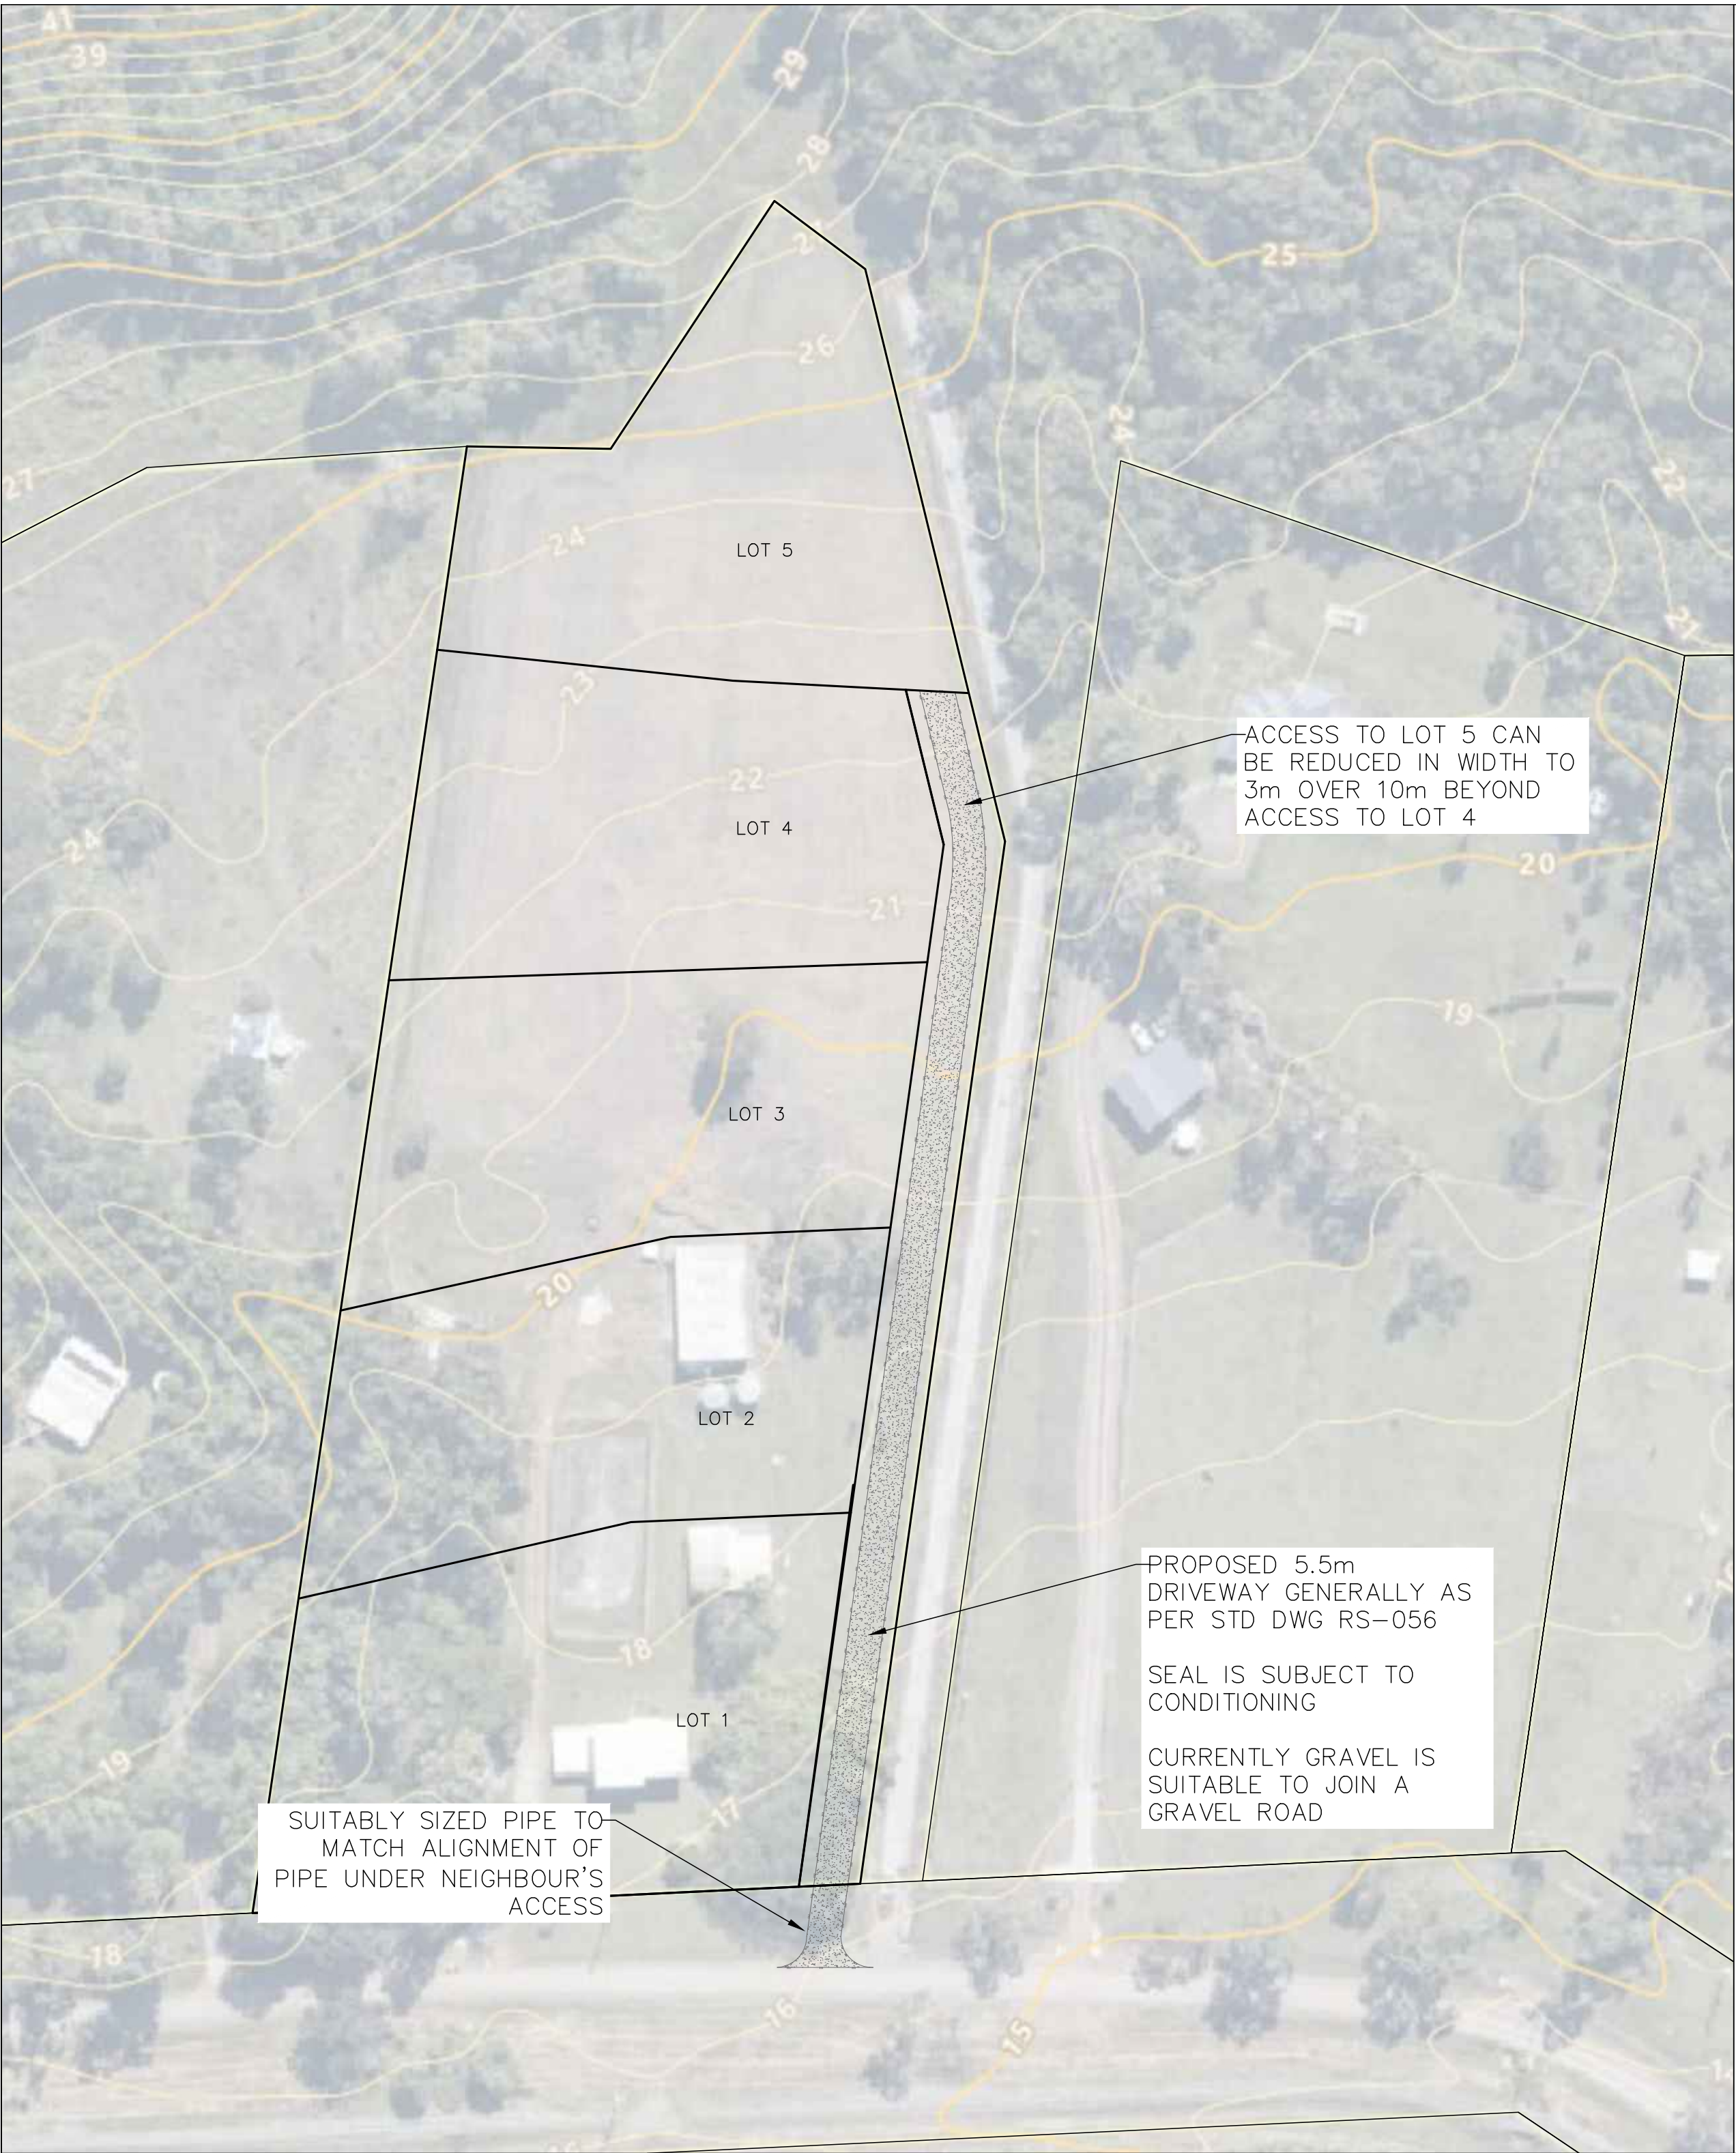

It is the responsibility of the person in control of the workplace to ensure compliance with the Work Health and Safety Act 2011. It states that the person in control of the workplace is obliged to ensure there is appropriate, safe access to and from the workplace for persons other than the person's workers.

- 12.6 Enquiries relating to the aforementioned conditions should be directed to the Development Services Directorate who will direct the enquiry to the relevant officer.

4.3 - Public Question Response - Miss Jeudi Croker

MEETING DETAILS: Ordinary Council Meeting - Wednesday 23 September 2026

AUTHOR: Governance Administration Officer

AUTHORISING OFFICER: Chief Executive Officer

There was one public question submitted for the Ordinary Council Meeting held on 26 August 2026 by Miss Jeudi Croker.

The question was read out by the Chief Executive Officer on behalf of Miss Croker who was unable to attend the meeting. The question was taken on notice and the response has been provided as per attachment 4.3.1.

ATTACHMENTS

3 September 2026

Miss Jeudi Croker

Dear Miss Croker,

RE: PUBLIC QUESTION & PETITION REQUEST: 26 August 2026

In response to the question that you raised on the 26 August 2026, the following response has been provided.

Question 1: Will Whitsunday Regional Council reconsider whether the location in Airlie Beach where Luke Brian Gilbert lost his life can be recognised as a *culturally significant site or event* under Section 1.8 of Council's Memorials in Council Parks, Gardens, Open Spaces and Road Reserve Policy (COMM_20), and therefore whether approval of a modest, permanent memorial for Luke at that location is important to the Whitsunday community?

Response: Reference is made to the petition as well as the additional information that you have provided in support of the request for Council to consider the location of where Luke Brian Gilbert lost his life as a culturally significant site under Council's Memorials in Council Parks, Gardens, Open Spaces and Road Reserve Policy.

Council Officers have considered and responded to multiple requests from Luke's immediate family, community members and yourself in relation to the installation of a memorial in Airlie Beach. All the information received to date in relation to the multiple requests has been reconsidered in determining Council's response to your public question.

Council's policy in relation to Memorials in Council's Parks, Gardens, Open Space and on Road Reserve has a clear purpose and guidelines that are required to be considered. Section 1.8 of the Policy states that the subject of a memorial should be able to demonstrate a high level of significance, such as:

- The person or group has made an outstanding contribution to the cultural, political, economic or social development of the Whitsunday region;
- It is an important and unique town or civic anniversary; or
- It is a historically or culturally significant site or event.

I acknowledge that the location of Luke's passing is of significance to Luke's family and friends, however, the request does not comply with the provisions of Council's policy and in that regard, the request is unable to be supported.

Council's adopted Cemeteries Strategy identifies cemeteries as places for remembrance, reflection and honouring loved ones. While the Strategy recognises a range of memorialisation opportunities, including tree-based memorialisation associated with cemetery interment options, these opportunities are contemplated within Council's cemetery network rather than within public parks, streetscapes and open spaces.

The petition submitted in relation to this matter has also been considered. As the petition raises the same subject matter as the public question, the matters have been considered together as part of Council's response. Accordingly, the petition will not be progressed to a Council meeting for further consideration, as the matters raised have been addressed through this response.

I trust the information provided addresses your inquiry. Should you require further clarification, please do not hesitate to contact info@whitsundayrc.qld.gov.au.

Yours faithfully,

Warren Bunker
Chief Executive Officer

5 MAYORAL MINUTE

This item on the agenda allows the Mayor to introduce, by a signed minute, a matter for consideration at the meeting. In accordance with Council's Standing Orders, such a matter takes precedence over all other matters for consideration at the meeting and may be adopted by a motion moved by the Mayor without the need for the motion to be seconded.

6 NOTICES OF MOTION

In accordance with Council's Standing Orders, Councillors may give notice of any business they wish to be discussed at an Ordinary Meeting by way of a Notice of Motion. This item on the agenda allows Councillors to introduce and move any motions they have submitted to the Chief Executive Officer for inclusion in the agenda.

7 DEPUTATIONS

This item on the agenda allows persons to make a deputation to Council. Deputations are managed in accordance with Council's adopted Standing Orders.

8 PETITIONS / QUESTIONS ON NOTICE

This item on the agenda allows for the following two options:

1. Councillors to present a petition to the meeting in accordance with Council's Standing Orders, no debate on or in relation to the tabled petition shall be allowed and the only motion which may be moved is that the petition either be received, referred to a Committee or Council officer for consideration and report back to Council, or not be received because it is deemed invalid.
2. The inclusion of any responses prepared by officers in response to questions taken on notice at previous meetings of Council.

Excerpt from Council's Standing Orders:

1. In each Meeting, time shall be set aside to permit members of the public to address the Council on matters of public interest related to local government.
2. Questions from the Public Gallery will be taken on notice and may or may not be responded to at the Meeting.
3. The time allotted shall not exceed fifteen (15) minutes and no more than three (3) speakers shall be permitted to speak at any one (1) meeting.
4. Any person addressing the Council shall stand, act and speak with decorum and frame any remarks in respectful and courteous language.

10 COMMITTEES REPORTS

This item on the agenda is for consideration of any Council Committee's business.

11.1 - 20250640 - Development Application for Development Permit for Material Change of Use - Three (3) Multiple Dwelling Units - 8 Wambiri Street, Cannonvale - 51RP726989 - J & S Franks

MEETING DETAILS: Ordinary Council Meeting - Wednesday 23 September 2026

AUTHOR: Planner

AUTHORISING OFFICER: Director Liveability and Development Services

PURPOSE

To present the assessment of the development application for Multiple dwelling units at 8 Wambiri Street, Cannonvale and seek Council's determination.

EXECUTIVE SUMMARY

The application seeks a Development Permit for Multiple dwelling units at 8 Wambiri Street, Cannonvale. The proposal is impact assessable as the development is located within the Low Density Residential Zone.

The existing building was historically approved for a Dual Occupancy comprising two dwelling units at first-floor level. A third, one-bedroom dwelling unit has subsequently been established at ground-floor level without the necessary development approval. The application seeks to regularise the use of the premises as a Multiple dwelling comprising the two existing two-bedroom units and the ground-floor one-bedroom unit. No physical changes to the building are proposed.

The development provides private open space for each dwelling, together with communal open space at the rear of the premises.

The proposal requires four onsite car parking spaces. The applicant submitted a car parking Layout Plan identifying four parking spaces. Council's Engineering Department reviewed the proposed arrangement and determined that it does not satisfactorily demonstrate compliance with the Transport and Parking Code. In particular, the parking layout requires vehicle manoeuvres that do not provide for vehicles to conveniently enter and leave the site in a forward direction. In addition, parking space No. 3 is not wholly contained within the site boundary, resulting in the development providing only three compliant on-site parking spaces rather than the four spaces required. The applicant's planning report itself acknowledges that the fourth space extends into the road reserve.

The applicant was advised of these constraints and given the opportunity to provide further engineering information or an alternative design demonstrating an acceptable parking and manoeuvring arrangement. The applicant elected to proceed without providing further technical information. Accordingly, Council is not satisfied that the proposed access, on-site circulation and parking arrangement is safe, convenient and legible or that sufficient on-site parking is provided.

The proposal therefore does not satisfy the relevant Acceptable Outcomes or Performance Outcomes of the Transport and Parking Code. As these matters cannot be appropriately resolved through conditions of approval, the application is recommended for refusal.

If the development application is refused, the ground-floor unit will remain without the necessary planning approval to be used as a separate dwelling unit. Consequently, the unit

cannot obtain the necessary building approval to support its occupation as a dwelling and cannot lawfully continue to be occupied as a separate residential unit.

The application was publicly notified in accordance with the statutory requirements. Council received no submissions.

OFFICER'S RECOMMENDATION

That Council refuse the application for Development Application for Development Permit for Material Change of Use for Three (3) Multiple Dwelling Units, made by S Franks & J Franks, on L: 51 RP: 726989 T: N962/157 and located at 8 Wambiri Street, Cannonvale, for the following reasons:

1. The proposed development conflicts with Performance Outcome 1 of the Transport and Parking Code. The applicant has not demonstrated that the premises can provide sufficient space for vehicles to conveniently manoeuvre on-site and enter and leave the premises in a forward direction.
2. The proposed development conflicts with Performance Outcome 4 of the Transport and Parking Code. The applicant has not provided the minimum on-site parking spaces given parking space No.3 is not wholly contained within the property boundary.

BACKGROUND

The premises was approved for Dual Occupancy in the form of a Building Permit in 1980. The application was not lodged following any compliance action from Council.

The application has been submitted following compliance investigations by Council in 2025.

DISCUSSION/CURRENT ISSUE

The key planning issue is the non-compliant car parking and manoeuvring arrangement. The proposal seeks to convert the existing Dual occupancy into a Multiple dwelling through the establishment of an additional one-bedroom dwelling unit at ground-floor level.

The applicant has submitted a Parking Layout Plan identifying four car parking spaces. Council officers have reviewed the proposed arrangement and determined that it does not satisfy the relevant requirements of the Transport and Parking Code.

Firstly, the proposed layout requires vehicle manoeuvres that do not provide for vehicles to enter and leave the site in a forward direction, contrary to Acceptable Outcome AO1.1(b). AO1.1 requires access, internal circulation, manoeuvring and parking areas to accommodate the vehicles generated by the development and provide for vehicles to enter and leave the premises in a forward motion.

Secondly, while the Parking Layout Plan identifies four car parking spaces, parking space No. 3 is not wholly contained within the subject site. Consequently, the development does not provide the minimum four on-site parking spaces required under AO3.1 of the Transport and Parking Code.

The applicant was advised of these constraints and encouraged to engage a suitably qualified Registered Professional Engineer of Queensland (RPEQ) to investigate whether an alternative engineering solution could achieve an acceptable parking and manoeuvring arrangement. The applicant elected to proceed with the application without providing further technical information or a revised design.

In the absence of additional engineering information, no alternative solution has been demonstrated against Performance Outcome PO1. Council is therefore not satisfied that the layout and design of the vehicle access, on-site circulation and parking areas are safe, convenient and legible for all users.

FINANCIAL IMPLICATIONS

The application fee has been paid in full.

The development attracts infrastructure charges of \$27,163.80

PLANNING ASSESSMENT REPORT

Council has received the following Development Application, which has been assessed against the provisions of the relevant legislation as reported below.

1. Application Summary

Proposal:	Development Application for Development Permit for Material Change of Use for Three (3) Multiple Dwelling Units
Landowner	S Franks & J Franks
Property Address:	8 Wambiri Street CANNONVALE
Property Description:	L: 51 RP: 726989 T: N962/157
Area of Site:	607 m ²
Planning Scheme Zone:	Low density residential zone
Level of assessment	Impact assessment
Overlays:	Acid sulfate soils Building heights Infrastructure Landslide hazard
Existing Use:	Dual occupancy
Existing Approvals:	NIL
Public Notification:	22 November 2025 to 15 December 2025
Submissions received:	No submissions
State referrals:	NIL
Infrastructure charges:	\$27,163.80

2. Site Description

The subject premises is located on a land that generally slopes from the front towards the rear. The property gains access through Wambiri Street. There is one building currently located on the site for dual occupancy. The driveway in front of the building is sealed. Two wheel stops have been established side by side near the western front boundary.

The site is surrounded by the following adjacent land uses:

- Multiple dwelling and Low-medium density premises at the north.
- Low density residential allotments and Low-medium density allotments at the east.
- Wambiri Street and Low density residential allotments at the south.
- Low density residential allotments, Metro Petrol Station at the west.

3. Proposal Details

The premises has been approved for Dual Occupancy under a historical Building Permit. The proposal seeks to convert the existing Dual Occupancy building into three multiple dwelling units.

Proposed Unit 3 is currently a non-habitable room located at the bottom of Unit 1 that is proposed to be converted to a single bedroom unit. The two existing units at the First floor, identified as proposed Unit 1 and 2 will remain for residential living. These are 2-bedroom units. The bottom of Unit 2 will contain common facilities for all three multiple dwelling units, such as three dedicated storage rooms and a spare laundry room.

The applicant proposed four car parking spaces for the development. However, no engineering assessment has been submitted to support the proposed parking layout and therefore does not meet the requirements of the Transport and Parking Code.

4. Planning Assessment

The application has been assessed against the relevant provisions of the *Planning Act, 2016* and the *Whitsunday Regional Council Planning Scheme, 2017*. The proposal is considered to be generally in accordance with the Planning Scheme and is recommended for approval in accordance with the drawings and documents submitted, subject to reasonable and relevant conditions.

4.1. State Assessment and Referral Agency (SARA)

This development application was not referable to SARA.

4.2. State Planning Policy – July 2017

The State Planning Policy (SPP) includes interim development assessment requirements to ensure that State interests are appropriately considered by local government when assessing development applications where the local government Planning Scheme has not yet appropriately integrated all of the State's interests in the SPP. The most recent SPP has been reflected in the Whitsunday Regional Council Planning Scheme, in particular Part 2 of State Planning Provisions.

4.3. Mackay Isaac and Whitsunday Regional Plan – February 2012

The Mackay, Isaac and Whitsunday Regional Plan was established to provide the vision and direction for the region to 2031. The plan provides certainty about where the region is heading in the future and provides the framework to respond to the challenges and opportunities which may arise.

The Desired Regional Outcomes of the Plan are high level outcomes for development in the region, and the proposal generally achieves all applicable outcomes.

4.4. Whitsunday Regional Council Planning Scheme, 2017

4.4.1. Strategic Framework

Liveable communities and housing

The proposal is a multiple dwelling unit located within an urban area according to the Strategic Framework Map. The proposed development remains within an established urban area for urban settlement. The proposed development will not compromise this strategic intent.

Economic growth

The proposed development will not adversely impact surrounding land uses. The proposed development will not compromise this strategic intent.

Environment and heritage

The subject site is located away from urban gateways and major scenic routes. The proposal will occur within the existing building. The design and operation of the proposal are considered to uphold the objectives of the strategic intent.

Safety and resilience to hazards

The site is subject to Acid sulfate soils and Landslide hazard overlays. The development will be occurring within an existing building. The hazards would have been addressed at building works stage. The site will not create potential adverse environmental impacts. The proposed development will not compromise this strategic intent of protecting and enhancing community, property and infrastructure from hazards.

Infrastructure

The site is suitably located to maximise the efficient use of the region's infrastructure networks.

4.4.2. Overlay Codes

Acid sulfate soils overlay code

The premises is subjected to the acid sulfate soils overlay. The development will be occurring within an existing building. No external building works is proposed as part of this proposal.

Building heights overlay code

The development will be occurring within an existing building. No external building works is proposed as part of this proposal.

Infrastructure overlay code

The premises is subjected to the road noise corridor. Parts of the building is located within the mapped area for road noise corridor. Units 1 and 2 are existing residences. Any requirements will be designed in accordance with QDC MP4.4 (Buildings in a transport noise corridor) at the building works stage.

Landslide hazard overlay code

The premises is mapped being high risk for Landslide Hazard. The development will be occurring within an existing building. No external building works is proposed as part of this proposal.

4.4.3. Zone Code

Low density residential zone code

The zone allows for limited accommodation activities where compatible with the prevailing scale and residential character of surrounding. The Wambiri Street locality is predominantly low density housing with low-rise built form. The development does not change the existing built form, remaining as a low-rise two storey building which is sympathetic to the existing scale and character along Wambiri Street.

The site is currently used as a dual occupancy, and the proposal seeks to add a one-bedroom unit. The resulting scale and intensity of the development are considered compatible with the surrounding mixed residential character, noting the established presence of multiple dwellings within the Adina Street, Wambiri Street and Shute

Harbour Road. The proposal will not impact the amenity of adjoining residents and reasonable conditions will be imposed to ensure amenity.

The premises is well connected to employment nodes at Cannonvale. Metro Service Station is the nearest, approximately 58m away from the site. The building is already serviced with urban services such as reticulated water, sewerage, sealed roads, electricity and telecommunications.

4.4.4. Development Codes

Short-term accommodation & multi-unit uses code

The site has an area of 607m² which is below the minimum area of 800m². The two-storey building has been established for Dual Occupancy under a historical Building Permit. The proposal does not change the existing layout of the two units located at the first floor. Instead, the proposal seeks to intensify the existing use into a multiple dwelling by adding one dwelling unit, known as Unit 3, at the ground floor level.

No external works to the building are proposed. Habitable room windows of Unit 3 are located only on the front and rear of the building, avoiding direct overlooking of neighbouring properties. The existing upper level balconies provide adequate private open space between 18m² and 24.93m². Unit 3 will be provided with sufficient private open space of 24.60m² which is directly accessible from the living area. More than 40% of the site will be dedicated to communal open space at the rear. Habitable room windows, private open spaces and the communal open space areas will provide opportunities for passive surveillance.

The site currently provides solid fencing throughout the side and rear boundary which is considered adequate to maintain privacy and amenity of the premises. It is recommended conditions of approval to require the existing fencing to be retained and mapped on a Landscaping Plan.

Waste management includes six 240L wheelie bins for general waste and recycling, with temporary bin collection area located at the front of Wambiri Street. The bins are to be stored within covered, imperviously sealed storage areas at the rear of the building. Although a dedicated washdown area is not currently proposed, there is adequate opportunity to retrofit such a facility. It is recommended conditions of approval to require the provision of a hose down area draining to the reticulated sewerage system and fitted with an appropriate pre-treatment device.

Infrastructure code

The site will remain connected to existing reticulated water and sewer infrastructure. There are no changes to the existing access location to Wambiri Street. All three Multiple Dwelling Units will be sharing a driveway.

Landscaping code

Existing landscape is considered adequate to support the proposed development. No additional landscaping is required. Conditions of approval require the submission of a landscaping plan to document and formalise the location and extent of the existing landscaped areas.

Transport and parking code

The proposed Multiple dwelling comprises two existing two-bedroom units and one new one-bedroom unit. Under the Transport and Parking Code, the development requires a minimum of four on-site car parking spaces.

The existing internal access and driveway are sealed, with two existing wheel stops located toward the western frontage of the site. The applicant has submitted a Layout Plan prepared by Northern Consulting Engineers identifying four parking spaces.

Council's Engineering Department reviewed the proposed parking and access arrangement and determined that it does not demonstrate compliance with the relevant requirements of the Transport and Parking Code. In particular:

- the proposed parking and manoeuvring arrangements do not provide sufficient space for vehicles to conveniently manoeuvre on-site and enter and leave the premises in a forward direction, contrary to AO1.1(b); and
- parking space No. 3 is not wholly contained within the subject site and extends beyond the property boundary. Accordingly, the development does not provide the minimum four on-site parking spaces required by AO3.1.

AO1.1 requires access driveways, internal circulation, manoeuvring and parking areas to comply with Council's Development Manual and AS2890, including accommodating the number and type of vehicles generated by the development and allowing vehicles to enter and leave the site in a forward motion. The Transport and Parking Code separately requires the minimum number of parking spaces to be provided on-site.

The applicant was advised of these constraints and given the opportunity to engage a suitably qualified Registered Professional Engineer of Queensland (RPEQ) to investigate whether an alternative parking and manoeuvring arrangement could achieve compliance. No further engineering assessment, vehicle turning templates or revised layout were provided.

Consequently, Council is not satisfied that the development provides the required number of on-site parking spaces or that the proposed access, circulation and parking arrangement can operate safely and conveniently. The development therefore does not achieve PO1 or PO3 of the Transport and Parking Code.

5. Public Submissions

The development application was placed on public notification between 22 November 2025 to 15 December 2025 in accordance with the relevant provisions of the Planning Act 2016. The Notice of Compliance was received on 16 December 2025. No submissions were received during this period of Public Notification.

6. Infrastructure Charges

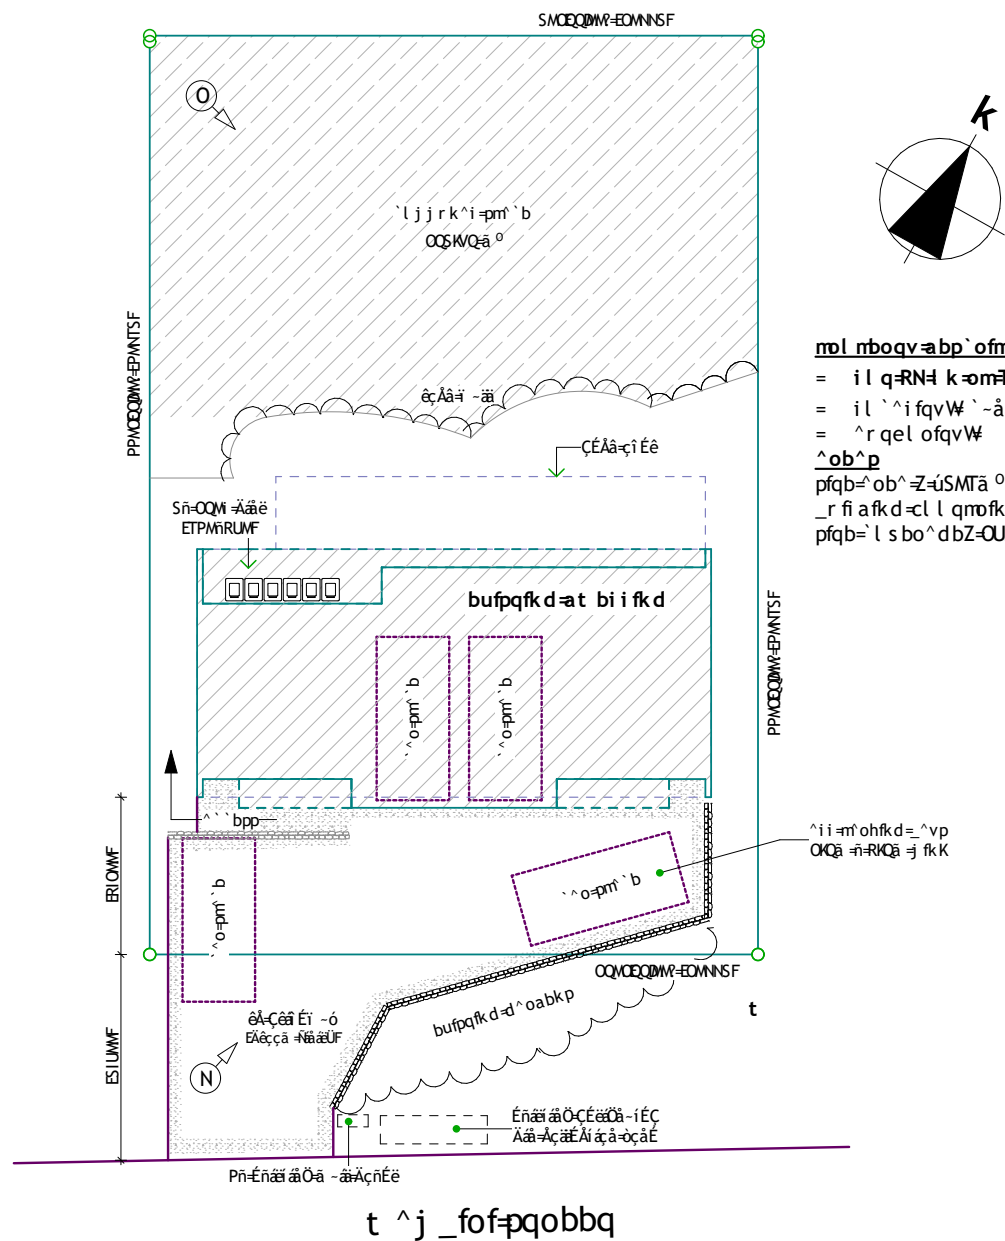

6.1. Adopted Infrastructure Charges Resolution

The following is a breakdown on the Infrastructure Charges for the development:

Adopted Charge

Attachment 11.1.3 Planning Assessment Report

Type of Development	Development Category	Demand Unit & Qty	Charge Rate	Adopted Charge

11.2 - 20251268 - Development Application for Development Permit for Material Change of Use for Multiple Dwelling Three (3) Units - 37 Tanika Road Cannonvale - L: 59 SP: 319271

MEETING DETAILS: Ordinary Council Meeting - Wednesday 23 September 2026

AUTHOR: Planner

AUTHORISING OFFICER: Director Liveability and Development Services

PURPOSE

To present the assessment of a development application for three multiple dwelling units at 37 Tanika Road in Cannonvale and seek Council's determination.

EXECUTIVE SUMMARY

The application seeks a Development Permit for a Material Change of Use for a Multiple Dwelling comprising three detached units within the Low Density Residential Zone. A Multiple Dwelling is impact assessable within the zone and therefore requires assessment against the entire Whitsunday Regional Council Planning Scheme.

The 1,465m² site is located within the established Mandara Rise Estate, approximately 1.5 kilometres east of the Cannonvale Major Centre and 1.4 kilometres from Shute Harbour Road. The surrounding locality is characterised by detached dwelling houses and dual occupancies within a low-density residential setting. The site is accessed by a 3-metre-wide concrete driveway within the Tanika Road road reserve. It also adjoins a drainage reserve and undevelopable land within the estate, providing increased separation from adjoining residential properties.

The proposed development comprises three detached, two-storey, three-bedroom dwellings, each incorporating a double garage and private open space. The development will utilise the existing access from Tanika Road and will be connected to all available reticulated urban infrastructure.

While the Low Density Residential Zone is intended primarily for detached dwelling houses, the Planning Scheme contemplates alternative residential accommodation provided it is compatible with the surrounding residential character and amenity. Having regard to the size and configuration of the site, the proposed building setbacks, separation from adjoining properties and the site's interface with undevelopable land, the development is not considered to result in unacceptable impacts on the character or amenity of the locality.

The applicant has identified physical constraints that prevent the existing driveway from being widened to 5.5 metres for its full length as underground stormwater drainage is within the batter on the eastern side of the driveway and a narrow 1.45 m separation is between the edge of the driveway and the western boundary. The applicant proposes retaining a section of driveway approximately 30 metres long at less than 5.5 metres wide and has requested Council assess and determine the application based on this arrangement.

The application was publicly notified between 8 May 2026 and 1 June 2026 in accordance with the *Planning Act 2016*. No submissions were received during the public notification period.

Overall, the assessment concludes that the proposal is consistent with the Strategic Framework and complies with the applicable assessment benchmarks of the Planning

Scheme. The proposed development represents an appropriate form of residential infill that is compatible with the existing and intended character of the locality. Accordingly, the application is recommended for approval, subject to reasonable and relevant conditions.

OFFICER'S RECOMMENDATION

That Council approve the Development Application for the Development Permit for a Material Change of Use for Multiple Dwelling Three (3) Units at 37 Tanika Road Cannonvale subject to conditions outlined in **Attachment 11.2.4**.

BACKGROUND

The subject lot forms part of a Preliminary Approval that varies the level of assessment for Dual Occupancy development from impact to code assessable.

DISCUSSION/CURRENT ISSUE

The application is impact assessable and has been assessed against the relevant provisions of the *Whitsunday Regional Council Planning Scheme 2017*, including the Strategic Framework, the Low Density Residential Zone Code and other applicable assessment benchmarks. The primary planning consideration is whether the proposed Multiple Dwelling comprising three detached units represents an appropriate form of residential development that is compatible with the intended character and amenity of the Low Density Residential Zone.

The subject site is located within the established Mandara Rise Estate, a predominantly residential locality comprising detached dwelling houses and dual occupancies. At 1,465m², the site is significantly larger than a standard residential allotment and is capable of accommodating the proposed development while maintaining appropriate building separation, private open space, landscaping and on-site car parking. The site's interface with a drainage reserve and adjoining undevelopable land further reduces the potential for adverse amenity impacts on neighbouring properties by providing additional separation beyond the site boundaries.

The proposal comprises three detached, two-storey dwellings, each containing three bedrooms, a double garage and dedicated private open space. The detached built form is consistent with the prevailing residential character and avoids the appearance of a more intensive apartment-style development. The scale, layout and setbacks of the development ensure the proposal integrates appropriately with the surrounding neighbourhood and will not result in unacceptable impacts on adjoining properties through overlooking, overshadowing, privacy or visual bulk.

A key issue arising from the assessment is the proposed access driveway within Tanika Road. Council's Development Manual standards require a minimum driveway width of 5.5 metres to facilitate two-way vehicle movements. The proposal does not fully comply with this requirement, as an approximately 20-metre-wide section to remain at 3 metres, tapering up from 3 metres to 5.5 metres over a 5-metre length at both ends. The driveway crossover at Tanika Road will be 5.5 metres wide extending 6 metres along the driveway as will the driveway internal to the site.

The applicant has provided representations that widening the driveway for its full length is constrained by the need to maintain access to the adjoining property (currently under

construction), protect existing underground services and preserve established overland flow paths. In response to Council's information request, the driveway design was amended to provide a compliant 5.5 metre crossover, widening of the internal driveway where practicable, and dedicated passing opportunities with appropriate sight distance to enable vehicles to safely pass without reversing or conflicting manoeuvres. Supporting swept path analysis confirms that standard passenger vehicles can safely access and exit each dwelling. The applicant further notes consistency with AS2890.1 in that a passing bay is not required where a single-lane access driveway is less than 30 metres in length or where unrestricted sight distance is available.

Having regard to the Strategic Framework, the purpose and outcomes of the Low Density Residential Zone and the applicable assessment benchmarks, the proposal represents an appropriate form of residential infill development that is compatible with the surrounding locality. The proposal is recommended for approval subject to reasonable and relevant conditions.

FINANCIAL IMPLICATIONS

The application fee has been paid in full.
The applicable infrastructure charge is \$76,058.50.

APPLICATION ASSESSMENT

Council has received the following development application, which has been assessed against the provisions of the relevant legislation as reported below.

1. Application Summary

Application:	Development Application for Development Permit for Material Change of Use for Multiple Dwelling Three (3) Units
Applicant:	TPM Wholesale Project No 4 Pty Ltd C/-Grayspace Planning
Property Address:	37 Tanika Road Cannonvale
Real Property Description:	Lot 59 on SP319271
Area of Site:	1,465m ²
Planning Scheme Zone:	Low Density Residential
Existing Use:	Vacant lot
Existing Approvals:	20230175 – Preliminary Approval (Variation Request to the Whitsunday Planning Scheme 2017) For Material Change of Use for Thirteen (13) Dual Occupancy Lots
Public Notification:	Development application was in public notification between 8 May and 1 June 2026. No submissions were received during this period
State Referrals:	Nil
Infrastructure charges:	\$76,058.50

2. Site Description

The subject site is within the Low Density Residential Zone of the Whitsunday Regional Council local government area and is located approximately 1.5km to the south-east from the Major Centre in Cannonvale. The site is located within the established and growing residential estate that is well serviced and within proximity to shops, school, and public amenities.

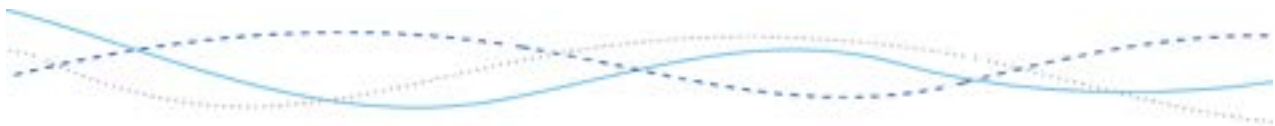

The subject site is comprised of a vacant lot with an area of 1,465m², located approximately 1.4km off the Shute Harbour Road. Access to the site from the local road is via the existing driveway. The site generally falls towards the Pearl Street access, with an approximate grade of 15%, indicating a moderate to steep slope from the southern boundary down towards the existing concrete access handle.

The site is serviced by all urban infrastructure including water, sewer, and stormwater. Given the slope of the land, the current stormwater system is draining to the existing concrete access handle. The subject site is burdened by a 6m drainage easement in favour of Council, which runs along the northern boundary.

The site adjoins low density residential lot to the north, drainage reserve to the south, road reserve to the west and a rural lot to the east.

3. Proposal details

The proposal seeks to establish multiple dwelling three (3) units. Each proposed unit is a detached double storey three-bedroom dwelling with a double garage, spacious living area, kitchen, laundry, two bathrooms, front and rear balcony and a private open space area. Each unit will be serviced via new internal shared driveway. One onsite visitor parking space is provided in the common area.

The proposed two storey units are designed with building materials, roof, bulk and scale consistent with existing dwellings in the surrounding area. The street elevations present facades with a high level of articulation. The proposed site plan demonstrates landscaping provided around the proposed built form and along property boundaries to soften built form and enhance the streetscape character.

4. Planning matters

The application has been assessed against the relevant provisions of the *Planning Act 2016* and the Whitsunday Regional Council Planning Scheme 2017. The proposal generally complies with the Planning Scheme and is recommended for approval in accordance with the drawings and documents submitted, subject to relevant and reasonable conditions.

4.1 State Planning Policy – July 2017

The State Planning Policy (SPP) includes interim development assessment requirements to ensure that State interests are appropriately considered by local government when assessing development applications where the local government Planning Scheme is appropriately integrated all the State's interests in the SPP. The most recent SPP has been reflected in the Whitsunday Regional Council Planning Scheme, in particular Part 2 of State Planning Provisions.

4.2 Mackay Isaac and Whitsunday Regional Plan – February 2012

The Mackay, Isaac and Whitsunday Regional Plan was established to provide the vision and direction for the region to 2031. The plan provides certainty about where the region is heading in the future and provides the framework to respond to the challenges and opportunities which may arise.

The subject site is identified as the Regional Landscaped and Rural Production Area. However, the subject site under the Planning Scheme is in the urban residential area serviced by urban infrastructure. Therefore, the assessment against the MIWRP is not relevant in this context.

4.3 Whitsunday Regional Council Planning Scheme 2017

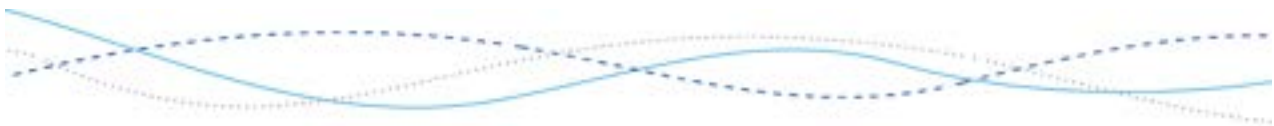

4.3.1 Strategic Framework

The Strategic Framework sets the policy direction for the Planning Scheme and forms the basis for ensuring appropriate development occurs in the Planning Scheme area. The proposal does not undermine the Strategic Outcomes of the Liveable Communities and Housing and supports the relevant Strategic Framework as follows:

Strategic Intent

- (1) The scheme aims to create a prosperous, liveable and sustainable region where people can live, work, play and invest. The strategic framework map locates the subject site within Cannonvale's urban area. The proposed multiple-dwelling residential development aligns with that strategic intent and supports the area's planned growth.
- (2) The development in the established residential subdivision will be serviced by all urban community and utility infrastructure and will support the intent to provide diverse, accessible and well-serviced housing options catering for all groups in the current and future demographic and socio-economic profile of the Region.
- (3) The subject site is located within the bushfire and landslide hazard area. Risks were mitigated during Mandara Rise subdivision through vegetation clearing for firebreak and earthworks carried out in accordance with the geotechnical report recommendations.

Liveable communities and housing

The subject site is in proximity to Cannonvale Major Centre and Shute Harbour Road. The proposed development is limited in scale, provides gentle density transition from low to low-medium density residential, and supports the liveable communities and housing theme by providing a housing option in the low density residential area of Cannonvale that serves as dormitory suburb accommodating the majority of the region's population.

The proposed development provides affordable housing for entry-level buyers, low-income households, and a variety of demographic groups, ensuring broader housing affordability, diversity and inclusivity.

Economic growth

The proposed residential development supports the strategic outcome for economic resilience, wealth creating, and employment generating capacities.

Environment and heritage

The development site is identified as an area of MSES Regulated Vegetation (Category B). However, the site was cleared as part of the subdivision development. The proposal does not undermine this land use strategy.

Safety and Resilience to hazards

The subject site is located within an established residential area of Cannonvale where natural hazards were addressed as part of the subdivision development. Further mitigation of risks can be achieved during building stages.

Infrastructure

The proposed development does not impact the existing or planned infrastructure and does not undermine this land use strategy.

4.3.2 Overlay Codes

Biodiversity, waterway and wetlands overlay code

The proposed development is located within the area identified as MSES Regulated Vegetation (Category B). The vegetation was cleared as part of the established Mandara Rise Estate. There are no existing waterways or wetlands identified in proximity to the proposed development site.

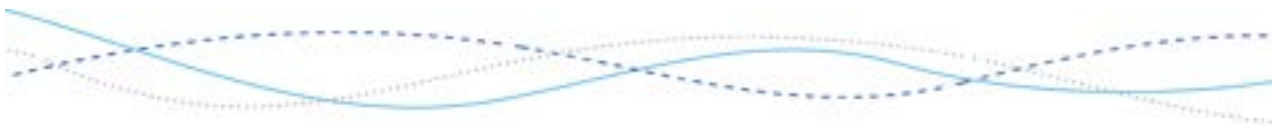

Building heights overlay code

The maximum height of the proposed dwellings at the roof apex is 7.696m and does not exceed the maximum building height of 8.5m above ground level.

Bushfire hazard overlay code

The subject site is within the very high bushfire hazard risk and fire danger index (58) area. While the site is mapped as subject to Council's bushfire hazard overlay it is located within the recently developed residential Mandara Rise subdivision. The site and hazard constraints were addressed as part of conditions of the approval for subdivision with necessary clearing undertaken at the time to provide suitable firebreak. The subject site and each dwelling unit have direct and appropriate access to a contrasted public road network. Furthermore, a Bushfire Attack Level (BAL) report at future building application stage will determine appropriate construction materials. The subject site is located within an established and developing estate with a fire hydrant located 50m from the property boundary.

Landslide hazard overlay code

The small eastern portion of the subject site is subject to Moderate Landslide Hazard. However, the subject site is within a recently developed stage 1C of Mandara Estate where landslide hazard was appropriately addressed at the time and the bulk earthworks completed. Additional works required to facilitate the development will be done in accordance with the existing geotechnical report recommendations and addressed as part of a future operational works and building works stages. The manufacturing and storage of hazardous materials is not proposed as part of this application.

4.3.3 Zone Code

Low density residential zone code

The proposed development seeks to provide a modest increase in density and a form of accommodation that responds appropriately to the prevailing density and built form pattern within the surrounding area. While the zone envisages dwelling houses as the primary form of accommodation, limited other accommodation activities may also be established in the zone where compatible with the prevailing residential character and amenity.

Analysis of the surrounding area demonstrates that the area is predominantly characterised by single dwellings on a lot. While this is the predominant form of residential development within the area, the subject site is unique in that its size and shape supports the proposed multiple dwelling which has been appropriately designed to replicate single household allotments, integrating with the prevailing character of the area.

The proposed development is consistent with the relevant overall outcomes of the zone code. The subject site has sufficient area to accommodate three dwellings, associated car parking, storage, and private open space. The proposed development provides an appropriate level of residential amenity to future residents and adjoining properties.

The proposed detached dwellings present a low density development exhibiting high quality external finishes with a height, form, and scale consistent with other dwellings within the surrounding area. The proposed built form does not exceed the applicable maximum building height requirement of 8.5m and/or 10m where slope exceeds 15%.

The proposed multiple dwelling is located within an established and developing residential estate, in proximity to employment nodes, centres, open space and recreation areas, community services, educational opportunities and public transport.

The site has access to a local access road and will not interfere with the safe and efficient operation of this road. Reticulated services have been established and are available at the site frontage.

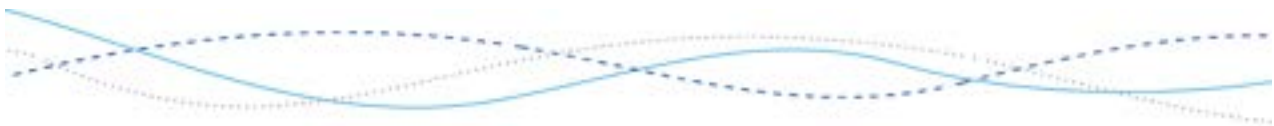

4.3.4 Development Code

Short-term accommodation and Multi-unit uses code

The subject site is suitable to accommodate three detached dwellings, internal access and parking, private open space and landscaping, while meeting the required boundary setbacks. The proposed development will be serviced by 5.5m wide internal driveway access that is designed to minimise the potential for pedestrian and vehicular conflict. The total built form site coverage does not exceed 60%.

The proposed dwellings are designed with high-quality finishes and architectural features which are sympathetic and in-keeping with the surrounding residential area. The proposed built form includes vertical articulation in the form of projecting balconies, entry porches, narrow windows and vertical railings, as well as horizontal articulation in the form of horizontal weather board cladding, roof planes and eaves, floor separation, and horizontal railings/edges.

While the proposed setbacks for Units 2 and 3 do not comply with the acceptable outcomes for rear boundary setback, adequate separation distance and privacy will be provided from future adjoining uses

by the existing 14.5m easement on the adjoining lot along the shared boundary. The upper levels of proposed dwellings are recessed behind the roof overhangs. The articulated hip roof form will contribute to an attractive skyline silhouette and maintain the visual continuity and pattern of buildings and landscape elements within the street.

As such, the proposed development complies, or can be conditioned to comply, with the relevant acceptable and performance outcomes of the code.

Infrastructure code

The proposed development is not expected to significantly increase demand on the existing infrastructure network. The development will be connected to all urban services, with supporting infrastructure established as part of the subdivision development. As part of the Mandara Estate Stage 1C development, a large upstream catchment has been directed towards the subject site and captured within a Q100 cut-off drain located along the rear property boundary.

To manage stormwater runoff from the proposed dwellings, a new pit-and-pipe network will be constructed along the invert of the shared driveway. Roof water and surface runoff will be collected within pits positioned along the shared driveway and conveyed to the existing stormwater drainage easement located adjacent to the property. This stormwater network connects into the Council drainage infrastructure within Pearl Street, providing a lawful point of discharge.

An existing sewer infrastructure is located near the property boundary. The existing 100mm house connection will be upgraded to a 150mm sewer connection to service the proposed development. Internal plumbing works will be completed under a separate plumbing approval with Whitsunday Regional Council.

The site is currently serviced by an existing 20 mm water meter. As part of the proposed development, the existing service will be upgraded to a master meter with a sub-meter assembly to provide individual metering for each dwelling. The size of the master meter will be determined during the detailed plumbing application process by others and in consultation with Whitsunday Regional Council. Fire service requirements will also be confirmed at that stage to ensure compliance with Council and relevant building code standards.

Landscaping Code

Adequate space has been provided for landscaping around the proposed built form and along the property boundaries. Although a detailed landscape plan has not been provided, the location of proposed landscaping areas is identified on the proposal plans and will assist in softening the built form and enhancing the streetscape character.

Transport and parking Codes

The proposal complies with the onsite car parking rates of the Planning Scheme. Each unit has a two-bay garage, and one additional onsite visitor parking space is provided within the common area.

Vehicular access to the site will be provided via an extension of the existing concrete access handle which connects to Tanika Road road reserve. The driveway is also shared by 35 Tanika Road. A widened 5.5m wide shared driveway will be constructed at the crossover to service the three proposed dwellings, with a 5.5m wide internal driveway to the site. Each dwelling will be provided with a double-parking garage in accordance with the acceptable outcome requirements of the code.

The subject site is currently serviced by a 3m wide, 57m long driveway. The applicant has identified physical constraints that prevent widening the existing driveway to 5.5 metres for its full length and has proposed retaining an approximately 20m wide section to remain at 3m and tapering up from 3m to 5.5m over a 5m length at both ends. The driveway crossover at Tanika Road will be 5.5 metres wide extending 6 metres along the driveway as will the driveway internal to the site.

Council's Development Manual standards require a minimum driveway width of 5.5m to facilitate two-way vehicle movements. The proposal does not fully comply with the requirement. However, the applicant has provided justification that widening the driveway for its full length is constrained by the need to maintain access to the adjoining property (currently under construction), protect existing underground services and preserve established overland flow paths.

In response to Council's information request the driveway design was amended to provide a compliant 5.5 metre crossover, widening of the internal driveway where practicable, and dedicated passing opportunities with appropriate sight distance to enable vehicles to safely pass without reversing or conflicting manoeuvres. Supporting swept path analysis confirms that standard passenger vehicles can safely access and exit each dwelling.

The applicant further notes consistency with AS2890.1 in that a passing bay is not required where a single-lane access driveway is less than 30 metres in length or where unrestricted sight distance is available. Condition for provision of regulatory sign/road marking is recommended to ensure safe access for all users to the development site.

4.4 Public notification

Development application was in public notification between 8 May and 1 June 2026. No submissions were received during this period.

5. Internal referrals

The application has been assessed by Development Engineering and Environmental officers.

6. External referrals

The proposed development did not require referral to external organisations.

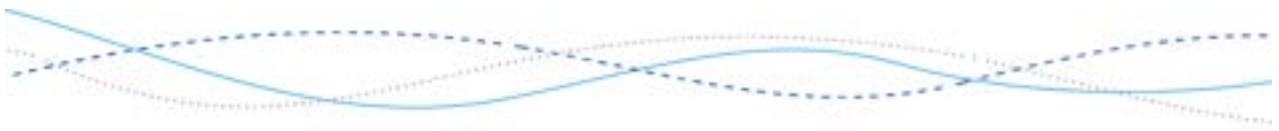

7. Infrastructure charges notice

The following is a breakdown on the Infrastructure Charges for the development

	Adopted Charge				
Type of Development	Development Category	Demand Unit & Qty	Charge Rate	Adopted Charge	
Material Change of Use for Multiple Dwelling Three (3) Units	Residential – 3 or more bedroom dwelling house	3	\$38,029.25	\$114,087.75	
Total Adopted Charge				\$114,087.75	
Total Charge				\$114,087.75	
	Credit				
Type of Development	Development Category	Demand Unit & Qty	Charge Rate	Discount	Total Credit
Material Change of Use – Dwelling House	Residential	3 or more bedroom dwelling house	\$38,029.25	N/A	\$38,029.25

		1		
Total Credit				\$38,029.25
Total Charge				\$76,058.50

- 1.2 The following further development permits are required prior to commencement of work on site or commencement of the use:

- Operational Works:
 - Earthworks;
 - Stormwater;
 - Erosion and Sediment Management Plan;
 - Internal Access and Parking;
 - Water Infrastructure;
 - Sewerage Infrastructure.
- Plumbing and Drainage Works;
- Building Works.

All Operational Works, Plumbing and Drainage Works Development Permits must be obtained prior to the issue of a Building Works Development Permit.

- 1.3 Where a discrepancy or conflict exists between the written conditions of this approval and the approved plans, the requirements of the written condition(s) will prevail.
- 1.4 All conditions of this approval must be complied with in full to Council's satisfaction prior to the commencement of the use.
- 1.5 The applicant shall demonstrate and provide evidence that compliance with all conditions of this development approval and any other subsequent development approvals as a result of this development approval have been complied with at the time of sealing the survey plan or commencement of the use, whichever is the sooner.

2.0 CLEARING, LANDSCAPING AND FENCING

- 2.1 Prior to commencement of any works on site prepare a Landscaping Plan in accordance with Council's Planning Scheme Policy SC6.4 Landscaping and submit to Council for approval.
- 2.2 The landscaping must be established in accordance with the approved plans prior to the commencement of the use and maintained thereafter to the requirements of the Council.
- 2.3 Erect solid fencing, a minimum of 1.8 metres high, along the side and rear boundaries of the site.

3.0 BUILDING

- 3.1 Mailboxes for each unit must be provided on site, prior to the commencement of the use. Location of mailboxes should be in a clear position facing the street; and clear of obstacles (i.e. trees and shrubs). Mailboxes should demonstrate consistency with the standard required by Australia Post.
- 3.2 Ventilation and mechanical plant must be located and designed so that prevailing breezes do not direct undesirable noise and odours towards nearby residential accommodation.
- 3.3 All air-conditioning units are not to be visible from the street or adjoining properties and are to be aesthetically screened.
- 3.4 Building and landscaping materials are not to be highly reflective, or likely to create glare, or slippery or otherwise hazardous conditions.
- 3.5 Buildings are to be finished with external building materials and colours to reduce scale and bulk.

4.0 EARTHWORKS

- 4.1 Prior to commencement of any work on site an Operational Works development permit must be obtained in relation to Earthworks.
- 4.2 Any application for Operational Works (Earthworks) must be accompanied by engineering design drawings demonstrating compliance with the recommendations of

the Geotechnical and Civil site report for the site. All earthworks are to be placed, trimmed and compacted as a minimum to standards identified in AS3789. Compaction test results are to be submitted to Council for its records.

- 4.3 All site works must be designed by an experienced and qualified geotechnical engineer and undertaken in accordance with the recommendations of the investigation.
- 4.4 All cut/fill batter slopes created as a result of earthworks carried out on the site are to be protected and retained. Any retaining structure, necessary as a result of works on the site must be designed, supervised and certified by a Registered Professional Engineer of Queensland prior to commencement of use.
- 4.5 Any retaining structure must not be located within road reserve.

5.0 WATER INFRASTRUCTURE

- 5.1 A Development Permit for Operational Works (Water Infrastructure) must be obtained prior to commencement of work on site.
- 5.2 Any application for Operational Works (Water Infrastructure) must be accompanied by engineering design drawings, and certifications of the design, demonstrating compliance with Council's Development Manual (current at the time of development) and this Decision Notice.
- 5.3 The proposed development must be connected to the Council's water supply network using the existing water main connection servicing the existing lot and upgraded to be sized appropriately for the use of the probable simultaneous demand.
- 5.4 All water infrastructure must be designed and constructed in accordance with Council's Development Manual (or equivalent replacement document current at the time of development) prior to commencement of use.
- 5.5 Prior to commencement of use on the site or signing of Plan of Survey, whichever is sooner, the applicant must lodge with Council a civil engineer's design and construction certification (by an experienced and qualified engineer). The certification must be addressed to Council and must certify that all Water Infrastructure works have been designed and constructed according to the conditions of this Decision Notice and Council's Development Manual.

6.0 SEWERAGE INFRASTRUCTURE

- 6.1 A Development Permit for Operational Works (Sewer Infrastructure) must be obtained prior to commencement of work on site.
- 6.2 Any application for Operational Works (Sewer Infrastructure) must be accompanied by engineering design drawings, and certifications of the design, demonstrating compliance with Council's Development Manual (current at the time of development) and this Decision Notice.
- 6.3 The proposed development must be connected to Council's sewerage network prior to the commencement of the use. All sewerage infrastructure must be designed and constructed in accordance with Council's Development Manual prior to commencement of the use.
- 6.4 Sewerage infrastructure must be constructed to comply with S6 "Sewer Reticulation" of Council's Development Manual, Council's Standard Drawings and Water Services Association of Australia Sewerage Code of Australia. Where a discrepancy or conflict exists between Council's Development Manual and the Sewerage Code, the requirements of Council's Development Manual will prevail.

- 6.5 Prior to commencement of use on the site or signing of Plan of Survey, whichever is sooner, the applicant must lodge with Council, a civil engineer's design and construction certification (by an experienced and qualified engineer). The certification must be addressed to Council and must certify that all Sewer Infrastructure works have been designed and constructed according to the conditions of this Decision Notice and Council's Development Manual.

7.0 ACCESS AND PARKING

- 7.1 A minimum of 2 covered car parking spaces per unit and 1 visitor parking space must be provided on site prior to commencement of the use.
- 7.2 Prior to commencement of any work on site an Operational Works development permit must be obtained in relation to Access and Parking (Internal).
- 7.3 Any application for Operational Works (Internal Access and Parking) must be accompanied by detailed engineering drawings demonstrating compliance with Council's Development Manual (current at the time of development), Australian Standard AS2890, AS1428 and this Decision Notice.
- 7.4 A Road Works permit must be obtained prior to commencement of work for the external access on site.
- 7.5 The external access must be constructed in accordance to the Approved Road Works permit prior to the commencement of use.
- 7.6 With the lodgement of the operational works application, the applicant is to submit an RPEQ certified plan for the driveway crossover (external entry) demonstrating regulatory signs and road markings to Australian Standards (AS 1742) that provide for the safety of all road users.

8.0 STORMWATER AND FLOODING

- 8.1 Prior to commencement of any work on site an Operational Works development permit must be obtained in relation to Stormwater Drainage.
- 8.2 Any application for Operational Works (Stormwater) must be accompanied by engineering design drawings, including calculations and certifications of the design, demonstrating compliance with Queensland Urban Drainage Manual current at the time of development, Council's Development Manual (current at the time of development) and this Decision Notice.
- 8.3 The stormwater design is to provide for the developed flows from the site to be piped to a Legal Point of discharge in nominated discharge point.
- 8.4 All stormwater drainage works must be designed and constructed in accordance with the Queensland Urban Drainage Manual current at the time of development and Council's Development Manual (current at the time of development).
- 8.5 The applicant must design and construct roof and allotment drainage system for each building so as to comply with Level II of Table 5.18.3 of the Queensland Urban Drainage Manual as a minimum. No uncontrolled discharge will be permitted within the development site.

9.0 ENVIRONMENTAL MANAGEMENT

- 9.1 A Development Permit for Operational Works (Erosion Prevention and Sediment Control) must be obtained prior to commencement of work on site.
- 9.2 Erosion prevention and sediment control measures must be established so as to comply with the requirements of the Whitsunday Regional Council Development Manual and the Best Practice Erosion & Sediment Control – November 2008 (IECA White Book) and the requirements of the *Environmental Protection Act 1994*.

- 9.3 The strategy of the plan must be implemented and maintained for the duration of the operational and building works, and until exposed soil areas are permanently stabilised (e.g. turfed, concreted).
- 9.4 Discharges of water pollutants, wastewater or stormwater from the site must not cause measurable levels of water pollutants in the receiving waters to fall outside the acceptable ranges specified in the 'Australian Water Quality Guidelines for Fresh and Marine Waters', ANZECC 2000.
- 9.5 No visible emissions of dust must occur beyond the boundaries of the site during earthworks and construction activities on the site. If, at any time during the earthworks and construction activities the dust emissions exceed the levels specified above, all dust generating activities must cease until the corrective actions have been implemented to reduce dust emissions to acceptable levels or wind conditions are such that acceptable levels are achieved.
- 9.6 The applicant must ensure that when undertaking any on-site or external works, including any filling and extraction, appropriate dust control measures are implemented in accordance with the *Environmental Protection Act 1994* and complies with the relevant air quality objectives defined in the Environmental Protection (Air) Policy 2008.

10.0 MISCELLANEOUS

- 10.1 If any item of cultural heritage is identified during site works, all work must cease and the relevant State Agency must be notified. Work can resume only after State Agency clearance is obtained. The Applicant is reminded of their obligations under the *Aboriginal Cultural Heritage Act, 2003* and the *Torres Strait Islander Cultural Heritage Act 2003*. Further information and databases are available from the Department of Aboriginal and Torres Strait Islander Partnerships at: www.datsip.qld.gov.au
- 10.2 Any alteration necessary to electricity, telephone, water mains, sewerage mains, and/or public utility installations resulting from the development or in connection with the development, must be at full cost to the developer.
- 10.3 Any building materials, equipment and the like must be appropriately tied down, placed indoors and secured on site at the time of preparation for cyclone events. The on site supervisor is to ensure that all contractors/employees take the necessary steps to secure the construction site in the event of a cyclone.
- 10.4 All construction materials, waste, waste skips, machinery and contractors' vehicles must be located and stored or parked within the site. No storage of materials, parking of construction machinery or contractors' vehicles will be permitted in Pearl Street, Tanika Road or adjoining land unless written permission from the owner of that land and Council is provided.
- 10.5 It is the developer's responsibility for the full rectification of any damage caused to neighbouring public infrastructure (such as footpaths, driveways, fences, gardens, trees and the like) caused by contractors, including clean up of any litter or waste that is a result of the subject development.

11.0 ADVISORY NOTES

11.1 Hours of work

It is the developer's responsibility to ensure compliance with the *Environmental Protection Act 1994*, which prohibits any construction, building and earthworks activities likely to cause nuisance noise (including the entry and departure of heavy vehicles) between the hours of 6.30 pm and 6.30 am from Monday to Saturday and at all times on Sundays or Public Holidays.

11.2 Sedimentation Control

It is the developer's responsibility to ensure compliance with the *Environmental Protection Act 1994* and Schedule 9 of the Environmental Protection Regulation 2008 to prevent soil erosion and contamination of the stormwater drainage system and waterways.

11.3 Noise During Construction and Noise in General

It is the developer's responsibility to ensure compliance with the *Environmental Protection Act 1994*.

11.4 General Safety of Public During Construction

It is the project manager's responsibility to ensure compliance with the *Work Health and Safety Act 2011*. It states that the project manager is obliged to ensure construction work is planned and managed in a way that prevents or minimises risks to the health and safety of members of the public at or near the workplace during construction work.

It is the principal contractor's responsibility to ensure compliance with the *Work Health and Safety Act 2011*. It states that the principal contractor is obliged on a construction workplace to ensure that work activities at the workplace prevent or minimise risks to the health and safety of the public at or near the workplace during the work.

It is the responsibility of the person in control of the workplace to ensure compliance with the *Work Health and Safety Act 2011*. It states that the person in control of the workplace is obliged to ensure there is appropriate, safe access to and from the workplace for persons other than the person's workers.

11.5 Enquiries relating to the aforementioned conditions should be directed to the Development Services Directorate who will direct the enquiry to the relevant officer.

11.3 - 20241069 - Development Application for Development Permit for Material Change of Use for a Retirement Facility (180 dwellings) at 65B Mt Nutt Road Queens Beach for QBLV Pty Ltd As TTE

MEETING DETAILS: Ordinary Council Meeting - Wednesday 23 September 2026

AUTHOR: Senior Planner

AUTHORISING OFFICER: Director Liveability and Development Services

PURPOSE

To present the assessment of the development application for a Retirement Facility (180 dwellings) at 65B Mt Nutt Road Queens Beach and seek Council's determination.

EXECUTIVE SUMMARY

The application seeks a Development Permit for a Material Change of Use for a Retirement Facility comprising 180 independent living dwellings on an 11.41-hectare site at 65B Mt Nutt Road, Queens Beach.

The proposal will establish a master-planned retirement community comprising a mix of single-storey villas supported by extensive communal facilities, including a clubhouse, swimming pool, wellness facilities, recreational areas and landscaped open space.

The development is proposed to be delivered progressively in stages, with all critical infrastructure required to be established as part of the first stage and prior to the occupation of the first dwelling.

The site is located within the Low Density Residential Zone and is surrounded by established residential development. A Retirement Facility is an anticipated use within the zone, subject to demonstrating compatibility with the surrounding residential character and adequate servicing by urban infrastructure.

The principal planning consideration relates to the management of stormwater and flood behaviour across the site and surrounding residential area. Historically, runoff from the site has discharged in several directions through adjoining residential properties without formal drainage infrastructure. Technical investigations determined that these informal discharge paths cannot continue following redevelopment due to existing infrastructure limitations and the absence of lawful downstream drainage connections.

The proposal therefore adopts a revised drainage strategy that will regrade the site and consolidate stormwater runoff toward the existing lawful point of discharge at the south-eastern corner via Easement G on SP230498. This strategy requires substantial external infrastructure works, including new stormwater infrastructure within Mt Nutt Road to intercept uncontrolled road runoff, upgrades to Bells Gully between Mt Nutt Road and Jilletts Road, improvements to the downstream drainage channel within Easement G and all associated works necessary to establish a lawful and functional drainage network prior to commencement of the use.

Hydraulic modelling demonstrates that the strategy will substantially improve existing drainage deficiencies by removing uncontrolled discharge toward neighbouring properties and directing runoff into the formal drainage corridor. A minor increase in flooding has been identified in the flood model to the north of the site. A review of the impacted properties reveals that they do not have adequate freeboard to deal with this increase. Therefore,

conditions of approval have been recommended that drainage from the north is to remain open to convey these flows through the site, ensuring no increase in flood levels occurs.

Overall, the proposed Retirement Facility represents an appropriate form of urban residential development within the Low Density Residential Zone and will make an important contribution to housing diversity in Bowen by providing purpose-built accommodation for retirees.

The assessment has demonstrated that the development can be appropriately serviced by urban infrastructure, is compatible with the surrounding residential environment and complies with the relevant provisions of the Planning Scheme and Regional Plan. The proposal is therefore recommended for approval subject to reasonable and relevant conditions.

OFFICER'S RECOMMENDATION

That Council approve the Development Application for Development Permit for Material Change of Use for a Retirement Facility (180 Dwellings), made by QBLV Pty Ltd As TTE, on L: 2 SP: 319666 and located at 65B Mt Nutt Road Queens Beach, subject to the conditions outlined in **Attachment 11.3.4**.

BACKGROUND

The subject land previously had a Development Permit for Reconfiguration of a Lot - Two (2) Lots into 158 residential lots including five (5) open space lots in three stages (DA07273), that has since lapsed.

DISCUSSION/CURRENT ISSUE

Lawful Point of Discharge (LPOD)

The site is unable to lawfully discharge stormwater to the north toward Field Street or to the east toward Strickland Street due to the absence of existing lawful points of discharge and the presence of intervening privately owned land. Establishing discharge in either direction would require the acquisition of private land and the creation of new drainage easements, which is not considered a feasible outcome for the development.

The option of discharging to the west through the adjoining Seabreeze Estate Body Corporate property was also investigated. This option was determined to be unsuitable, as no existing stormwater infrastructure connects the site to the estate and the Body Corporate's internal drainage system is undersized to accommodate flows generated by the proposed development. Consequently, discharge toward Fifth Close or Seventh Close cannot occur without substantial upgrades to drainage infrastructure within the Body Corporate property.

In response to these constraints, the proposed drainage strategy involves filling and regrading the site to convey both stormwater generated by the development and external catchment flows entering from the northern boundary toward the lawful point of discharge at the south-eastern corner of the site via Easement G on SP230498.

The lawful point of discharge was further complicated by the extent of Easement G, which did not extend sufficiently across the burdened land to connect with the Bells Gully watercourse or Jilletts Road beyond. To achieve lawful stormwater discharge in accordance with the Queensland Urban Drainage Manual, the applicant was required to obtain downstream landowner consent and establish additional stormwater drainage easements over two downstream properties containing the discharge path through Bells Gully.

The applicant has confirmed that the necessary downstream landowner consents have been obtained. Due to the time it takes for easements to be registered at the Queensland Titles Office, the downstream easements have not been registered yet. However, legal advice supplied by the Applicant's lawyer confirms that the completed Deeds of Settlement for the easements assure both QBLV Pty Ltd As TTE and Council that there is a legally enforceable process in place which will lead to the relevant easements being registered. Once the easements have been registered, they will enable stormwater from the development to be lawfully conveyed through Bells Gully to the existing culvert beneath Jilletts Road.

Flooding

The application has been assessed against the Flood Hazard Overlay Code, having regard to the Flood Impact Assessment prepared by WMS Engineering. The assessment confirms that the site is affected by local overland flow from the north-eastern catchment and flooding associated with Bells Gully, located approximately 200 metres south of the site. Hydraulic modelling was undertaken using a two-dimensional TUFLOW model to assess existing and developed flood conditions up to and including the 1% Annual Exceedance Probability event, with allowances for climate change.

The Flood Impact Assessment determined that the site's existing discharge locations are unsuitable for the developed scenario due to constrained or informal drainage paths, obstructions on adjoining land, inadequate stormwater infrastructure within Seabreeze Estate and undersized downstream infrastructure. The development therefore proposes a revised stormwater strategy that removes reliance on the constrained northern and eastern discharge points and directs the majority of site runoff toward the south-eastern corner and into Bells Gully via Easement G on SP230498. This will be achieved through internal site grading supported by three principal external drainage upgrades.

The first external upgrade relates to Mt Nutt Road, where road runoff currently discharges onto the site without formal drainage infrastructure. External Works Sketch SK14, prepared by ADG Engineers, proposes a new stormwater drainage network within Mt Nutt Road and the removal of the existing pipe discharging onto the site. Conditions require these works to be undertaken as part of the subsequent Operational Works application.

The second external upgrade addresses the hydraulically constrained section of Bells Gully between Mt Nutt Road and Jilletts Road. While the Flood Impact Assessment recommends widening and reprofiling the entire section, land ownership constraints limit the proposed works to reprofiling and deepening Bells Gully between Easement G and Jilletts Road, as shown on External Works Sketch SK12. Hydraulic modelling demonstrates that these partial works will significantly improve the performance of the drainage network. Conditions require the works to be completed prior to commencement of the use. Council is also progressing a separate project to secure tenure over the remaining sections of Bells Gully to facilitate future drainage upgrades and stormwater conveyance projects.

The third external upgrade involves widening and deepening the downstream open drainage channel within Easement G to accommodate increased post-development flows. These works are also required to be completed prior to commencement of the use.

Hydraulic modelling demonstrates that the proposed stormwater strategy significantly improves existing drainage issues currently affecting adjoining land to the north and east of the site by removing uncontrolled discharge toward those properties. This assessment identifies some localised increases in flood levels (afflux) to the north. Specifically, the assessment identifies:

- a) up to 50mm afflux within land north of the site due to the redirection of overland flow away from the subject land;

- b) reductions in flood impacts to properties east of the site through removal of uncontrolled discharge;
- c) increases of up to 90 mm within sections of Bells Gully downstream of Jilletts Road; and
- d) increases of up to 50 mm within Bells Gully upstream of Jilletts Road.

The afflux has been assessed against Council's new Stormwater Modelling Guideline where it has been found that the afflux of 50mm being observed in some residential properties to the north is not acceptable, due to many of these properties having insufficient existing floor levels to receive the additional 50mm of floodwater. Therefore, the development is conditioned to accept the flow from the northern area through the subject site. Additional stormwater modelling is to be provided with the submission of the operational works application demonstrating no additional afflux in the northern section following detailed design. In relation to c) and d), internal assessments have concluded that the afflux to Bells Gully is not an actionable nuisance and together with Council's improvements to Bells Gully project, the additional flows into Bells Gully from the development are considered safe.

Council's Senior Stormwater Engineer considers the predicted increases within Bells Gully to be acceptable, noting that the increases will remain within the watercourse and will be further addressed through Council's planned Bells Gully upgrade project.

The Flood Impact Assessment concludes that the proposal will not create an actionable nuisance, increase flooding of habitable buildings or reduce the existing flood immunity of Argyle Park Road. Surrounding properties will retain acceptable freeboard during the 1% Annual Exceedance Probability event. The hydraulic model was also validated against Council's *Bowen Local Catchment Study* (AECOM, 2022) and demonstrated a strong correlation with that study.

Overall, the proposed stormwater strategy and associated external works provide an appropriate response to the site's flood constraints. The strategy will improve existing drainage deficiencies, direct runoff to a lawful point of discharge and limit flood impacts to acceptable levels, subject to further assessment and detailed design during the Operational Works stage. Accordingly, the proposal is considered to comply with the Flood Hazard Overlay Code.

FINANCIAL IMPLICATIONS

Application fees have been paid in full.

The development attracts an infrastructure charge of **\$4,851,454.75**.

PLANNING ASSESSMENT REPORT

Council has received the following Development Application, which has been assessed against the provisions of the relevant legislation as reported below.

1. Application Summary

Proposal:	Development Application for Development Permit for Material Change of Use for a Retirement Facility (180 dwellings)
Landowner	QBLV Pty Ltd As TTE
Property Address:	65B Mt Nutt Road Queens Beach
Property Description:	L: 2 SP: 319666 T: & EMT A
Area of Site:	11.41ha
Planning Scheme Zone:	Low density residential zone
Level of assessment	Code Assessable
Overlays:	Acid Sulfate Soils Overlay Biodiversity, Waterways and Wetlands Overlay Building Heights Overlay Flood Hazard Overlay
Existing Use:	Vacant
Existing Approvals:	Nil
Public Notification:	Not applicable in Code Assessment
Submissions received:	Not applicable
State referrals:	One – SARA / DTMR
Infrastructure charges:	\$4,851,454.75
Planning Scheme	Whitsunday Regional Council Planning Scheme v4.7

2. Site Description

The subject land is a vacant land parcel located at 65B Mt Nutt Road Queens Beach. The development site is located approximately 500m from Queens Beach and is situated between Jilletts Road to the south and Golf Links Road to the north. The site is currently vacant and has been mostly cleared of all vegetation besides a few remaining trees along the perimeter.

The site has very gentle grade at approximately 0.5% and contains an existing drainage flow path from Mt Nutt Road through the site which exits in the south-east corner via Council's stormwater Easement G on SP230498, which is also the primary lawful point of stormwater discharge for the proposed development. The site is completely bounded by residential land uses on all boundaries.

Access to the site is permitted in various locations however the principal location in the existing case and proposed is from Mt Nutt Road between 98 and 100A Mt Nutt Road Queens Beach.

3. Proposal Details

The proposal is for a Development Permit for Material Change of Use for a Retirement Facility with 180 dwelling sites, with the aim of attracting over 55's retirees to the facility. The proposal contains various dwelling designs and plot sizes providing flexible living choices for residents. The four plot types offered and their corresponding amount are:

- Type 1 (51): 375m²
- Type 2 (38): 356.25m²
- Type 3 (53): 375m²
- Type 4 (38): 356.25m²

Each of the above plot types can accommodate one of the proposed six Villa Types, each comprising a single-storey dwelling containing two bedrooms, including a master suite with ensuite and walk-in wardrobe. All villas will also provide a kitchen, open-plan living and dining area, bathroom, laundry, private terrace, and integrated garage parking. While the villas maintain a consistent architectural theme externally, the internal layouts will vary between Villa Types. In addition, each Villa Type incorporates distinct façade treatments, articulation, and finishes to contribute to a varied and visually appealing streetscape throughout the Retirement Facility.

The facility will also contain numerous communal and recreational opportunities for residents, including:

- Amenities;
- Bar;
- Cinema;
- Caravan parking area;
- Gym;
- Kitchen;
- Lounge & Games Room;
- Meeting Room;
- Reception;
- Residential storage sheds;
- Store;
- Swimming Pool;
- Yoga; and
- Wine Bar.

Most of the above communal and recreational facilities are contained within the Club House building that is delivered as part of Stage 1. Only the caravan parking area and residential storage sheds from the list above are delivered in Stage 4.

Whilst the overall yield of 180 sites is fixed, the allocation and quantity of each plot type is indicative and will be refined in response to market demand and purchaser trends. The development is also proposed to be delivered in stages responding to market demand. This approach has been adopted to minimise the need for future minor change applications following approval. Accordingly, it has been requested that Council condition the delivery of all critical infrastructure prior to the construction of the first dwelling, with the proposed conditions of approval reflecting this intent.

4. Planning Assessment

The application has been assessed against the relevant provisions of the *Planning Act, 2016* and the Whitsunday Regional Council Planning Scheme, 2017. The proposal is considered to be generally in accordance with the Planning Scheme and is recommended for approval in accordance with the drawings and documents submitted, subject to reasonable and relevant conditions.

4.1. State Assessment and Referral Agency (SARA)

The application was referred to SARA for the following State aspects:

- Schedule 10, Part 9, Division 4, Subdivision 1, Table 1, Item 1 – Development impacting on state transport infrastructure (thresholds).

The proposed development triggers referral to SARA due to the size of the development (over 50 dwellings) triggering Schedule 20 of the *Planning Regulation 2017*, impacting on State transport infrastructure and thresholds.

SARA have provided a referral agency response with conditions. The conditions require the development to provide:

- A passenger loading zone adjacent to the proposed Club House in Stage 1.
- A parking bay with enough space to accommodate a minimum 25-seater bus.
- Provision of passenger loading zones with signage, appropriate lighting in accordance with *Disability Standards for Accessible Public Transport 2002*.
- A dedicated layover parking bay on site separate from any passenger loading zone to accommodate a 25-seater minibus of 7.7 metres in length.

4.2. State Planning Policy – July 2017

The State Planning Policy (SPP) includes interim development assessment requirements to ensure that State interests are appropriately considered by local government when assessing development applications where the local government Planning Scheme is appropriately integrated all the State's interests in the SPP. The most recent SPP has been reflected in the Whitsunday Regional Council Planning Scheme, in particular Part 2 of State Planning Provisions.

4.3. Mackay Isaac and Whitsunday Regional Plan – February 2012

The Mackay, Isaac and Whitsunday Regional Plan was established to provide the vision and direction for the region to 2031. The plan provides certainty about where the region is heading in the future and provides the framework to respond to the challenges and opportunities which may arise. The proposal is generally consistent with the provisions of the plan as the proposal is for urban development on land designated for urban purposes.

4.4. Whitsunday Regional Council Planning Scheme, 2017

4.4.1. Strategic Framework / Strategic Intent

The strategic framework is not applicable to the assessment of this application due to the application being Code Assessable.

4.4.2. Overlay Codes

Acid Sulfate Soils Overlay Code

An Acid Sulphate Soil Assessment by CQ Soil Testing has been supplied for the assessment of the overlay. The report concludes that due to the amount of filling proposed across the site, the proposed development will not disturb the underlying alluvial clay, and therefore an Acid Sulfate Soils Management Plan (ASSMP) will not be required for this site. Additionally, groundwater encountered below a depth of 4.5 meters is not expected to be disturbed. Therefore, conditions of approval are applied that require the development to undertake an ASSMP only if acid sulfates are found during the construction phase.

Biodiversity, Waterways and Wetlands Overlay

The subject site is mapped as containing Matters of State Environmental Significance (MSES), specifically Wildlife Habitat (Endangered or Vulnerable) and Regulated Vegetation (Essential Habitat). Notwithstanding this mapping, aerial imagery and site history indicate that the vegetation previously associated with these values was cleared between May 2022 and May 2023.

To verify the current ecological status of the land and confirm the applicability of the mapped overlays, Equilibrium Ecology prepared an Ecological Technical Note in support of the application. The Technical Note concludes that the vegetation clearing undertaken on the site was lawful and therefore the mapped biodiversity values no longer exist on the land.

The assessment establishes that the clearing was considered lawful on the basis that it was either exempt under Schedule 21 of the *Planning Regulation 2017* or undertaken in accordance with an Accepted Development Vegetation Clearing Code (ADVCC). Importantly, Schedule 21 identifies residential clearing as exempt clearing work, while the ADVCC permits clearing of up to 10 hectares of High Value Regrowth vegetation within a Category C area for non-linear infrastructure purposes. On this basis, the technical assessment concludes that the clearing undertaken within the site was lawfully established.

Therefore, it is considered that the biodiversity values currently mapped under the Whitsunday Regional Council Planning Scheme 2017 are no longer present within the subject land, after being lawfully cleared. As such, assessment against the relevant biodiversity assessment benchmarks of the Planning Scheme is not considered applicable to the proposed development.

Building Heights Overlay

All structures proposed for the development are single-storey and do not exceed the permitted building height of 8.5m for zone.

Flood Hazard Overlay

The application has been assessed against the Flood Hazard Overlay Code having regard to the submitted Flood Impact Assessment prepared by WMS Engineering. The assessment confirms that the site is affected by local overland flow from a catchment to the north-east and impacts on Bells Gully located approximately 200 metres south of the subject land. Hydraulic modelling was undertaken using a TUFLOW 2D model to assess

both existing and developed flood conditions across a range of storm events up to the 1% AEP event, including climate change allowances.

The Flood Impact Assessment determined that several of the existing discharge locations are unsuitable for continued use post-development due to a combination of infrastructure constraints, lack of formal drainage connections, and existing impacts on adjoining properties. Specifically:

- discharge points to the north and east of the site currently rely on uncontrolled concentrated overland flow;
- some existing flow paths to the north have been obstructed by adjoining landowners through informal bunding works;
- infrastructure within the Seabreeze Estate east of the site do not appear to have been designed to accommodate runoff from the subject land and do not contain stormwater infrastructure that connects to the site; and
- limited or undersized stormwater infrastructure exists within adjoining road reserves and easements.

As a result, the proposed development adopts a revised stormwater strategy which consolidates all major site discharge toward the south-eastern corner of the site and into Bells Gully via a formalised drainage network (Easement G on SP230498). Internal site grading has been designed to direct runoff away from the constrained northern and eastern discharge locations and toward the preferred discharge point in the south-eastern corner, being the only discharge point identified as suitably connected to a formal downstream drainage corridor. To facilitate this strategy, the Flood Impact Assessment identifies several external site upgrades considered necessary to appropriately manage post-development stormwater flows and mitigate flood impacts.

The first recommended upgrade relates to Mt Nutt Road. The assessment identifies that stormwater from Mt Nutt Road currently discharges directly into the subject land at two locations without the benefit of a stormwater easement or formal drainage infrastructure. To address this issue, the report recommends construction of new stormwater infrastructure in Mt Nutt Road through the site to formally capture and convey these flows to the lawful point of discharge. The applicant has supplied External Works Sketch SK14 by ADG Engineers that identifies and sizes the missing stormwater network in Mt Nutt Road and also removes the existing stormwater pipe that currently discharges into the site between 110 and 112A Mt Nutt Road. Conditions of approval are included for the external stormwater upgrades to be undertaken by the applicant at operational works stage.

The second external upgrade relates to Bells Gully between Mt Nutt Road and Jilletts Road. The assessment identifies this section of Bells Gully as a major hydraulic constraint, resulting in elevated upstream flood levels during major storm events. The report notes that downstream sections of Bells Gully have previously been widened and reprofiled in conjunction with culvert upgrades at Argyle Park Road, however the upstream section between Mt Nutt Road and Jilletts Road remains constrained. The Flood Impact Assessment therefore recommends widening and reprofiling of Bells Gully within this section to improve hydraulic capacity and reduce flood levels adjacent to the development site. Initial modelling indicates these works have the potential to reduce 1% AEP flood

levels by approximately 400mm. It is noted that the reprofiling of this part of the gully will cause a section of the existing vegetation in that location to be removed.

As the applicant does not own the land that the majority of the constrained section of Bells Gully encompasses, the application proposes partial implementation of these upgrade works, specifically reprofiling and deepening of Bells Gully between Easement G and Jilletts Road as shown on External Works Sketch SK12 by ADG Engineers. Conditions of approval have been recommended for the works shown on External Works Sketch SK12 by ADG Engineers to be undertaken prior to commencement of the use. In addition, Council's Infrastructure Directorate currently has a project that is looking at obtaining tenure on the balance of Bells Gully to continue the necessary improvements to improve the waterway's functionality.

The third external upgrade relates to the open drainage channel downstream of the preferred discharge location at the south-eastern corner of the site, located within Easement G on SP230498. As this location is proposed to become the dominant discharge point for the development, the assessment recommends widening and deepening of the existing open channel to ensure it has sufficient capacity to accommodate post-development stormwater flows. Conditions of approval have been recommended to undertake these upgrades prior to commencement of the use.

The modelling demonstrates that the proposed stormwater strategy significantly improves existing drainage issues currently affecting adjoining land to the north and east of the site by removing uncontrolled discharge toward those properties. The assessment identifies some localised increases in flood levels (afflux) to the north. Specifically, the assessment identifies:

- a) up to 50mm afflux within land north of the site due to the redirection of overland flow away from the subject land;
- b) reductions in flood impacts to properties east of the site through removal of uncontrolled discharge;
- c) increases of up to 90 mm within sections of Bells Gully downstream of Jilletts Road; and
- d) increases of up to 50 mm within Bells Gully upstream of Jilletts Road.

The afflux has been assessed against Council's new Stormwater Modelling Guideline where it has been found that the afflux of 50mm being observed in some residential properties to the north is not acceptable, due to many of these properties having insufficient existing floor levels to receive the additional 50mm of floodwater. Therefore, the development is conditioned to accept the flow from the northern area through the subject site. Additional stormwater modelling is to be provided with the submission of the operational works application demonstrating no additional afflux in the northern section following detailed design. In relation to c) and d), internal assessments have concluded that the afflux to Bells Gully is not an actionable nuisance and together with Council's improvements to Bells Gully project, the additional flows into Bells Gully from the development are considered safe.

Importantly, the report concludes that the identified increases in flood levels would not result in actionable nuisance, would remain contained within the existing Bells Gully corridor, would not increase flood impacts to habitable dwellings, and would maintain the

existing flood immunity of Argyle Park Road. The assessment further notes that surrounding properties retain acceptable freeboard during the 1% AEP flood event. The hydraulic model was validated against Council's Bowen Local Catchment Study undertaken by AECOM (2022), with results demonstrating a high level of consistency between model outputs.

Overall, the Flood Impact Assessment concludes that the proposed stormwater management strategy and associated external upgrade works provide an appropriate and coordinated response to the site's flood constraints. The proposal is considered to appropriately manage stormwater discharge, improve several existing drainage deficiencies affecting adjoining lands, and limit flood impacts to acceptable levels subject to detailed design refinement during the Operational Works phase. The proposal complies with the overlay code.

4.4.3. Low Density Residential Zone Code

The proposed development upholds the use of the land for low density residential development. Overall outcome 3 (b) identifies Retirement Facilities as being encouraged in the zone, provided they are compatible with the prevailing scale and residential character of surrounding development. The proposed Retirement Facility proposes a scale and design that is consistent with the purpose and overall outcomes of the zone code. Dwellings typologies present as stylish and modern housing options for future residents. Pedestrian connectivity within the site has been a focus in the design and together with the open space areas and community assets, and results in an attractive, open and low density form of urban residential living that promotes a sense of character and community inclusion.

The development provides a range of four lot sizes and six low-rise housing typologies, ensuring buyer choice but maintaining the low density character. Mt Nutt Road has pedestrian infrastructure on the northern side and the proposed development will connect the internal pedestrian network to the external, providing an active pedestrian connection to other parts of the urban area. The development has demonstrated that connection to all urban infrastructure is achievable without compromising Council's existing infrastructure networks.

Overall, the proposed development will provide a positive contribution to the Bowen township and complies in full with the zone code.

4.4.4. Development Codes

Residential Care Facility & Retirement Facility Code

The subject land is located within 1km of a centre zone and within 400m of the 841-bus route, with an additional private bus service proposed for residents. The site is not within 500m of industrial zoned land, contains no contamination or steep topography, achieving compliance with AO1.1, AO2.1, AO2.2 and AO2.3.

The development incorporates compliant accommodation design, access, parking, stormwater treatment, landscaping and communal open space outcomes. Pedestrian and bicycle connectivity is provided to Mt Nutt Road, with internal pedestrian networks separated from vehicular circulation in accordance with AO4.1.

Site coverage is limited to 29.8%, well below the 50% maximum under AO5.1. The proposed dwellings provide a high standard of architectural design through varied built form, materials and articulation, while maintaining compliant setbacks and appropriate privacy outcomes. Conditions will ensure service infrastructure and plant are screened from view.

While the proposal provides 27.1% communal open space rather than the 30% required under AO9.1, the shortfall is considered acceptable given the extensive communal facilities and recreational amenities provided throughout the development, achieving the intent of PO9.

The proposed clubhouse for residents will provide management, supervised care and social facilities within, and is easily accessible being located in the centre of the facility, with full disability compliance. Due to the single entrance location to the site and large site as a whole, it is not possible for the development to achieve compliance with AO11.1, requiring no dwelling to be further than 250m away from the site entry or exit point. Nevertheless, the design of the facility provides for easy and safe pedestrian movement that directly connects to the existing pedestrian network in Mt Nutt Road.

The development can fully connect to the full range of urban infrastructure and is therefore compliant with the Residential Care Facility & Retirement Facility Code.

Infrastructure Code

Water Infrastructure

From a water capacity perspective, Council's Principal Water and Sewerage Engineer has advised that there is sufficient network capacity in the area to receive the demand generated by the proposed development.

The development proposes to connect to reticulated water infrastructure using the existing DN225 watermain in Mt Nutt Road. From the connection stub, an internal private water reticulation network will be required to service all dwellings. This connection and subsequent private water network have been conditioned for detailed design under an Operational Works application. Once the network is established, all connections to dwellings will be undertaken under a future plumbing permit.

Sewerage Infrastructure

Regarding Council's sewerage network capacity, Council's Principal Water and Sewerage Engineer has advised that there is sufficient network capacity in the area to receive the demand generated by the proposed development.

The development will connect to reticulated sewerage infrastructure using the existing DN150 sewer main that traverses already within the bounds of the site, adjacent to the rear boundaries of dwellings that front Mt Nutt Road. Connection to this infrastructure will be facilitated through detailed design at operational works stage, where a private reticulation network will be created. Once the network is established, all connections to dwellings will be undertaken under a future plumbing permit. Conditions have also been

included to obtain an easement in favour of Council over the existing sewerage infrastructure that traverses the lot.

Stormwater Infrastructure

The site cannot lawfully discharge stormwater to the north (Field Street) or east (Strickland Street) due to the absence of existing lawful discharge points and the presence of intervening private properties. Achieving discharge in these directions would require acquisition of private land and creation of new easements, which is not feasible for a developer.

Similarly, an option to discharge west through the adjoining Body Corporate of Seabreeze Estate was examined but found unsuitable, as no existing stormwater infrastructure connects to the site and the Body Corporate's internal drainage system is undersized to accommodate flows from the proposed development.

Due to these constraints, discharge options to Fifth and Seventh Close cannot be utilised without significant upgrades within the Body Corporate property. As a result, the development proposal includes filling and regrading the site to facilitate the conveyance of both internal stormwater and external catchment flows from the northern boundary to a lawful point of discharge in the south-eastern corner (Easement G on SP230498).

The LPOD issue is further exacerbated by an issue with the length of Easement G on SP230498, which does not extend far enough on the burdened land to reach the Bells Gully watercourse, or Jillelts Road beyond. To ensure stormwater discharge is lawful under the Queensland Urban Drainage Manual (QUDM), the development needs to discharge its stormwater into a stormwater easement or local government-controlled area such as a roadway. This has meant that the applicant has been required to seek downstream landowner consents for the placement of stormwater drainage easements over two downstream properties that have private land that encompasses the discharge location in Bells Gully.

The applicant has confirmed that the necessary downstream landowner consents have been obtained. Due to the time it takes for easements to be registered at the Queensland Titles Office, the downstream easements have not been registered yet. However, legal advice supplied by the Applicant's lawyer confirms that the completed Deeds of Settlement for the easements assure both QBLV Pty Ltd and Council that there is a legally enforceable process in place which will lead to the relevant easements being registered. Once the easements have been registered, they will enable stormwater from the development to be lawfully conveyed through Bells Gully to the existing culvert beneath Jillelts Road.

See Flood Hazard Overlay assessment within s4.4.2 which assesses the stormwater infrastructure in full detail.

Healthy Waters Code

Council's review of the MUSIC model supplied to support the proposal confirms that the required water quality targets can be met. However, the review confirms that the only stormwater quality treatment proposed is street trees with Filterra filter media. While

'Water by Design' states that street trees should have removal rate for TSS and gross pollutants of 0%, the filter media has been approved by Stormwater Australia with a removal rate of 100%. This is only approved if the Ocean Protect filter media product and designs are used. Due to the cost of this filter media product, it is likely that a large GPT would be more reasonable.

Therefore, the assessment concludes that despite the compliance factors being achieved, conditions of approval must require usage of Ocean Protect Filterra product in order to ensure compliance with the relevant water quality standards. The applicant may undertake a change application during detailed design to supply an alternative method of water quality if required.

Landscaping Code

A Landscape Concept Plan by Wild Studio has been provided in support of the application. The landscaping concept draws inspiration from the natural forms created by the flow and overflow of the Don River, providing integrated curvilinear pathways that mimic the river's natural routes across the landscape. Utilising green corridors with winding pathways between the backyards of each dwelling that back onto each other due to the grid pattern of the development and incorporating dense plantings within this space, the proposed landscaping treatments will not only provide a sense of place for residents but ensures that sense of place is uniquely Bowen.

The proposal provides more than sufficient landscaping throughout the development and with the limited frontage the development site contains, ensures that landscaping efforts are primarily focussed within the development for the maximum enjoyment of residents. The proposal complies with the code.

Transport and Parking Code

A Traffic Impact Assessment by TTM was submitted to support the application. The assessment has been reviewed and accepted by Council's Development Engineer, confirming no external roadway upgrades are required. A new crossover to Mt Nutt Road will be required and has been conditioned to be undertaken via a Road Works Permit.

Internal roadways have been provided with a minimum width of 6.0 metres and 1.5-metre-wide verges on both sides. No footpaths are proposed along the internal access roadways; however, pedestrian walkways are provided at the rear of the dwellings, well removed from the internal roadways. The alternative pathway locations are suitable as they are completely removed from trafficable areas besides the major intersections.

The internal roads are designed for low-speed traffic, with speed-reduction treatments such as pavement narrowing to ensure traffic calming. The low-speed environment allows for safe shared use of the road by both vehicles and pedestrians, supporting safe pedestrian access directly along the roadway.

The development complies with Council's car parking requirements. In accordance with the Planning Scheme, one Medium Rigid Vehicle (MRV) space and one ambulance parking space are required. While no dedicated spaces are proposed, the internal road network is designed to accommodate on-street parking at suitable locations, depending

on the service need. This provides operational flexibility to service all 180 dwellings efficiently. The development proposes following parking spaces:

Land Use	No / Unit	Council's parking requirement	Parking required	Parking provided
Retirement Facility Units	180 dwellings	1 space per dwelling	180	360
Visitor	180 dwellings	50% of resident parking	90	180
Clubhouse	641 m ²	n/a	n/a	5 including 1 PWD
Caravan Parking		n/a	n/a	26

As can be seen in the above table, the proposal provides substantially more parking spaces than the Planning Scheme's requirement. Conditions of approval have been provided ensuring detailed design of the internal access requirements are provided for assessment at operational works stage. The proposal complies with the code.

5. Public Submissions

Not applicable.

6. Infrastructure Charges

6.1. Adopted Infrastructure Charges Resolution

The following is a breakdown on the Infrastructure Charges for the development. The charges have been split into the staging identified on the Villa Staging Plan in the approved plans.

Adopted Charge					
Type of Development	Development Category	Demand Unit & Qty	Charge Rate		Adopted Charge
MCU	Accommodation (long term)	180	\$27,163.80 for each suite with 2 or less bedrooms		\$4,889,484.00
Total Adopted Charge					\$4,889,484.00
Credit					
Type of Development	Development Category	Demand Unit & Qty	Charge Rate	Discount	Total Credit

Total Levied Charge – Stage 10 (13 Dwellings) – 1 credit					\$315,100.15

Attachment 11.3.4 Conditions of Approval

1.0 **ADMINISTRATION**

1.1 The approved development must be completed and maintained generally in accordance with the approved drawings and documents:

Plan/Document Name	Prepared By	Plan Number	Dated
Proposed Master Plan	Nettleontribe Architects	13142_DA001 – Rev. 6	09/09/2024
Proposed Lot Plan - Civil & External Staging Plan	Nettleontribe Architects	13142_DA002	18/08/2025
Proposed Lot Plan - Construction Staging Plan	Nettleontribe Architects	13142_DA003	18/08/2025
Club House Floor Plan	Nettleontribe Architects	13142_SK01	19/08/2024
Club House Elevations	Nettleontribe Architects	13142_SK02	19/08/2024
Club House Elevations	Nettleontribe Architects	13142_SK03	19/08/2024

Attachment 11.3.4 Conditions of Approval

Transport Engineering Report	TTM	24BRT0034 RP01_1	12/09/2024
Supplementary Traffic Response	Colliers	24BRT0034	11/07/2025
Ecological Technical Note	Equilibrium Ecology	N/A	21/05/2024

- 1.2 The applicant is to comply with the Department of State Development, Infrastructure, Local Government and Planning's conditions as outlined in the Department's correspondence dated 6 June 2025
- 1.3 The following further development permits are required prior to commencement of work on site or commencement of the use:
- Operational Works:
 - Water Infrastructure;
 - Earthworks;
 - Access and Parking;
 - Erosion Prevention and Sediment Control;
 - Sewerage Infrastructure;
 - Stormwater Infrastructure; and
 - Roadworks.
 - Plumbing and Drainage Works.
 - Building Works.

All Operational Works, Plumbing and Drainage Works Development Permits must be obtained prior to the issue of a Building Works Development Permit.

- 1.4 Where a discrepancy or conflict exists between the written conditions of this approval and the approved plans, the requirements of the written condition(s) will prevail.
- 1.5 All conditions of this approval must be complied with in full to Council's satisfaction prior to the release of the commencement of the use.
- 1.6 The applicant shall demonstrate and provide evidence that compliance with all conditions of this development approval and any other subsequent development approvals as a result of this development approval have been complied with at the time of commencement of the use.
- 1.7 A copy of this decision notice stamped approved plans/drawings must be retained onsite at all times. This decision notice must be read in conjunction with the stamped approved plans to ensure consistency in construction, establishment and maintenance of approved works.
- 1.8 The applicant shall arrange a completion compliance inspection with Council, prior to the completion of each stage of the development based on Proposed Lot Plan - Construction Staging Plan 13142_DA003. The completion inspection will require a payment receipt of the respective infrastructure charge for each stage before the meeting will be organised and demonstration that all relevant conditions for the Stage are complied with.
- 1.9 The development can be staged generally in accordance with the nominated staging on Proposed Lot Plan - Construction Staging Plan 13142_DA003 by Nettleontribe Architects dated 18 August 2025.
- 1.10 The open space, civil and external works must be delivered in accordance with the Proposed Lot Plan – Civil and External Staging Plan 13142_DA002, prepared by Nettleontribe Architects dated 18 August 2025. Specifically:

- a) Stage 1 external works must be completed before any dwellings in stage 1 are permitted to be occupied.

2.0 CLEARING, LANDSCAPING AND FENCING

- 2.1 Any vegetation removed must be disposed of to the requirements of the Council. Transplanting, chipping or removal from site are the preferred solutions.
- 2.2 All vegetative waste cleared as part of the development of the site is to be either:
 - a) stored neatly on site and shredded within sixty (60) days of clearing; or
 - b) removed off the site to an approved disposal location.
- 2.3 Any pruning works must be in accordance with AS 4373-1996 – Pruning of Amenity Tree.
- 2.4 No invasive plants (Biosecurity Act, 2014) or declared local pests (Local Law no.3) shall be planted on the site or allowed to invade the site and the site must be managed and maintained to exclude weeds.
- 2.5 To reduce the spread of weeds, all earthmoving equipment shall be free of soil and seed before being taken to the work site and again on completion of the project.
- 2.6 Prior to the commencement of the use of each stage, landscaping must be provided generally in accordance with the approved Landscape Concept 24106 LC-01 by Wild Studio dated 5 September 2024.
- 2.7 Prior to commencement of the use of each relevant stage, the applicant is to erect solid fencing, a minimum of 1.8 metres high, along the side and rear development boundaries of the Retirement Facility.
- 2.8 Planting species are to be from Council's approved Planting Species List within PSP SC6.4.5.2.

3.0 BUILDING

- 3.1 All air-conditioning units are not to be visible from the street or adjoining properties and are to be aesthetically screened.
- 3.2 Building design, architectural elements and landscaping treatments must block or reduce excessive light and air-conditioning plant noise.
- 3.3 Building and landscaping materials are not to be highly reflective, or likely to create glare, or slippery or otherwise hazardous conditions.
- 3.4 Buildings are to be finished with external building materials and colours to reduce scale and bulk.
- 3.5 Ventilation and mechanical plant must be located and designed so that prevailing breezes do not direct undesirable noise and odours towards nearby residential accommodation.

4.0 CRIME PREVENTION THROUGH ENVIRONMENTAL DESIGN

- 4.1 The development, including all buildings, access ways, car parks, and driveways must be designed and managed to incorporate the principles and recommendations of the Crime Prevention through Environmental Design – Guidelines for Queensland. The design and management must include, but not be limited to, the following:
 - a) Landscaping of all car parking areas and pedestrian and/or vehicular access ways must be suitable to enhance safety.

- b) Pedestrian pathways between buildings and car parks must be generous in proportions with a minimum width of 1.2 metres, well-lit and provide continuous accessible paths of travel.
- c) Internal and external lighting of toilets must be bright, vandal resistant and where toilets are open after hours, should illuminate in hours of darkness or be sensor/movement sensitive.
- d) Any automatic teller machines or public telephones which are accessible after hours must be well lit with vandal resistant lighting and suitably positioned so as to permit maximum opportunities for natural surveillance from within the site and by external observers.
- e) The approaches to all entrances and exits must have adequate visibility to enable patrons to look either in or out, prior to entering or exiting the development.

5.0 LIGHTING

- 5.1 Lighting along, all internal access driveways and parking areas, is to be directed downwards so as to minimise any adverse effects of glare or direct light nuisance on all surrounding allotments, including allotments within, but must achieve a minimum level of illumination consistent with the safety of pedestrians and vehicles.

6.0 EARTHWORKS

- 6.1 Prior to commencement of any work on site an Operational Works development permit must be obtained in relation to Earthworks for each civil stage. Any application for Operational Works (Earthworks) must be accompanied by engineering design drawings demonstrating compliance with the recommendations of the Geotechnical and Civil site report for the site. All earthworks are to be placed, trimmed and compacted as a minimum to standards identified in AS3798. Compaction test results are to be submitted to Council for its records.
- 6.2 During and at the completion of the excavation and filling of the site the applicants Civil/Geotechnical Engineer shall supervise, and at the completion, certify that the work carried out on site has meet the design intent, is compliant with the standards identified in AS 3789 and provide evidence that the finished work will not cause adverse impact on adjoining property.
- 6.3 All cut/fill batter slopes created as a result of earthworks carried out on the site are to be protected and retained. Any retaining structure, necessary as a result of works on the site must be designed, supervised and certified by a Registered Professional Engineer of Queensland prior to commencement of the use.
- 6.4 Erosion prevention and Sediment Control measures must be implemented prior to any vegetation removal or disturbed soil activities take place and are to comply with the requirements of the Whitsunday Regional Council Development Manual and the Best Practice Erosion & Sediment Control – November 2008 (IECA White Book) and the requirements of the Environmental Protection Act.
- 6.5 Acid sulphate soils are not to be disturbed during the works unless an Acid Sulfate Soils Management Plan that complies with Planning Policy SC6.2.4: Acid sulfate soils management plan, is submitted and approved by Council.

7.0 WATER INFRASTRUCTURE

- 7.1 A Development Permit for Operational Works (Water Infrastructure) must be obtained prior to commencement of work on site for each civil stage. Any application for Operational Works (Water Infrastructure) must be accompanied by engineering design drawings, and certifications of the design, demonstrating compliance with Council's Development Manual (current at the time of development) and this Decision Notice.

- 7.2 The development must be connected to Council's water network prior to commencement of the use.
- 7.3 All internal private water mains including connection to Council's reticulated water main must be constructed under the Operational Works (Water Infrastructure).
- 7.4 Each dwelling within the development connected to Council's water supply network prior to Commencement of Use.
- 7.5 All water infrastructure including private water main infrastructure must be designed and constructed in accordance with Council's Whitsunday Shire Council Development Manual (or equivalent replacement document current at the time of development) prior to commencement of the use.
- 7.6 All existing water service connections must be disconnected and sealed to the satisfaction of Council's Water & Sewer Services at the time of removal prior to commencement of the use.
- 7.7 All water Infrastructure must be designed and constructed in accordance with Council's Development Manual (current at the time of development), prior to commencement of the use.
- 7.8 Prior to commencement of use on the site, the applicant must lodge with Council a civil engineer's design and construction certification (by an experienced and qualified engineer). The certification must be addressed to Council and must certify that all Water Infrastructure works have been designed and constructed according to the conditions of this Decision Notice and Council's Development Manual.

8.0 SEWERAGE INFRASTRUCTURE

- 8.1 A Development Permit for Operational Works (Sewer Infrastructure) must be obtained prior to commencement of work on site for each civil stage. Any application for Operational Works (Sewer Infrastructure) must be accompanied by engineering design drawings, and certifications of the design, demonstrating compliance with Council's Development Manual (current at the time of development) and this Decision Notice.
- 8.2 The development must be connected to Council's sewerage network prior to commencement of the use.
- 8.3 Each dwelling within the development must be connected to Council's sewerage network prior to commencement of the use.
- 8.4 The development must be constructed clear of all existing gravity and/or rising sewer mains on the property and any adjoining properties.
- 8.5 All internal private sewer main including connection to Council's reticulated water main must be constructed under the Operational Works (Sewerage Infrastructure).
- 8.6 Easements must be provided over all existing and new Council sewerage lines constructed as part of the development located on private property at the first commencement of use compliance.
- 8.7 Easement documentation must be provided free of cost to Council.
- 8.8 All existing property drainage and sewer connections must be disconnected and sealed to the satisfaction of Council's Water & Sewer Services at the time of removal of the existing structure.
- 8.9 Sewerage infrastructure must be constructed to comply with SG6 "Sewer Reticulation" of Council's Development Manual, Council's Standard Drawings and Water Services Association of Australia Sewerage Code of Australia. Where a discrepancy or conflict exists between Council's Development Manual and the Sewerage Code, the requirements of Council's Development Manual will prevail.

- 8.10 Prior to commencement of use on the site, the applicant must lodge with Council, a civil engineer's design and construction certification (by an experienced and qualified engineer). The certification must be addressed to Council and must certify that all Sewer Infrastructure works have been designed and constructed according to the conditions of this Decision Notice and Councils Development Manual.

9.0 ACCESS AND PARKING

- 9.1 Prior to commencement of any work on site an Operational Works development permit must be obtained in relation to Access and Parking for each civil stage. Any application for Operational Works (Access and Parking) must be accompanied by detailed engineering drawings demonstrating compliance with Council's Development Manual (current at the time of development), Australian Standard AS2890, AS1428 and this Decision Notice.
- 9.2 Prior to the commencement of use of each stage, the following car parking requirements must be provided for each aspect:
1. Dwelling units – 2 covered car parking spaces.
 2. Dwelling units – 1 visitor car parking spaces within the driveway.
 3. Clubhouse – 5 car parking spaces including 1 car parking for people with disabilities.
- 9.3 All internal accesses, driveways, circulation roads, aisles, parking bays and manoeuvring areas are to be provided generally as indicated on the Proposed Master Plan 13142_DA001 – Rev. 6 dated 09/09/2024 and must be designed to comply with the Carriageway Widths and Traffic Generation criteria as detailed on Table D1.1 Street and Road Hierarchy of Councils Development Manual and constructed so as to comply with the criteria described in Councils Development Manual, AS2890 and AS1428.
- 9.4 All driveways must be constructed prior to commencement of use and maintained thereafter to the requirements of Council.
- 9.5 Prior to commencement of use on the site, the applicant must lodge with Council, a civil RPEQ engineer's design and construction certification. The certification must be addressed to Council and must certify that all internal accesses, driveways, circulation roads, aisles, parking bays and manoeuvring areas comply with the requirements of the Whitsunday Regional Council Development Manual, AS2890 and AS1428.

10.0 STORMWATER AND FLOODING

- 10.1 Prior to commencement of any work on site an Operational Works development permit must be obtained in relation to Stormwater Drainage for each civil stage. Any application for Operational Works (Stormwater) must be accompanied by engineering design drawings, including calculations and certifications of the design, demonstrating compliance with Queensland Urban Drainage Manual current at the time of development, Council's Development Manual (current at the time of development) and this Decision Notice.
- 10.2 The applicant must demonstrate that the developed flows from the land drain to a lawful point of discharge. Natural and Developed Flows from adjoining properties are to be managed through the site and discharged to a lawful point of discharge. Easements will be required over any land to accommodate the flows.
- 10.3 All stormwater drainage works must be designed and constructed in accordance with the Queensland Urban Drainage Manual current at the time of development and Council's Development Manual (or equivalent replacement document current at the time of development).
- 10.4 All site works must be undertaken to ensure that there is no increase in flood levels and/or flood frequency at any locations where existing landowners and/or users are adversely affected by

waterway flooding for all events up to and including 1% AEP unless otherwise approved by this decision notice.

- 10.5 A Stormwater Management Plan and supporting hydraulic modelling prepared by an RPEQ must be provided with the operational works application for each stage.
- 10.6 Detailed engineering plans must be submitted with the first operational work application for the continuation of the Open Drain on Easement G SP332170 onto Bells Gully, generally as per External Works Sketch SK12 Rev 2 dated 11 February 2025.
- 10.7 The widening of the Open Drain on Easement G SP332170 must be completed prior to the commencement of Stage 1.
- 10.8 Detailed engineering plans must be submitted with the first operational work application for the external drainage upgrades in Mount Nutt Road generally as per External Works Sketch SK14 by ADR Engineers dated 1 December 2025.
- 10.9 The external drainage upgrades in Mount Nutt Road must be completed prior to the commencement of Stage 1.
- 10.10 Detailed engineering plans must be submitted with the first operational work application for the widening of Bells Gully within Easement B in Lot 2 on RP726910 and Easement A in Lot 1 on RP723730 generally as per External Works Sketch SK12 Rev 2 dated 11 February 2025 and SK13 Rev 1 dated 11 December 2024.
- 10.11 The widening of Bells Gully must be completed prior to the commencement of Stage 1.
- 10.12 Detailed engineering plans and supporting hydraulic modelling must be submitted with the first operational works application, identifying the conveyance of stormwater flows from Area 1 as shown in Appendix C-4, 1% AEP – Climate Change Scenario Peak Flood Level Afflux within the Flood Impact Assessment for 65B Mount Nutt Road Bowen Rev 1 dated 07/02/2025 by WMS Engineering, through the development site such that no increase in afflux levels occurs within the sub-catchment of Area 1.
- 10.13 Easements must be provided over all land assessed to be below the 1% AEP level of immunity on all open spaces proposed at the North-Eastern and North-Western corner of Lot 2 SP319666. Buildings are not permitted within this area.
- 10.14 Easements required for drainage purposes through allotments must be in accordance with details described in the Queensland Urban Drainage Manual current at the time of development.
- 10.15 Easements must be provided over all land within the development site receiving stormwater discharge from Mount Nutt Road, whether above or below ground.
- 10.16 Easement documentation must be provided free of cost to Council.
- 10.17 All site work must be undertaken to ensure that any increase in velocity profiles does not cause scouring and/or erosion.
- 10.18 An inter-allotment drainage system must be provided to all allotments where any part of the allotment falls away from the frontage of the roadway or the mid-block finished surface level is less than 600mm above the channel level along the frontage kerb and channel. Easements must be provided over inter-allotment systems. The design criteria shall be in accordance with QUDM and Council's Standard.
- 10.19 Each building to be created must be provided with a lawful point of discharge prior to signing of the Survey Plan.
- 10.20 All habitable dwellings must be constructed to a level not less than 300mm above the Defined Flood Level (DFL) for the developed site.

- 10.21 Stormwater for the development must include gross pollutant traps, or other appropriate water quality measures, within the system adequate to ensure stormwater from the site must not cause measurable levels of water pollutants in the receiving waters to fall outside the acceptable ranges specified in the 'Australian Water Quality Guidelines for Fresh and Marine Waters', ANZECC 2000.
- 10.22 The earthworks design is to provide for the capture and management of natural flows from External Catchments, adjoining properties and site drainage through the site and discharged, as called for in Queensland Urban Drainage Manual, to a Lawful Point of discharge.
- 10.23 Prior to commencement of use on the site, the developer must lodge with Council, a civil engineer's design and construction certification (by an experienced and qualified engineer). The certification must be addressed to Council and must certify that the Roof and Allotment/ Stormwater Drainage works have been constructed in accordance with the requirements of Queensland Urban Drainage Manual current at the time of development, Councils Development Manual (current at the time of development) and this Decision Notice and will not cause adverse effects to adjoining or downstream properties or infrastructure.
- 10.24 Prior to commencement of use of each stage, the developer must provide to Council certified as-constructed drawings and survey information prepared by a Registered Professional Engineer of Queensland demonstrating that all stormwater infrastructure has been constructed in accordance with the approved Operational Works approval.
- 10.25 Prior to commencement of use of each stage, the developer must submit certification by a Registered Professional Engineer of Queensland confirming that the completed stormwater drainage system has been constructed in accordance with the approved hydraulic model and that the flood behaviour of the completed works is consistent with the outcomes predicted by the approved Flood Impact Assessment.
- 10.26 Temporary drainage measures must be implemented throughout construction to ensure that flood conveyance is maintained and upstream properties are not adversely affected during any stage of the works.

11.0 ROADWORKS

- 11.1 A Development Permit for Operational Works (Roadworks) must be obtained prior to commencement of work on site. Any application for Operational Works (Roadworks) must be accompanied by engineering design drawings, including calculations and certifications of the design, demonstrating compliance with Queensland Urban Drainage Manual (current at the time of development).
- 11.2 A 1.5 metre wide concrete footpath and a pram crossing at a safe distance from the proposed external access, including tactile indicators in accordance with AS1428.4, must be constructed on the eastern side of the Mount Nutt Road connecting to the internal pedestrian access.
- 11.3 The developer shall construct the external access to Mt Nutt Road in accordance with Council's Development Manual (current at the time of development), Australian Standard AS2890 and AS1428, prior to the commencement of the use.
- 11.4 The external access must include provision for all drainage from within the property and along the driveway surface to be collected at or inside the property boundary and discharged to the existing open drain.
- 11.5 Accesses must be located so as to achieve Safe Intersection Sight Distance in accordance with Section 3 of Austroads Guide to Road Design – Part 4A: Unsignalised and Signalised Intersections.
- 11.6 The external driveway must be constructed prior to commencement of use and maintained thereafter to the requirements of Council.

- 11.7 Prior to commencement of use on the site, the owner must lodge with Council, an engineer's certification (by an experienced and qualified geotechnical/civil engineer). The certification must be addressed to Council and must certify that all External Roadworks have been designed and constructed according to the conditions of this Decision Notice and Councils Development Manual.

12.0 ELECTRICITY AND TELECOMMUNICATIONS

- 12.1 Provide electricity and telecommunications connection to the proposed development to the requirements of the relevant authority. The application must submit to Council, either:

- (a) a certificate of supply demonstrating that existing low-voltage electricity supply is available to the newly created sites; or
- (b) a certificate of supply that the applicant has entered into an agreement with the authorized electricity supplier, Ergon, to provide electricity services to the newly created sites, payment has been received and the connection will be completed at a date in the future.

If low-voltage electricity supply is unavailable to the newly created lots then the applicant must provide a certificate of supply of the proposed electricity connection date to all future property owners prior to entering into a contract of sale for the newly created lots prior to commencement of the use.

13.0 ENVIRONMENTAL MANAGEMENT PLAN (EMP)

- 13.1 A Development Permit for Operational Works (Erosion Prevention and Sediment Control) must be obtained prior to commencement of work on site. The plan must be prepared in accordance with Council's Development Manual (current at the time of the development), the Soil Erosion and Sediment Control Engineering Guidelines for Queensland Construction Sites, June 1996 by The Institution of Engineers, Australia and the EPA Best Practice Urban Stormwater Management – Erosion and Sediment Control Guideline. The strategy of the plan must be implemented and maintained for the duration of the operational and building works, and until exposed soil areas are permanently stabilised (e.g. turfed, concreted).
- 13.2 Prior to commencement of any work on the site, the applicant must submit to Council for approval, an Erosion Prevention and Sediment Control Plan for the site.
- 13.3 The plan must be prepared in accordance with Council's Whitsunday Shire Council Development Manual (or equivalent replacement document current at the time of the development), the Soil Erosion and Sediment Control Engineering Guidelines for Queensland Construction Sites, June 1996 by The Institution of Engineers, Australia and the EPA Best Practice Urban Stormwater Management – Erosion and Sediment Control Guideline.
- 13.4 The strategy of the plan must be implemented and maintained for the duration of the operational and building works, and until exposed soil areas are permanently stabilised (e.g. turfed, concreted).
- 13.5 Discharges of water pollutants, wastewater or stormwater from the site must not cause measurable levels of water pollutants in the receiving waters to fall outside the acceptable ranges specified in the 'Australian Water Quality Guidelines for Fresh and Marine Waters', ANZECC 2000.

13.6 No visible emissions of dust must occur beyond the boundaries of the site during earthworks and construction activities on the site. If, at any time during the earthworks and construction activities the dust emissions exceed the levels specified above, all dust generating activities must cease until the corrective actions have been implemented to reduce dust emissions to acceptable levels or wind conditions are such that acceptable levels are achieved.

13.7 The applicant must ensure that when undertaking any on-site or external works, including any filling and extraction, appropriate dust control measures are implemented in accordance with the Environmental Protection Act 1994 and complies with the relevant air quality objectives defined in the Environmental Protection (Air) Policy 2008.

14.0 ENVIRONMENTAL HEALTH

14.1 Waste Management for the facility must be undertaken in accordance with the approved Waste Management Plan by WSP PS215711-B dated 12 September 2024.

14.2 Waste and recycling facilities for the ancillary aspects of the development (sales office, restaurant, recreational centre, community shed) must be provided in accordance with the following provisions:

- a) Adequate waste containers must be provided to contain the volume and type of waste and recyclable matter generated by the development;
- b) Waste storage areas for waste containers must be constructed of a solid concrete base or acceptable equivalent; and
- c) Waste storage areas must be designed and constructed so it can be easily cleaned whilst ensuring that no waste or recyclable matter is released to the stormwater system or any waterway.

14.3 Maintenance and cleaning of waste containers must be carried out by a cleaning contractor or in an area where contaminants cannot be released into stormwater drainage, a roadside gutter, water or onto unsealed road.

14.4 Ensure that all reasonable and practicable measures are taken to ensure that waste storage area is kept to a standard of cleanliness where there is no accumulation of:

- a) Waste, except in waste containers;
- b) Recycled matter, except in containers;
- c) Grease; or
- d) Other visible matter.

14.5 Waste and recycling facilities must be screened from all public roads.

15.0 CATCHMENT AND LAND MANAGEMENT

15.1 A Commissioning Certificate is to be submitted to Council prior to commencement of use for each construction stage. All stormwater quality devices installed under this approval shall be commissioned by a suitably qualified person and a certificate supplied to Council prior to their use.

15.2 The developer must use Ocean Protect Filterra filter media for the proposed stormwater quality treatment system.

15.3 Prior to the commencement of the use of any stormwater quality devices and supporting infrastructure for each construction stage, those shall be inspected by the applicants' RPEQ engineer and Council's Officers. Should any stormwater quality devices or supporting

infrastructure not be in an acceptable condition, the defects shall be rectified by the applicant, at the applicant's cost.

16.0 OPERATING PROCEDURES

16.1 At the time of the commencement of the use for the Community Centre, the applicant must operate a minimum of one (1) private bus service for residents of the development. The specifics of the bus service must be at a minimum:

- a) One (1) bus no smaller than a 10-seater mini-bus.
- b) The bus service must operate at least two (2) services per day (1 morning, 1 afternoon) between the site and Bowen CBD.
- c) A bus route to service the community centre located within the site and at least two fixed locations in Bowen.

17.0 MISCELLANEOUS

17.1 If any item of cultural heritage is identified during site works, all work must cease and the relevant State Agency must be notified. Work can resume only after State Agency clearance is obtained.

The Applicant is reminded of their obligations under the Aboriginal Cultural Heritage Act, 2003 and the Torres Strait Islander Cultural Heritage Act 2003. Further information and databases are available from the Department of Aboriginal and Torres Strait Islander Partnerships at: www.datsip.qld.gov.au

17.2 Any building materials, equipment and the like must be appropriately tied down, placed indoors and secured on site at the time of preparation for cyclone events. The on site supervisor is to ensure that all contractors/employees take the necessary steps to secure the construction site in the event of a cyclone.

17.3 Any alteration necessary to electricity, telephone, water mains, sewerage mains, and/or public utility installations resulting from the development or in connection with the development, must be at full cost to the developer.

17.4 All construction materials, waste, waste skips, machinery and contractors' vehicles must be located and stored or parked within the site. No storage of materials, parking of construction machinery or contractors' vehicles will be permitted in road reserve or adjoining land unless written permission from the owner of that land and Council is provided.

17.5 It is the developer's responsibility for the full rectification of any damage caused to neighbouring public infrastructure (such as footpaths, driveways, fences, gardens, trees and the like) caused by contractors, including clean-up of any litter or waste that is a result of the subject development.

17.6 Development infrastructure required to be provided in implementing this development approval is non-trunk development infrastructure as described under section 145 of the Planning Act 2016.

18.0 ADVISORY NOTES

18.1 Hours of work

It is the developer's responsibility to ensure compliance with the Environmental Protection Act 1994, which prohibits any construction, building and earthworks activities likely to cause nuisance noise (including the entry and departure of heavy vehicles) between the hours of 6.30 pm and 6.30 am from Monday to Saturday and at all times on Sundays or Public Holidays.

18.2 Dust Control

It is the developer's responsibility to ensure compliance with the Environmental Nuisance of the Environmental Protection Act 1994 which prohibits unlawful environmental nuisance caused by dust, ash, fumes, light, odour or smoke beyond the boundaries of the property during all stages of the development including earthworks and construction.

18.3 Sedimentation Control

It is the developer's responsibility to ensure compliance with the Environmental Protection Act 1994 and Schedule 9 of the Environmental Protection Regulation 2008 to prevent soil erosion and contamination of the stormwater drainage system and waterways.

18.4 Noise During Construction and Noise in General

It is the developer's responsibility to ensure compliance with the Environmental Protection Act 1994.

18.5 General Safety of Public During Construction

It is the project manager's responsibility to ensure compliance with the Work Health and Safety Act 2011. It states that the project manager is obliged to ensure construction work is planned and managed in a way that prevents or minimises risks to the health and safety of members of the public at or near the workplace during construction work.

It is the principal contractor's responsibility to ensure compliance with the Work Health and Safety Act 2011. It states that the principal contractor is obliged on a construction workplace to ensure that work activities at the workplace prevent or minimise risks to the health and safety of the public at or near the workplace during the work.

It is the responsibility of the person in control of the workplace to ensure compliance with the Work Health and Safety Act 2011. It states that the person in control of the workplace is obliged to ensure there is appropriate, safe access to and from the workplace for persons other than the person's workers.

18.6 Enquiries relating to the aforementioned conditions should be directed to the Director Liveability and Development Services Directorate who will direct the enquiry to the relevant officer.

11.4 - 20251199 - Development Application for Development Permit for Material Change of Use for Undefined Use (Meteorological Mast) - 550 Gordon Glen Road Bowen - L: 103 SP: 299223 T: & EMT E

MEETING DETAILS: Ordinary Council Meeting - Wednesday 23 September 2026

AUTHOR: Planner

AUTHORISING OFFICER: Director Liveability and Development Services

PURPOSE

To present the assessment of a development application for Undefined Use (Meteorological Mast) at Gordon Glen Road in Bowen and seek Council's determination.

EXECUTIVE SUMMARY

The proposal involves the installation, operation, maintenance and decommissioning of a 160 metre high lattice-style steel meteorological mast (Met Mast) at 550 Gordon Glen Road, Bowen. The mast will be supported by guy wires and will collect meteorological data, including wind speed and direction.

The application is for the Met Mast only. While the data collected may assist investigations associated with the proposed Mount Challenger Wind Farm, approval of this application would not authorise, approve or otherwise provide planning support for the Wind Farm or any other future development. Any future Wind Farm proposal would be subject to a separate State assessment process and determined on its own merits.

The mast will be supported by a central foundation and nine guy wire anchors, resulting in approximately 44m² of direct ground disturbance. Three sets of guy wires will extend from the mast and connect to buried anchor foundations. The development occupies a very small portion of the approximately 4,195 hectare grazing property and will not prevent the continued rural use of the land.

Construction is expected to occur over approximately 14 days and will involve semi-trailers, a float truck carrying a 20–30 tonne excavator, concrete trucks and 4WD vehicles. Components of the mast can be transported in modular sections using the existing road network and property access. No upgrades or works within the Gordon Glen Road reserve are required.

The Met Mast has a nominal operational life of approximately five years. Conditions are recommended to ensure that, once the use ceases, the mast and associated infrastructure are removed and disturbed areas are rehabilitated.

The site is within the Rural Zone. While the mast is a substantial vertical structure, tall, slender infrastructure such as telecommunications and monitoring facilities is not uncommon in rural areas. The mast is a narrow, visually permeable lattice structure and is located below the dominant surrounding ridgelines. Having regard to its form, siting, limited physical footprint and temporary nature, the development is considered compatible with the rural setting.

Public notification was undertaken from 1 to 19 December 2025, during which Council received 37 properly made submissions opposing the development. The level of community opposition is acknowledged. Submissions raised matters including visual amenity, wildlife, aviation safety, cyclone risk, agricultural activities and construction impacts, together with broader concerns regarding the proposed Mount Challenger Wind Farm.

The assessment of this application is focused on the impacts that would result from approval of the Met Mast itself. Potential impacts associated with a future Wind Farm, including those dependent on the construction or operation of wind turbines, would not result from this approval and are therefore not determinative of the current application.

The assessment demonstrates that the proposed Met Mast is consistent with the Strategic Framework and complies with the applicable assessment benchmarks of the Whitsunday Planning Scheme. The direct impacts arising from the development are limited and capable of being appropriately managed through its siting, design and conditions of approval. The application is therefore recommended for approval, subject to reasonable and relevant conditions.

OFFICER'S RECOMMENDATION

That Council approve the Development Application for the Development Permit for a Material Change of Use for Undefined Use (Meteorological Mast) at 550 Gordon Glen Road, Bowen, subject to conditions outlined in **Attachment 11.4.4**.

BACKGROUND

The subject site is located at the southern end of Gordon Glen Road, approximately 26km south of Bowen, 23km northwest of Proserpine and 33km west of Airlie Beach.

The site comprises a single rural lot of approximately 4,195.67 hectares and is located about 6km from the Bruce Highway. Access is provided from Gordon Glen Road via an existing easement. The property is currently used for cattle grazing, with an existing homestead and associated rural buildings located in the northern portion of the site.

The property contains a number of creeks and drainage lines consistent with its rural and undulating character. There are no reticulated sewer or stormwater networks servicing the site, and the proposed Met Mast does not require connection to these services. An existing water main is mapped to the north-east of the property.

DISCUSSION/CURRENT ISSUE

Scope of the application and relationship to the proposed wind farm

The Met Mast will collect wind and other meteorological data that may inform the design of the proposed Mount Challenger Wind Farm. However, the application before Council is limited to the construction, operation and removal of the Met Mast. Any future wind farm will require a separate State assessment and approval. Approval of the Met Mast would not establish support for, or pre-empt the assessment of, the wind farm.

Rural land use and agricultural productivity

Although the Met Mast is not a rural use, it occupies a very small part of the approximately 4,196-hectare property and does not prevent cattle grazing from continuing across the balance of the land. Its limited footprint and ability to be removed mean it will not permanently fragment or sterilise productive rural land. Conditions are recommended to require the mast to be removed and the disturbed area rehabilitated when it is no longer required.

Visual amenity and rural landscape character

The Met Mast will remain substantially below the surrounding ridgelines and will not protrude above the dominant mountain skyline. Although it may be visible from some locations, its

visual prominence will be limited by the 6–7 km viewing distance from the Bruce Highway, its narrow open-lattice form and its temporary nature. Accordingly, it is not expected to become a dominant feature or materially diminish the rural and mountain landscape.

Access, construction traffic and servicing

Construction is expected to take approximately 14 days and will involve several heavy and light vehicle movements. Access will be obtained from Gordon Glen Road using the existing property access and internal track, with any necessary improvements confined principally to the internal access route. Once operational, the mast will be largely unattended and will generate only occasional maintenance traffic. Reticulated water, sewerage and formal parking infrastructure are not required.

FINANCIAL IMPLICATIONS

The application fee has been paid in full.
There are no payable infrastructure charges.

5. Proposed Development Plan [11.4.5 - 7 pages]

APPLICATION ASSESSMENT

Council has received the following development application, which has been assessed against the provisions of the relevant legislation as reported below.

1. Application Summary

Application:	Development Application for Development Permit for Material Change of Use for Undefined Use (Meteorological Mast)
Applicant:	Alinta Energy (TE) Pty Ltd
Property Address:	550 Gordon Glen Road BOWEN
Real Property Description:	L: 103 SP: 299223 T: & EMT E
Area of Site:	4,195.67 ha
Planning Scheme Zone:	Rural
Existing Use:	Rural, cattle grazing and dwelling house
Existing Approvals:	None
Public Notification:	Development application was in public notification between 28 November and 19 December 2025. Council received 37 properly made submission opposing the development during this period
State Referrals:	Nil
Infrastructure charges:	\$0.00

2. Site Description

The subject site is located approximately 26 km south of Bowen, 33 km west of Airlie Beach and 23 km north-west of Proserpine. It comprises a single rural allotment with an area of approximately 4,195.67 ha, located at the southern end of Gordon Glen Road. Access to the site is provided from Gordon Glen Road via an existing access easement, which also provides shared access to adjoining lots.

The land is presently used for cattle grazing, with an existing homestead and associated outbuildings located within the northern portion of the property.

The site is characterised by a varied rural landscape comprising steep to gently undulating hills and broader lower-lying plains. Mount McGuire is located to the south of the proposed development area. Surface water generally drains through the numerous creeks and drainage lines traversing the property.

Key environmental and landscape features within and adjoining the site include:

- Eden Lassie Creek, which traverses the site generally from north-east to south-west;
- Bosel's Nature Refuge, located on the south-western ridgeline of the property; and
- Proserpine State Forest, which adjoins the site to the west and south.

3. Proposal details

The proposal involves the installation, operation, maintenance and eventual decommissioning of a 160 m high lattice-style steel meteorological mast (Met Mast). The mast will be supported by a series of guy wires and associated below-ground foundations.

The Met Mast is proposed to measure and collect meteorological data, including wind speed, wind direction and other parameters, to inform the potential layout of future wind turbines associated with the Mount Challenger Wind Farm project. The wind farm itself does not form part of this development application. The mast may also support equipment used to inform bird and bat utilisation surveys associated with that separate project.

The structure will be supported by one central mast foundation and nine guy wire anchors, resulting in a total anticipated ground disturbance area of approximately 44 m². The mast is supported by three equally spaced sets of guy wire radials comprising inner, intermediate and outer anchors extending from the central mast. Each guy wire set is secured to a buried steel anchor beam, with the application indicating excavation depths of approximately 1.8 m to 2.2 m for the anchors. Each anchor will also require an approximately 5 m cleared buffer area.

4. Planning Matters

The application has been assessed against the relevant provisions of the *Planning Act 2016* and the Whitsunday Regional Council Planning Scheme 2017. The proposal generally complies with the Planning Scheme and is recommended for approval in accordance with the drawings and documents submitted, subject to relevant and reasonable conditions.

4.1 State Planning Policy – July 2017

The State Planning Policy (SPP) includes interim development assessment requirements to ensure that State interests are appropriately considered by local government when assessing development applications where the local government Planning Scheme is appropriately integrated all the State's interests in the SPP. The most recent SPP has been reflected in the Whitsunday Regional Council Planning Scheme, in particular Part 2 of State Planning Provisions.

4.2 Mackay Isaac and Whitsunday Regional Plan – February 2012

The Mackay, Isaac and Whitsunday Regional Plan was established to provide the vision and direction for the region to 2031. The plan provides certainty about where the region is heading in the future and provides the framework to respond to the challenges and opportunities which may arise.

The subject site is located within the Regional Landscape and Rural Production Area under the Regional Plan. The application also identifies areas of Strategic Cropping Land within the broader property; however, the proposed Met Mast development footprint is located outside those areas.

Having regard to the limited development footprint of the Met Mast and its location outside the identified strategic cropping areas, the proposal is not considered to compromise the ongoing rural production function of the land or conflict with the relevant outcomes applying to the Regional Landscape and Rural Production Area.

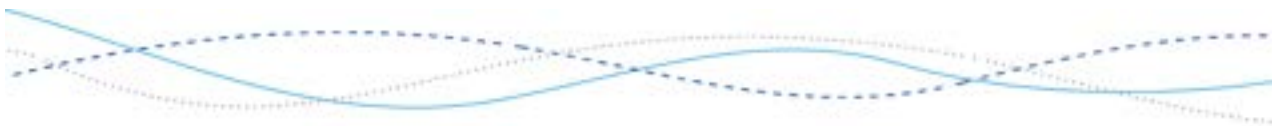

Accordingly, the proposal is considered consistent with the *Mackay, Isaac and Whitsunday Regional Plan 2012*.

The 2012 Regional Plan remains the operative regional plan for the area at present, although the State is currently undertaking a review of the regional planning framework.

4.3 Whitsunday Regional Council Planning Scheme 2017

4.3.1 Strategic Framework

The Strategic Framework sets the policy direction for the Planning Scheme and forms the basis for ensuring appropriate development occurs in the Planning Scheme area.

Liveable Communities and Housing

The Liveable Communities and Housing theme has limited direct application to the proposal, given the rural location of the site and the nature of the development as a meteorological mast rather than a residential, community or urban use. The proposal does not involve additional population, housing or community facilities and is not expected to place additional demand on urban services or affect the function of established communities.

Accordingly, the proposal is not considered to undermine the relevant strategic outcomes of the Liveable Communities and Housing theme. The applicant similarly identifies this theme as having no direct application to the proposed Met Mast.

Economic Growth

The Economic Growth theme seeks, amongst other matters, to maintain the long-term productive capacity of rural and agricultural land.

The subject site comprises approximately 4,195 ha and is currently used for cattle grazing. The proposed Met Mast will result in only approximately 44 m² of direct ground disturbance associated with the mast and anchor foundations, allowing cattle grazing to continue across substantially the remainder of the property.

The proposal does not involve subdivision or permanent fragmentation of agricultural land. The mast and associated infrastructure can also be removed at the end of the approved operational period, with the disturbed area rehabilitated and returned to rural use.

Having regard to the very limited development footprint, continuation of the existing grazing use and temporary and reversible nature of the development, the proposal is not considered to compromise the long-term productive or economic function of the land.

Accordingly, the proposal is not considered to conflict with the relevant outcomes of the Economic Growth theme of the Strategic Framework.

Environment and Heritage

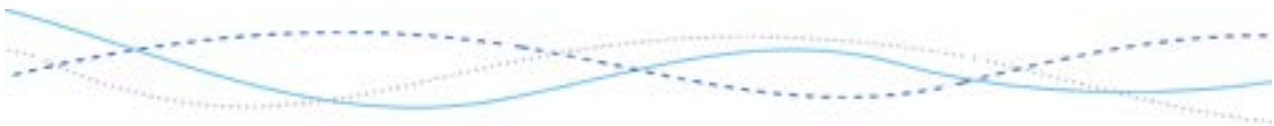

The broader property contains a number of environmental features; however, the Met Mast has been positioned to avoid the principal mapped constraints. The development is located more than 25 m from the Stream Order 3 watercourse, more than 10 m from nearby Stream Order 1 watercourses and approximately 45 m from mapped Category B and Category R regulated vegetation.

The proposal involves limited ground disturbance and no works within mapped waterways. Subject to appropriate erosion and sediment controls and rehabilitation, significant or long-term impacts on adjoining environmental values are not expected.

No identified cultural heritage places or objects are affected by the development footprint. The applicable cultural heritage duty of care will continue to apply during construction.

Accordingly, the proposal appropriately avoids and minimises impacts on environmental and cultural heritage values and is not considered to conflict with the relevant outcomes of the Environment and Heritage theme.

The Strategic Framework seeks to protect significant visual backdrops and the Region's core landscape values. In this locality, consideration has been given particularly to views from the Bruce Highway toward the rural and mountainous backdrop.

The Met Mast is 160 m high, with a ground elevation of approximately 75 m AHD and a resulting maximum elevation of approximately 235 m AHD. By comparison, the western ridgeline reaches approximately 390 m AHD and Mount McGuire approximately 700 m AHD. The mast therefore remains approximately 155 m below the western ridgeline and 465 m below Mount McGuire and does not protrude above the dominant mountain skyline.

The mast is approximately 6–7 km from the Bruce Highway. While it may be perceptible from locations with an unobstructed view, its visual prominence is reduced by this distance and its narrow, open-lattice construction. The mast has a very limited horizontal footprint, with the central mast supported on a foundation measuring only 1.2 m × 1.2 m, and the structure is described in the application as a slimline, visually permeable frame. Unlike a solid structure, the surrounding landscape remains visible through and around the mast.

No formal visual impact assessment or photomontages were provided; however, the submitted cross-sections demonstrate that the mast sits below the substantially higher surrounding landforms. The assessment therefore does not rely on the mast being screened or invisible, but on its limited prominence within the broader landscape.

The proposal comprises a single, non-moving structure with a nominal operational life of approximately five years, after which it can be removed and the affected area rehabilitated.

Having regard to the 6–7 km viewing distance, open-lattice form, position substantially below the surrounding ridgelines and temporary nature of the structure, the mast is not expected to become a dominant or defining feature of the landscape or materially diminish the significant rural and mountain backdrop.

Accordingly, the proposal is not considered to conflict with the relevant scenic amenity and landscape protection outcomes of the Strategic Framework.

Safety and Resilience to Hazards

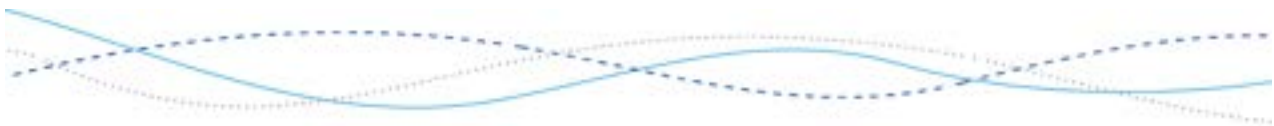

The broader property is affected by mapped bushfire, flood and landslide hazards. The Safety and Resilience to Hazards theme seeks to ensure development avoids or appropriately manages natural hazard risks to people, property and infrastructure.

The proposed Met Mast has been sited to avoid the principal mapped hazard constraints affecting the property. The mast and existing access track are outside the mapped Landslide Hazard Overlay, while the mast is also outside the mapped flood hazard area.

The mast is located within a cleared area and the submitted plans identify separation of more than 50 m from relevant vegetation, reducing its exposure to bushfire hazard. While the site is affected by the Medium Bushfire Hazard Risk and Potential Impact Buffer, the proposal is an unmanned steel structure and does not introduce residential accommodation, a vulnerable use or a permanent workforce into the hazard-affected area.

Having regard to the siting of the development outside mapped flood and landslide hazard areas, its separation from vegetation and the limited exposure of people associated with an unmanned use, the relevant natural hazard risks can be appropriately managed.

Accordingly, the proposal is not considered to conflict with the Safety and Resilience to Hazards theme of the Strategic Framework.

Infrastructure

The Infrastructure theme seeks to ensure that development is appropriately serviced and does not compromise the safe and efficient operation of existing infrastructure or require inefficient extensions to infrastructure networks.

The proposal will utilise the existing access from Gordon Glen Road and established internal farm tracks. No new public road is proposed and construction traffic will be limited primarily to the approximately 14-day construction period, involving vehicles such as semi-trailers, an excavator float, concrete trucks and four-wheel-drive vehicles.

Once operational, the Met Mast will be largely unattended and will generate only infrequent maintenance traffic. It does not require reticulated water, sewerage or other urban services and therefore does not create an ongoing demand for infrastructure extensions into the rural area.

The proposal is also located clear of the mapped Major Electricity Buffer and is capable of operating without materially affecting existing road, telecommunications or electricity infrastructure, subject to relevant conditions and separate statutory requirements.

Accordingly, the development can be accommodated using existing infrastructure and is not considered to conflict with the relevant outcomes of the Infrastructure theme of the Strategic Framework.

4.3.2 Overlay Codes

Agricultural land overlay code

The proposed Met Mast is located within land mapped as Agricultural Land Classification Class A and B under the Agricultural Land Overlay. The relevant outcomes seek to conserve agricultural land for its long-term productive use and avoid development that would permanently alienate land from rural activities.

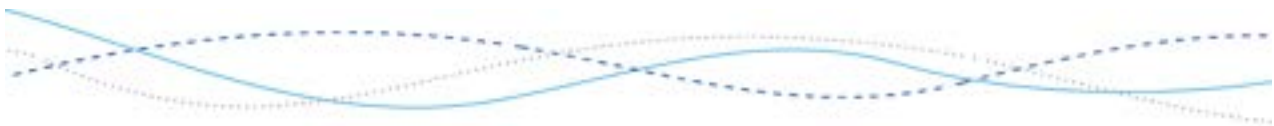

The subject site comprises approximately 4,195.67 ha and is currently used for cattle grazing. The Met Mast will result in only approximately 44 m of direct ground disturbance associated with the mast foundation and guy wire anchors, allowing grazing to continue across substantially the remainder of the property.

The proposal does not involve subdivision or permanent conversion of agricultural land and is not expected to materially constrain ongoing rural production. The Met Mast is also temporary and can be removed at the end of its approved operational period, with conditions requiring removal of associated infrastructure and rehabilitation of disturbed areas.

Having regard to the very limited footprint, continuation of cattle grazing and temporary and reversible nature of the development, the proposal will not result in the permanent alienation or material loss of productive agricultural land and is considered to comply with the relevant outcomes of the Agricultural Land Overlay Code.

Bushfire hazard overlay code

The proposed Met Mast is located within the mapped Medium Bushfire Hazard Risk and Potential Impact Buffer areas of the Bushfire Hazard Overlay. Accordingly, the Bushfire Hazard Overlay Code applies.

The proposal comprises a single unmanned steel structure and does not involve residential accommodation, a vulnerable use, regular occupation of the site or storage of hazardous chemicals that would materially increase bushfire risk. Many provisions of the Code relating to subdivision and occupied development therefore have limited relevance.

The submitted plans demonstrate that the Met Mast infrastructure is located more than 50 m from relevant vegetation. Access to the mast is available via the existing cleared internal track connecting directly to Gordon Glen Road, providing a clear evacuation and emergency access route.

Having regard to the absence of ongoing occupation, separation from hazardous vegetation, non-combustible steel construction and direct access to Gordon Glen Road, the proposal is not expected to materially increase bushfire risk to people or property. The applicable performance outcomes of the Bushfire Hazard Overlay Code are therefore considered to be satisfied.

Biodiversity, waterway and wetlands overlay code

The proposed Met Mast has been located outside the mapped biodiversity, waterway and wetland features affecting the broader site, reducing the potential for direct impacts on identified environmental values.

The development also achieves the minimum separation distances specified in Table 8.2.4.3.3 of the Overlay Code, including:

- more than 25 m from the unnamed Stream Order 3 watercourse to the north;
- more than 10 m from the unnamed Stream Order 1 watercourses to the north and west; and
- more than 25 m from mapped Category B and Category R regulated vegetation to the north.

These setbacks maintain separation from nearby waterways and regulated vegetation and are consistent with the relevant ecological protection outcomes of the Code.

The proposal also involves only a limited area of direct ground disturbance. While a Stormwater Quality Management Plan has not been provided in response to PO4, the development does not involve substantial impervious areas, works within waterways or material alteration of existing drainage patterns. The mast is located on relatively flat land and construction-related erosion and sediment risks can be managed through conditions requiring appropriate controls and rehabilitation of disturbed areas.

Having regard to the siting of the mast outside mapped environmental features, compliance with the required setbacks and the limited scale of ground disturbance, the proposal is not expected to result in a material adverse impact on biodiversity, waterway function, stormwater quality or drainage.

Accordingly, the proposal is considered to comply with the relevant outcomes of the Biodiversity, Waterways and Wetlands Overlay Code.

Flood hazard overlay code

The subject site contains limited areas affected by the Flood Hazard Overlay, generally associated with existing creek and drainage corridors.

The proposed Met Mast footprint and the existing internal access track are located outside the mapped flood hazard area. The application similarly identifies the Flood Hazard Overlay as not applying to the proposed development footprint.

Accordingly, the proposal does not introduce built form, occupied areas or access infrastructure into mapped flood hazard areas and is not expected to increase exposure of people, property or infrastructure to flood risk.

On this basis, the Flood Hazard Overlay Code is not considered to impose additional assessment requirements on the proposed Met Mast.

Infrastructure overlay code

A portion of the north-eastern part of the site is mapped within the Major Electricity Buffer associated with an existing Ergon Energy transmission line and easement.

The proposed Met Mast, guy wire anchors and existing internal access track are located outside the mapped buffer and will not encroach upon the transmission corridor or interfere with access to, or operation and maintenance of, the existing electricity infrastructure.

The application was also referred to Ergon Energy, which advised it had no objection to the proposal subject to conditions.

Having regard to the separation from the mapped electricity infrastructure and Ergon Energy's referral response, the proposal is not expected to adversely affect the safe and efficient operation of the existing transmission network.

Accordingly, the proposal is considered to comply with the relevant outcomes of the Infrastructure Overlay Code.

Landslide hazard overlay code

While parts of the broader site are affected by the Landslide Hazard Overlay, the proposed Met Mast footprint and existing internal access track are located outside the mapped landslide hazard area. The application also identifies the development as being clear of land mapped with slopes of 15% or greater.

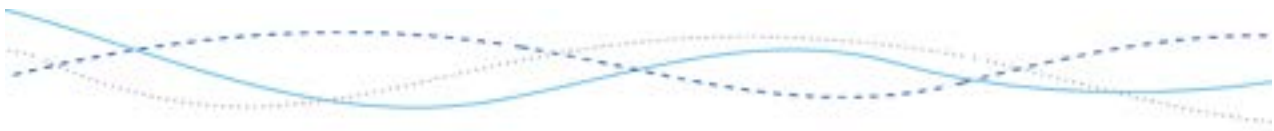

The proposal therefore does not introduce development or access infrastructure into areas identified as having elevated landslide susceptibility.

Accordingly, the Landslide Hazard Overlay Code is not considered to impose additional assessment requirements on the proposed Met Mast.

4.3.3 Zone Code

Rural zone code

The Rural Zone Code, particularly Purpose (b) and Overall Outcomes (d) and (h), provides for non-rural uses where they are compatible with the rural landscape character of the area and do not compromise the long-term productive use or rural viability of the land.

The proposed Met Mast is a non-rural use; however, its siting, form and operational characteristics are not considered to undermine the prevailing rural function of the locality. The mast is located within a large rural holding used for cattle grazing and will result in only approximately 44 m of direct ground disturbance associated with the mast and anchor foundations. Grazing can continue across substantially the remainder of the property.

In terms of landscape character, the Met Mast is a 160 m high, narrow open-lattice structure located approximately 6–7 km from the Bruce Highway. The mast is situated at approximately 75 m AHD and extends to approximately 235 m AHD, while surrounding landforms rise to approximately 390 m AHD to the west and approximately 700 m AHD at Mount McGuire. The mast therefore remains substantially below the dominant surrounding ridgelines.

Its visual prominence is further moderated by the narrow, visually permeable lattice form. The central mast is supported on a foundation measuring only 1.2 m x 1.2 m, and the structure does not present the visual mass of a solid building or broader infrastructure installation. Where visible, the rural foreground and elevated natural backdrop will remain the predominant landscape features.

The development also does not permanently alienate or fragment rural land. The mast has a nominal operational life of approximately five years and can be decommissioned and removed, with conditions requiring removal of associated infrastructure and rehabilitation of disturbed areas.

Having regard to the limited ground disturbance, continuation of cattle grazing, separation from major public viewpoints, position below the dominant ridgelines, narrow open-lattice form and temporary nature of the development, the proposal is considered compatible with the rural landscape character of the locality and will not compromise the long-term rural viability of the land.

Accordingly, the proposal is considered to comply with the relevant purpose and overall outcomes of the Rural Zone Code.

4.3.4 Development Code

Infrastructure and transport and parking Codes

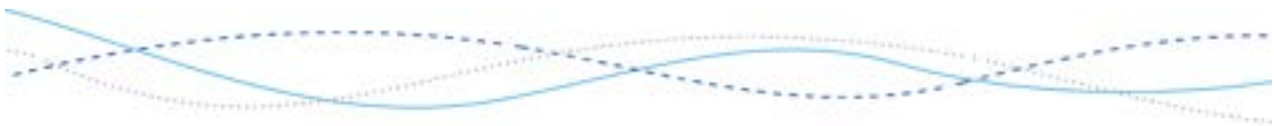

The proposed Met Mast will operate predominantly unattended and does not require reticulated water supply, sewerage or on-site effluent treatment.

Specific stormwater infrastructure is also not considered necessary. The development is located outside mapped flood hazard areas, maintains the required setbacks to nearby waterways and involves only limited ground disturbance, with no substantial impervious areas or works within waterways.

Access will be provided from the existing access to Gordon Glen Road and via the established internal cleared track to the mast location. Gordon Glen Road is an unsealed rural local access road with an approximately 6.3 m gravel pavement within an 8 m carriageway.

Construction traffic will be concentrated over the approximately 14-day construction period, after which the mast will be largely unattended and generate only infrequent maintenance movements. Sufficient area is available on-site for construction and maintenance vehicles to park and manoeuvre clear of the public road.

No new public road, intersection or other transport infrastructure is proposed or considered necessary.

Having regard to the limited servicing requirements, low ongoing traffic generation and use of existing access and parking areas, the proposal is considered to comply with the relevant Infrastructure, Transport and Parking Code outcomes.

Other relevant matters

The proposed Met Mast has a clear relationship with the proposed Mount Challenger Wind Farm. The application confirms that its purpose is to collect meteorological data, including wind speed and direction, to inform the potential layout of future wind turbines. This relationship, together with the strong level of community opposition to the broader project, has therefore been considered as an other relevant matter under section 45(5)(b) of the *Planning Act 2016*.

The critical consideration, however, is what impacts would result from approval of the development application presently before Council.

Approval of this application would authorise the construction, operation and subsequent removal of a 160 metre Met Mast and associated guy wires and ancillary works. The impacts resulting from that approval include the visual presence of the mast, limited vegetation and ground disturbance, potential interaction of guy wires with birds and aircraft, temporary construction traffic and dust, interaction with agricultural activities, and structural and natural-hazard risks. These are direct consequences of the development and have been assessed in detail elsewhere in this report.

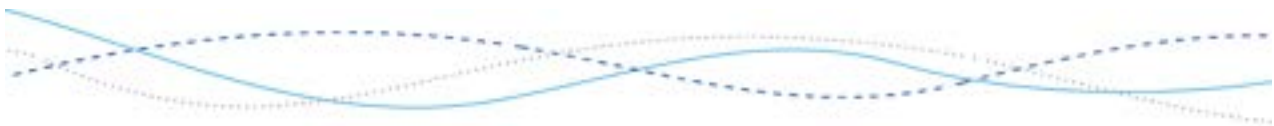

Approval would also allow the applicant to collect meteorological data that may assist investigations for the proposed Mount Challenger Wind Farm. This consequence is acknowledged. However, approval of the Met Mast would not authorise the construction or operation of a wind farm and would not determine the location, number, height or setbacks of any future wind turbines or associated infrastructure.

Accordingly, potential impacts arising only if the future Wind Farm were subsequently approved and constructed, including turbine noise and infrasound, shadow flicker, turbine setbacks, broader wind farm visual impacts, transmission infrastructure, workforce accommodation and other operational impacts, would not result from approval of this development application. Those impacts require a separate proposal and separate statutory assessment before they could occur.

The strong level of community opposition is also acknowledged. Properly made submissions form part of the material Council must consider in undertaking impact assessment, subject to the relevance of the matters raised to the development. The weight given to individual concerns therefore depends upon whether the concern identifies an impact that would arise from the Met Mast itself, rather than an impact dependent upon a future Wind Farm being separately approved.

On this basis, the association between the Met Mast and the proposed Mount Challenger Wind Farm is relevant contextual information and the Met Mast would assist investigations for that project. However, the potential impacts of the future Wind Farm are not impacts resulting from approval of the Met Mast and are therefore afforded limited weight in determining this application. The assessment appropriately focuses on the impacts that would be authorised or caused by the development presently before Council.

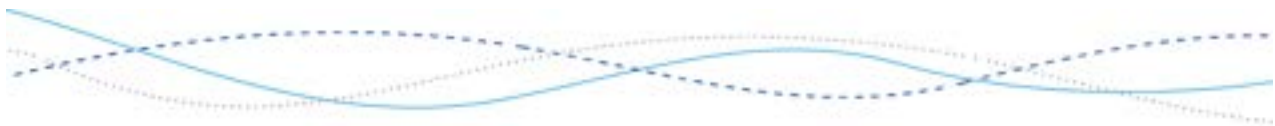

4.4 Public notification

Development application was in public notification between 28 November and 19 December 2025. Council received 37 properly made submission opposing the development during this period.

A number of submissions were received from residents of Gordon Glen Road in the immediate locality. These submissions raised concerns regarding visual amenity, wildlife, aviation safety, cyclone risk and agricultural operations, together with broader concerns regarding the relationship of the Met Mast to the proposed Mount Challenger Wind Farm. No submission identified a specific impact on an individual adjoining or nearby property that is not otherwise addressed through the assessment of these broader issues below:

Issue	Comment
Association with Mount Challenger Wind Farm proposal	The submissions raise significant concern that the Met Mast is a preliminary step toward the proposed Mount Challenger Wind Farm. This relationship is acknowledged. The purpose of the mast is to collect meteorological data to inform the viability and potential layout of the future wind farm; however, the wind farm itself does not form part of this application. Should the Proponent come forward with a future wind farm proposal it would be subject to a separate State assessment process, including assessment against the relevant State planning requirements. Approval of the Met Mast therefore does not authorise, approve or prejudge the assessment of the future wind farm. A Community Benefit Agreement (CBA) must also be entered into with Council in relation to the future wind farm project. The applicant's response confirms that the Social Impact Assessment will inform that separate agreement process. The CBA is separate from this development application, and any approval of the Met Mast should not be taken as Council supporting, opposing or otherwise predetermining the terms or outcome of a future CBA. The mast location has been selected having regard to potential turbine locations, topography, environmental constraints and accessibility. The applicant has also advised that LiDAR units are being used as part of the broader wind-monitoring campaign and that one mast is sufficient for the current project configuration. Accordingly, while the association with the proposed wind farm is a relevant contextual matter, the current application must be determined on the planning merits and impacts of the Met Mast itself.
Environmental concerns: - Bird strikes - Impacts on vegetation/habitat and fauna	Bird collision with the mast and, particularly, the guy wires is a potential impact of the development. In response to this risk, the applicant proposes high-visibility markings to the guy wires to improve their visibility and reduce the potential for bird strike. The mast has also been located within an existing cleared area, approximately 45 m from mapped remnant vegetation, with only approximately 44 m² of direct ground disturbance associated with the mast and anchor foundations. Vegetation removal is limited to trimming or removal where necessary to maintain clearance from the guy wires. Having regard to the limited disturbance footprint, separation from mapped vegetation and proposed marking of the guy wires, the

	potential impacts on vegetation, habitat and fauna are considered capable of being appropriately managed.
Natural disaster impacts	The Met Mast has been designed having regard to the region's cyclonic wind conditions and bushfire risk. The mast, foundations and rigging are to be engineered in accordance with the relevant structural standards, including AS 1170.2:2021, AS 3995:1994, AS 4100:2020 and AS 3600:2018, with detailed engineering addressed through the building approval process. The mast is also located within a cleared area with appropriate separation from surrounding vegetation, reducing its exposure to bushfire hazard. As the structure is predominantly steel and does not introduce combustible materials or an occupied use, it is not expected to materially increase bushfire risk to the surrounding area. Accordingly, cyclone, structural and bushfire risks are considered capable of being appropriately managed through the mast design, siting and applicable building approval requirements.
- Impact on existing and future agricultural operations - Aviation safety concerns	The Met Mast will occupy only a very small part of the approximately 4,195 ha rural property, with approximately 44 m² of direct ground disturbance associated with the mast and anchor foundations. Cattle grazing can continue across substantially the remainder of the property. The mast and guy wires will introduce a physical obstacle for low-level aircraft, including agricultural aircraft. In response, the applicant proposes obstacle marking consistent with National Airports Safeguarding Framework Guideline D, including contrasting markings to the upper part of the mast, high-visibility markers on the outside guy wires and contrasting markings at guy-wire ground attachment points. The applicant has also advised that the mast location and coordinates will be reported to Airservices and provided to Whitsundays Airport so the structure can be identified in relevant aeronautical information. The Met Mast is a passive structure and does not emit electromagnetic signals. On this basis, it is not expected to interfere with GPS, aircraft navigation or communication systems used for agricultural operations. Having regard to the limited land disturbance and proposed aviation marking and notification measures, the direct impacts of the Met Mast on agricultural operations and aviation safety are considered capable of being appropriately managed.
Amenity/ visual impacts	The Met Mast will be 160 m high, extending from approximately 75 m AHD to 235 m AHD. Surrounding landforms rise to approximately 390 m AHD to the west and 700 m AHD at Mount McGuire, meaning the mast will remain approximately 155 m to 465 m below the surrounding elevated landforms and will not protrude above the dominant ridgelines. The mast is approximately 3.5 km from the nearest public vantage point at Gordon Glen Road and approximately 6–7 km from the Bruce Highway.

	While it may be visible from some locations, its visual prominence is reduced by these viewing distances and its narrow, open-lattice and visually permeable construction. The mast will therefore sit within, rather than above, the broader rural and mountain backdrop and is not expected to become a dominant or defining feature of the landscape.
Health impacts	The health concerns raised in submissions are acknowledged; however, they relate predominantly to the potential impacts of the proposed Mount Challenger Wind Farm, rather than the Met Mast itself. The current application is limited to an unmanned meteorological monitoring structure and does not include wind turbines or other wind farm infrastructure. Any future Wind Farm proposal will be subject to a separate State assessment process, including preparation of a Social Impact Assessment and a separate Community Benefit Agreement with Council. Health and community wellbeing impacts associated with the Wind Farm will be considered through that process. Approval of the Met Mast does not approve or predetermine those matters.
Windfarm setbacks	The setback concerns raised in submissions relate to potential wind turbines, which do not form part of this application. The current application is solely for a Met Mast. The mast has been assessed against the relevant setback and separation requirements applying to the proposed use, including property boundaries, waterways, vegetation and other mapped constraints. The proposal does not establish or endorse any future turbine setback and does not restrict adjoining landowners from developing their land. Any setback requirements applying to a future Wind Farm would be considered separately as part of the State assessment of that proposal.
Impacts on water quality	The Met Mast involves only limited earthworks and does not require works within mapped waterways. Appropriate erosion and sediment controls will be implemented during construction to manage the risk of sediment-laden runoff. Disturbed areas will be stabilised and rehabilitated following construction. Having regard to the limited disturbance footprint, separation from nearby waterways and proposed construction controls, the development is not expected to result in a material adverse impact on water quality.
Impacts on land value and financial security	Changes in property values, whether positive or negative, are not a town planning matter for the assessment of this application. The relevant consideration is whether the proposed Met Mast results in

	unacceptable planning impacts, including impacts on amenity, character and the use of surrounding land. These matters have been assessed separately and are considered acceptable. To the extent that submissions raise concerns about property values associated with the future Wind Farm, those concerns relate to a separate proposal and do not form part of the assessment of this application.
Traffic and construction impacts	Construction of the Met Mast is expected to take approximately 14 days and will involve semi-trailers, a float truck carrying a 20–30 tonne excavator, concrete trucks and 4WD vehicles. Access will be via the existing property access and internal farm track, with minor upgrades undertaken where required to accommodate construction vehicles. Given the short construction period, use of standard road vehicles and existing rural access arrangements, significant traffic impacts are not anticipated. Dust generated during construction can be managed through water spraying where necessary.
Increased urbanisation pressures	The proposed Met Mast is a site-specific monitoring structure associated with the collection of meteorological data and does not introduce an urban land use, subdivision or urban infrastructure into the rural area. Its approval does not create an entitlement for further development or alter the assessment requirements applying to any future Wind Farm proposal. The current application is limited to the Met Mast, and any future Wind Farm would require separate assessment on its own merits.

5. Internal referrals

The application has been assessed by Development Engineering and Environmental officers.

6. External referrals

The application has been referred to Ergon Energy. The advice agency recommended to approve the development subject to conditions.

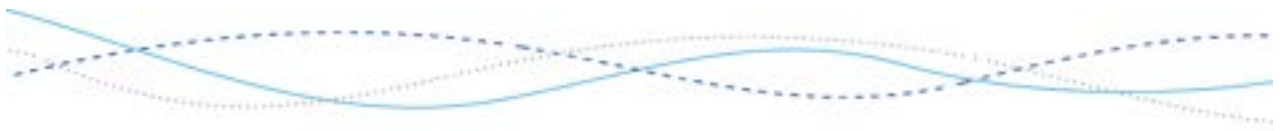

7. Infrastructure charges notice

The following is a breakdown on the Infrastructure Charges for the development

Type of Development	Adopted Charge			
	Development Category	Demand Unit & Qty	Charge Rate	Adopted Charge
<i>Material Change of Use for Undefined Use (Met Mast)</i>	Low impact rural	\$/m ² of GFA 0	\$0.00	\$0.00
<i>Total Adopted Charge</i>				<i>\$0.00</i>

Total Charge		\$0.00

CONDITIONS

DEVELOPMENT APPLICATION FOR DEVELOPMENT APPLICATION FOR DEVELOPMENT PERMIT FOR MATERIAL CHANGE OF USE FOR UNDEFINED USED (METEOROLOGICAL MAST), 550 GORDON GLEN ROAD BOWEN, L: 103 SP: 299223 T: & EMT E

1.0 ADMINISTRATION

- 1.1 The approved development must be completed and maintained generally in accordance with the approved drawings and documents:

Plan/Document Name	Prepared By	Plan Number	Dated
Concept Plan	Gilvear Planning	J001329	23/09/2025
Site Plan	Gilvear Planning	J001329	23/09/2025
Plan view	ART Group	AEDGA-GLA53-0159-013 SHT. 3/4	08/12/2023
Mast elevation	ART Group	AEDGA-GLA53-0159-013 SHT. 1/4 and 2/4	08/12/2023
Mast foundation	ART Group	AEDGA-GLA53-0159-013 SHT. 4/4	08/12/2023

- 1.2 The following further development permits are required prior to commencement of work on site or commencement of the use:
- Building Works.
- 1.3 Where a discrepancy or conflict exists between the written conditions of this approval and the approved plans, the requirements of the written condition(s) will prevail.
- 1.4 All conditions of this approval must be complied with in full to Council's satisfaction prior to the commencement of the use.
- 1.5 The applicant shall demonstrate and provide evidence that compliance with all conditions of this development approval and any other subsequent development approvals as a result of this development approval have been complied with at the time of commencement of the use.
- 1.6 The maximum height of the meteorological mast must not exceed 160m above the natural ground level.
- 1.7 Guy wires are to be marked in accordance with National Airports Safeguarding Framework Guideline D.

2.0 DECOMMISSIONING

- 2.1 The mast must be decommissioned on or before five (5) years from the date of commencement, unless otherwise approved by Council.
- 2.2 All structures and infrastructure associated with the approved met mast, must be removed from the site and the site rehabilitated, unless otherwise approved by Council.
- 2.3 The approved structures and infrastructure, including footings and security fencing, must be removed from the site and the site stabilised and revegetated to the pre-development landform, unless otherwise approved by Council.
- 2.4 All removal and rehabilitation works must be completed within three (3) months and Council provided with written notice.

3.0 CLEARING, LANDSCAPING AND FENCING

- 3.1 Any vegetation removed must be disposed of to the requirements of the Council. Transplanting, chipping or removal from site are the preferred solutions.
- 3.2 All vegetative waste cleared as part of the development of the site is to be either:
 - a) stored neatly on site and shredded within sixty (60) days of clearing; or
 - b) removed off the site to an approved disposal location.

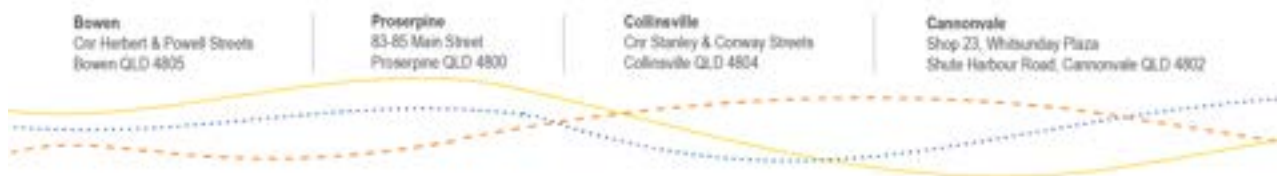

4.0 EROSION PREVENTION AND SEDIMENT CONTROL

- 4.1 The Erosion Prevention and Sediment Control strategy must be implemented and maintained for the duration of the operational and building works, and until exposed soil areas are permanently stabilised (e.g. turfed, concreted).
- 4.2 Discharges of water pollutants, wastewater or stormwater from the site must not cause measurable levels of water pollutants in the receiving waters to fall outside the acceptable ranges specified in the 'Australian Water Quality Guidelines for Fresh and Marine Waters', ANZECC 2000.
- 4.3 No visible emissions of dust must occur beyond the boundaries of the site during earthworks and construction activities on the site. If, at any time during the earthworks and construction activities the dust emissions exceed the levels specified above, all dust generating activities must cease until the corrective actions have been implemented to reduce dust emissions to acceptable levels or wind conditions are such that acceptable levels are achieved.
- 4.4 The applicant must ensure that when undertaking any on-site or external works, including any filling and extraction, appropriate dust control measures are implemented in accordance with the *Environmental Protection Act 1994* and complies with the relevant air quality objectives defined in the Environmental Protection (Air) Policy 2008.

5.0 MISCELLANEOUS

- 5.1 If any item of cultural heritage is identified during site works, all work must cease and the relevant State Agency must be notified. Work can resume only after State Agency clearance is obtained.

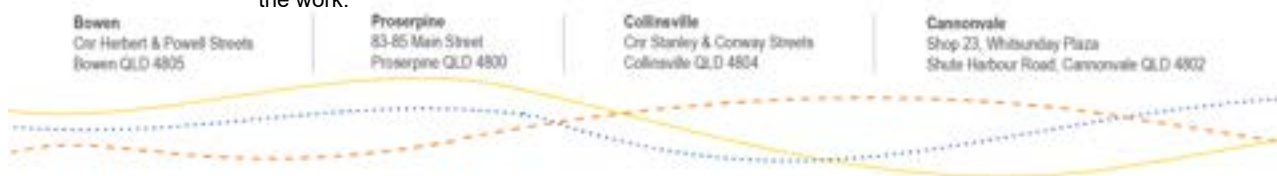

The Applicant is reminded of their obligations under the *Aboriginal Cultural Heritage Act, 2003* and the *Torres Strait Islander Cultural Heritage Act 2003*. Further information and databases are available from the Department of Aboriginal and Torres Strait Islander Partnerships at: www.datsip.qld.gov.au

- 5.2 Any alteration necessary to electricity, telephone, water mains, sewerage mains, and/or public utility installations resulting from the development or in connection with the development, must be at full cost to the developer.
- 5.3 Any building materials, equipment and the like must be appropriately tied down, placed indoors and secured on site at the time of preparation for cyclone events. The on site supervisor is to ensure that all contractors/employees take the necessary steps to secure the construction site in the event of a cyclone.
- 5.4 All construction materials, waste, waste skips, machinery and contractors' vehicles must be located and stored or parked within the site. No storage of materials, parking of construction machinery or contractors' vehicles will be permitted in Gordon Glen Road or adjoining land unless written permission from the owner of that land and Council is provided.
- 5.5 It is the developer's responsibility for the full rectification of any damage caused to neighbouring public infrastructure (such as footpaths, driveways, fences, gardens, trees and the like) caused by contractors, including clean up of any litter or waste that is a result of the subject development.

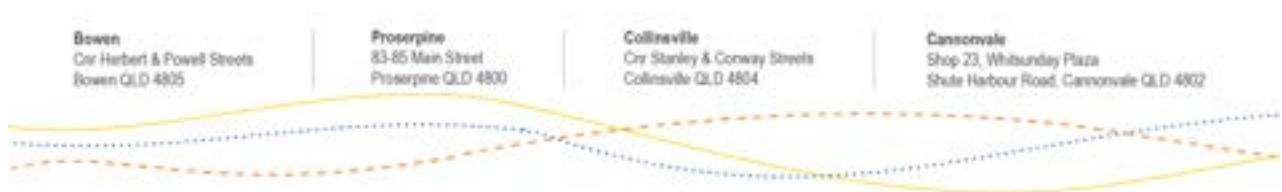

6.0 ADVISORY NOTES

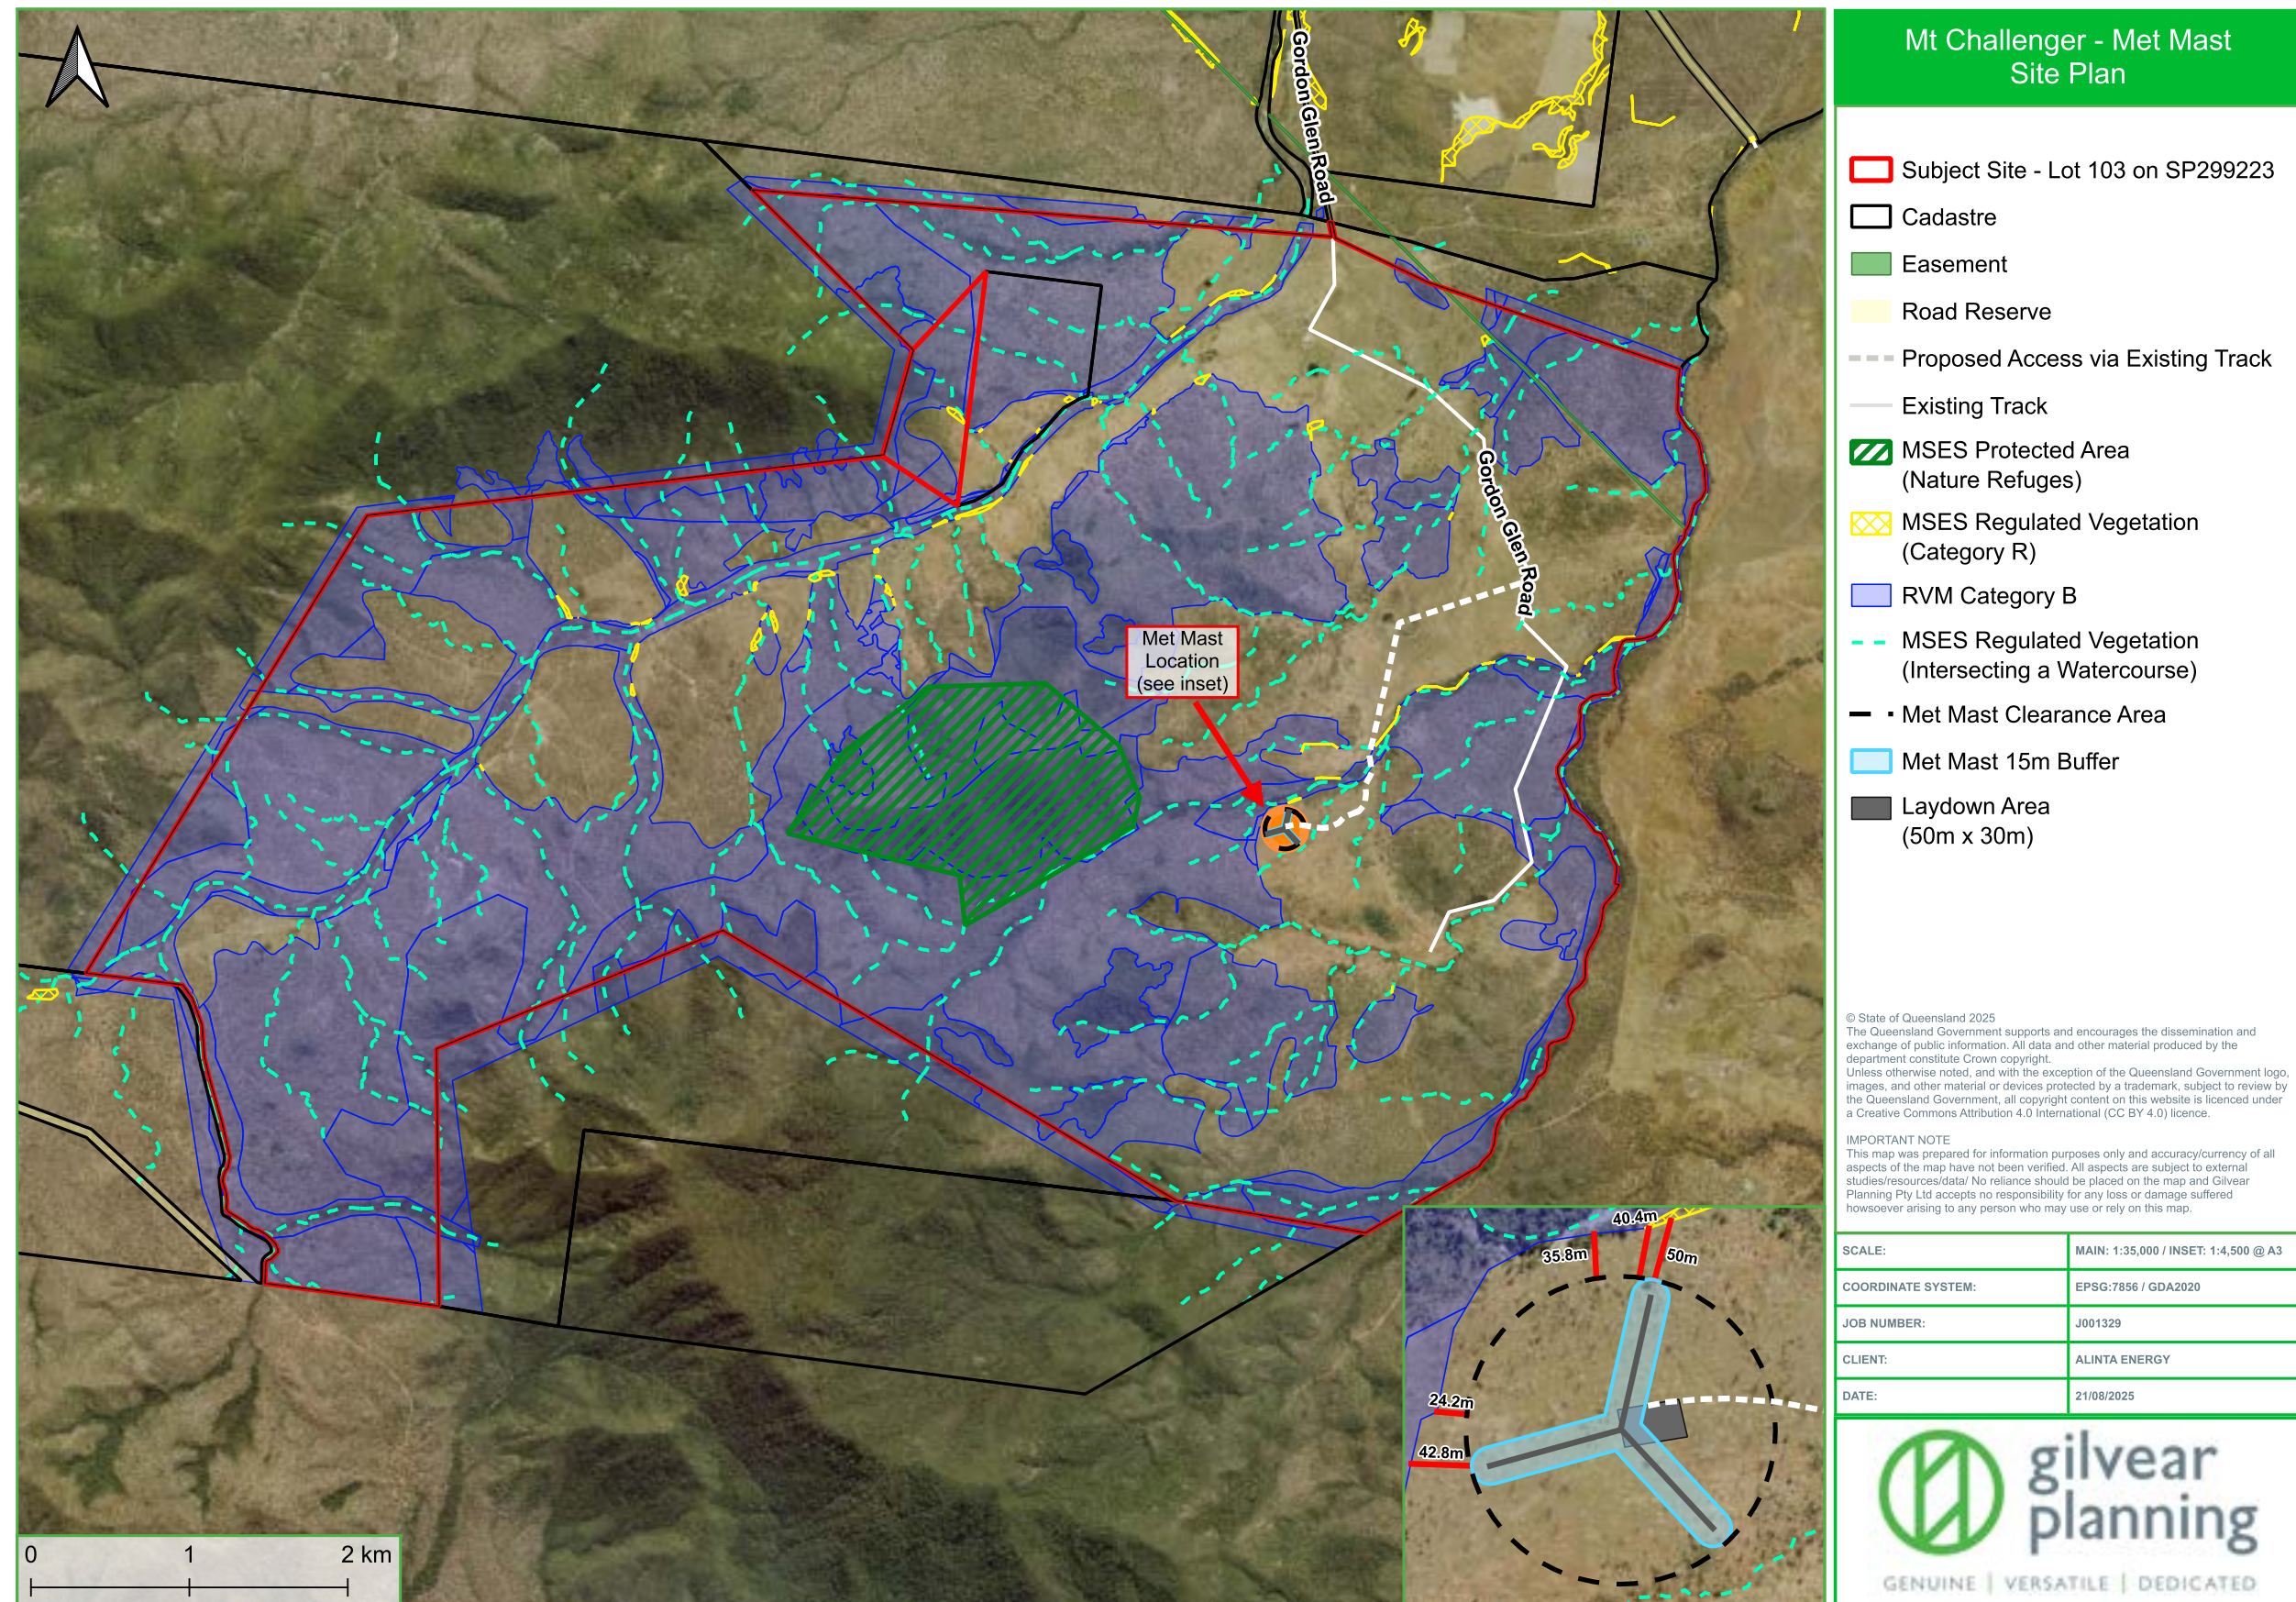

- 6.1 Hours of work
It is the developer's responsibility to ensure compliance with the *Environmental Protection Act 1994*, which prohibits any construction, building and earthworks activities likely to cause nuisance noise (including the entry and departure of heavy vehicles) between the hours of 6.30 pm and 6.30 am from Monday to Saturday and at all times on Sundays or Public Holidays.
- 6.2 Dust Control
It is the developer's responsibility to ensure compliance with the Environmental Nuisance of the *Environmental Protection Act 1994* which prohibits unlawful environmental nuisance caused by dust, ash, fumes, light, odour or smoke beyond the boundaries of the property during all stages of the development including earthworks and construction.
- 6.3 Sedimentation Control
It is the developer's responsibility to ensure compliance with the *Environmental Protection Act 1994* and Schedule 9 of the Environmental Protection Regulation 2008 to prevent soil erosion and contamination of the stormwater drainage system and waterways.
- 6.4 Noise During Construction and Noise in General
It is the developer's responsibility to ensure compliance with the *Environmental Protection Act 1994*.
- 6.5 General Safety of Public During Construction
It is the project manager's responsibility to ensure compliance with the *Work Health and Safety Act 2011*. It states that the project manager is obliged to ensure construction work is planned and managed in a way that prevents or minimises risks to the health and safety of members of the public at or near the workplace during construction work.
It is the principal contractor's responsibility to ensure compliance with the *Work Health and Safety Act 2011*. It states that the principal contractor is obliged on a construction workplace to ensure that work activities at the workplace prevent or minimise risks to the health and safety of the public at or near the workplace during the work.

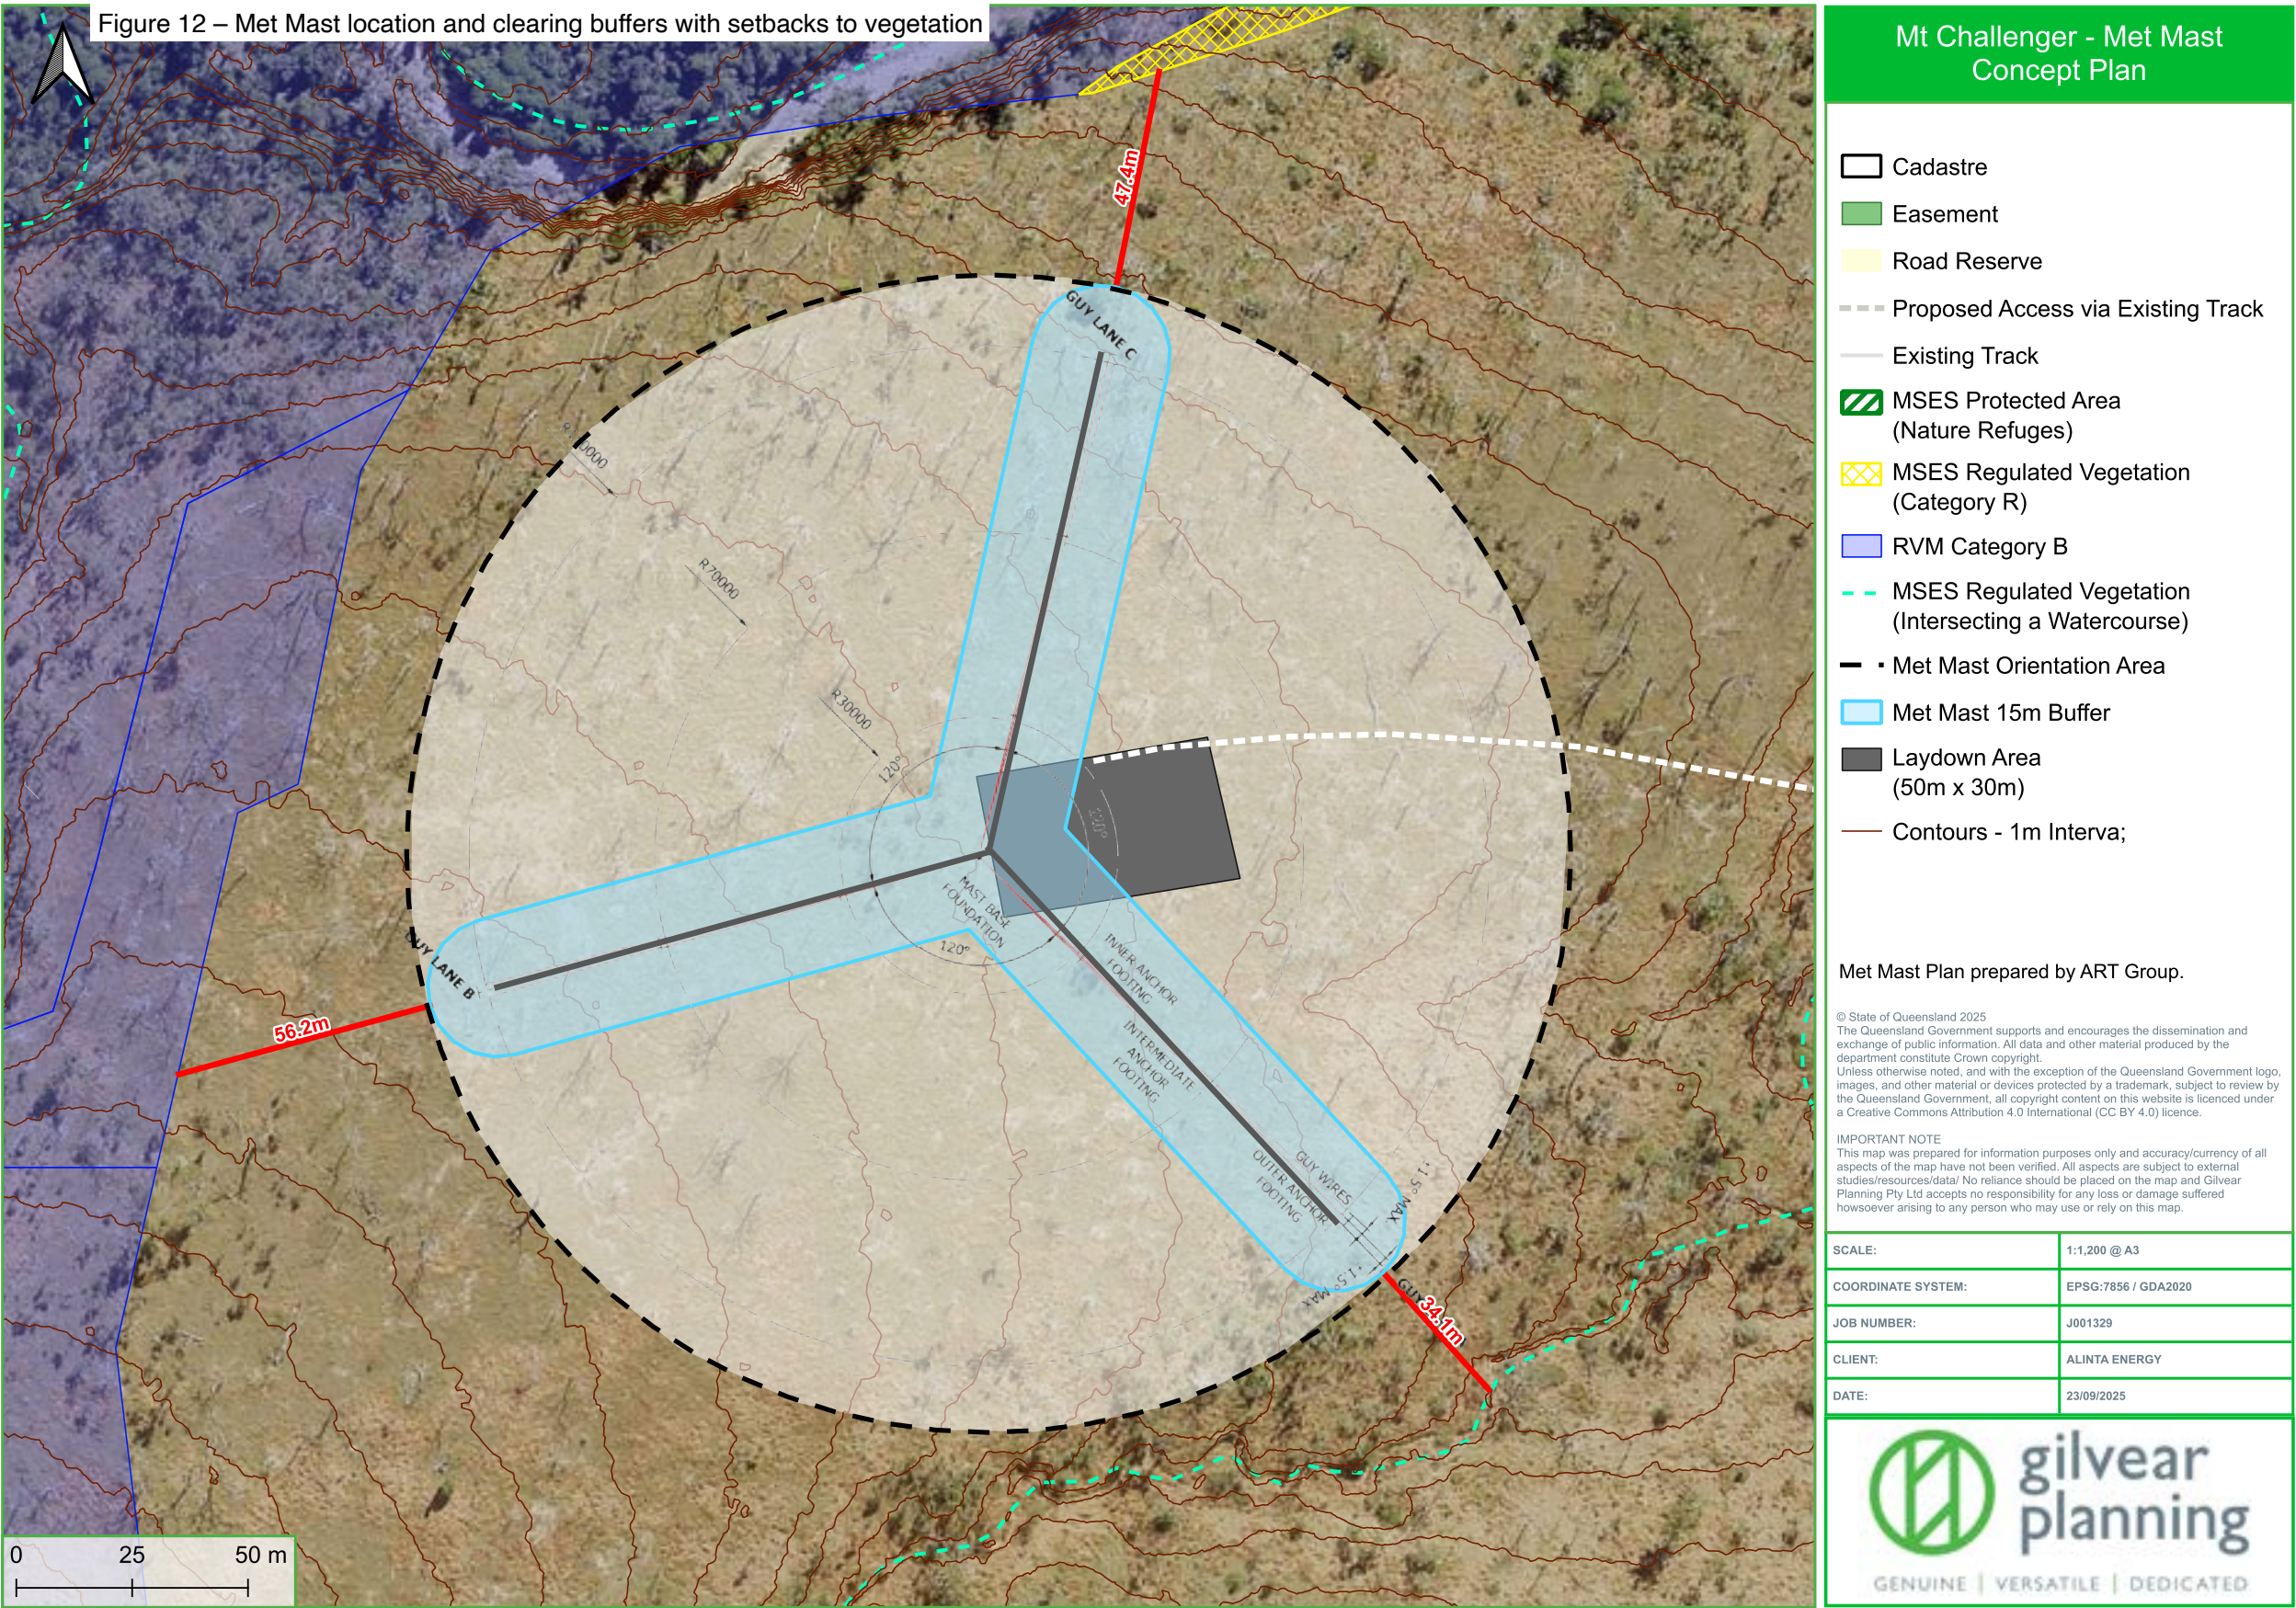

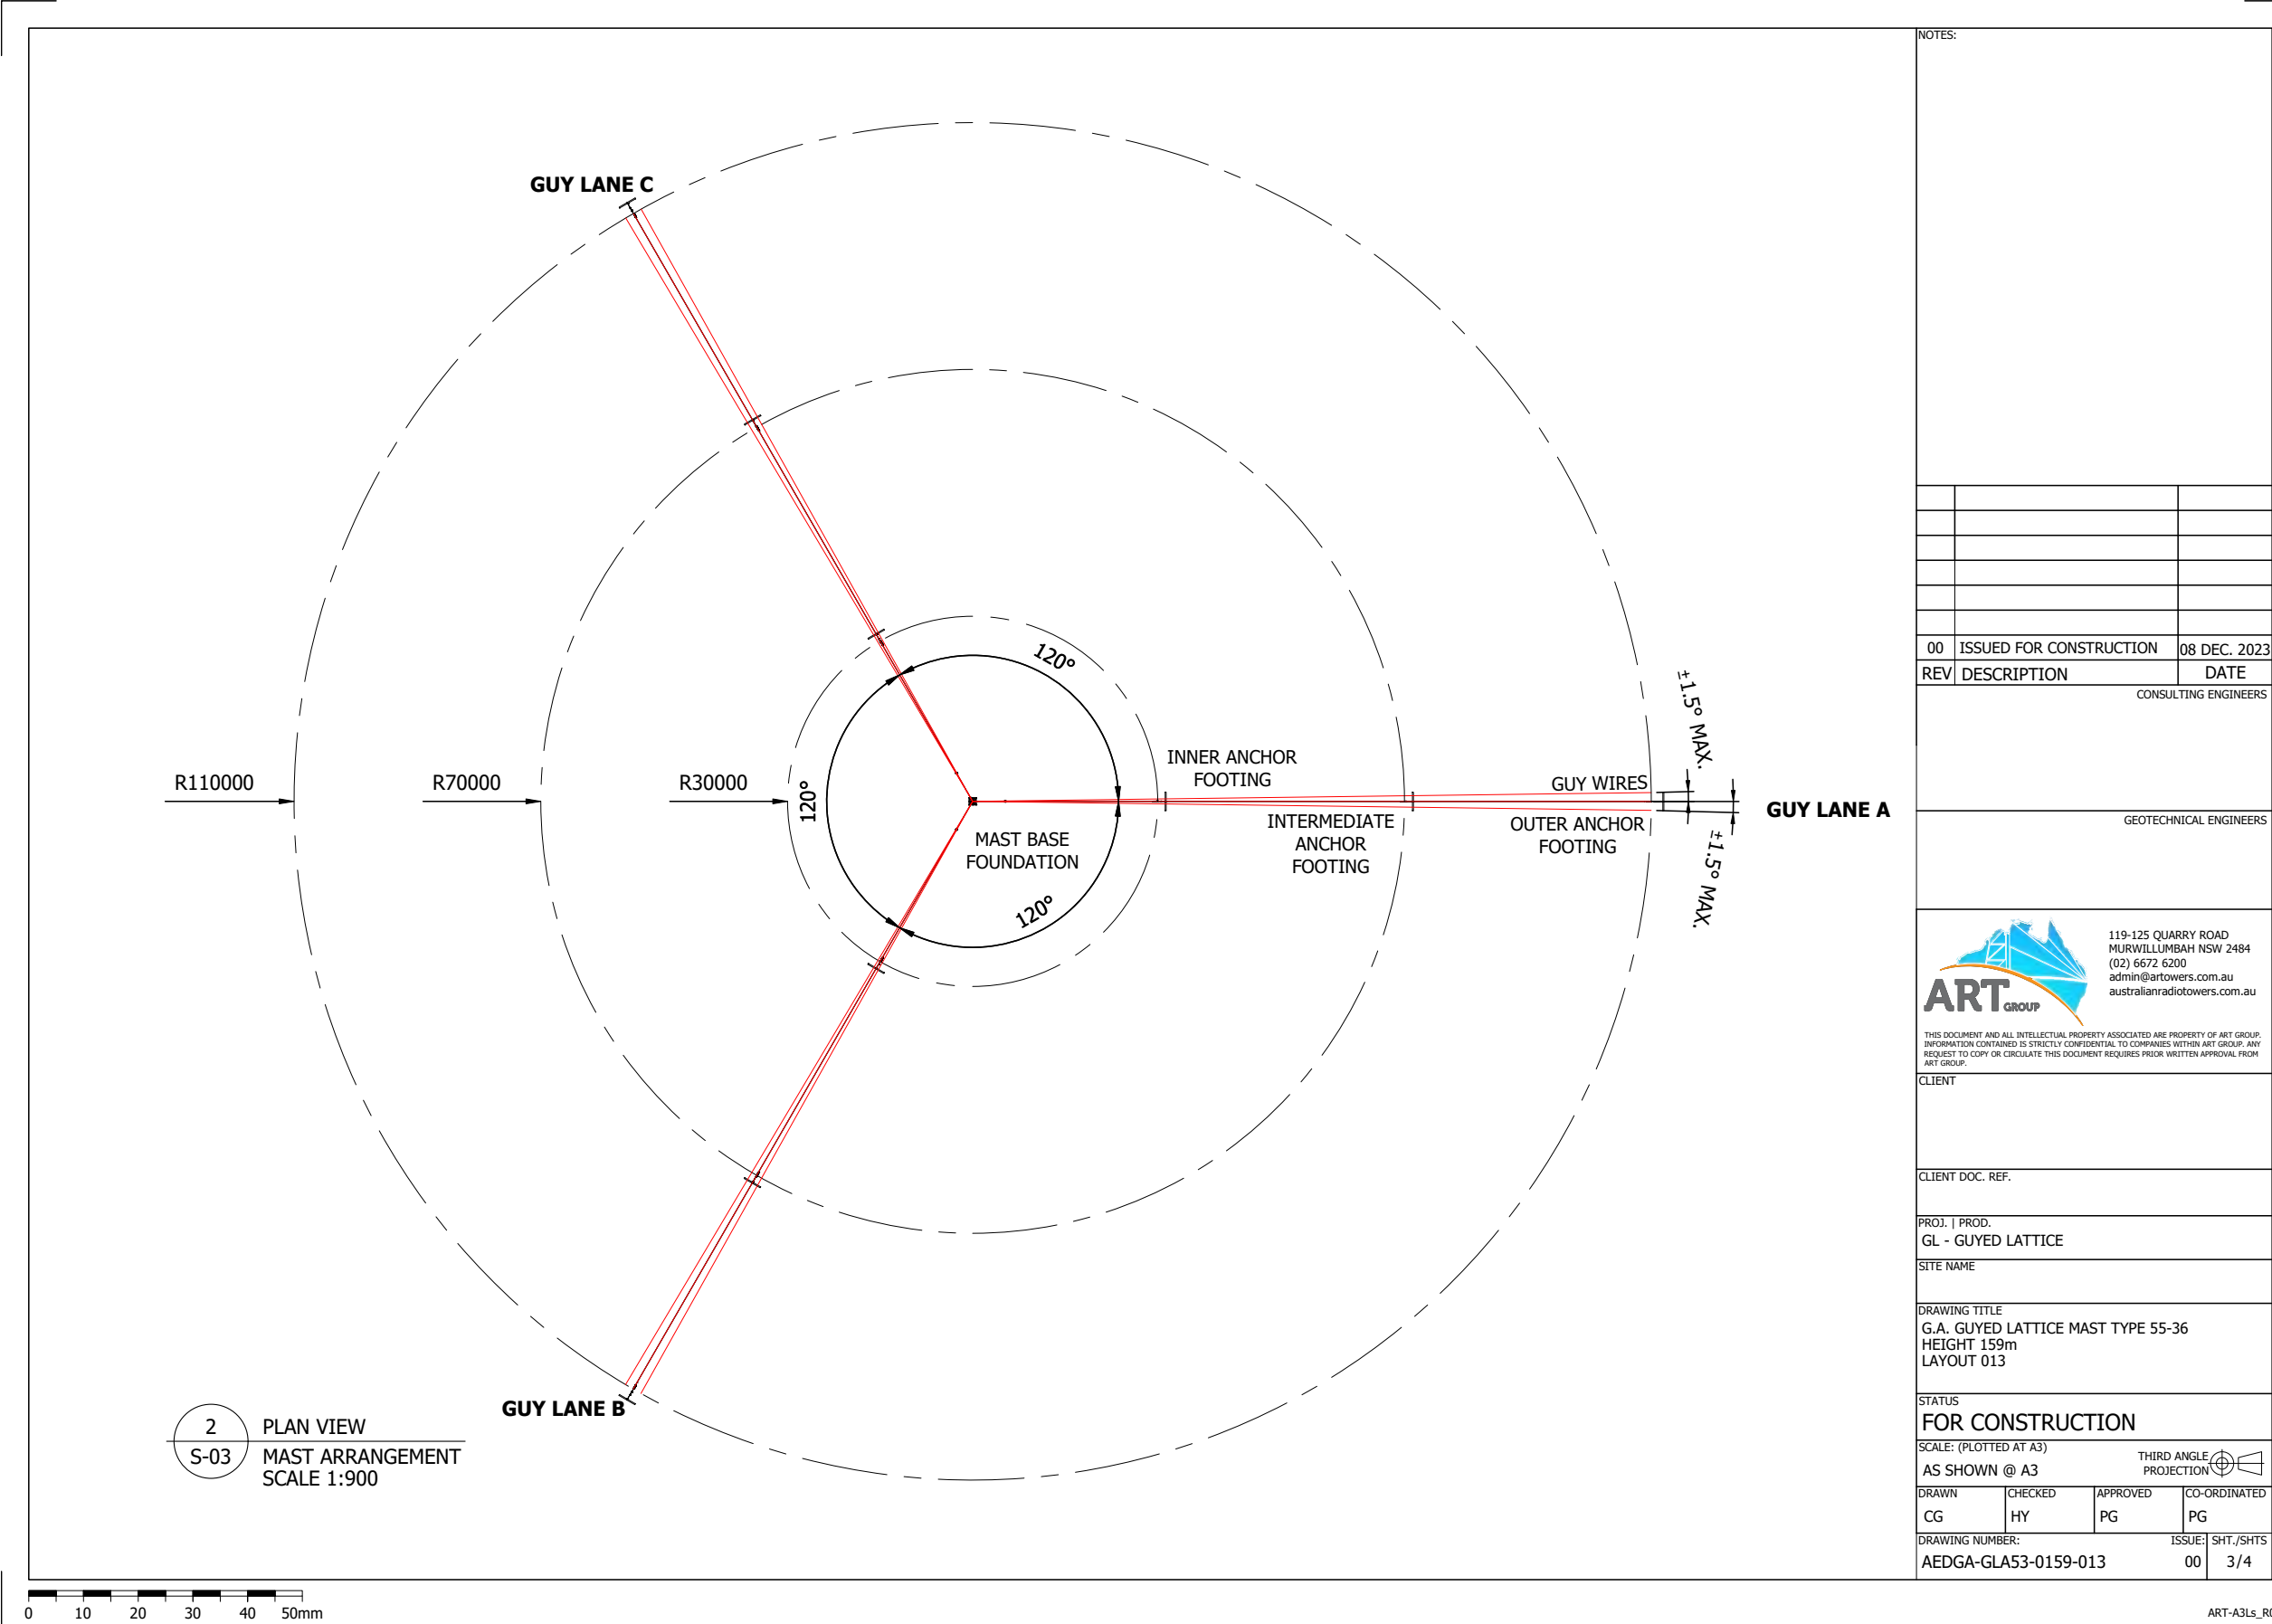

It is the responsibility of the person in control of the workplace to ensure compliance with the *Work Health and Safety Act 2011*. It states that the person in control of the workplace is obliged to ensure there is appropriate, safe access to and from the workplace for persons other than the person's workers.

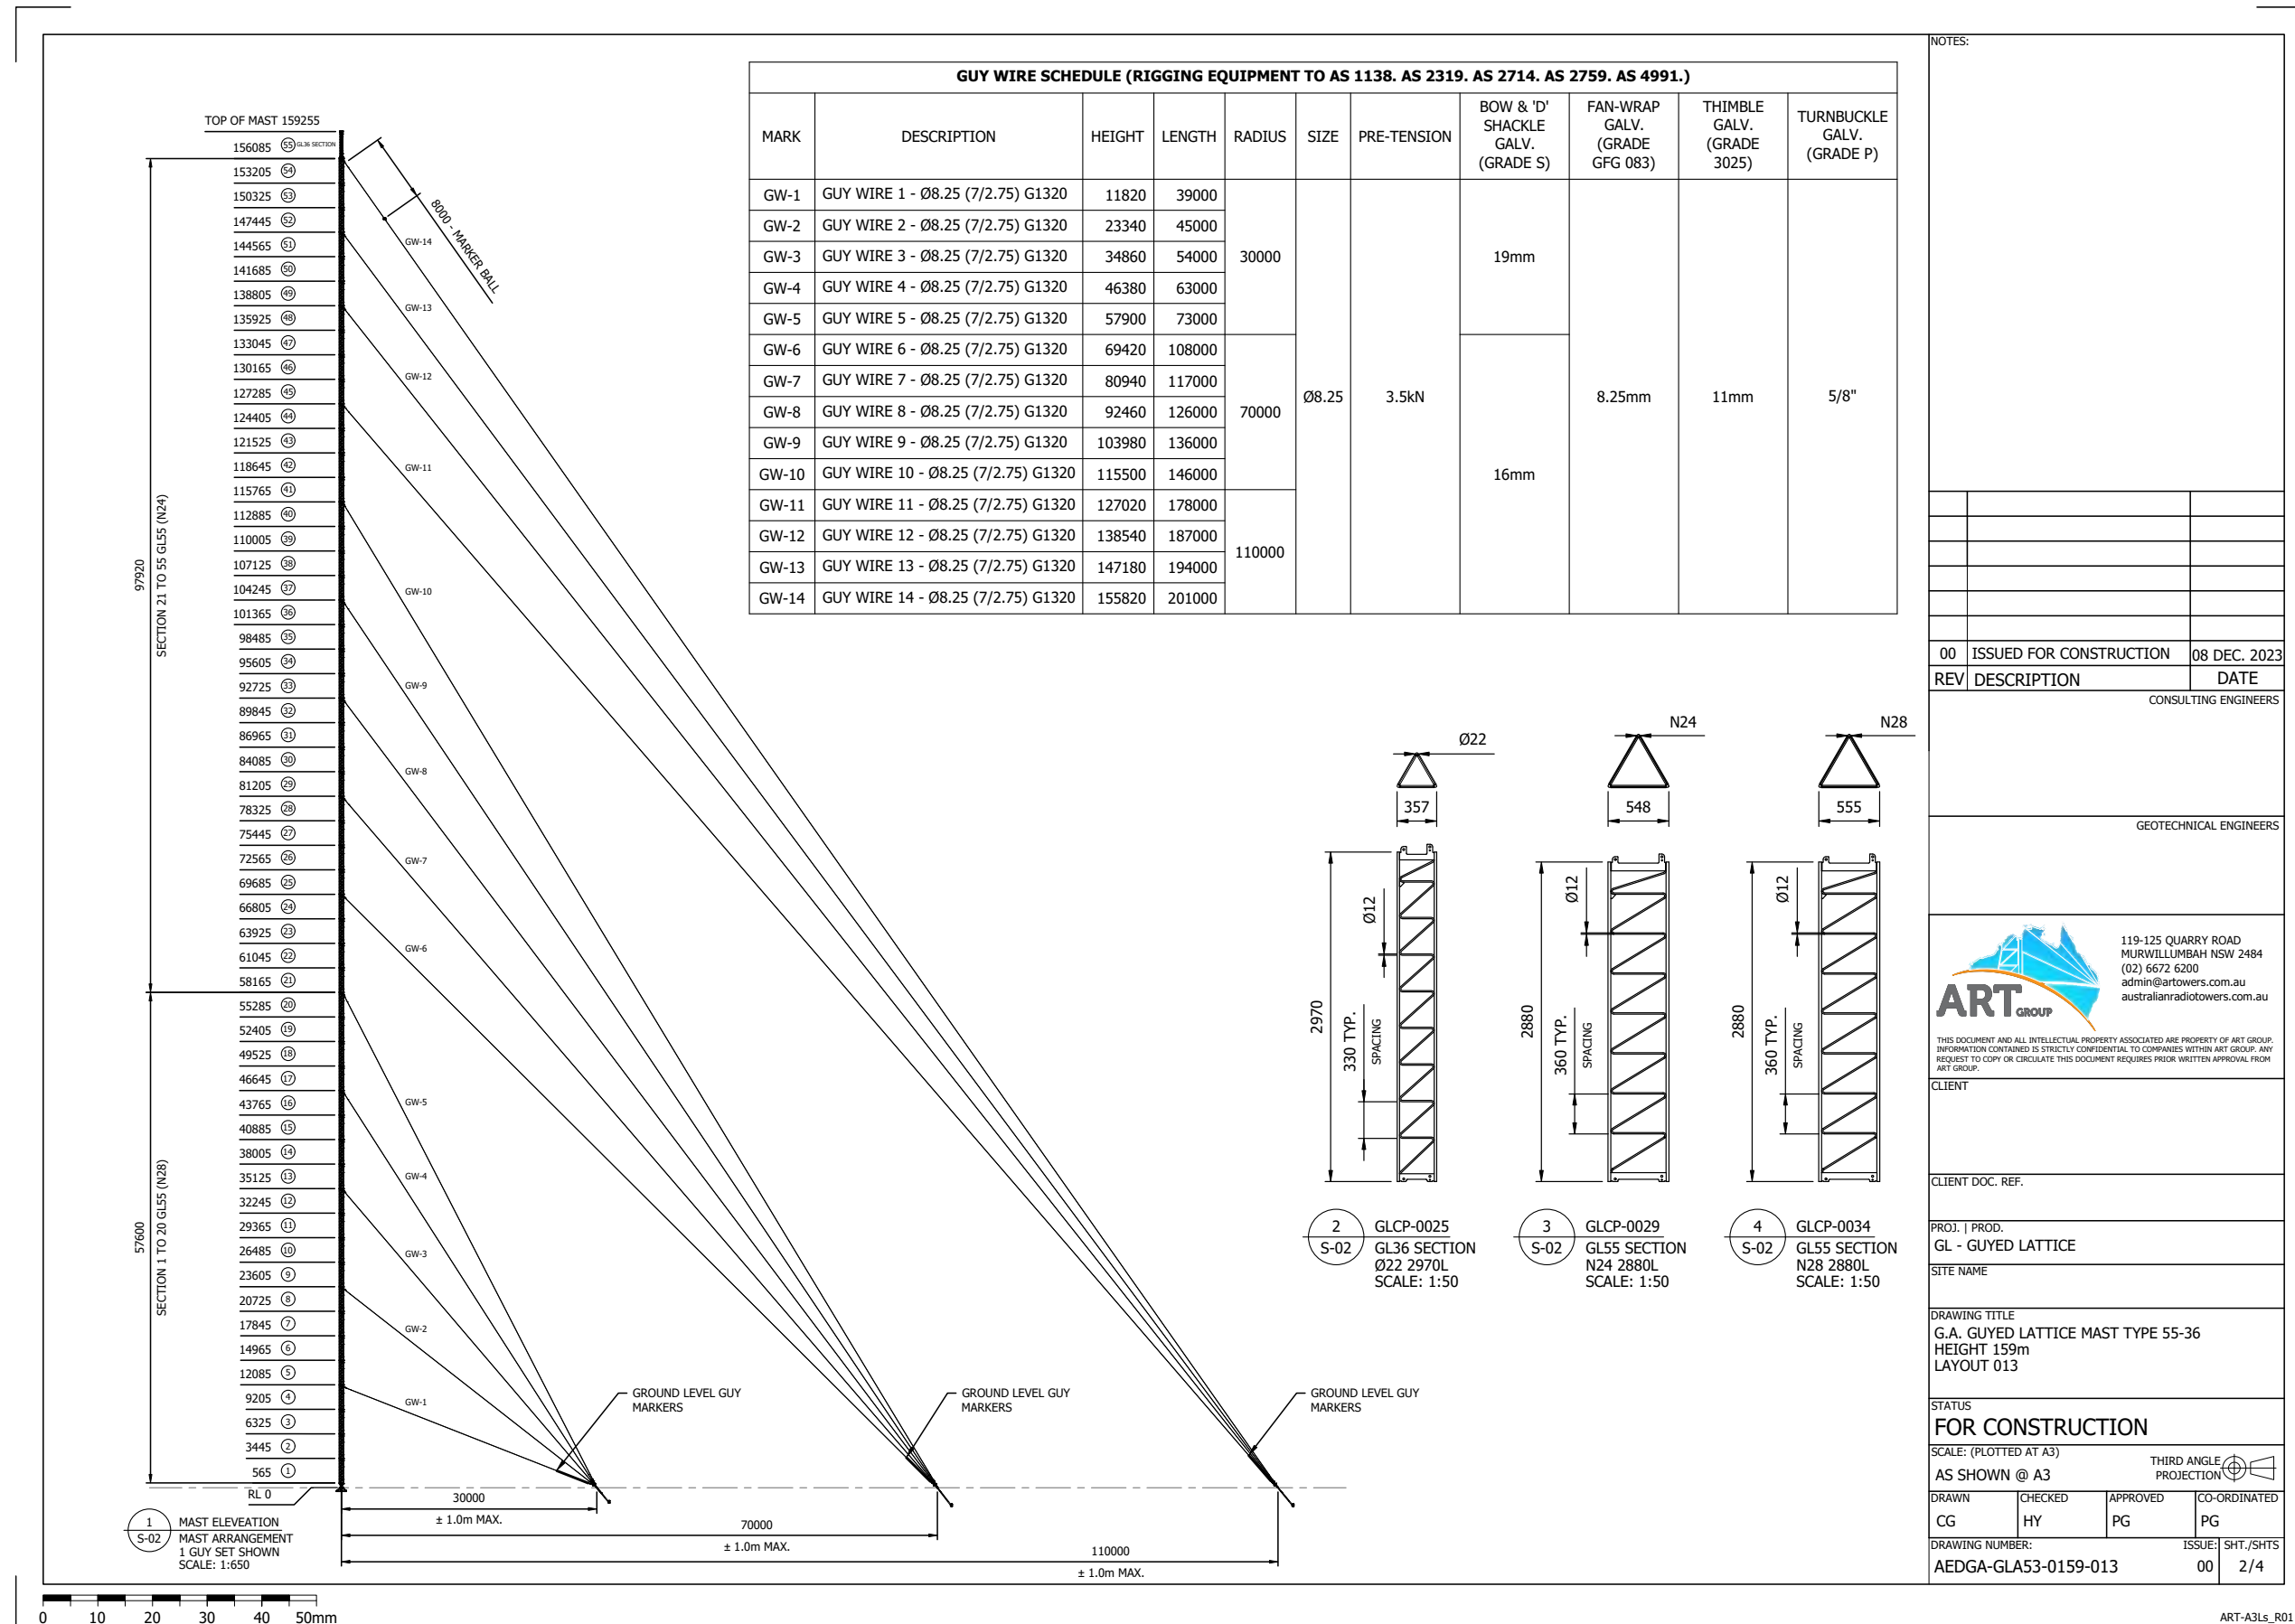

- 6.6 Enquiries relating to the aforementioned conditions should be directed to the Development Services Directorate who will direct the enquiry to the relevant officer.
- 6.7 The approved development is to comply with Council's local laws and ensure any required licences/permits are obtained prior to commencement of use.

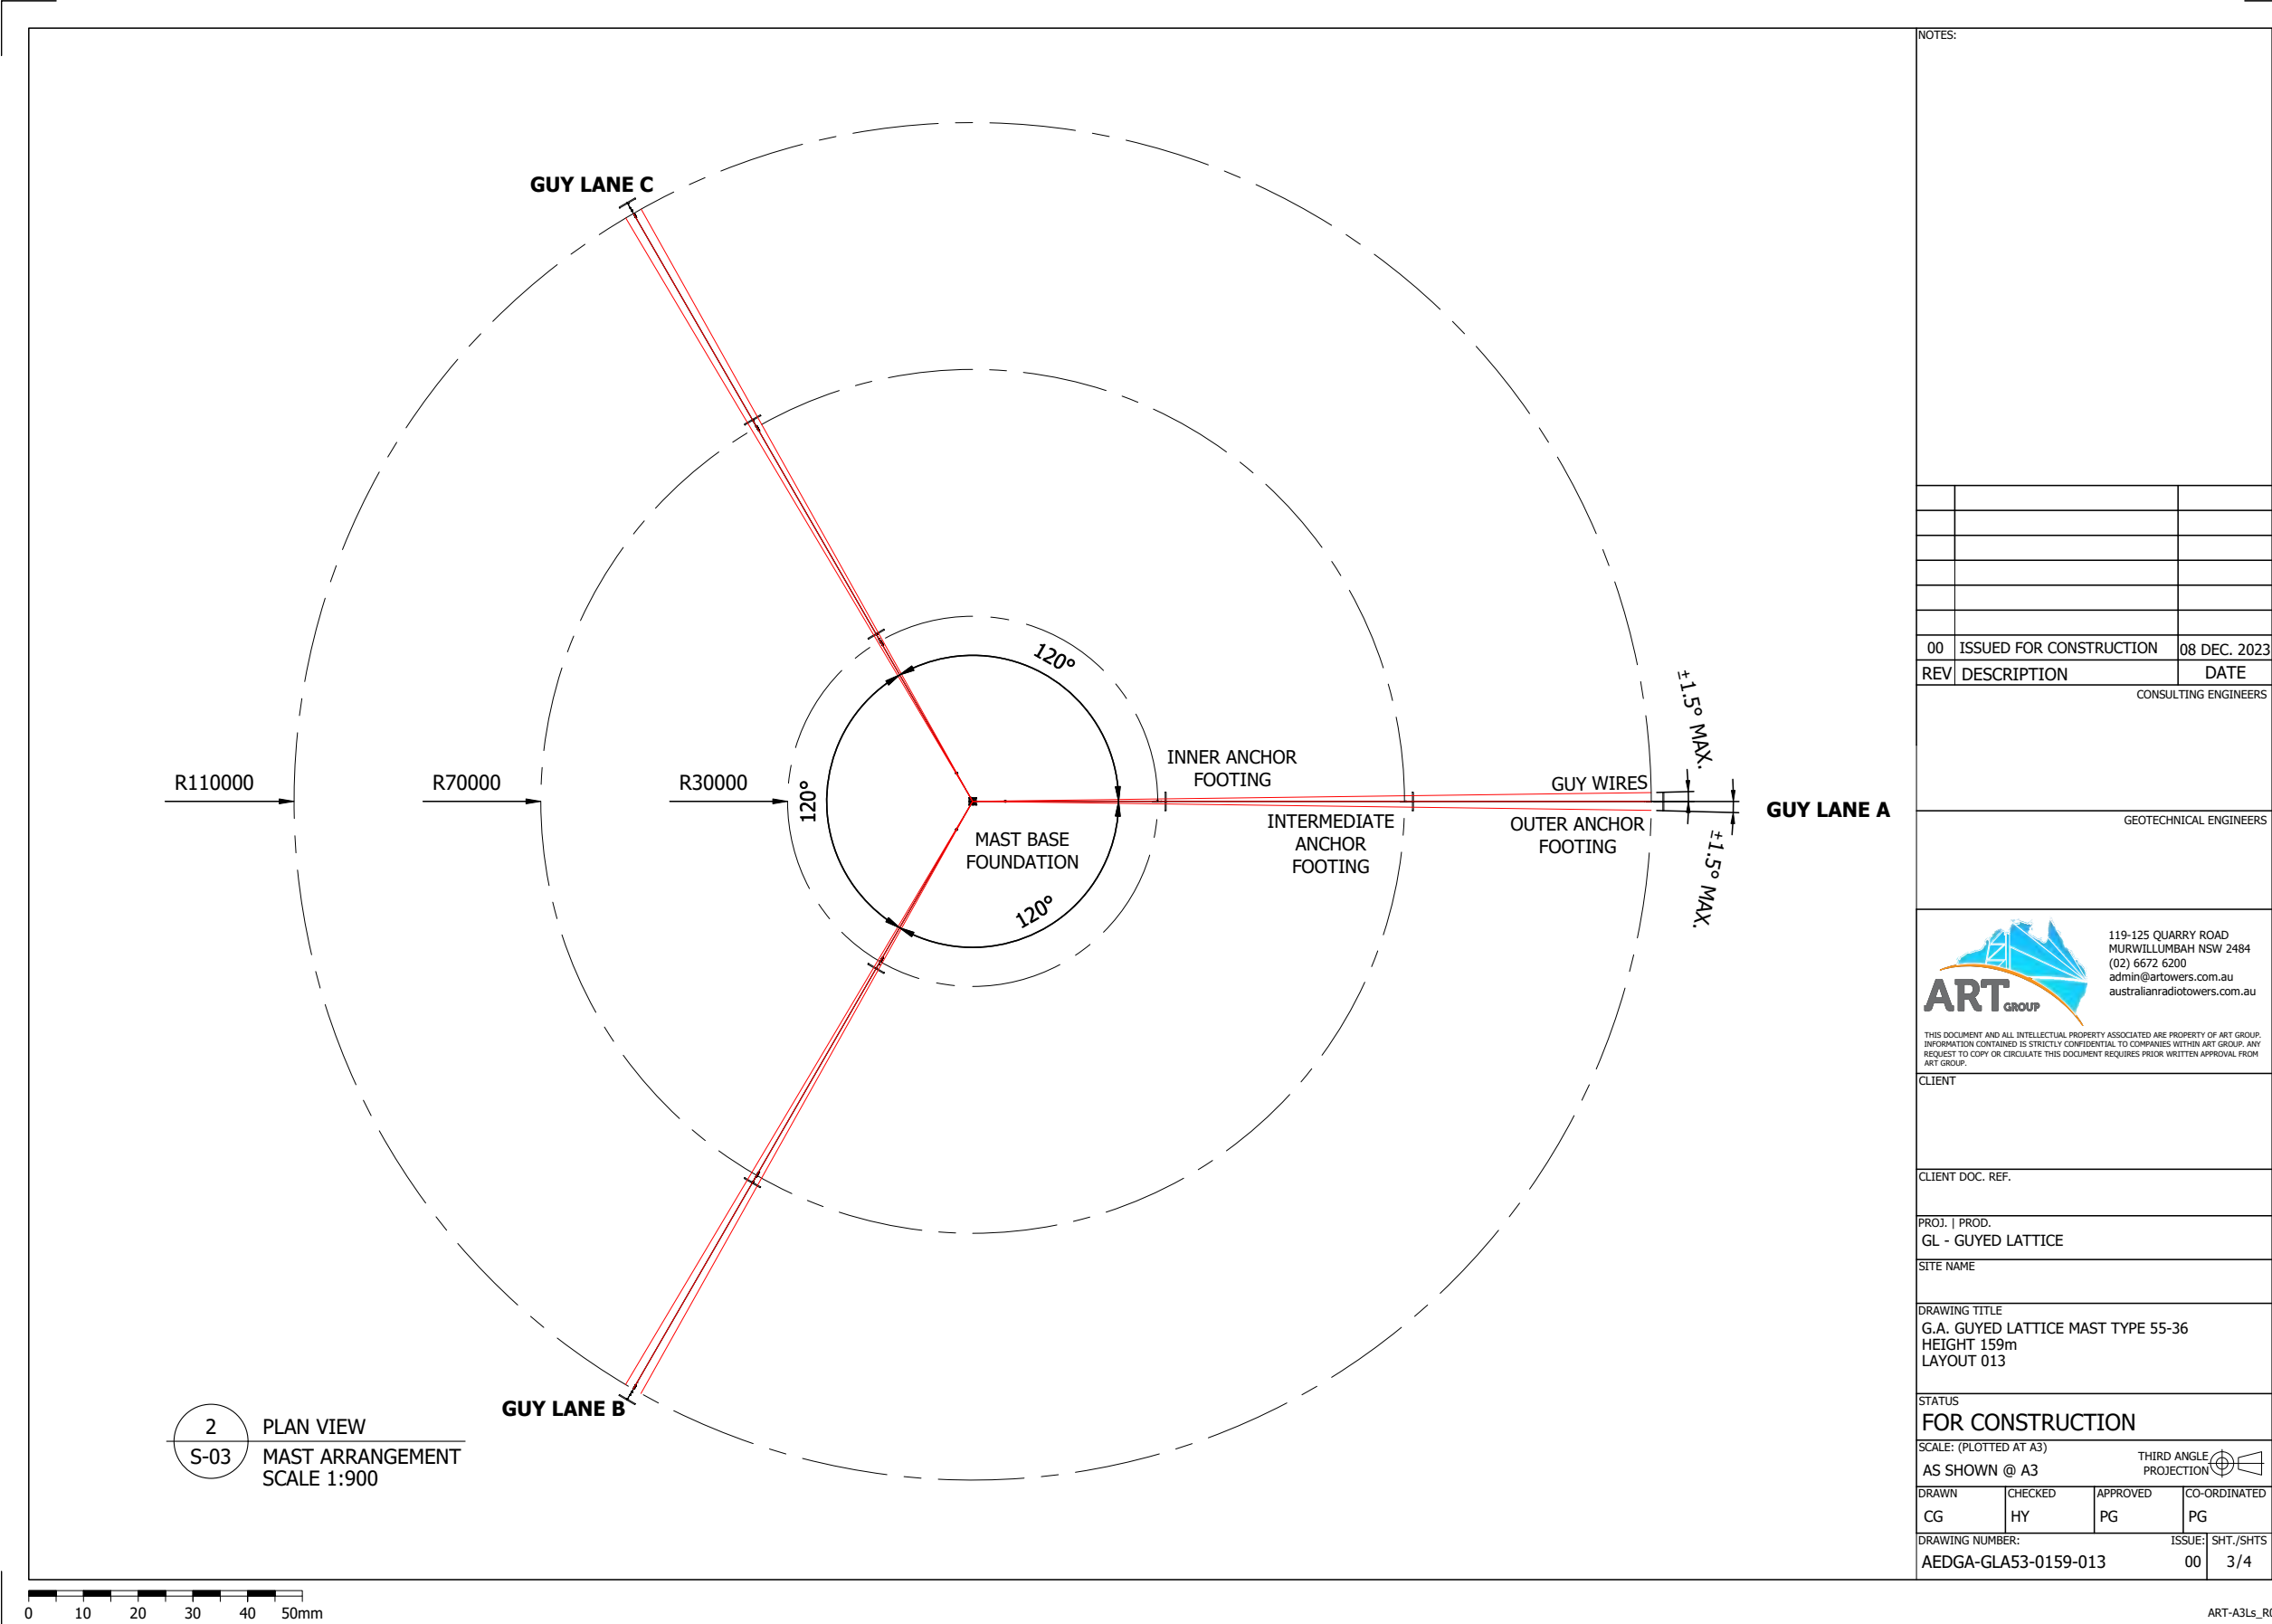

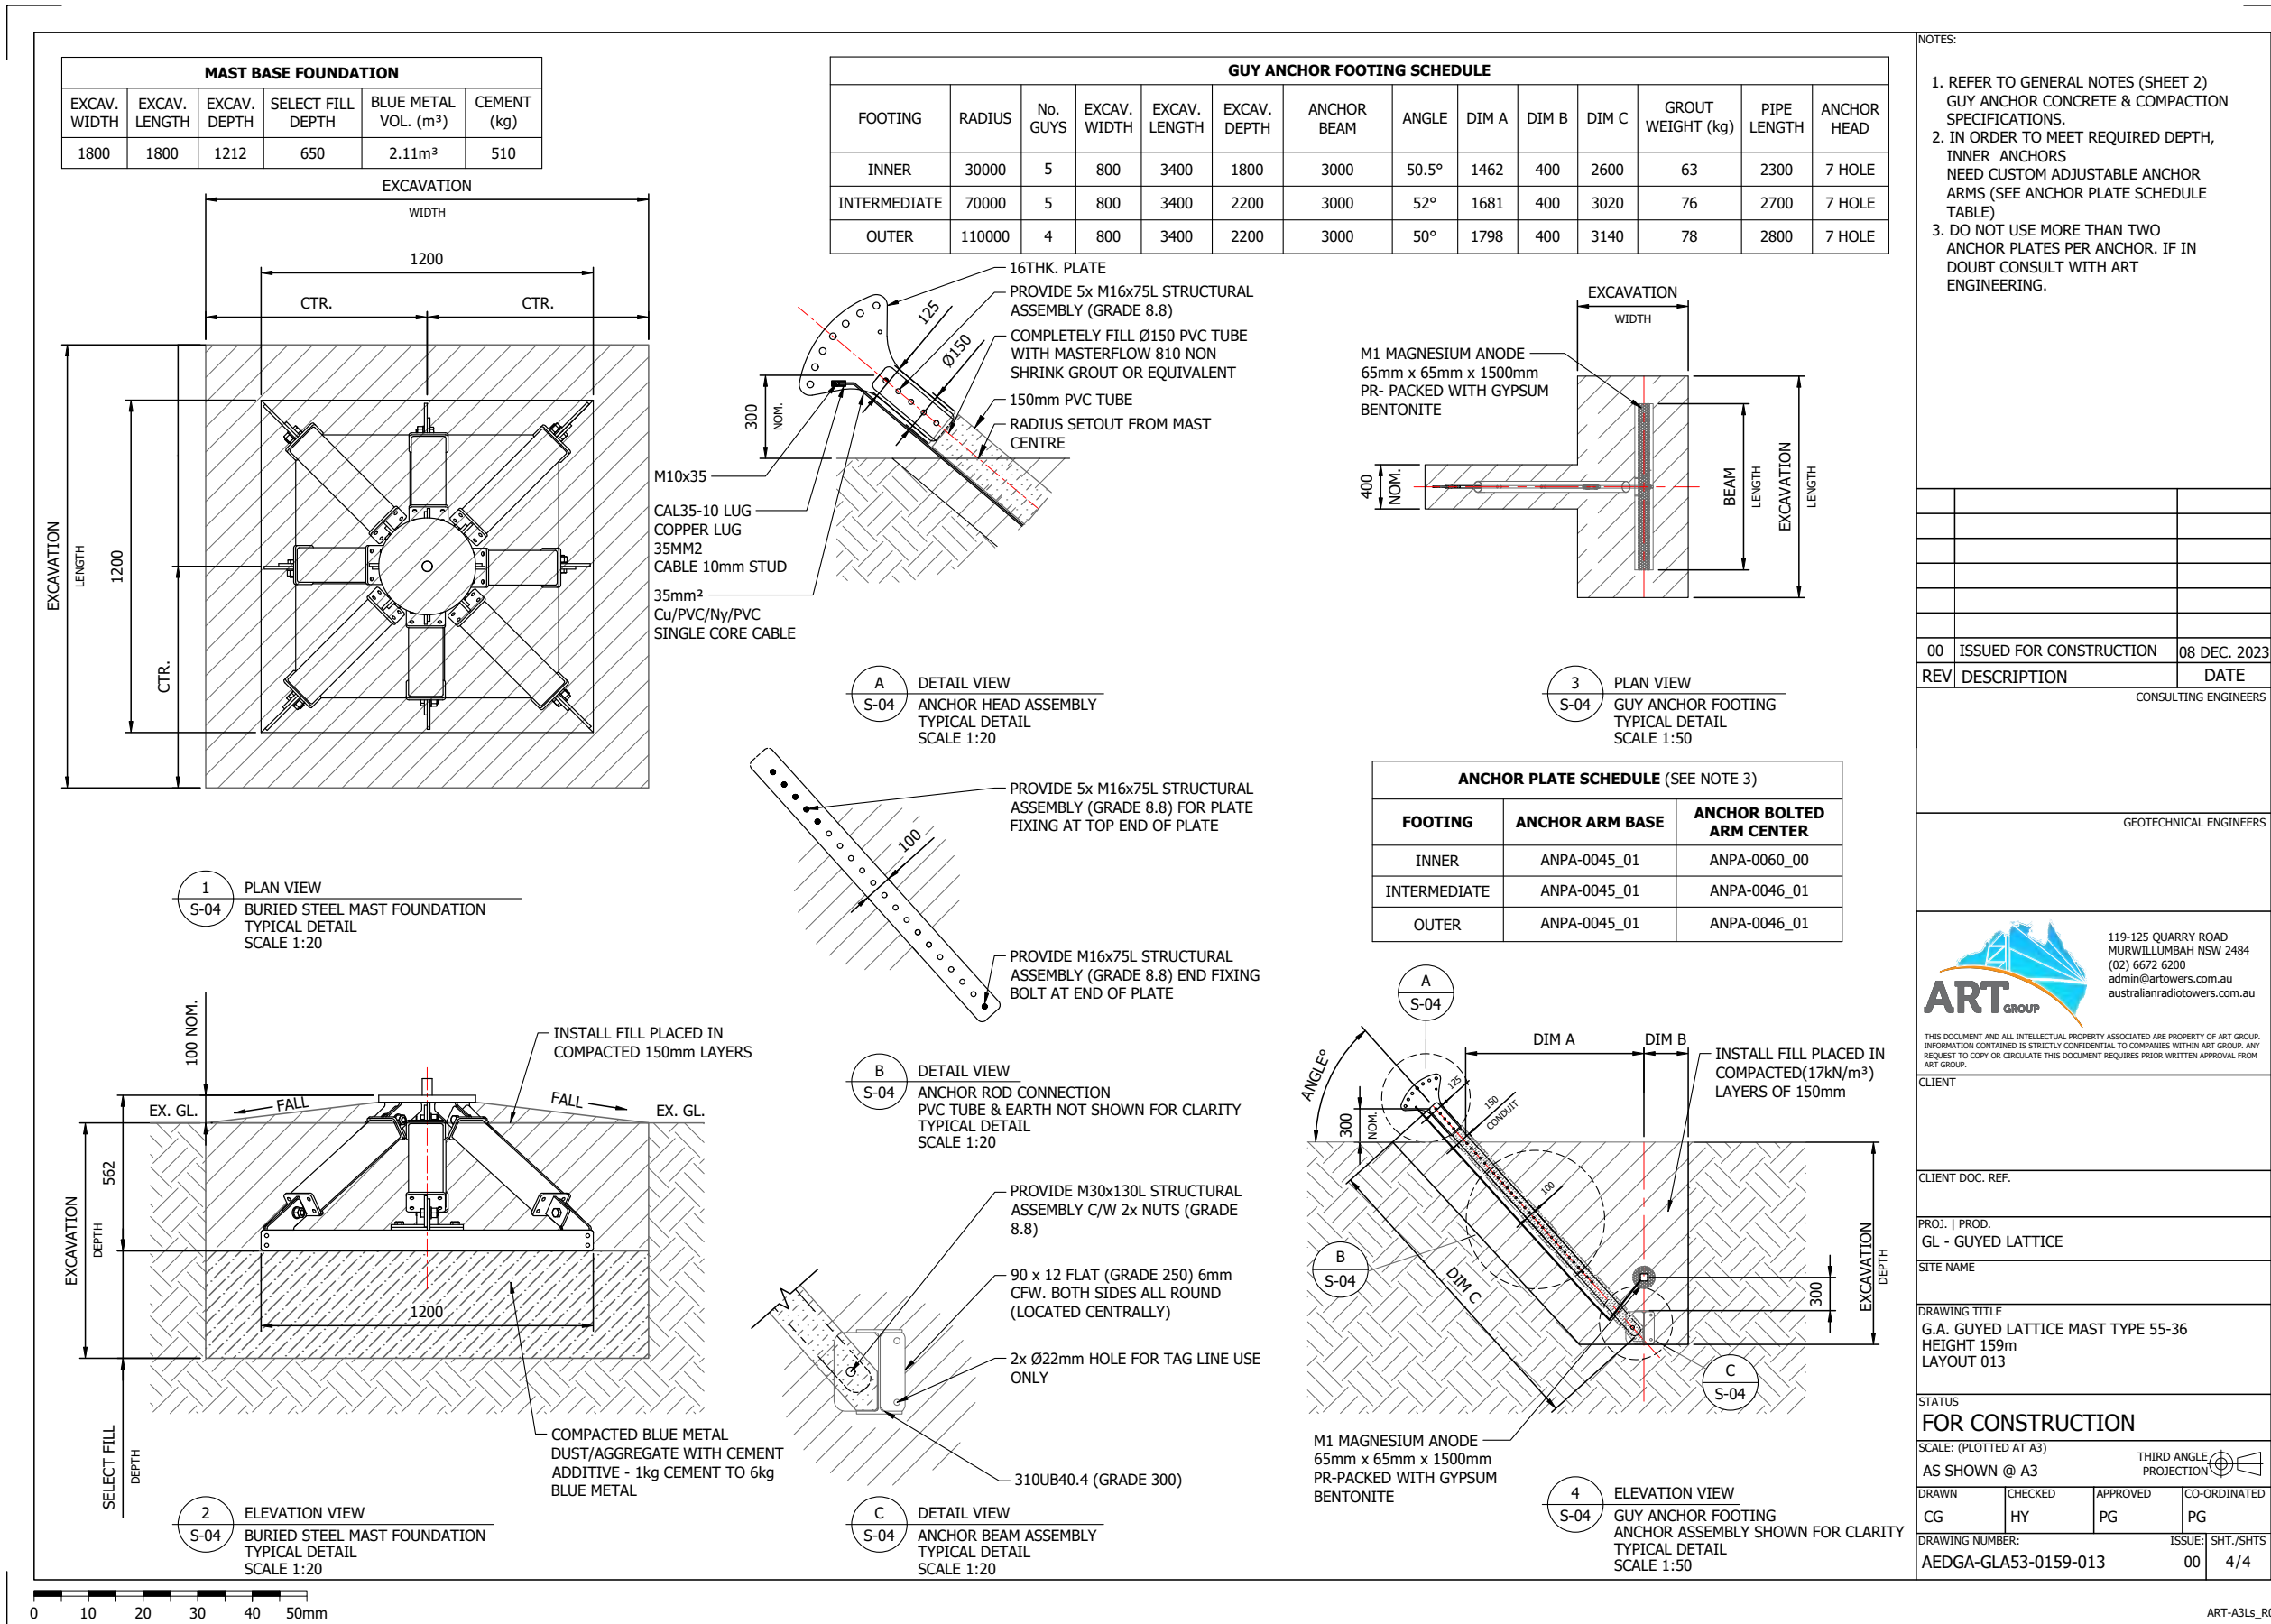

11.5 - 20260573 - Development Application for Development Permit for Material Change of Use - Warehouse (Self-Storage Facility) at 14 Plemenuk Road Mount Marlow for L & K Bates

MEETING DETAILS: Ordinary Council Meeting - Wednesday 23 September 2026

AUTHOR: Senior Planner

AUTHORISING OFFICER: Director Liveability and Development Services

PURPOSE

To present the assessment of the development application for a Warehouse (Self-Storage Facility) at 14 Plemenuk Road Mount Marlow and seek Council's determination.

EXECUTIVE SUMMARY

The application seeks a Development Permit for a Material Change of Use for a Warehouse (Self-Storage Facility) comprising 6 lettable vehicle storage bays on a rural parcel within an existing shed. Each bay has a dimension of 12m long and 4m wide. Vehicles will enter from Plemenuk Road and use the gravel hardstand area in front of the shed to manoeuvre vehicles into the storage bays.

The facility will provide secure, undercover short-term storage for large vehicles, boats, caravans and other high-value assets, with no industrial activity, servicing or processing undertaken on-site. Site activity and traffic generation will be minimal, limited primarily to periodic asset drop-off and collection. It is also noted that the approved shed includes a small dwelling within the seventh bay closest to Plemenuk Road; however, this dwelling does not form part of the subject application and is not a caretaker's residence as described in the application material.

The proposed self-storage facility is not a rural activity and therefore triggers impact assessment within the Rural zone. Notwithstanding, non-rural uses may be accommodated where they remain compatible with agricultural activities and protect and manage natural resources for primary production. The existing shed has been established on the premises since late 2024 and is consistent in scale and appearance with large sheds commonly found on rural properties. The proposed facility does not alter the existing built form and will operate at a low intensity, with no opportunity for industrial servicing or repair activities. The proposal represents a low-intensity and compatible use within the rural setting, capable of coexisting with surrounding agricultural and rural residential activities without creating land use conflicts or adversely affecting their continued operation, productivity or amenity.

The application undertook the mandatory 15 business days of public notification, with no submissions received during this period.

The application has demonstrated the proposal is consistent with the character of the adjoining rural area and that there are no detrimental impacts to adjacent agricultural operations created by the proposal. The application is therefore recommended for approval subject to reasonable and relevant conditions.

OFFICER'S RECOMMENDATION

That Council approve the Development Application for Development Permit for Material Change of Use for a Warehouse (Self-Storage Facility), made by L & K Bates, on L: 4 RP: 723755 and located at 14 Plemenuk Road Mount Marlow, subject to the conditions outlined in **Attachment 11.5.4**.

BACKGROUND

The premises contains an approved shed which includes a one-bedroom dwelling, positioned near the northern boundary adjacent to Plemenuk Road. The shed was approved by private building certifier on 19 March 2024.

DISCUSSION/CURRENT ISSUE

Zone

The Rural zone primarily provides for rural uses while allowing compatible non-rural activities that do not compromise agricultural production or natural resources. While the proposed Warehouse (self-storage facility) is not a rural activity, it will not result in the permanent alienation or further fragmentation of agricultural land. The 2,631m² site is already cleared and modified by imported fill and contains an existing approved shed, resulting in limited capacity for productive agricultural uses on the site.

The facility is a small-scale, low-intensity storage use that does not involve industrial processing, logistics, freight handling, loading yards or commercial depot activities. The use will be contained entirely within the existing shed, which has a scale and appearance comparable to large storage and machinery sheds commonly established on rural properties. The proposal will retain a built form consistent with the rural character of the locality while generating only intermittent vehicle movements associated with the storage and retrieval of private assets.

The proposal does not facilitate urban expansion, as it involves the adaptive reuse of an existing approved building with no additional built form or expansion of the development footprint. Given its limited scale, infrastructure requirements and operational intensity, the development is capable of coexisting with surrounding agricultural and rural residential activities without affecting their continued operation, productivity or amenity. The proposal is therefore considered consistent with the overall intent of the Rural zone code.

Traffic

The submitted Traffic Impact Assessment demonstrates that the development will generate a minor increase in traffic, estimated at 5 - 10 vehicle movements per day and 1 - 2 movements during the peak hour. Given the low existing traffic volumes on Plemenuk Road, the proposal will not materially affect the safety, capacity or operation of the surrounding road network or the Plemenuk Road/Shute Harbour Road intersection. A review of Plemenuk Road's formation confirms that it meets the standard of a Rural Access and the additional vehicle movements generated by the proposal does not trigger any upgrade in road hierarchy.

FINANCIAL IMPLICATIONS

Application fees have been paid.
Infrastructure charges: \$8,675.35

PLANNING ASSESSMENT REPORT

Council has received the following Development Application, which has been assessed against the provisions of the relevant legislation as reported below.

1. Application Summary

Proposal:	Development Application for Development Permit for Material Change of Use - Warehouse (Self-Storage Facility)
Landowner	L & K Bates
Property Address:	14 Plemenuk Road Mount Marlow
Property Description:	L: 4 RP: 723755
Area of Site:	2631m ²
Planning Scheme Zone:	Rural zone
Level of assessment	Impact Assessable
Overlays:	Agricultural land overlay Bushfire hazard overlay Flood hazard overlay Infrastructure overlay
Existing Use:	Shed and dwelling
Existing Approvals:	Private Building Certification - BDD (Shed and Dwelling) on 19 March 2024
Public Notification:	3 July 2026 / 24 July 2026
Submissions received:	Nil
State referrals:	Nil
Infrastructure charges:	\$8,675.35

2. Site Description

The subject land is a relatively flat parcel that contains an existing 7-bay shed where 6 of the bays are proposed to be utilised for the proposed development of a warehouse (self-storage facility). A gravel hardstand area exists in front of the shed, linked to a gravel driveway that connects to Plemenuk Road. The existing shed also contains a small dwelling however that is not subject to this application. The site also has an effluent disposal system and three large water tanks along the frontage. The land has also been historically filled and retained.

The site adjoins land in the rural zone used for both residential and agricultural (cane) uses. Agricultural uses extend from the rear of the property towards Mount Marlow and a residential dwelling is on the eastern boundary (18 Plemenuk Road, Mount Marlow).

3. Proposal Details

The proposal is for a Development Permit for Material Change of Use for a Warehouse (Self-Storage Facility) located at 14 Plemenuk Road, Mount Marlow. The Self-Storage Facility is proposed to utilise a majority portion (6 bays) of an existing 7-bay shed that resides on the premises. The facility will consist of 6 storage bays that are each 12m long by 4m wide. Vehicles will enter from Plemenuk Road and use the gravel hardstand area in front of the shed to manoeuvre vehicles into the storage bays. The area of the 6 self-storage bays is 288m².

The application material advises the facility will operate as a short-term storage solution for large vehicles, boats, caravans, and other high-value assets, with no associated industrial activity, servicing, or on-site processing permitted. The secure and undercover structure protects assets from weather exposure and enhances private asset security. Vehicle movements will be limited to periodic drop-off and collection, resulting in minimal traffic generation and low overall site activity.

It is noted that the building approval for the shed contains a small dwelling in the seventh bay of the shed, closest to Plemenuk Road. This dwelling is not subject to this application and is not a caretaker's residence as advised in the application material.

4. Planning Assessment

The application has been assessed against the relevant provisions of the *Planning Act, 2016* and the Whitsunday Regional Council Planning Scheme, 2017. The proposal is considered to be generally in accordance with the Planning Scheme and is recommended for approval in accordance with the drawings and documents submitted, subject to reasonable and relevant conditions.

4.1. State Assessment and Referral Agency (SARA)

The Application was not referable.

4.2. State Planning Policy – July 2017

The State Planning Policy (SPP) includes interim development assessment requirements to ensure that State interests are appropriately considered by local government when assessing development applications where the local government Planning Scheme has not yet appropriately integrated all of the State's interests in the SPP. As the most recent SPP (July 2017) has not been reflected in the Whitsunday Regional Council Planning Scheme, Part B of the SPP confirms that it applies to the assessment of the development application.

4.3. Mackay Isaac and Whitsunday Regional Plan – February 2012

The Mackay, Isaac and Whitsunday Regional Plan was established to provide the vision and direction for the region to 2031. The plan provides certainty about where the region is heading in the future and provides the framework to respond to the challenges and opportunities which may arise. The proposal is generally consistent with the provisions of the plan; however further assessment is required due to the land being designated within the Regional Landscapes and Rural Production Area and the proposed development is not a rural activity.

Strategic directions – Regional Landscapes and Rural Production Area

The Mackay, Isaac and Whitsunday Regional Plan, February 2012 (Regional Plan) applies to the development and identifies the subject land within the Regional Landscape and Rural Production Area. The proposal has therefore been assessed against the relevant Desired Regional Outcomes (DROs) of the Regional Landscape and Rural Production Area designation in the Regional Plan.

The Regional Landscape and Rural Production Area designation of the Regional Plan seeks to protect rural production areas from development that would adversely affect their productive capacity, result in further fragmentation of rural land, or introduce incompatible uses that may constrain ongoing rural activities. While the proposed warehouse (self-storage facility) represents a non-rural use within a rural production area, the nature, scale and physical circumstances of the development largely limit its potential to conflict with these objectives.

The proposed use will be accommodated entirely within an existing approved shed and does not require any extension to the existing building footprint or the establishment of additional buildings, not resulting in any further physical intensification of the built form or fragmentation of rural land. The proposal instead represents the reuse of an existing structure within an area of the premises that has already been cleared and modified.

The self-storage facility is intended primarily for the storage of large personal assets, including boats, caravans, trailers and similar items. The operational characteristics of the use are relatively low intensity, with limited vehicle movements anticipated and no servicing, maintenance or repair activities proposed to occur on the premises. These characteristics distinguish the proposal from more intensive warehouse or industrial activities that may otherwise be inappropriate within a rural production setting.

The proposed development is also unlikely to adversely affect the amenity or operation of surrounding rural properties. The locality is predominantly characterised by agricultural activities and associated rural buildings, including sheds used for the storage of machinery and equipment. As the proposal retains the existing built form and introduces only a low-intensity storage activity, the development will not materially alter the established rural character of the locality or introduce activities that are incompatible with surrounding rural uses.

The development does not remove productive agricultural land from rural production or create any additional rural lots. The proposal therefore does not contribute to the fragmentation of rural land or create smaller, potentially unviable rural parcels. The use remains confined to an existing building on an established rural premises and does not encroach further into land that may otherwise be available for rural production. It is acknowledged that the balance of the land is not suitable for agriculture due to the operational requirements for manoeuvring vehicles into the shed.

There is also no indication that the proposed storage use would create contested land to existing or future agricultural activities on adjoining land. The proposal contains no habitable aspect and therefore the development will not be impacted by typical agricultural activities. Therefore, the proposal is not expected to undermine the continued operation or long-term viability of surrounding rural production areas.

While the introduction of a non-rural use within the Regional Landscape and Rural Production Area represents a minor departure from the preferred land use intent of the Regional Plan, the extent of that inconsistency is limited by the particular circumstances of the proposal. Specifically, the use involves the reuse of an existing approved structure, does not increase the established built form, does not fragment rural land, does not result in the loss of productive agricultural land and is unlikely to adversely affect surrounding rural activities.

On balance, the proposed warehouse (self-storage facility) is considered to demonstrate an acceptable level of consistency with the strategic intent and relevant DROs of the Regional Plan. Any inconsistency arising from the non-rural nature of the use is minor and appropriately mitigated by its low-intensity operation. The development is considered generally consistent with the intent of the Regional Landscape and Rural Production Area designation of the Regional Plan.

4.4. Whitsunday Regional Council Planning Scheme, 2017

4.4.1. Strategic Framework

The proposal does not conflict with or compromise the Strategic Framework as assessed below.

4.4.2. Strategic Intent

Strategic Intent – Theme 1 – Liveable Communities and Housing

The proposal generally supports the objectives of Liveable Communities and Housing. The theme advises that urban uses are only located away from identified urban areas if they cannot be practically located within the existing settlement pattern due to their nature, scale, effects or necessary relationship to other activities or particular features, resources or infrastructure.

The proposed self-storage facility is intended to provide a short-term storage option and is distinguishable from a conventional industrial land use in terms of its scale, appearance and operational characteristics. The use will be wholly contained within a single existing shed in a rural setting, with no associated industrial activities proposed.

The facility will provide a secure and accessible storage option for local residents and travellers, particularly for larger personal assets such as boats, caravans and trailers. Its low-intensity operation is also compatible with the surrounding rural environment and is not expected to interfere with the continued operation of nearby agricultural activities.

The facility does not depend on pedestrian connectivity, passing trade or proximity to other commercial/industrial uses and therefore does not require a location within an established centre or urban area. Rather, its operational requirements, including vehicle access, manoeuvring and the storage of larger personal assets, are appropriately accommodated within the existing rural setting and space available on the subject land.

The facility will provide secure off-site storage for local residents and rural landholders while maintaining a low-intensity operational profile that is compatible with the surrounding area. Given the nature of the use, its spatial requirements and the absence of a functional need to locate within a centre, the development is not considered to undermine the

intended role or function of nominated centres or urban areas. The proposal is considered consistent with the intent of the Liveable Communities and Housing theme.

Strategic Intent – Theme 2 – Economic Growth

The proposed facility represents a low-intensity storage use that is compatible with the surrounding agricultural and rural residential activities. The development does not introduce intensive urban or industrial activities that would adversely affect the operation of adjoining rural land or residential uses. The facility provides a complementary storage function that can support the practical needs of rural landholders and residents while preserving the established rural character of the locality. The proposal is not expected to compromise the continued operation, or long-term viability of primary production within the surrounding rural area.

Therefore, the development is consistent with the Economic Growth Strategic Intent outcomes.

Strategic Intent – Theme 3 – Environment and Heritage

The proposed warehouse (self-storage facility) is located within an existing approved building on previously cleared and levelled land and does not require any additional vegetation clearing or disturbance to areas of environmental significance. The existing building, including its servicing arrangements and setbacks to adjoining rural land, has previously been approved and no additional built form is proposed as part of this application.

Given the contained nature of the use and retention of the existing low-scale building, the development will not materially alter the established rural character, visual amenity or scenic qualities of the surrounding landscape and therefore is consistent with the Environment and Heritage theme.

Strategic Intent – Theme 4 – Safety and Resilience to Hazards

The proposal contains no additional built form and utilises an existing approved shed. In addition, there are no sensitive or vulnerable uses proposed, nor does it result in occupants on adjoining premises being subject to additional hazard impacts.

A flood report has been undertaken to support the proposal where it has been found that there are no additional premises placed at risk as a result of the location of the existing shed and fill pad.

The proposed facility is limited to a low-intensity storage use and does not involve industrial processing, the storage or handling of hazardous materials, or activities likely to generate unacceptable air, noise or odour emissions. Vehicle movements will be limited to intermittent access associated with the storage and retrieval of items and are not expected to generate significant traffic or amenity impacts.

The proposal complies with the code.

Strategic Intent – Theme 5 – Infrastructure

The proposal intends to utilise the local road network, which is the only Council infrastructure network that could be impacted by the proposed development, given reticulated services are not available in the area. Vehicle movements associated with the use are limited to periodic storage, resulting in low traffic volumes that will not compromise the safety or efficiency of surrounding transport corridors. The supporting Traffic Impact Assessment has sufficiently demonstrated the low vehicle movements generated by the development and therefore indicating a minimal impact to the local road network. The proposal also has no impact on the adjacent cane railway.

Therefore, it is consistent with the Infrastructure Strategic Intent outcomes.

4.4.3. Overlay Codes

Agricultural Land Overlay Code

The proposed development does not constitute a rural activity; however, it will not result in the permanent alienation of productive agricultural land. While the site adjoins land used for rural purposes, the proposed use contains no residential component and is limited to the storage of large privately owned vehicles and similar assets. Given its low-intensity operational characteristics, the development is not expected to create land use conflicts or otherwise constrain the continued use of adjoining rural land for agricultural production.

The subject site has an area of approximately 2,631m² and adjoins an existing residential dwelling. Having regard to the relatively small size of the site, its existing development and its proximity to an established residential use, the site has limited capacity to accommodate intensive agricultural activities. The proposed use therefore does not displace an existing productive rural activity or materially reduce the agricultural capacity of the area in compliance with PO1. The shed was constructed lawfully as a domestic shed on a rural property and therefore its impact on the rural land was an 'as of right' impact.

Overall, the scale and low-intensity nature of the proposed self-storage facility are considered appropriate to the characteristics of the site and surrounding land. The development will utilise an existing developed area without further alienating or fragmenting agricultural land and will not diminish the productive capacity or ongoing agricultural use of adjoining rural land.

The proposal complies with the overlay.

Bushfire Hazard Overlay Code

The site is mapped for high bushfire hazard under the overlay. The proposed warehouse (self-storage facility) will not change the level of bushfire hazard or increase the risk to life, property, and the environment. Despite the high classification, the site contains no vegetation and the building permit for the existing shed was supported by a Bushfire Attack Level (BAL) Assessment Report, prepared by BDD Building Certifiers, reference BAL_BDD-23052, dated 14 August 2023. The recommendations of the report have been confirmed to be applied as shown on the Form 21 building final that is available on Council records. Sufficient water supply in the form of three on-site water tanks is available for firefighting purposes should the need arise.

The proposal complies with the overlay.

Flood Hazard Overlay Code

The site is mapped for both medium and low hazard flooding across the subject land. A substantial Flood Impact Assessment (FIA) undertaken by ALNDD Engineering in support of the proposal.

The FIA's principal methodology was to undertake a rain-on-grid hydraulic model using HEC-RAS in accordance with Australian Rainfall and Runoff 2019 (AR&R19) and assessment was undertaken for the 10% AEP and 1% AEP design flood events, with a 90-minute duration identified as the critical storm for the catchment. It is noted that a 1% AEP plus climate change scenario has not been modelled. In the instance of this site and surrounding area, it considered acceptable that climate change modelling has not been completed as the purpose of the study is to assess the hydraulic impacts of the existing development under baseline design conditions and to demonstrate that the post development scenario does not result in adverse impacts to upstream, downstream, or adjacent properties.

The modelling results outlined the following:

- Flooding at the site is characterised by shallow, low-velocity overland flow
- Flood depths across the site are less than 0.20m
- Flow velocities are low and consistent with sheet flow conditions
- Flood hazard is H1–H2 (low hazard).

Appropriately, the FIA compared Baseline and Post Development conditions to confirm that:

- There is no material increase in flood levels, depths, velocities or hazard caused by the proposed development
- Afflux is negligible (within $\pm 0.05\text{m}$)
- There are no adverse impacts to upstream, downstream or adjoining properties.

The completed earthworks and development pad have been constructed such that:

- Existing overland flow paths are preserved
- Flood conveyance through the adjacent sites is maintained.

From an overlay assessment perspective, the FIA demonstrates that the development:

- Does not increase flood levels, depths, velocities or hazard
- Does not obstruct or redirect existing overland flow paths
- Maintains flood conveyance and floodplain storage
- Does not result in adverse impacts to upstream, downstream or adjoining properties
- Results in negligible afflux (generally within $\pm 0.05\text{m}$)
- Is subject to shallow, low velocity overland flow
- Is predominantly classified as low hazard (H1–H2 – safe for vehicles).

Overall, the submitted FIA demonstrates that the development is unlikely to materially worsen existing flood behaviour, with modelling identifying no significant increase in flood depth, level, velocity, hazard or afflux on the subject site or adjoining land. Existing overland flow paths and flood conveyance are maintained, and the subject development

is predominantly affected by low H1-H2 flood hazard, which is acceptable for an industrial land use. The development comprises non-habitable storage sheds and therefore habitable floor level requirements are not applicable.

The assessment demonstrates that the proposed development complies with the performance outcomes of the Flood Hazard Overlay Code.

Infrastructure Overlay Code (Water Supply Buffer)

A slither of the Water Supply Buffer sub-category touches the southern boundary of the subject land. As the proposed shed is already existing and is outside of the overlay itself, the proposed development complies with the overlay.

4.4.4. Zone Code

Rural Zone Code

The primary purposes of the Rural zone code are to provide for rural uses, provide opportunities for non-rural uses that are compatible with agriculture and protect and manage natural resources for primary production. The proposal is for an industrially aligned land use in the form of a Warehouse (self-storage sheds).

As assessed in the Agricultural overlay, the proposed development does not provide for a rural activity but does not result in permanent alienation or further fragmentation of agricultural land. The site is already cleared, modified with imported fill and has an existing shed, and given the 2,631m² lot size, it has limited agricultural capacity.

Overall outcome 3(d) advises that non-rural activities are located, designed and operated to minimise conflicts with existing and future Rural activities on the surrounding rural lands. As the proposal contains no residential land use aspect, the adjacent rural operations will not be impacted by the proposed storage sheds. Further, the use is low-scale development and does not involve industrial operations, logistics activities, loading yards, freight handling, or any form of commercial storage depot function. The use is not intended as a commercial self-storage depot or industrial storage yard, but rather a small-scale, locally serving facility responding to the area's lifestyle storage demand. Given the low-intensity nature and limited operational requirements of the self-storage facility, the existing rural premise provides an appropriate location for the use without compromising the intended function or availability of industrial land elsewhere in the region.

Furthermore, the proposal also does not represent or facilitate urban expansion into the rural area. Rather, it involves the adaptive reuse of an existing approved building, with no additional built form or expansion of the development footprint proposed. Having regard to the limited scale of the facility and the intermittent nature of vehicle movements associated with the storage and retrieval of items, the proposal will not materially affect the function, capacity or safety of the surrounding transport network.

Overall, it is acknowledged that the proposed development is not for a rural activity, however the storage sheds are a low-scale development, requiring limited infrastructure to run effectively without compromising the adjacent agricultural land use. The proposal represents a low-intensity and compatible use within the rural setting, capable of

coexisting with surrounding agricultural and rural residential activities without creating land use conflicts or adversely affecting their continued operation, productivity or amenity.

4.4.5. Development Codes

Industrial Activities Code

While defined as an industry activity, the proposed self-storage facility is a low-intensity use providing secure storage for large personal assets such as boats, caravans, trailers and collector vehicles. The size of these items requires sufficient space for vehicle access and manoeuvring. As the facility will service only six tenants and responds to a residential storage need rather than an industrial or business use, locating it on industrial zoned land may unnecessarily occupy land better suited to higher intensity, employment generating activities. An assessment against the code is as follows.

The proposed facility occupies 10.9% of the land. Due to the size and shape of the land, achieving the required front setback would not have been possible, however side and rear setbacks are compliant and there are no openings towards adjacent residential accommodation. Despite the front setback non-compliance, the proposal achieves a suitable streetscape and does not create any adverse amenity impacts due to the low-impact nature of the storage facility and therefore complies with PO1 and PO2.

The storage facility attracts no on-site demand for infrastructure; however, three sufficient water tanks reside on the premises. The applicant has not advised that a caretaker is required for the facility and therefore an effluent system is not required, however an effluent system exists via a Plumbing Permit issued by Council for the small dwelling in the first bay. A substantial manoeuvring area exists in front of the shed, therefore demonstrating compliance with AO3.1 – AO3.3.

From an environmental performance perspective, the proposal generates very minimal noise which is going to be limited to the daylight operating hours of the facility. Additionally, the proposal is not expected to create odours, lighting impacts or vibrations in compliance with AO4.1 – AO4.4. No industrial activities such as repairs or maintenance are permitted within the facility, and no hazardous materials will be kept on-site, achieving compliance with AO5.1 – AO6.3. There are no on-site retail options and no trade waste or washdown is permitted (AO7.1 – AO8.1). The proposal complies with the code.

Healthy Waters Code

Not applicable as the site is not large enough to trigger the code's requirements.

Infrastructure Code

The proposed self-storage facility will operate within the existing approved shed, which is already connected to infrastructure and services, although they are not required for the operation of the facility. No extensions or additional building works are proposed and therefore no additional demand is triggered requiring augmentations to the existing on-site infrastructure. The proposal complies with the code.

Landscaping Code

The site benefits from established landscaping in the form of native trees within the Plemenuk Road reserve, providing an appropriate buffer screen to the site from Plemenuk Road. As maximum on-site area is required for manoeuvring vehicles into the sheds, the site is considered to have an appropriate level of landscaping commensurate with the locale, thereby complying with the code.

Transport and Parking Code

A Traffic Impact Assessment (TIA) by ALNDD Engineering was submitted with the proposal. The TIA demonstrates that the proposed development will generate a minor increase in traffic, estimated at approximately 5-10 vehicle movements per day and 1-2 movements during the peak hour. Having regard to the low existing traffic volumes on Plemenuk Road and the limited scale of the development, the additional traffic is not expected to materially affect the safety, capacity or operation of Plemenuk Road or the Plemenuk Road/Shute Harbour Road intersection. A review of Plemenuk Road's formation confirms that it meets the standard of a Rural Access and the additional vehicle movements generated by the proposal does not trigger any upgrade in road hierarchy. Therefore, no upgrades to the broader road network are triggered.

Swept path analysis demonstrates that the nominated car and caravan design vehicle can enter and exit the site in a forward direction, manoeuvre within the internal hardstand and reverse into the storage bays without requiring reversing movements onto Plemenuk Road. The internal layout therefore provides sufficient area for the expected vehicle types associated with the development. The existing access location is also considered suitable, subject to the crossover being upgraded and sealed from the property boundary to Plemenuk Road in accordance with Council Standard Drawing RS-056.

The internal hardstand provides sufficient area for temporary standing, loading and unloading associated with the storage bays. Given the low-frequency nature of the storage use and the available manoeuvring area, the proposed parking arrangement is considered adequate for the anticipated demand. Essentially, the 6-bays for the storage shed fulfill the parking demand for the storage facility. In addition, internal sealing of the gravel hardstand area is not considered warranted and detracts from the rural amenity of the area and therefore, conditions have not been applied requiring internal operational works for a sealed car parking area.

The TIA identifies an Entering Sight Distance requirement of approximately 210m based on an adopted 80km/h approach speed. While greater than 200m is available in the northbound direction, only approximately 120-150m is available in the southbound direction. The applicable Entering Sight Distance requirement is therefore not achieved in the southbound direction. Notwithstanding, the required stopping/approach sight distance of approximately 100m is achieved in both directions and the development will generate only a very low number of vehicle movements. Having regard to the low-volume function of Plemenuk Road, limited traffic generation of the development and maintenance of clear roadside sight lines, the available sight distance is considered acceptable in the view of the RPEQ and Council's Development Engineer.

The proposal is considered to comply with Council's Development Manual and Transport and Parking Code. Conditions of approval are included for the external access to be upgraded in accordance with RS-056.

5. Public Submissions

The development application was placed on public notification between 3 July 2026 and 24 July 2026 in accordance with the relevant provisions of the *Planning Act 2016*. The Notice of Compliance was received on 29 July 2026. No submissions were received during this period of Public Notification.

6. Infrastructure Charges

6.1. Adopted Infrastructure Charges Resolution

The following is a breakdown on the Infrastructure Charges for the development:

Adopted Charge					
Type of Development	Development Category	Demand Unit & Qty	Charge Rate		Adopted Charge
MCU	Warehouse	288m2	\$67.85 per m2 of GFA		\$19,540.80
Existing	Residential – 1 or 2 bedroom dwelling house	1	\$27,163.80		\$27,163.80

1.0 ADMINISTRATION

- 1.1 The approved development must be completed and maintained generally in accordance with the approved drawings and documents:

Plan/Document Name	Prepared By	Plan Number	Dated
Proposal Plan	Vision Surveys (QLD) Pty Ltd	251010-PP01 Rev A	13/02/2026
Ground Floor Plan	Sandra Hansche (marked up in red by Vision Surveys QLD)	02/07 Revision C	13/12/2023 (marked up 24/04/2026)
Elevations	Sandra Hansche (marked up in red by Vision Surveys QLD)	04/07 Revision C	13/12/2023 (marked up 24/04/2026)
Bushfire Attack Level (BAL) Assessment Report	BDD Building Certifiers	BAL_BDD-23052 Revision A	14/08/2023
Flood Impact Assessment	ALNDD Engineering	260001 Revision 1	10/04/2026
Traffic and Access Assessment Report	ALNDD Engineering	260001 Revision 1	11/04/2026

- 1.2 The following further development permits are required prior to commencement of work on site or commencement of the use:
- Building works (Change of Classification).
- 1.3 Where a discrepancy or conflict exists between the written conditions of this approval and the approved plans, the requirements of the written condition(s) will prevail.
- 1.4 All conditions of this approval must be complied with in full to Council's satisfaction prior to the commencement of the use.
- 1.5 The applicant shall demonstrate and provide evidence that compliance with all conditions of this development approval and any other subsequent development approvals as a result of this development approval have been complied with at the time of the commencement of the use.

2.0 CLEARING, LANDSCAPING AND FENCING

- 2.1 Any vegetation removed must be disposed of to the requirements of the Council. Transplanting, chipping or removal from site are the preferred solutions.
- 2.2 All vegetative waste cleared as part of the development of the site is to be either:
- a) stored neatly on site and shredded within sixty (60) days of clearing; or
 - b) removed off the site to an approved disposal location.
- 2.3 Any pruning works must be in accordance with AS 4373-1996 – Pruning of Amenity Tree.
- 2.4 No invasive plants (Biosecurity Act, 2014) or declared local pests (Local Law no.3) shall be planted on the site or allowed to invade the site and the site must be managed and maintained to exclude weeds.
- 2.5 To reduce the spread of weeds, all earthmoving equipment shall be free of soil and seed before being taken to the work site and again on completion of the project.

3.0 ACCESS AND PARKING

- 3.1 A Road Works permit must be obtained prior to commencement of work for the external access from Plemenuk Road.
- 3.2 The external access must be constructed in accordance with the Approved Road Works Permit prior to the commencement of use.
- 3.3 All accesses, driveways, circulation roads, aisles, parking bays and manoeuvring areas must be designed and constructed so as to comply with the criteria described in AS2890 and AS1428.
- 3.4 All internal vehicle paths are to be constructed to an engineer designed all-weather gravel standard.
- 3.5 The warehouse hardstand footprint is to be constructed of a suitable gravel pavement to provide an all-weather surface and cater for relevant vehicle movements.

4.0 STORMWATER AND FLOODING

- 4.1 All site works must be undertaken to ensure that there is no increase in flood levels and/or flood frequency at any locations where existing landowners and/or users are adversely affected by waterway flooding for all events up to and including Q100.
- 4.2 All stormwater drainage works must be designed and constructed in accordance with the Queensland Urban Drainage Manual current at the time of development and Council's Development Manual (or equivalent replacement document current at the time of development).

5.0 OPERATING PROCEDURES

- 5.1 No repairs to vehicles, boats, caravans or trailers are to be conducted on-site.
- 5.2 The proposed Warehouse storage area is for the exclusive storage of cars, boats, caravans and trailers. No other types of vehicles or machinery is permitted to be stored within the storage area unless conducted as part of an existing rural activity.
- 5.3 Vehicles entering and exiting the site must do so in a forward gear.
- 5.4 The site is to be kept clean and tidy at all times to the satisfaction of Council.
- 5.5 Only vehicles subject to a storage arrangement with the operator are permitted to be kept on site.
- 5.6 Prior to the commencement of the use, a lockable gate is to be installed at the property boundary with Plemenuk Road for the full frontage of the site.

6.0 MISCELLANEOUS

- 6.1 If any item of cultural heritage is identified during site works, all work must cease and the relevant State Agency must be notified. Work can resume only after State Agency clearance is obtained.

The Applicant is reminded of their obligations under the Aboriginal Cultural Heritage Act, 2003 and the Torres Strait Islander Cultural Heritage Act 2003. Further information and databases are available from the Department of Aboriginal and Torres Strait Islander Partnerships at: www.datsip.qld.gov.au
- 6.2 Any building materials, equipment and the like must be appropriately tied down, placed indoors and secured on site at the time of preparation for cyclone events. The on site supervisor is to ensure that all contractors/employees take the necessary steps to secure the construction site in the event of a cyclone.

- 6.3 All construction materials, waste, waste skips, machinery and contractors' vehicles must be located and stored or parked within the site. No storage of materials, parking of construction machinery or contractors' vehicles will be permitted in Road Reserve or adjoining land unless written permission from the owner of that land and Council is provided.
- 6.4 It is the developer's responsibility for the full rectification of any damage caused to neighbouring public infrastructure (such as footpaths, driveways, fences, gardens, trees and the like) caused by contractors, including clean up of any litter or waste that is a result of the subject development.

7.0 ADVISORY NOTES

7.1 Hours of work

It is the developer's responsibility to ensure compliance with the *Environmental Protection Act 1994*, which prohibits any construction, building and earthworks activities likely to cause nuisance noise (including the entry and departure of heavy vehicles) between the hours of 6.30 pm and 6.30 am from Monday to Saturday and at all times on Sundays or Public Holidays.

7.2 Dust Control

It is the developer's responsibility to ensure compliance with the Environmental Nuisance of the *Environmental Protection Act 1994* which prohibits unlawful environmental nuisance caused by dust, ash, fumes, light, odour or smoke beyond the boundaries of the property during all stages of the development including earthworks and construction.

7.3 Sedimentation Control

It is the developer's responsibility to ensure compliance with the *Environmental Protection Act 1994* and Schedule 9 of the Environmental Protection Regulation 2008 to prevent soil erosion and contamination of the stormwater drainage system and waterways.

7.4 Noise During Construction and Noise in General

It is the developer's responsibility to ensure compliance with the *Environmental Protection Act 1994*.

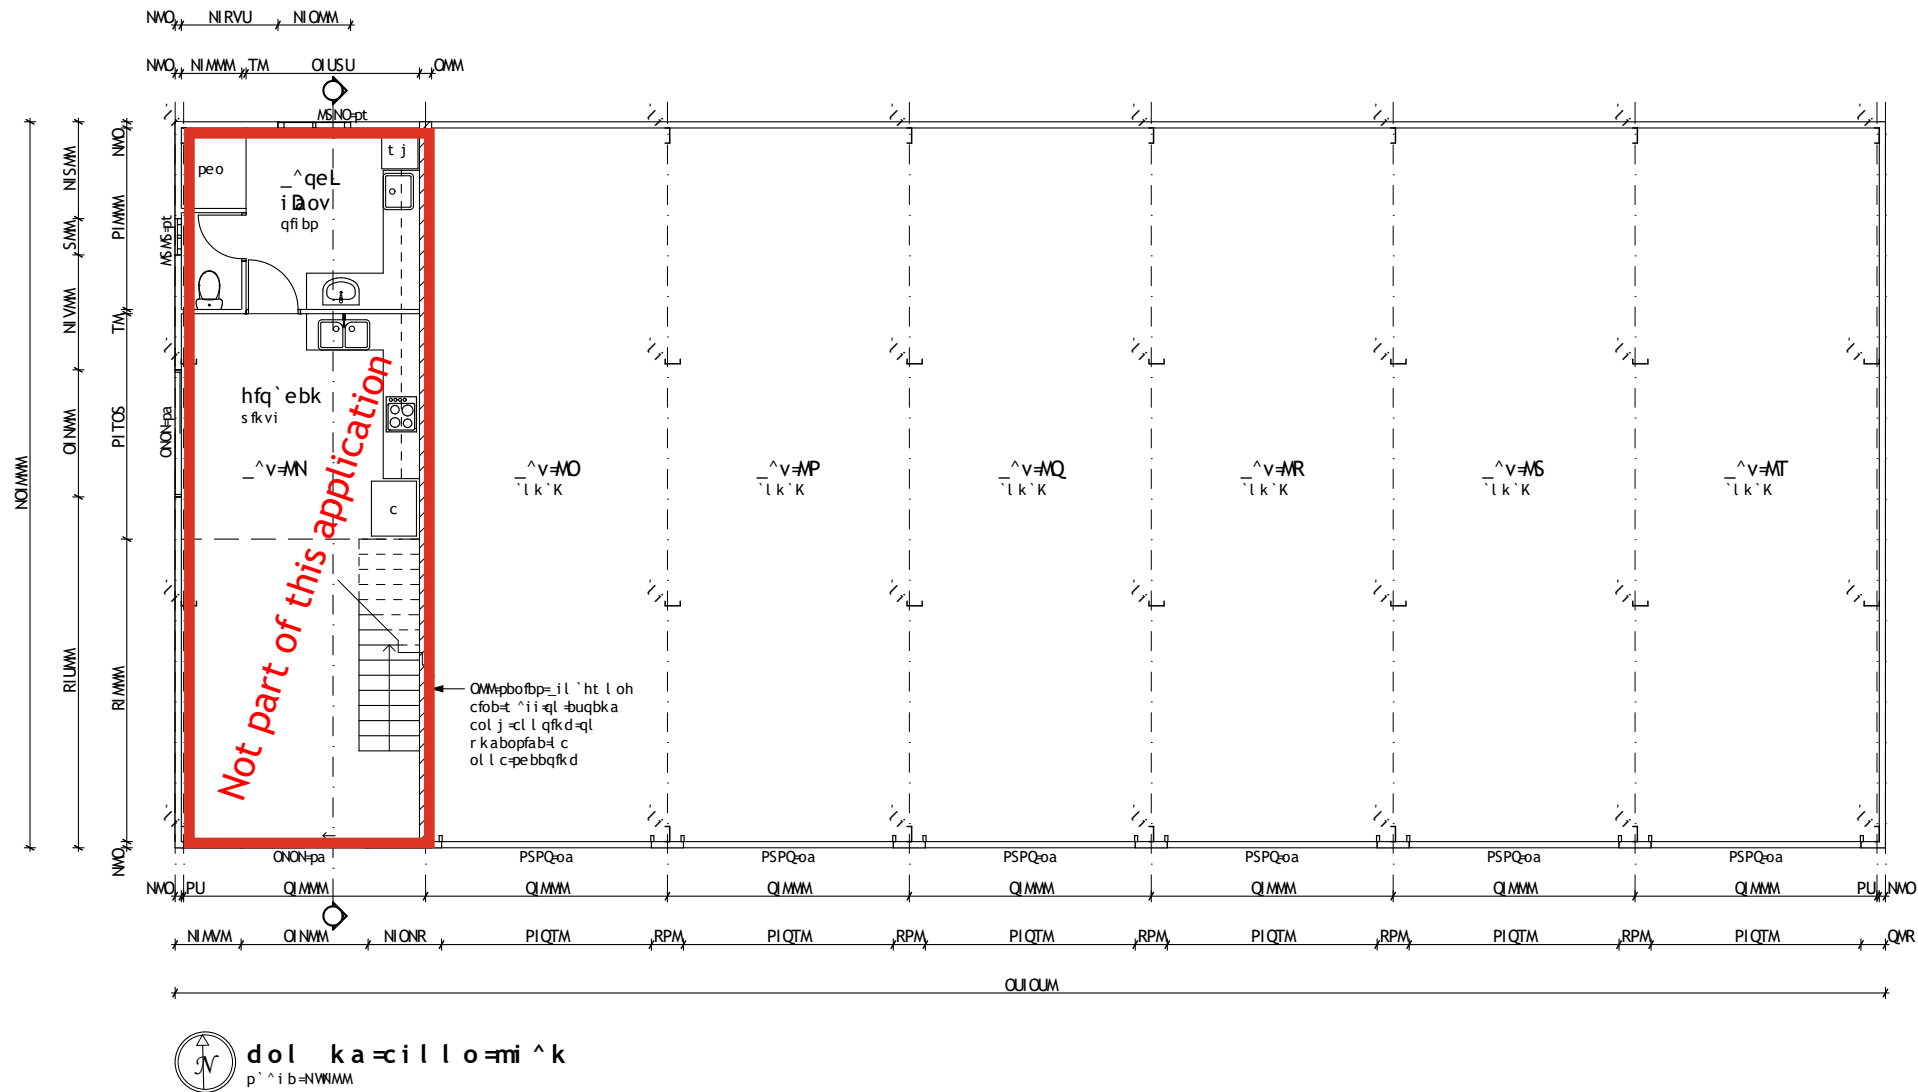

7.5 General Safety of Public During Construction

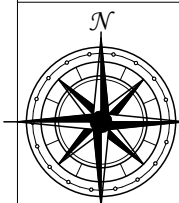

It is the project manager's responsibility to ensure compliance with the *Work Health and Safety Act 2011*. It states that the project manager is obliged to ensure construction work is planned and managed in a way that prevents or minimises risks to the health and safety of members of the public at or near the workplace during construction work.

It is the principal contractor's responsibility to ensure compliance with the *Work Health and Safety Act 2011*. It states that the principal contractor is obliged on a construction workplace to ensure that work activities at the workplace prevent or minimise risks to the health and safety of the public at or near the workplace during the work.

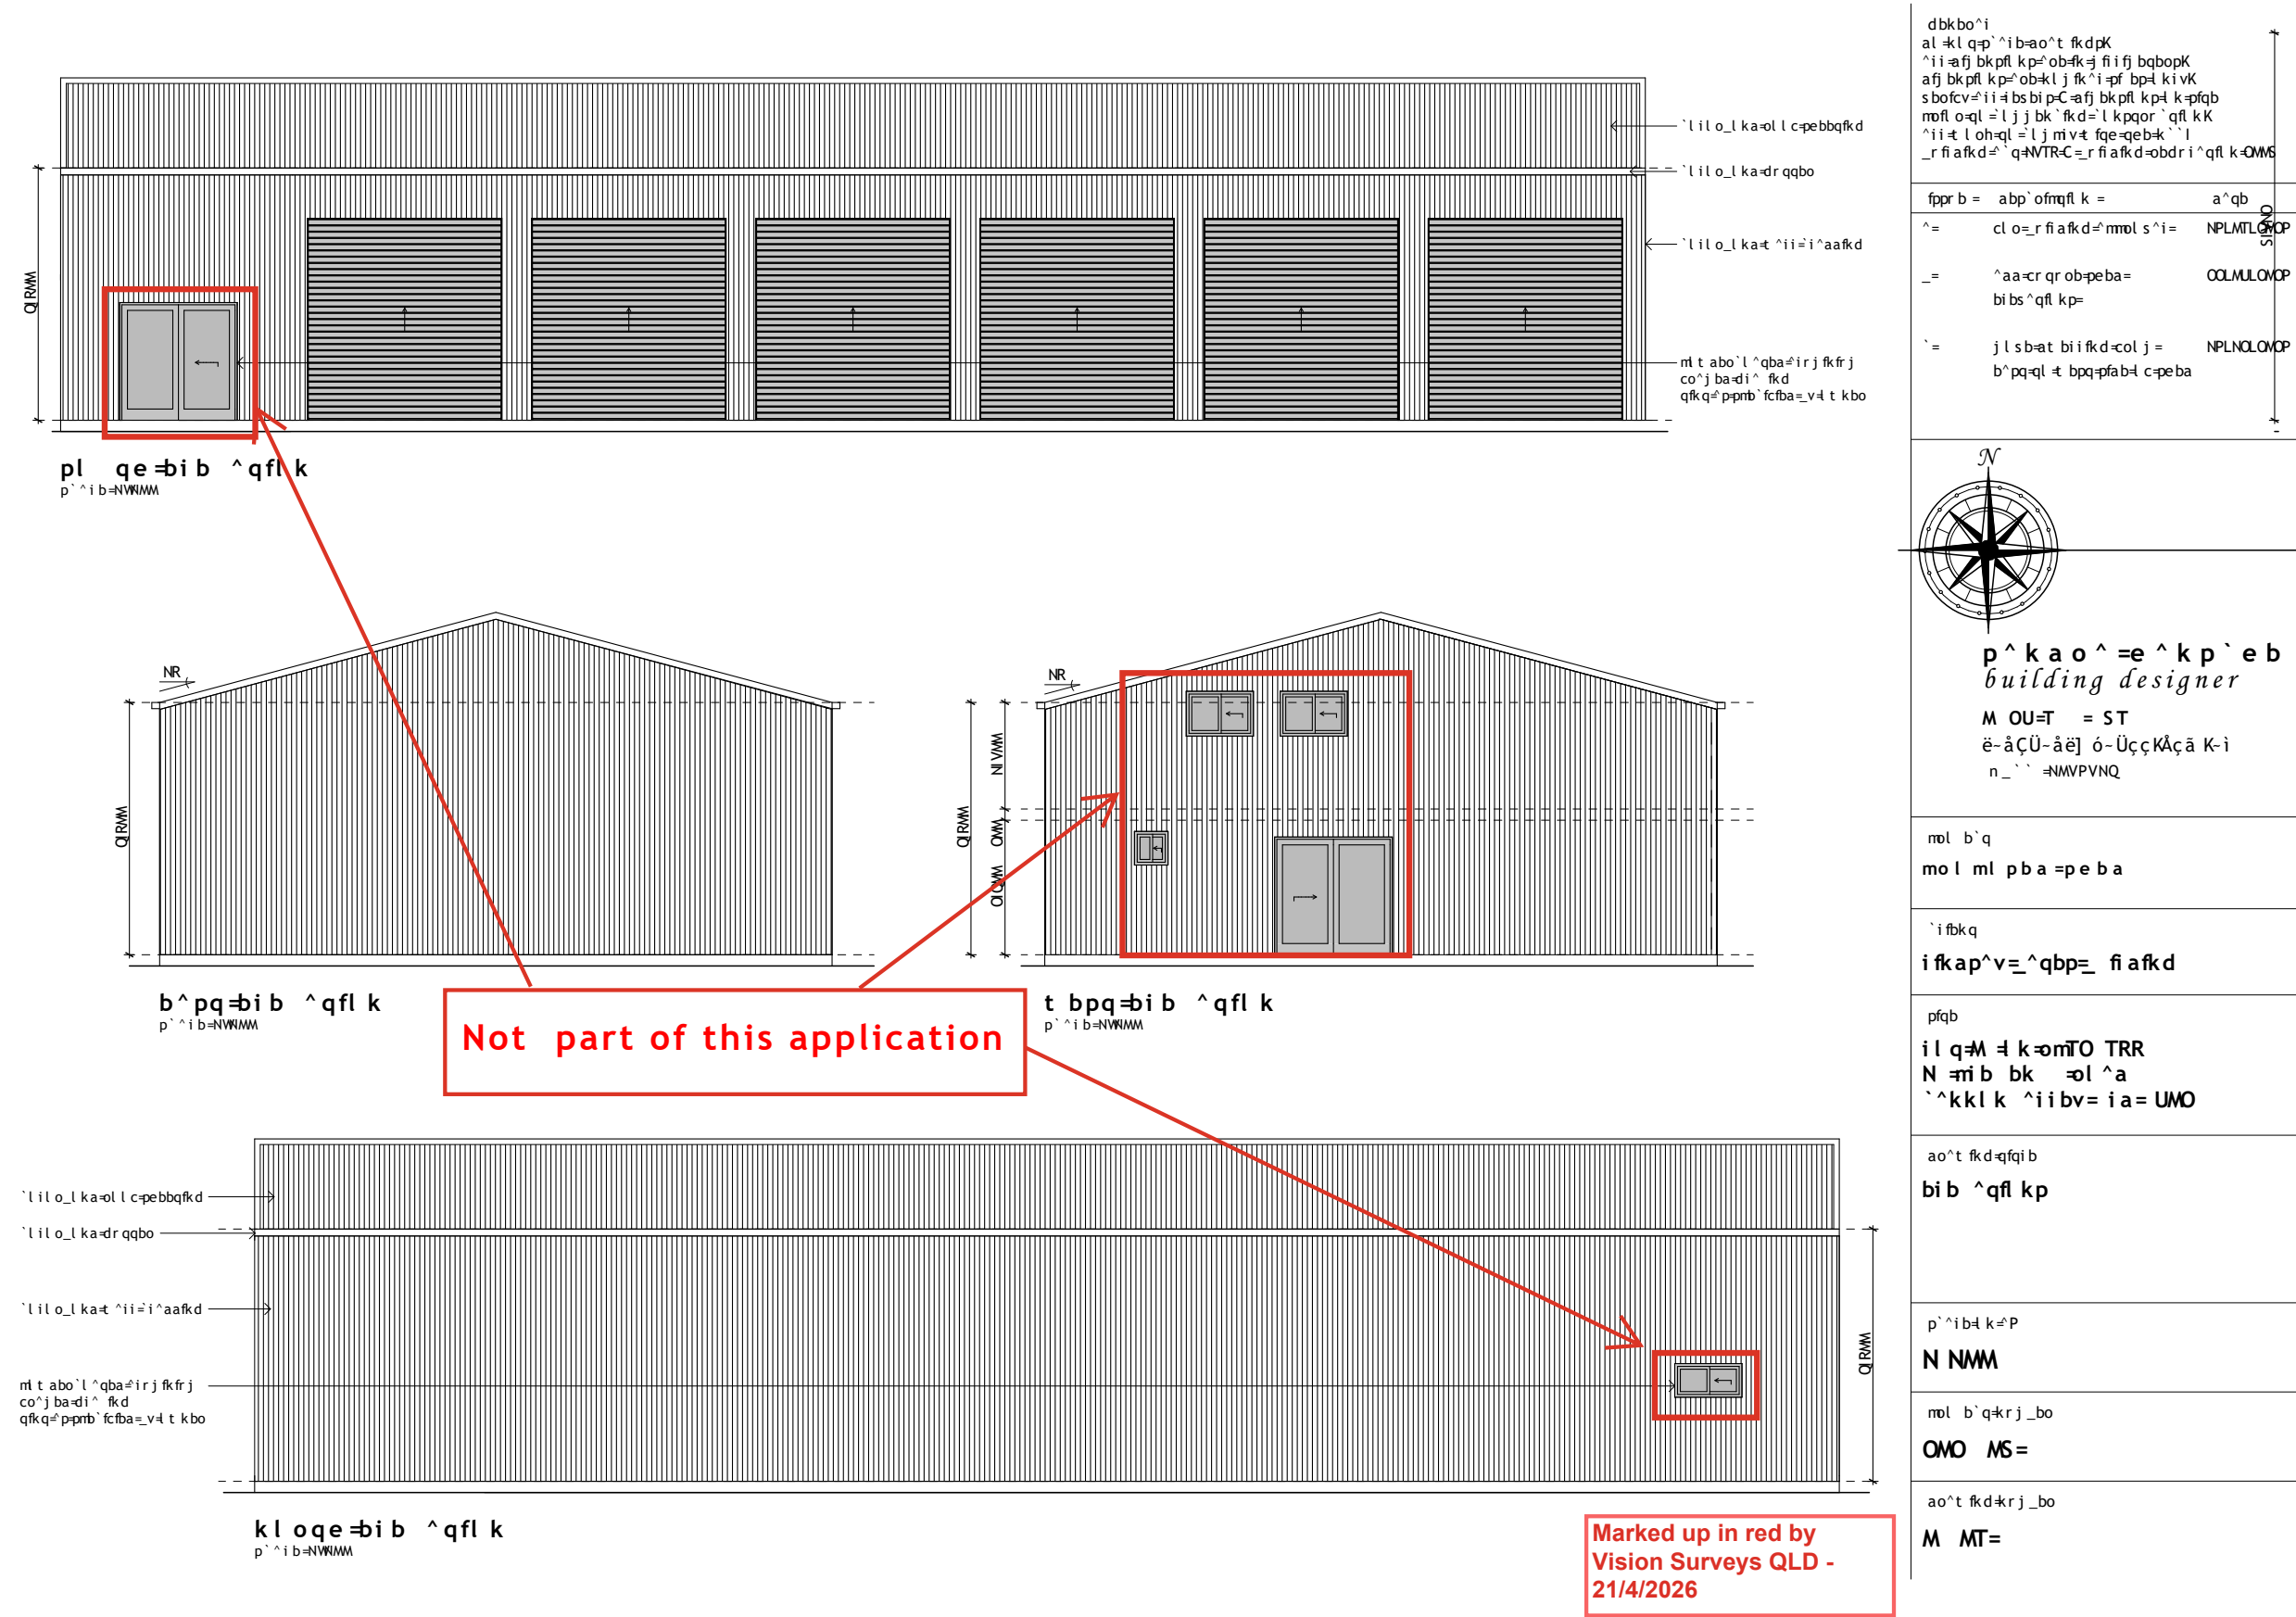

It is the responsibility of the person in control of the workplace to ensure compliance with the *Work Health and Safety Act 2011*. It states that the person in control of the workplace is obliged to ensure there is appropriate, safe access to and from the workplace for persons other than the person's workers.

- 7.6 Enquiries relating to the aforementioned conditions should be directed to the Liveability and Development Services Directorate who will direct the enquiry to the relevant officer.

11.6 - 20241130 - Request for Negotiated Decision Notice for Other Change Approval for Development Permit for Reconfiguring a Lot - Boundary Realignment - Two (2) Lots into Two (2) Lots and Reconfiguration of One (1) Lot into Two (2) Lots - 23 Allan Road

MEETING DETAILS: Ordinary Council Meeting - Wednesday 23 September 2026

AUTHOR: Planner

AUTHORISING OFFICER: Director Liveability and Development Services

PURPOSE

To present the assessment of a request for a negotiated decision notice and seek Council's determination.

EXECUTIVE SUMMARY

Council has received a request for a negotiated decision notice in relation to an Other Change Approval to Development Permit for Reconfiguring a Lot - Boundary Realignment – Two (2) Lots into Two (2) Lots and Reconfiguration of One (1) Lot into Two (2) Lots at 23 Allan Road Conway Beach, described as Lots 6 and 8 on RP746282.

The application for Other Change (a change that is not a minor change) was approved under delegation on 14 April 2026. The development approval includes separate sets of conditions for two aspects of development. Aspect 1 conditions are for the boundary realignment and aspect 2 conditions are for the subdivision of one lot into two lots. The change representations have been lodged within the appeal period seeking to remove the following conditions in Aspect 2:

- Conditions 6.1-6.8 for upgrade of Allan Road from the intersection of Conway Road to the entrance to the property to a sealed standard.

The proposed lots have frontage and access to Allan Road, an unsealed road that services 27 lots. The standard of Allan Road does not meet the requirements in the Development Manual for a road servicing this number of lots. To meet the current design standards, Allan Road must be upgraded to 8m formation width and to 6m sealed pavement width.

The applicant requested to remove the conditions for road upgrade based on the fact that one additional lot will increase number of vehicle trips per day by 3.7% and conditions for road upgrade are not reasonable.

The development will place additional vehicle movements on Allan Road and therefore, it is recommended to retain Conditions 6.1-6.8, which require the upgrade of Allan Road to an 8m wide formation and 6m wide pavement seal consistent with Council's adopted standards.

The developers planning representative has been informed of the option to request Council consider entering into an infrastructure agreement in lieu of undertaking the works. Council has been advised the developer does not intend to pursue this option.

OFFICER'S RECOMMENDATION

That Council refuse the request for Negotiated Decision Notice for Other Change Approval to Development Permit for Reconfiguring a Lot - Boundary Realignment – Two (2) Lots into Two (2) Lots and Reconfiguration of One (1) Lot into Two (2) Lots 23 Allan Road Conway Beach, described as Lots 6 and 8 on RP746282.

This is page 229 of the Agenda of Council's Ordinary Council Meeting - 23 September 2026

BACKGROUND

On 12 June 2025, Council approved a development application for development permit for Reconfiguring a Lot – Boundary Realignment Two (2) Lots into Two (2) Lots under delegation.

On 14 April 2026, Council approved development application for other change to Development Permit for Reconfiguring a Lot – Boundary Realignment – Two (2) Lots into Two (2) Lots and Reconfiguration of One (1) Lot into Two (2) Lots under delegation.

Most rural residential lots along Allan Road were created between 1982 and 1988. Since that time, Council has approved three further subdivisions:

- Development Application 20120730—one lot into two lots at 3 Allan Road;
- Development Application 20140001—one lot into four lots over Lot 5 on RP738979; and
- Development Application 20250005—one lot into eight lots at 83 Allan Road.

Development Application 20120730 was not conditioned to upgrade Allan Road. The site is located near the intersection of Conway Road and Allan Road, and the sealed section of Allan Road extends to a point near the shared driveway serving that development.

Development Application 20140001 was conditioned to upgrade Allan Road. Following an appeal to the Planning and Environment Court, Council accepted a financial contribution in lieu of the applicant undertaking the required works.

Development Application 20250005 was also conditioned to upgrade Allan Road.

DISCUSSION/CURRENT ISSUE

The proposed lots have frontage to and gain access from Allan Road. Allan Road is unsealed and does not meet the standards specified in Council's Development Manual for a road servicing this number of lots. Conditions 6.1–6.8 therefore require Allan Road to be upgraded to an 8 m-wide formation incorporating a 6 m-wide sealed pavement.

The applicant requests that these conditions be deleted. In support of the request, the applicant submits that the additional lot would generate approximately eight vehicle movements per day, representing a 3.7% increase in traffic on Allan Road. The applicant further submits that this proportional increase would reduce to 2.56% following the development of other approved subdivisions along Allan Road, comprising:

- four lots approved by the Planning and Environment Court in Proceeding No. 1208 of 2025 over Lot 1 on RP738979; and
- eight lots approved over Lot 2 on RP737354 under Development Application 20250005.

These percentages reflect the applicant's traffic calculations. Under Council's standard design allowance of 10 vehicle movements per lot per day, Allan Road currently services approximately 270 vehicle movements per day. The approved development would increase the number of lots serviced from 27 to 28, corresponding to approximately 280 vehicle movements per day.

The applicant's reliance on other approved subdivisions does not alter the assessment of the current development. Those approvals are separate from this application, may not be acted upon and, if developed, would introduce further traffic to Allan Road and reinforce the need for the road to be upgraded.

The relevant consideration is not limited to the percentage increase generated by the additional lot. Allan Road is already below the standard required for the number of lots it services, and the development would introduce an additional lot reliant on that road for access. The conditions address the cumulative effect of development and are intended to provide a safe and efficient road consistent with Council's adopted standards.

It is therefore recommended that Conditions 6.1–6.8 be retained.

FINANCIAL IMPLICATIONS

There are no direct financial implications for Council from refusal of the request. However, should the applicant appeal the decision Council may incur legal costs.

An approval of this request may result in responsibility for future upgrade of the Allan Road at full cost to Council.

Dear Sir/Madam

DECISION NOTICE – CHANGE APPLICATION

(Given under section 83 of the *Planning Act 2016*)

The Whitsunday Regional Council received your change application made under section 78 of the *Planning Act 2016* on 12 February 2026 for the development approval dated 12 June 2025.

Applicant details

Applicant name: Derliz Pty Ltd As TTE
Application number: 20241130

Location details

Street address: 23 Allan Road CONWAY BEACH
Real property description: L: 6 RP: 746282 T: N1400/160

Decision for change application

Date of decision: 9 April 2026
Decision details: Make the change and impose development conditions.

The changes agreed to are:

1. Aspect 1 – Boundary Realignment - Two (2) Lots into Two (2) Lots
2. Aspect 2 – Reconfiguring a Lot – One (1) Lot into Two (2) Lots

Details of the change approval

Development permit: Development Application for Other Change to Development Permit for Reconfiguring a Lot - Boundary Realignment - Two (2) Lots into Two (2) Lots and Reconfiguration of One (1) Lot into Two (2) Lots

Should you require any further information, please contact Shokhida Safarova directly on 07 4945 0231 or info@wrc.qld.gov.au.

 Statement of Reasons

PA Extract Appeal Rights

PLANNING ACT 2016

The following is an extract from the *Planning Act* (Chapter 6, Part 1).

229 Appeals to tribunal or P&E Court

(1) Schedule 1 states— (a) matters that may be appealed to— (i) either a tribunal or the P&E Court; or (ii) only a tribunal; or (iii) only the P&E Court; and (b) the person— (i) who may appeal a matter (the appellant); and (ii) who is a respondent in an appeal of the matter; and (iii) who is a co-respondent in an appeal of the matter; and (iv) who may elect to be a co-respondent in an appeal of the matter.

(2) An appellant may start an appeal within the appeal period.

(3) The appeal period is— (a) for an appeal by a building advisory agency—10 business days after a decision notice for the decision is given to the agency; or (b) for an appeal against a deemed refusal—at any time after the deemed refusal happens; or (c) for an appeal against a decision of the Minister, under chapter 7, part 4, to register premises or to renew the registration of premises—20 business days after a notice is published under section 269(3)(a) or (4); or (d) for an appeal against an infrastructure charges notice—20 business days after the infrastructure charges notice is given to the person; or (e) for an appeal about a deemed approval of a development application for which a decision notice has not been given—30 business days after the applicant gives the deemed approval notice to the assessment manager; or (f) for any other appeal—20 business days after a notice of the decision for the matter, including an enforcement notice, is given to the person. Note— See the P&E Court Act for the court's power to extend the appeal period.

(4) Each respondent and co-respondent for an appeal may be heard in the appeal.

(5) If an appeal is only about a referral agency's response, the assessment manager may apply to the tribunal or P&E Court to withdraw from the appeal.

(6) To remove any doubt, it is declared that an appeal against an infrastructure charges notice must not be about— (a) the adopted charge itself; or (b) for a decision about an offset or refund— (i) the establishment cost of trunk infrastructure identified in a LGIP; or (ii) the cost of infrastructure decided using the method included in the local government's charges resolution.

230 Notice of appeal

(1) An appellant starts an appeal by lodging, with the registrar of the tribunal or P&E Court, a notice of appeal that— (a) is in the approved form; and (b) succinctly states the grounds of the appeal.

(2) The notice of appeal must be accompanied by the required fee.

(3) The appellant or, for an appeal to a tribunal, the registrar must, within the service period, give a copy of the notice of appeal to— (a) the respondent for the appeal; and

(b) each co-respondent for the appeal; and (c) for an appeal about a development application under schedule 1, table 1, item 1—each principal submitter for the development application; and (d) for an appeal about a change application under schedule 1, table 1, item 2—each principal submitter for the change application; and (e) each person who may elect to become a co-respondent for the appeal, other than an eligible submitter who is not a principal submitter in an appeal under paragraph (c) or (d); and (f) for an appeal to the P&E Court—the chief executive; and (g) for an appeal to a tribunal under another Act—any other person who the registrar considers appropriate.

(4) The service period is— (a) if a submitter or advice agency started the appeal in the P&E Court—2 business days after the appeal is started; or (b) otherwise—10 business days after the appeal is started.

(5) A notice of appeal given to a person who may elect to be a co-respondent must state the effect of subsection (6).

(6) A person elects to be a co-respondent by filing a notice of election, in the approved form, within 10 business days after the notice of appeal is given to the person.

231 Other appeals

(1) Subject to this chapter, schedule 1 and the P&E Court Act, unless the Supreme Court decides a decision or other matter under this Act is affected by jurisdictional error, the decision or matter is non-appealable.

(2) The Judicial Review Act 1991, part 5 applies to the decision or matter to the extent it is affected by jurisdictional error.

(3) A person who, but for subsection (1) could have made an application under the Judicial Review Act 1991 in relation to the decision or matter, may apply under part 4 of that Act for a statement of reasons in relation to the decision or matter.

(4) In this section— decision includes— (a) conduct engaged in for the purpose of making a decision; and (b) other conduct that relates to the making of a decision; and (c) the making of a decision or the failure to make a decision; and (d) a purported decision; and (e) a deemed refusal. non-appealable, for a decision or matter, means the decision or matter— (a) is final and conclusive; and (b) may not be challenged, appealed against, reviewed, quashed, set aside or called into question in any other way under the Judicial Review Act 1991 or otherwise, whether by the Supreme Court, another court, a tribunal or another entity; and (c) is not subject to any declaratory, injunctive or other order of the Supreme Court, another court, a tribunal or another entity on any ground.

232 Rules of the P&E Court

(1) A person who is appealing to the P&E Court must comply with the rules of the court that apply to the appeal.

(2) However, the P&E Court may hear and decide an appeal even if the person has not complied with rules of the P&E Court.

Revised Conditions
Whitsunday Regional Council**

PLANNING ACT 2016

Aspect 1 – Boundary Realignment

1.0 ADMINISTRATION

- 1.1 The approved development must be completed and maintained generally in accordance with the approved drawings and documents:

Plan/Document Name	Prepared By	Plan Number	Dated
Reconfiguration of a Lot Plan	Vision Surveys (QLD)	24534-PP01 – 1 of 1	22/10/2024
Slope Stability Assessment, Foundation Investigation & On-site Wastewater Management	GE Ground environments Pty Ltd	GA_2407.1120	26/08/2024

- 1.2 Where a discrepancy or conflict exists between the written conditions of this approval and the approved plans, the requirements of the written condition(s) will prevail.
- 1.3 All conditions of this approval must be complied with in full to Council's satisfaction prior to the commencement of the use.
- 1.4 The applicant shall demonstrate and provide evidence that compliance with all conditions of this development approval and any other subsequent development approvals as a result of this development approval have been complied with at the time of sealing the survey plan or commencement of the use, whichever is the sooner.

2.0 CLEARING, LANDSCAPING AND FENCING

- 2.1 Any vegetation removed must be disposed of to the requirements of the Council. Transplanting, chipping or removal from site are the preferred solutions.
- 2.2 All vegetative waste cleared as part of the development of the site is to be either:
- a) stored neatly on site and shredded within sixty (60) days of clearing; or
 - b) removed off the site to an approved disposal location.

3.0 MAINTENANCE VALUATIONS

- 3.1 The applicant must pay to Council a maintenance valuation fee per lot at the time of sealing of the survey plan at the rate applicable at the time of payment. The current rate is \$48.00 per lot.

4.0 MISCELLANEOUS

- 4.1 If any item of cultural heritage is identified during site works, all work must cease, and the relevant State Agency must be notified. Work can resume only after State Agency clearance is obtained.

The Applicant is reminded of their obligations under the Aboriginal Cultural Heritage Act, 2003 and the Torres Strait Islander Cultural Heritage Act 2003. Further information and

databases are available from the Department of Aboriginal and Torres Strait Islander Partnerships at: www.datsip.qld.gov.au

- 4.2 Any alteration necessary to electricity, telephone, water mains, sewerage mains, and/or public utility installations resulting from the development or in connection with the development, must be at full cost to the developer.
- 4.3 Any building materials, equipment and the like must be appropriately tied down, placed indoors and secured on site at the time of preparation for cyclone events. The on-site supervisor is to ensure that all contractors/employees take the necessary steps to secure the construction site in the event of a cyclone.
- 4.4 All construction materials, waste, waste skips, machinery and contractors' vehicles must be located and stored or parked within the site. No storage of materials, parking of construction machinery or contractors' vehicles will be permitted in Allan Road or adjoining land unless written permission from the owner of that land and Council is provided.
- 4.5 It is the developer's responsibility for the full rectification of any damage caused to neighbouring public infrastructure (such as footpaths, driveways, fences, gardens, trees and the like) caused by contractors, including clean up of any litter or waste that is a result of the subject development.

5.0 ADVISORY NOTES

5.1 Hours of work

It is the developer's responsibility to ensure compliance with the Environmental Protection Act 1994, which prohibits any construction, building and earthworks activities likely to cause nuisance noise (including the entry and departure of heavy vehicles) between the hours of 6.30 pm and 6.30 am from Monday to Saturday and at all times on Sundays or Public Holidays.

5.2 Dust Control

It is the developer's responsibility to ensure compliance with the Environmental Nuisance of the Environmental Protection Act 1994 which prohibits unlawful environmental nuisance caused by dust, ash, fumes, light, odour or smoke beyond the boundaries of the property during all stages of the development including earthworks and construction.

5.3 Sedimentation Control

It is the developer's responsibility to ensure compliance with the Environmental Protection Act 1994 and Schedule 9 of the Environmental Protection Regulation 2008 to prevent soil erosion and contamination of the stormwater drainage system and waterways.

5.4 Noise During Construction and Noise in General

It is the developer's responsibility to ensure compliance with the Environmental Protection Act 1994.

5.5 General Safety of Public During Construction

It is the project manager's responsibility to ensure compliance with the Work Health and Safety Act 2011. It states that the project manager is obliged to ensure construction work is planned and managed in a way that prevents or minimises risks to the health and safety of members of the public at or near the workplace during construction work.

It is the principal contractor's responsibility to ensure compliance with the Work Health and Safety Act 2011. It states that the principal contractor is obliged on a construction workplace to ensure that work activities at the workplace prevent or minimise risks to the health and safety of the public at or near the workplace during the work.

It is the responsibility of the person in control of the workplace to ensure compliance with the Work Health and Safety Act 2011. It states that the person in control of the workplace is

obliged to ensure there is appropriate, safe access to and from the workplace for persons other than the person's workers.

- 5.6 Enquiries relating to the aforementioned conditions should be directed to the Development Services Directorate who will direct the enquiry to the relevant officer.

Aspect 2 – Subdivision (One Lot into Two Lots)

1.0 ADMINISTRATION

- 1.1 The approved development must be completed and maintained generally in accordance with the approved drawings and documents:

Plan/Document Name	Prepared By	Plan Number	Dated
Reconfiguration of a Lot Plan	Vision Surveys (QLD)	24534-PP02 – 1 of 1	22/10/2024
Slope Stability Assessment, Foundation Investigation & On-site Wastewater Management	GE Ground environments Pty Ltd	GA_2407.1120	26/08/2024

- 1.2 The following further development permits are required prior to commencement of work on site or commencement of the use:

- Operational Works:
 - Erosion Prevention and Sediment Control;
 - Road works.

- 1.3 Where a discrepancy or conflict exists between the written conditions of this approval and the approved plans, the requirements of the written condition(s) will prevail.

- 1.4 All conditions of this approval must be complied with in full to Council's satisfaction prior to the commencement of the use.

- 1.5 The applicant shall demonstrate and provide evidence that compliance with all conditions of this development approval and any other subsequent development approvals as a result of this development approval have been complied with at the time of sealing the survey plan or commencement of the use, whichever is the sooner.

2.0 CLEARING, LANDSCAPING AND FENCING

- 2.1 Any vegetation removed must be disposed of to the requirements of the Council. Transplanting, chipping or removal from site are the preferred solutions.

- 2.2 All vegetative waste cleared as part of the development of the site is to be either:

- a) stored neatly on site and shredded within sixty (60) days of clearing; or
- b) removed off the site to an approved disposal location.

3.0 MAINTENANCE VALUATIONS

- 3.1 The applicant must pay to Council a maintenance valuation fee per lot at the time of sealing of the survey plan at the rate applicable at the time of payment. The current rate is \$48.00 per lot.

4.0 STORMWATER AND FLOODING

- 4.1 All stormwater drainage works must be designed and constructed in accordance with the Queensland Urban Drainage Manual current at the time of development and Council's Development Manual (current at the time of development).

5.0 ACCESS AND PARKING

External access – Proposed Lot 3

- 5.1 A Road Works permit must be obtained prior to commencement of work for the external access on site.
- 5.2 The external access to Proposed Lot 3 must be constructed in accordance with the Approved Road Works permit prior to signing of the Survey Plans.

6.0 ROADWORKS

- 6.1 A Development Permit for Operational Works (Roadworks) must be obtained prior to commencement of work on site.
- 6.2 Any application for Operational Works (Roadworks) must be accompanied by engineering design drawings, including calculations and certifications of the design, demonstrating compliance with Queensland Urban Drainage Manual (current at the time of development), Council's Development Manual (current at the time of development) and this Decision Notice.
- 6.3 Prior to signing of Plan of Survey the applicant must design and construct roads in accordance with the criteria and specifications in Council's Development Manual.
- 6.4 All road designs including the verge requirements must comply with the criteria and specification as detailed in Council's Development Manual (current at the time of development) for a Rural Access Road; that being:

Allan Road is to be constructed from the intersection of Conway Road to the vehicle crossover entrance to the property

Rural Access

Formation - 8m

Pavement Width - 6m

Seal width - 6.0m (min)

Shoulders - 1m gravel

The tie in with the intersection of Conway Road is to be constructed in accordance with Austroads Guide to Road Design (Part 4, 4A, 4B and 4C).

- 6.5 Design and construction of the works must be in accordance with Council's Standard Specifications and Standard Drawings applicable at the time of development.
- 6.6 All stormwater drainage works associated with the road design must be designed and constructed in accordance with the Whitsunday Regional Council Development Manual and the Queensland Urban Drainage Manual and be adequately sized to cater for the final fully developed flows in the catchment.
- 6.7 At completion of construction and prior to Signing of Plan of Survey, the Supervising Engineer must provide certification to Council that all construction complies with this Decision Notice and Council's Development Manual.
- 6.8 Prior to the signing of Plan of Survey, whichever is sooner, the owner must lodge with Council, an engineer's certification (by an experienced and qualified geotechnical/civil engineer). The certification must be addressed to Council and must certify that all External Roadworks have been designed and constructed according to the conditions of this Decision Notice and Council's Development Manual.

7.0 ENVIRONMENTAL MANAGEMENT

- 7.1 A Development Permit for Operational Works (Erosion Prevention and Sediment Control) must be obtained prior to commencement of work on site.
- 7.2 The Erosion Prevention and Sediment Control Plan must be prepared in accordance with Council's Development Manual and best Practice Erosion & Sediment Control – November 2008 (IECA White Book).
- 7.3 The strategy of the plan must be implemented and maintained for the duration of the operational and building works, and until exposed soil areas are permanently stabilised (e.g., turfed, concreted).
- 7.4 Discharges of water pollutants, wastewater or stormwater from the site must not cause measurable levels of water pollutants in the receiving waters to fall outside the acceptable ranges specified in the 'Australian Water Quality Guidelines for Fresh and Marine Waters', ANZECC 2000.
- 7.5 No visible emissions of dust must occur beyond the boundaries of the site during earthworks and construction activities on the site. If, at any time during the earthworks and construction activities the dust emissions exceed the levels specified above, all dust generating activities must cease until the corrective actions have been implemented to reduce dust emissions to acceptable levels or wind conditions are such that acceptable levels are achieved.
- 7.6 The applicant must ensure that when undertaking any on-site or external works, including any filling and extraction, appropriate dust control measures are implemented in accordance with the Environmental Protection Act 1994 and complies with the relevant air quality objectives defined in the Environmental Protection (Air) Policy 2008.

8.0 EARTHWORKS

- 8.1 All site work must be designed and supervised by an experienced and qualified Civil/Geotechnical Engineer and undertaken in accordance with the recommendations of the Geotechnical Investigation Report by Ground Environments Pty Ltd Slope Stability Assessment, Foundation Investigation and On-Site Wastewater Management dated August 2024.

9.0 BUSHFIRE PROTECTION PLAN

- 9.1 At future building application stage for Proposed Lot 3, one tank that is below ground or of non-combustible construction is located within 10 meters of each Class 1, 2, 3 or 4 building is to be provided as follows:
 - a) a take-off connection from the tank that is at a level that allows static water supply of 10,000 litres to be dedicated for firefighting purposes;
 - b) a hardstand area allowing heavy rigid fire appliance access within 6m of tank;
 - c) fire brigade tank fittings (50mm ball valve & male camlock coupling);
 - d) above ground water pipes, where fittings are metal; and
 - e) if underground, the tank has an access hole of 200mm (minimum) to allow access for suction lines.

10.0 ELECTRICITY AND TELECOMMUNICATIONS

- 10.1 Provide electricity and telecommunications connection to the proposed development to the requirements of the relevant authority. The application must submit to Council, either:

- (a) a certificate of supply demonstrating that existing low-voltage electricity supply is available to the newly created lots; or
 - (b) a certificate of supply that the applicant has entered into an agreement with the authorized electricity supplier, Ergon, to provide electricity services to the newly created lots, payment has been received, and the connection will be completed at a date in the future.
- 10.2 If low-voltage electricity supply is unavailable to the newly created lots then the applicant must provide a certificate of supply of the proposed electricity connection date to all future property owners prior to entering into a contract of sale for the newly created lots prior to signing of the survey plan.

11.0 MISCELLANEOUS

- 11.1 If any item of cultural heritage is identified during site works, all work must cease, and the relevant State Agency must be notified. Work can resume only after State Agency clearance is obtained.

The Applicant is reminded of their obligations under the Aboriginal Cultural Heritage Act, 2003 and the Torres Strait Islander Cultural Heritage Act 2003. Further information and databases are available from the Department of Aboriginal and Torres Strait Islander Partnerships at: www.datsip.qld.gov.au

- 11.2 Any alteration necessary to electricity, telephone, water mains, sewerage mains, and/or public utility installations resulting from the development or in connection with the development, must be at full cost to the developer.
- 11.3 Any building materials, equipment and the like must be appropriately tied down, placed indoors and secured on site at the time of preparation for cyclone events. The on-site supervisor is to ensure that all contractors/employees take the necessary steps to secure the construction site in the event of a cyclone.
- 11.4 All construction materials, waste, waste skips, machinery and contractors' vehicles must be located and stored or parked within the site. No storage of materials, parking of construction machinery or contractors' vehicles will be permitted in Allan Road or adjoining land unless written permission from the owner of that land and Council is provided.
- 11.5 It is the developer's responsibility for the full rectification of any damage caused to neighbouring public infrastructure (such as footpaths, driveways, fences, gardens, trees and the like) caused by contractors, including clean up of any litter or waste that is a result of the subject development.

12.0 ADVISORY NOTES

12.1 Hours of work

It is the developer's responsibility to ensure compliance with the Environmental Protection Act 1994, which prohibits any construction, building and earthworks activities likely to cause nuisance noise (including the entry and departure of heavy vehicles) between the hours of 6.30 pm and 6.30 am from Monday to Saturday and at all times on Sundays or Public Holidays.

12.2 Dust Control

It is the developer's responsibility to ensure compliance with the Environmental Nuisance of the Environmental Protection Act 1994 which prohibits unlawful environmental nuisance caused by dust, ash, fumes, light, odour or smoke beyond the boundaries of the property during all stages of the development including earthworks and construction.

12.3 Sedimentation Control

It is the developer's responsibility to ensure compliance with the Environmental Protection Act 1994 and Schedule 9 of the Environmental Protection Regulation 2008 to prevent soil erosion and contamination of the stormwater drainage system and waterways.

12.4 Noise During Construction and Noise in General

It is the developer's responsibility to ensure compliance with the Environmental Protection Act 1994.

12.5 General Safety of Public During Construction

It is the project manager's responsibility to ensure compliance with the Work Health and Safety Act 2011. It states that the project manager is obliged to ensure construction work is planned and managed in a way that prevents or minimises risks to the health and safety of members of the public at or near the workplace during construction work.

It is the principal contractor's responsibility to ensure compliance with the Work Health and Safety Act 2011. It states that the principal contractor is obliged on a construction workplace to ensure that work activities at the workplace prevent or minimise risks to the health and safety of the public at or near the workplace during the work.

It is the responsibility of the person in control of the workplace to ensure compliance with the Work Health and Safety Act 2011. It states that the person in control of the workplace is obliged to ensure there is appropriate, safe access to and from the workplace for persons other than the person's workers.

12.6 Enquiries relating to the aforementioned conditions should be directed to the Development Services Directorate who will direct the enquiry to the relevant officer.

11.7 - 20181617 - Request for Extension of Currency Period - Development Permit for Operational Works - Tidal Works (Breakwater); and Development Permit for Material Change of Use - ERA 16.2 (b) and 16.3 (b) - Shute Harbour Marina Development Pty Ltd

MEETING DETAILS: Ordinary Council Meeting - Wednesday 23 September 2026

AUTHOR: Senior Planner

AUTHORISING OFFICER: Director Liveability and Development Services

PURPOSE

To present a request for the extension of the currency period for the Shute Harbour Marina Development and seek Council's determination.

EXECUTIVE SUMMARY

This report considers a request from Shute Harbour Marina Development Pty Ltd to extend the currency period of the Development Permit for Material Change of Use for Environmentally Relevant Activities and Operational Works for Tidal Works and Stage 1 services associated with the Shute Harbour Marina development. The applicant seeks a 12-month extension from 16 August 2026 to 16 August 2027.

The Development Permit was issued on 2 September 2019 and has previously benefited from extensions granted by Council and the automatic COVID-19 Ministerial extensions. On 30 September 2024, Council extended the currency period of the Operational Works components to align with the Material Change of Use component, resulting in all aspects of the Development Permit having a currency period ending on 16 August 2026.

The request has been assessed against Council's *Requests for Extension of Time Policy*. The Material Change of Use component is treated as a first extension under Item 2 of the Policy. The approved development has not been changed; the use remains code assessable and no more onerous zoning or overlay provisions now apply to the site. The Material Change of Use component therefore satisfies the relevant policy criteria.

The Operational Works component is a third extension and falls within Item 3 of the Policy. The approved works have not substantially commenced and are not expected to be completed within six months. The request therefore does not satisfy the criteria for approval under delegation and must be decided by Council.

The Shute Harbour Marina Development has a long history, with initial marina proposals being mooted in the 1980's and formal tenure provided in early 1990's. Below is a timeline of events with respect to the project to provide a context to the current extension application and the complexity involved:

- 1994: Permit to Occupy and Special Lease issued by the State;
- April 1998: Permit to Occupy and Special Lease transferred to Shute Harbour Marina Development Pty Ltd;
- 25 August 1999: Term Lease (7 years) issued by the Department of Natural Resources and Mines;
- October 2003: previous proposal over the same area was declared a 'significant project' under the provisions of State Development Public Works and Organisations Act 1971;
- 20 April 2005: Environmental Impact Statement lodged for assessment;

- 27 March 2006: Coordinator General determines a new Initial Advice Statement for the revised proposal is required.
- 2 June 2006: Initial Advice Statement issued for a revised concept;
- 17 July 2006: Referral to the Minister for the Environment for determination of a controlled action;
- 27 July 2006: Project deemed a controlled action by the Commonwealth Minister for the Environment under provisions of the Environment Protection and Biodiversity Conservation Act 1999 ('EPBC').
- 28 July 2006: Gazetted as a Significant Project by the Queensland Coordinator General under the provisions of the State Development Public Works and Organisations Act 1971 ('SDPWOA');
- 25 October 2006 - 27 November 2006: Public consultation for draft Terms of Reference for the Environmental Impact Statement;
- 15 June 2007: Terms of Reference issued by the Coordinator General;
- 1 November 2008 – 15 December 2008: Public Consultation of the Environmental Impact Statement as submitted;
- 9 February 2009: Co-ordinator General sought additional information on the revised project;
- 16 March 2013 - 29 April 2013: Supplementary Environmental Impact Statement released for comment;
- 9 December 2013: Co-ordinator Generals report on the project issued;
- 9 January 2014: Approval under the EPBC Act granted by the Commonwealth Minister for the Environment;
- 31 May 2017: Term Lease TL 0/239765 issued for the site and the project;
- 6 December 2017: Coordinator General stated a new lapse date of 9 December 2018.
- 7 December 2018: Coordinator-General stated a new lapse date for the Coordinator-General's EIS evaluation report of 10 June 2019.
- 27 March 2019: Council approved the Shute Harbour Marina Resort Variation Approval.

The applicant submits that the project has continued to progress despite the time required to coordinate a complex suite of Commonwealth, State and local government approvals. Since the previous extension, the applicant has progressed:

- amended State lease arrangements and negotiations for a further 10-year lease extension;
- project feasibility, engineering and construction methodology investigations;
- a variation to the Commonwealth environmental approval and the required environmental monitoring;
- a Cultural Heritage Management Plan with the Gia and Ngaro Peoples; and
- opportunities to integrate the development with the proposed Shute Harbour Recreational Boating Facility.

A revised master plan is being prepared following engineering, feasibility and Early Contractor Involvement investigations. The revised design is intended to improve the environmental performance and constructability of the development and respond to current market conditions while retaining the underlying concept of a waterfront precinct comprising residential development, private marina berths and retail and commercial activities. The applicant intends to lodge an Other Change application for the existing Variation Approval and Operational Works approval once the supporting investigations are complete.

The requested 12-month extension would allow the applicant to finalise the State lease arrangements, technical investigations and revised master plan before lodging the proposed

Other Change application. The associated Preliminary Approval for the Shute Harbour Development Code remains current until 27 March 2034. Approval of the extension would preserve the existing Development Permit but would not constitute Council's endorsement of the revised master plan, which would be subject to separate assessment through the Other Change application.

Having regard to the continued progression of the project, the complexity of the outstanding approval and lease arrangements, the limited duration of the extension sought and the continuing effect of the Preliminary Approval, it is recommended that Council approve the request and extend the currency period of the Development Permit to 16 August 2027.

OFFICER'S RECOMMENDATION

That Council approve the Request to Extend the Currency Period for the Development Permit for Operational Works – Tidal Works for Construction of Breakwater, Dewatering and Reclaiming Land Above and Below High Tide Mark, Including the Removal of Marine Plants and Vegetation and Works including Civil Works for the Servicing of the Future Development Area including Road Access; and the Development Permit for Material Change of Use – Environmentally Relevant Activity (ERA) 16.2(b) and 16.3(b) - Extraction and Screening Activities, until 16 August 2027.

BACKGROUND

The Development Permit's currency period has been extended previously via the following mechanisms:

- On 7 September 2021, Council approved an extension of time until 30 September 2023.
- Automatically extended by Minister under section 275R of the *Planning Act 2016* (Covid-19 Automatic Ministerial Extensions), providing an extension until 30 September 2024. The Material change of use (MCU) aspect received extension to 16 August 2026 via the Covid-19 Automatic Ministerial Extensions.
- On 30 September 2024, Council extended the Operational Works aspects of the permit to align with the currency period of the associated Material Change of Use for the ERA's, being 16 August 2026.

DISCUSSION/CURRENT ISSUE

In accordance with Council's Requests for Extension of Time Policy, the requested extension falls within both Item 2 for the Material Change of Use (MCU) aspect and within Item 3 for Operational Works aspect of the policy.

For the MCU aspect under Item 2 of the Policy, this is a first extension requiring the request to be assessed against the following criteria from the Policy:

- a) There are no changes to the approved development apart from Minor or Other Changes approved by Council.

At the time of the submission of this extension request, there are no live Minor or Other Change requests in with Council for the subject application.

- b) The relevant level of assessment for the use has not changed to Impact Assessment

The level of assessment for the subject application remains as Code Assessable.

- c) Where there have been changes to the zone or overlays affecting the site, the applicant can demonstrate that no more onerous requirements apply to the site (e.g. increased flood immunity levels).

At the time of lodgement in 2018, the subject site was an unzoned lease lot and therefore adopted the Community Facilities zoning of the nearest parcel. The site was subsequently formally zoned Community Facilities in a later version of the Planning Scheme. The overlays applicable at the time of the original application remain in effect, with no additional hazard overlays now affecting the site. The MCU aspect is therefore in alignment with the policy for an extension of its currency period.

For the Operational Works aspects under Item 3 of the Policy, this is a third extension request and therefore falls under Item 3 of the policy, requiring assessment against the following criteria:

- a) For an operational works application, the work has substantially commenced and is expected to be finalised within 6 months.

It is acknowledged that the operational works aspect of this permit has not substantially commenced and will not be completed within 6 months. Therefore, this requested extension is to be decided by Council.

To assist Council in deciding this extension request, Shute Harbour Marina Development Pty Ltd have nominated the following relevant matters for Council's consideration.

1. Factors influencing the requirement to seek an extension of time.

The following Commonwealth, State and Local approvals have been granted for the project:

- Commonwealth Controlled Action decision dated 25 January 2025 (REF 2006/2939).
- State 'Coordinated Project' determination/status under the *State Development and Public Works Organisation Act 1974*.
- DA20181552 Preliminary approval for Material Change of Use (Variation to Whitsunday Regional Council Planning Scheme - Shute Harbour Development Code) under the *Planning Act 2016* dated 27 March 2019 which is valid until 27 March 2034.
- Development Permit for Material Change of Use (Environmentally Relevant Activity) granted by Whitsunday Regional Council on 2 September 2019 and valid until 16 August 2026.
- Development Permit for Operational Works (Tidal Works and Stage 1 services) granted by Whitsunday Regional Council on 2 September 2019 and valid until 16 August 2026.

The applicant advises that the Shute Harbour Marina development is subject to a complex suite of Commonwealth, State and local approvals, together with the State Term Lease, with various endorsements, monitoring programs and management plans required before physical works can commence. The previous extension was attributed to COVID related impacts on tendering and construction and restructuring of the development company. Since that time, the applicant submits that the project has continued to progress through planning, stakeholder engagement and technical investigations.

Key factors identified as contributing to the extension include:

- State Lease: Amended lease conditions were finalised in August 2023; however, delays associated with approval milestones have reduced the remaining lease term.

Negotiations are advanced for a further 10-year lease extension, with an offer expected to be executed in November 2026. The applicant advises that project financing cannot be released until the amended lease is executed.

- Project feasibility: EY and Sydney Marine Company have been engaged in 2024 to progress project management, engineering, construction methodology and feasibility investigations.
- Commonwealth Environmental approvals: The EPBC approval was varied in January 2025, with up to 18 months of environmental monitoring and reporting required before works commence.
- Cultural heritage: The Gia and Ngaro Peoples native title claim lodged in April 2024 required renegotiation of the Cultural Heritage Management Plan. The applicant advises that the CHMP, which had been under negotiation since 2008, was ultimately agreed and signed in late 2025.
- Revised Master Plan: The development is being redesigned to respond to current market conditions and improve environmental and construction outcomes.
- Shute Harbour Recreational Boating Facility: Its identification as a priority Olympic and Paralympic Games infrastructure project in February 2026 has created an opportunity to integrate the marina development with the proposed facility, with discussions occurring between the applicant and Council.

Overall, the applicant considers these matters demonstrate continued progression of the project despite the time taken to resolve the various approval, lease, environmental, cultural heritage, design and financing requirements.

2. Proposed changes to the development.

The applicant is preparing a revised master plan following engineering and construction methodology investigations undertaken through the Early Contractor Involvement (ECI) process. The revised design proposes changes to the overall landform to improve the environmental performance and constructability of the development, while retaining the fundamental concept of a waterfront precinct comprising residential development, private marina berths and retail and commercial opportunities. The revised master plan also responds to changes in market demand for short-term accommodation, residential, retail and commercial uses since the original development was conceived.

The revised design has also sought to incorporate Council's objectives for the area and, where possible, integrate with the proposed Shute Harbour Recreational Boating Facility. The changes will require updated coastal process modelling, environmental assessments and construction feasibility investigations, particularly having regard to increased construction costs and the need to demonstrate that the revised development remains financially viable.

The applicant intends to lodge an 'Other Change' application for both the existing Variation approval and Operational Works approval once these investigations are completed. It submits that, notwithstanding the proposed changes, the revised master plan continues to be informed by the principles and assessment benchmarks of the approved Variation Scheme, which remains in effect until 2034, and is therefore generally consistent with the existing planning framework.

The requested 12-month extension to 16 August 2027, is intended to provide sufficient time to finalise the lease arrangements and technical investigations and lodge the Other Change application.

FINANCIAL IMPLICATIONS

All application fees have been paid.

No infrastructure charges are applicable to this permit.

11.8 - Donations, Sponsorships and Grants Approved - August 2026

MEETING DETAILS: Ordinary Council Meeting - Wednesday 23 September 2026

AUTHOR: Manager Sports, Recreation and Community Development

AUTHORISING OFFICER: Director Liveability and Development Services

PURPOSE

To advise Council of the donations, sponsorships and grants approved in August 2026.

EXECUTIVE SUMMARY

Council receives applications from community organisations seeking financial assistance to support the delivery of projects, initiatives and events that benefit the Whitsunday community. In accordance with Council's Community Support Policy, these applications are assessed and determined under delegated authority. Consistent with Council's resolution of 18 June 2025, this report provides a monthly summary of all approvals made under delegated authority.

Approvals outlined in this report include:

- a) Young Achievers
- b) Donations
- c) Sponsorships
- d) Donation on Council Fees
- e) Sport and Recreation Club Grant
- f) Facility Management Grant
- g) RADF Grants

OFFICER'S RECOMMENDATION

That Council notes the financial assistance approved, under delegated authority, during the month of August 2026 in accordance with the Community Support Policy.

BACKGROUND

As per resolution SM2026/05/27.4 Council resolved to adopt the amended Community Support Policy.

DISCUSSION/CURRENT ISSUE

Council continues to undertake extensive engagement with local community organisations and schools to support awareness and understanding of the policy and application process.

This includes targeted discussions with key stakeholders, direct communication with existing applicants and ongoing engagement to ensure organisations are well informed and supported through the transition to the new framework.

Below is an overview of the approvals that were made in the month of August 2026.

Young Achievers

A total of 11 applications were approved, representing a combined value of \$2,750

Recipients:

Name	Location	Details
Ella Hahn	Bowen	State Horseball Australian Cup
Danika de Jager	Bowen	State Horseball Australian Cup
Kye Land	Bowen	Futsal State Championships
Jake Clark	Cannon Valley	Futsal State Championships
Isabelle Williams	Bowen	North Qld Cross Country Championships
Millie Groom	Riordanvale	Qld Athletics Cross Country Championships
Shailee Mewha	Cannonvale	Qld Athletics Cross Country Championships
Max Smith	Cannon Valley	Rugby League State Championships
Adelaide Sanders	Cannonvale	Futsal State Championships
Nicholas Philipson	Proserpine	Futsal State Championships
Andrea Firth	Bowen	Tournament of the Minds

A total of 3 applications were not approved, as the applicants did not meet the mandatory selection criteria as outlined in the Community Support Policy. The Community Development team is working with the relevant organisation to provide support through an alternate funding pathway.

Donations

A total of 2 applications were approved, representing a combined value of \$4,000.

Recipients:

Name	Details	Cash (\$)	In-Kind (\$)
Collinsville Scottville Workers Club Inc	Miners Memorial Day		3,000
Ocean Crusaders Foundation	Waste disposal charges from ocean clean up initiatives	1,000	

Donation on Council Fees

A total of 1 application was approved, representing a combined value of \$176

Recipients:

Name	Details	Amount (\$)
Birriah Aboriginal Corporation	Venue Hire Fee for Collinsville Football Club	176

Sponsorships

A total of 1 application was approved, representing a combined value of \$5,000

Recipients:

Name	Details	Cash (\$)	In-Kind (\$)
Bowen Swimming Club	Annual Club Carnival	5,000	

Sport and Recreation Club Grant

A total of 0 applications were approved, representing a combined value of \$0

Facility Management Grant

A total of 0 applications were approved, representing a combined value of \$0

RADF Grants

A total of 0 applications were approved, representing a combined value of \$0

FINANCIAL IMPLICATIONS

While the Community Support Programs represent a financial cost to Council, it provides valuable support to community members and organisations, assisting them to continue undertaking and delivering activities that benefit the Whitsunday community.

Community Support Programs	2026/27 Budget (\$)	YTD Actual + Commitment (\$)	Budget Remaining (\$)
Young Achievers	40,000	5,250	34,750
Donations	150,000	6,565	140,324
Donations on Council Fees		3,111	
Sponsorships	50,000	11,000	39,000
In-Kind Support	40,000	21,500	18,500
Sport & Recreation Club Grant	60,000	0	60,000

11.9 - Code of Conduct

MEETING DETAILS: Ordinary Council Meeting - Wednesday 23 September 2026

AUTHOR: Acting Manager Human Resources & Safety

AUTHORISING OFFICER: Director Corporate Support Services

PURPOSE

The purpose of this report is to seek Council's endorsement of the revised Whitsunday Regional Council Code of Conduct, replacing the Code of Conduct 2022, and to outline the key changes and legislative context.

EXECUTIVE SUMMARY

This report presents the revised Whitsunday Regional Council Code of Conduct for endorsement, replacing the Code of Conduct 2022. The updated Code has been rewritten to provide a clearer, more contemporary and accessible statement of the behavioural and ethical standards expected of all employees, contractors, volunteers, trainees, students and other persons engaged to perform work for or on behalf of Council.

The key changes from the 2022 Code include a stronger focus on plain English, practical guidance and shared accountability for ethical decision-making. The revised Code retains the core legislative principles of integrity and impartiality, promoting the public good, commitment to the system of government, and accountability and transparency, while presenting these obligations in a more user-friendly format that better supports everyday application across Council's diverse workforce.

The revised Code also updates and strengthens guidance on respectful workplace behaviour, workplace health and safety, conflicts of interest, gifts and benefits, use of Council resources, public comment, confidentiality, privacy, fraud and corruption, and the reporting of suspected breaches. These changes reflect current legislative and governance expectations, including Council's obligations under the *Public Sector Ethics Act 1994*, *Local Government Act 2009*, *Human Rights Act 2019*, *Information Privacy Act 2009* and related integrity and workplace safety frameworks.

A significant improvement is the inclusion of clearer expectations for leaders and supervisors to model appropriate conduct, support employees to understand their obligations, manage concerns promptly and consistently, and take appropriate action where breaches occur. The revised Code reinforces that ethical conduct is not only a compliance requirement, but a foundation for public trust, good governance, employee wellbeing and effective service delivery.

The new Code has also been updated to better align with Council's current organisational values and supporting policies and procedures. It provides more practical examples and clearer pathways for employees to seek advice, raise concerns and report suspected misconduct or unethical behaviour, including protections against reprisal where concerns are raised appropriately.

Endorsing the revised Code will support a consistent organisation-wide understanding of expected conduct, strengthen Council's integrity framework and assist Council to demonstrate compliance with its statutory obligations.

OFFICER'S RECOMMENDATION

That Council endorses the revised Whitsunday Regional Council Code of Conduct as presented at Attachment 11.9.1, to be approved by the Chief Executive Officer as Council's Responsible Authority in accordance with section 17(1) of the *Public Sector Ethics Act 1994*, and replacing the Code of Conduct 2022.

BACKGROUND

Current Code of Conduct

Council's current Code of Conduct was adopted in 2022 and sets out the behavioural and ethical standards expected of employees and other persons performing work for, or on behalf of, Council.

The Code gives effect to the ethics principles under the *Public Sector Ethics Act 1994* and supports the responsibilities of local government employees under Section 13 of the *Local Government Act 2009*, including acting with integrity, providing sound and impartial advice, observing applicable laws and complying with a code of conduct.

DISCUSSION/CURRENT ISSUE

The Code of Conduct 2022 has been reviewed to ensure it remains contemporary, practical and aligned with Council's current values, legislative obligations and governance expectations.

The revised Code has been prepared in plain English and provides clearer guidance on expected conduct, ethical decision-making, respectful workplace behaviour, workplace health and safety, conflicts of interest, gifts and benefits, use of Council resources, confidentiality, privacy, fraud and corruption, public comment and reporting suspected breaches.

The revised Code maintains the core ethics principles of integrity and impartiality, promoting the public good, commitment to the system of government, and accountability and transparency, while presenting these obligations in a format that is easier for employees, contractors, volunteers, trainees and students to understand and apply.

Key improvements in the revised Code include:

- clearer language and structure to support consistent understanding across the workforce;
- updated guidance on respectful workplace conduct, psychosocial safety and workplace health and safety obligations;
- stronger direction on conflicts of interest, gifts and benefits, confidentiality, privacy, fraud and corruption risks;
- clearer expectations for leaders and supervisors to model appropriate behaviour and respond to conduct concerns; and
- clearer pathways for seeking advice, raising concerns and reporting suspected breaches.

The revised Code is intended to support a consistent organisation-wide understanding of expected conduct and reinforce Council's commitment to ethical behaviour, public trust, good governance and safe and respectful workplaces.

FINANCIAL IMPLICATIONS

There are no material financial implications associated with adoption of the revised Code of Conduct.

Implementation will be managed within existing operational budgets through communication, induction, training and ongoing workforce education activities.

CONSULTATION/ENGAGEMENT

Director Corporate Support Services
Executive Leadership Team
Manager Human Resources & Safety
All staff and key stakeholders

STATUTORY/COMPLIANCE MATTERS

Section 13 of the *Local Government Act 2009* sets out the responsibilities of local government employees, including observing the ethics principles under the *Public Sector Ethics Act 1994* and complying with a code of conduct under that Act.

The revised Code also supports Council's broader obligations in relation to good governance, workplace health and safety, human rights, information privacy, fraud and corruption prevention, and employee conduct management.

RISK ASSESSMENT/DEADLINES

Adoption and implementation of the revised Code will strengthen Council's integrity framework and reduces risk of non-compliance with legislative obligations due to a lack of awareness or inconsistent application of expected standards of conduct.

STRATEGIC IMPACTS

Corporate Plan Reference:

Undertake a business transformation project to support organisational growth, prioritise and streamline service delivery and deliver improved value to the community.

The revised Code of Conduct supports Council's commitment to good governance, ethical and legal behaviour, accountability, transparency, workforce capability, safety, wellbeing and public trust. Adoption of the Code will assist Council to maintain a values-based culture and ensure employees and other persons performing work for Council understand the standards expected when delivering services to the community.

INTRODUCTION

OBJECTIVE

The objective of Council's Code of Conduct for Employees is to provide a set of standards and behaviours related to the way we do our work. It aims to deliver best practice by ensuring those standards are clear and guided by sound ethical principles.

By consistently applying these standards, we enhance public trust and confidence in each of us. Nothing in this Code interferes with employee rights as a private citizen or a ratepayer.

The Code does not cover every situation. However, the values, ethics, standards, and behaviours it outlines are a reference point to help make decisions in situations it does not cover.

If employees act in good faith and in keeping with the spirit of the Code, they can expect to be supported by their colleagues, direct supervisor/manager and by Council. A 'Guide for ethical decision making' is included in Appendix A to help employees apply the Code in everyday situations.

COUNCIL STATEMENT

Whitsunday Regional Council aims to conduct its business with integrity, honesty and fairness in compliance with all relevant laws, regulations, codes, policies and corporate standards.

Additionally, Council acknowledges that working in the public sector is different from employment in the private sector. There are responsibilities which Councillors and employees have for safeguarding the public interest, exercising a duty of care and inspiring public confidence and trust.

Everyone working for Council must follow the highest standards of behaviour when dealing with customers, Councillors and each other. Council actively supports, encourages and develops its employees to work safely, be customer focused, use technology and Council assets effectively, adapt to changes and improve their own capabilities and contribute to Council's Corporate and Operational Plans.

This Code of Conduct provides guidance to Council employees in behaving ethically at work. The application of this code assists Council in being more efficient and will give employees a better appreciation of the need to use resources responsibly, comply with Council policies, develop good community relations and promote the public interest.

The Code of Conduct does not limit employees' statutory rights, including rights relating to public interest disclosures, union representation, workplace health and safety or access to legal advice.

VISION

A united community working together to drive a resilient and diverse economy and a liveable environment.

MISSION

To ensure the Whitsunday Region thrives for everyone now and in the future.

ORGANISATIONAL VALUES

Everything Council does is underpinned by its values which define the culture of the organisation and the behaviours that shape our interaction with the community, Councillors, partners and each other.

Whitsunday Regional Council's culture is founded on the following values:

Safety

We actively care for the health and wellbeing of our organisation.

Accountability

We are responsible, open and transparent about what we do and how we do it.

Leadership

We provide good direction and good decision-making for our organisation and community in an understanding environment that embraces trust and continuous improvement.

Trust

We foster trust within our community and organisation.

Unity

We work together as a cohesive and proactive team.

Pride

We take pride in our diverse community and the service we deliver.

LEGISLATIVE PRINCIPLES

The *Public Sector Ethics Act 1994* identifies four ethical principles fundamental to good public administration that guide our behaviour as public officials and form the basis for a local government Employee Code of Conduct.

Ethical Principles	Integrity	Promoting the Public Good	Commitment to the System of Government	Accountability and Transparency
	Conflict of Interest	Customer Service	Acting within the law	Using Council assets
	Influences of decision-making	Fairness to suppliers	Act in accordance with delegations and authority	Diligence, care and attention
	Gifts and benefits	Information Technology	Raising concerns	Attendance at and absence from duty
Standards of Behaviour	Employment outside Council	Public money	Privacy	Comply with reasonable instructions
	Appropriate relationships with Councillors	Intellectual property	Fraud and corruption	Continuing development
	Public comments on Council business	Concern for the environment		Workplace Health and Safety
	External activities	Appropriate standard of dress and appearance		Drugs and alcohol
	Behaviour towards each other			
	Confidentiality of information			
	Identifying and promoting the public interest			
	Non-discriminatory workplace			
	Workplace harassment			

The *Local Government Act 2009 (the Act)* sets out the way in which a local government is constituted and the nature and extent of its responsibilities and powers. The Act requires that the Council's actions are consistent with the following local government principles:

- Transparent and effective processes, and decision-making in the public interest.
- Sustainable development and management of assets and infrastructure, and delivery of effective services.
- Democratic representation, social inclusion, and meaningful community engagement.
- Good governance of, and by, local government.
- Ethical and legal behaviour of Councillors and local government employees.

These legislated principles, together with Council's corporate values, form the basis of this Code of Conduct. They apply to all employees and guide our thinking, actions, and decision-making.

TO WHOM DOES THE CODE APPLY?

This Code applies to all Whitsunday Regional Council employees.

For the purposes of this document, "employees" includes:

- All full time, part time or casual employees of Council.
- Any consultant, contractor, student, volunteer, trainee, or any other person engaged by the Council to work or provide services.

A separate Code of Conduct applies to Councillors of Whitsunday Regional Council as specified in the *Local Government Act 2009*.

WHEN DOES THE CODE APPLY?

This Code applies to verbal, written, physical, online, and social media conduct by employees:

1. During scheduled work hours.
2. At Council functions, sponsored events or external meetings, training, or conferences.
3. While travelling or in accommodation provided by Council.
4. Outside work hours where there is sufficient material connection to employment or Council operations, including where the conduct may reasonably impact safety, performance, Council's reputation, public confidence or the employee's ability to perform their role.
5. Where an employee (or other person in the workplace) may be deemed to have a connection with Council.

HUMAN RIGHTS

All Council employees are expected to act in accordance with the *Human Rights Act 2019* which protects the human rights of all people in Queensland, including employees and clients of Council.

Protecting human rights recognises that all people have inherent dignity and worth.

Acting and making decisions in a way compatible with human rights helps us to make better decisions, based on principles of dignity, respect, equality, freedom, and the rule of law.

Whitsunday Regional Council and its employees must consider human rights in decision-making, actions and interactions with the community. This means that they must:

- Act and make decisions in a way that is compatible with human rights.
- Give proper consideration to human rights in making decisions.

LEGISLATIVE PRINCIPLES

PRINCIPLE 1: INTEGRITY AND IMPARTIALITY

In recognition that local government involves public trust, public service agencies, public sector entities and public officials seek to promote public confidence in the integrity of the public sector and:

- a. Are committed to the highest ethical standards.
- b. Accept and value their duty to provide advice, which is objective, independent, apolitical, and impartial.
- c. Show respect towards all persons, including employees, clients, and the general public.
- d. Acknowledge the primacy of the public interest and undertake that any conflict-of-interest issue will be resolved or appropriately managed in favour of the public interest.
- e. Are committed to honest, fair and respectful engagement with the community. This requires the following standards of behaviour.

1.1 Conflict of Interest

- 1.1.1 When making decisions, employees must declare any conflicts of interest that could affect their objectivity in carrying out their duties.
- 1.1.2 A conflict of interest involves a conflict between an employee's official duties and responsibilities in serving the public interest and their private interests. A conflict of interest can arise from avoiding personal losses as well as gaining personal advantage – whether financial or otherwise. This includes advantages to relatives and friends.
- 1.1.3 If employees believe or are in any doubt that they have a conflict of interest, whether real, potential, or perceived, they should discuss the matter with their direct supervisor/manager with a view to avoiding it or effectively managing it.
- 1.1.4 The reporting and management of an employee's real, potential, or perceived conflict of interest must be in accordance with Council's Conflict of Interest Policy.

1.1.5 Declarations of a real, potential, or perceived conflict of interest must be reported to the Office of the Mayor and CEO using the prescribed form. Details of the written declaration provided by the employee are recorded in a register maintained by Council and reviewed periodically by the CEO and Executive Leadership Team.

1.1.6 Until the matter is resolved, employees must make sure they are not part of any decision-making processes related to the matter.

1.1.7 If employees feel they have a conflict between professional and corporate values, they should also discuss it with their supervisor/manager.

1.2 Influences on Decision Making

- 1.2.1 Employees should take decisions and make recommendations in an impartial manner with the prime aim of promoting the public interest and achieving best value for money. Employees must be seen to act impartially as even the appearance of bias may damage Council's reputation and its ability to act effectively within the local community.
- 1.2.2 Employees must act and make decisions in a way that is compatible with human rights.
- 1.2.3 Employees must not knowingly provide false or misleading statements or assessments of the merits or performance of a person or organisation.
- 1.2.4 Employees must not influence any person in an improper way to try to obtain any advantages or favours.
- 1.2.5 Employees must not deliberately mislead decision-makers by providing them with false, biased, incomplete, or inaccurate information.

- 1.2.6 All decisions employees make must be, and be seen to be, fair and transparent. This can be achieved by:
- Following Council's procedures and processes.
 - Keeping clear, accurate and complete records.
 - Recording how and why decisions were made.
- 1.2.7 Employees must not in any way misrepresent their qualifications, experience, expertise or authority in any process.
- 1.2.8 A guide to Ethical Decision-Making is contained in Appendix A and should be used to guide decision making.

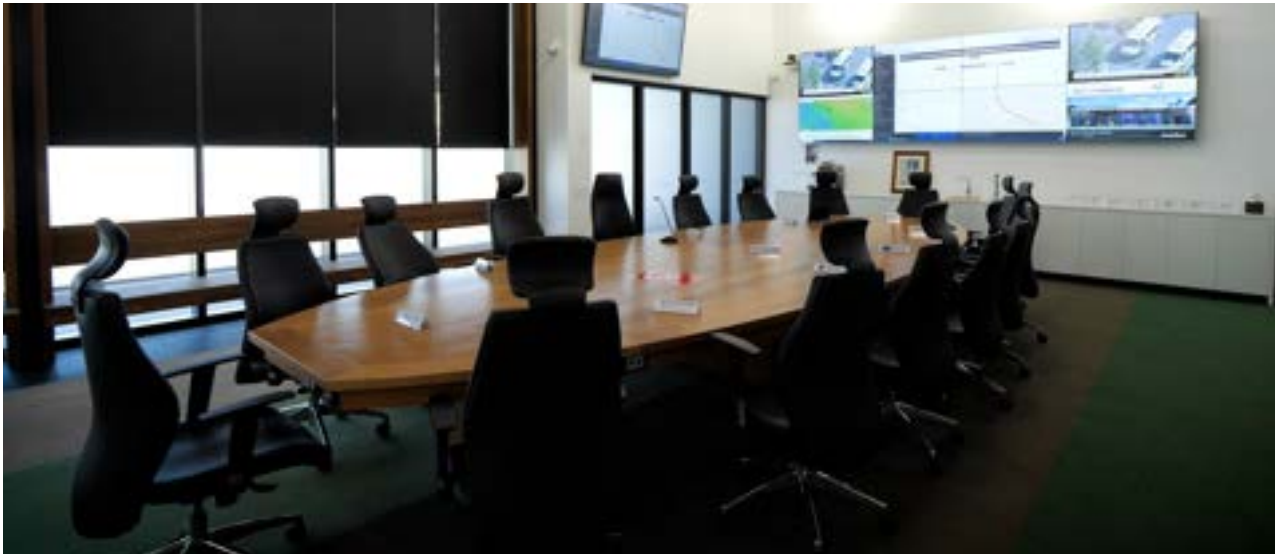

1.3 Gifts and Benefits

- 1.3.1 Occasionally an employee may be offered a gift or benefit from people with whom they do business or members of the community.
- 1.3.2 In line with section 199(2) of the *Local Government Act 2009*, it is an offence for an employee to ask for, or accept, cash, an item that is readily convertible to cash, or other benefit for doing something as a local government employee. However, section 199(2) does not apply to remuneration paid by Council or a benefit that has only a nominal value.
- 1.3.3 The acceptance of gifts or benefits of a nominal value may be permitted in limited circumstances (Section 289 Local Government Regulation 2012), where doing so does not create a real, potential, or perceived conflict of interest or could be a bribe.

- 1.3.4 The offer or receipt of gifts and benefits must be managed in accordance with Council's Gifts and Benefits Policy.
- 1.3.5 Declarations of gifts and benefits offered or accepted must be reported to the Office of the Mayor and CEO using the prescribed form. Details of declaration provided by the employee will be recorded in Council's Gifts and Benefits Register and reviewed periodically by the CEO and Executive Leadership Team.
- 1.3.6 In addition to referring to the policy, an employee can also discuss the receipt of gifts, gratuities, and benefits with their supervisor/manager.

1.4 Employment Outside Council (Including Operating a Personal Business or Hobbies/Pastimes with a Relationship with Council Business)

- 1.4.1 Generally, employees are able to undertake additional employment, operate a business or be involved in commercial interests outside their role with Council (secondary employment) provided this:
- Is kept separate from Council work.
 - Does not lead to a conflict of interest.
 - Does not affect Council time or resources (physical, technological, or intellectual).
 - Does not interfere with an employee's ability to do their work in Council.
- 1.4.2 Employees must seek written approval from the CEO using the prescribed form before commencing any additional employment not associated with Council duties. Approval will not unreasonably be withheld.

1.4.3 In considering requests to undertake secondary employment a balance must be sought between the legitimate interests of Council to protect its integrity and the rights of Council employees to lead their private lives free from unnecessary intrusion by the Council.

1.4.4 Approval for secondary employment will be given provided it:

- Does not provide any commercial advantage from information obtained during the course of employment with the Council.
- Does not create a real or perceived conflict of interest.
- Has no effect on the performance of official duties, including effects from a safety/fatigue management perspective and possible increased risk of an illness or injury.
- Does not use Council resources.
- Is not likely to bring Council's reputation into disrepute.

1.4.5 Records relating to secondary employment requests will be maintained in a register by the Office of the Mayor and CEO and reviewed periodically by the CEO and Executive Leadership Team.

1.4.6 Although employees don't need written approval, if employees undertake voluntary

work or a hobby, they must ensure that these activities also meet the above requirements. If employees are unsure, they must discuss the matter with their supervisor/manager.

1.5 Appropriate Relationships with Councillors

1.5.1 Communication between Councillors and employees must be in accordance with Council policy.

1.5.2 Where required employees must give Councillors advice within the scope of Council policy that is appropriate, thorough, responsive, and unbiased so that Councillors can appropriately carry out their community responsibilities. If employees are unsure of how to respond to a Councillor, they should discuss this with their supervisor/manager.

1.5.3 Councillors may seek advice directly from the CEO or officers delegated by the CEO.

1.5.4 Employees may communicate directly with Councillors on any issue affecting them as a private citizen outside of normal working hours. Employees should be clear about the difference between their actions as a private citizen and that of a Council employee.

1.5.5 If an employee has any concerns or questions about a request from a Councillor, they must discuss this with their direct supervisor/manager.

1.6 Public Comments on Council Business

- 1.6.1 As a general rule, Councillors comment publicly on Council business. Council business can be topical, sensitive, and sometimes controversial and there is a process to be followed when making public comments.
- 1.6.2 Employees should not release non-public Council information or contribute to public comment on Council policy or administration unless:
- Providing the information or making comment is part of, or consistent with, an employees duties or has been appropriately authorised.
 - An employee must not misrepresent the facts about a matter.
 - The matter is not confidential or restricted in its distribution.
- 1.6.3 If an employee is asked to comment on any Council matter via the media or other public relations firms, refer it to the Communications Team.
- 1.6.4 Sometimes, it might be appropriate to share information based on a personal and professional experience (e.g. in external seminars or training programs). An employee must ensure that by sharing personal experiences, they do not breach the confidentiality of Council information.
- 1.6.5 Employees have the same rights as any member of the community to enter discussion of community and social issues in a private capacity. Employees must recognise, however, that they will generally be seen as speaking from a privileged position. As a result, they must take all reasonable steps to ensure that:
- They do not use non-public Council information for private advantage or disclose that information.
 - Their comment is understood as representing personal views as a private citizen.
 - Not bring Council's reputation into disrepute.
- 1.6.6 Employees must also ensure that, to the extent they collect, handle or give access to personal information, they comply with the Privacy Principles under the *Information Privacy Act 2009*.

1.6.7 This clause does not apply to a Public Interest Disclosure to a proper authority. Where you honestly believe on reasonable grounds that you possess information about another Council Officer's conduct that relates to:

- a. Official misconduct; or
- b. Maladministration that adversely affects a person's interests; or
- c. A substantial misuse of public resources, other than an alleged misuse based on mere disagreement over policy that may properly be adopted about amounts, purposes, or priorities of expenditure; or
- d. A substantial and specific danger to public health or safety; or
- e. A substantial and specific danger to the environment

1.6.8 Employees have the right to make a Public Interest Disclosure to a proper authority subject to, and in accordance with, the Public Interest Disclosure Act 2010.

1.7 External Activities

- 1.7.1 Council supports, and aims to, ensure all employees are free to engage in trade union, party-political, professional, interest group or charity activities of their choosing, in their own time and without utilising Council resources. However, employees must make sure that participation in such activities does not cause a conflict of interest, and/or unduly restrict the performance of official duties with Council.
- 1.7.2 Employees must not allow their involvement in any external organisation to intrude upon their duty as a Council employee, to give sound advice to Council, which is objective, independent, apolitical, and impartial.
- 1.7.3 Employees are not to take part in political affairs whilst on duty. Council's IT systems, including internet access and email, Council newsletters and workplaces must not be used for political messages, or circulating defamatory or disparaging remarks against individuals or groups.
- 1.7.4 If an employee comments publicly in connection with external activities, there must be a clear distinction between the employee's opinion as a member of the external organisation, and the opinion as a Council employee.

1.7.5 An employee must not use their role in Council, Council information or information gained in the course of official duties as a Council employee, to advance their position or standing within an external organisation, nor for the benefit or promotion of an external organisation. Employees must not provide Council information to members of other groups or related persons, except where this information is publicly available or for the purpose of obtaining union assistance, legal advice or representation, provided the disclosure is lawful, reasonable and limited to what is necessary.

1.7.6 As a member of an external organisation, employees need to be aware that participating in activities in the public arena, where they may be identified as a Council employee, can give rise to a conflict of interest in some circumstances. Where such a situation arises, employees must declare and manage the conflict in accordance with this Code of Conduct.

1.8 Behaviour Towards Each Other

- 1.8.1 We must all treat others with trust, respect, honesty, fairness, sensitivity, and dignity. Employees who supervise or manage other employees have a special responsibility to model this kind of behaviour, and to ensure that the people they supervise understand the standard of performance and behaviour that is expected of them.
- 1.8.2 Council values diversity and expects all employees to accommodate and respect different opinions and perspectives, and to manage interpersonal disagreements in a rational manner. Employees must not behave towards any other person in a way that could be perceived as disrespectful, rude, intimidating, overbearing or harassing. This includes use of inappropriate language, spreading gossip or rumours about others and sending emails which contain inappropriate material.
- 1.8.3 Effective teamwork is an essential part of a productive workplace culture. Each team member needs to work co-operatively with fellow employees and actively and willingly take part in team activities such as meetings.

1.9 Confidentiality of Information

- 1.9.1 Employees must preserve the confidentiality of Council's information.
- 1.9.2 In the event that an employee is unclear about whether information is confidential or not the employee should seek advice from their supervisor/manager.
- 1.9.3 Information held by the Council must not be released to any person without the approval of a Director or the CEO.
- 1.9.4 Unauthorised release of any non-public Council information is a breach of Council policy and may be an offence of law.
- 1.9.5 Employees who leave Council are obliged to respect the confidentiality of non-public Council information which they are aware of as a result of their employment with Council.

1.10 Identifying and Promoting the Public Interest

- 1.10.1 When making decisions or recommendations, employees should consider the interests of all parties impacted. When preparing reports, all facts and issues must be outlined in an objective manner so that Council can make the best decisions in an informed and appropriate manner.
- 1.10.2 Decisions and recommendations should promote the best interest of the wider community.

1.11 Non-Discriminatory Workplace

- 1.11.1 Council is an equal opportunity employer and as such is proactive in ensuring that its practices do not discriminate based on an attribute, or based on a person's association with another person who maintains an attribute relating to:
 - Sex
 - Relationship Status
 - Pregnancy
 - Parental Status
 - Breastfeeding
 - Age
 - Race
 - Impairment
 - Religious belief or activity
 - Political belief or activity
 - Trade union activity

- Lawful sexual activity
- Gender identity
- Sexuality
- Family responsibilities

- 1.11.2 Council aims to create and maintain a workplace free from discrimination. Employees of council have a shared responsibility to ensure that discrimination is not part of our workplace or our practices. If employees witness discriminatory behaviour, they have a positive obligation to report it to their supervisor/manager. If the matter involves their supervisor, manager or another senior officer, it should be reported to an appropriate alternative manager or officer. Unlawful discrimination may lead to disciplinary action being taken against offending employees.

1.12 Workplace Harassment

- 1.12.1 Council strives for the prevention of any form of workplace harassment, including harassment of a sexual nature, victimisation, or other forms of bullying in the workplace, or at any place where work-related activities are performed, including at social functions. This applies to all employees in their relationships with each other, to applicants for employment at Council and to any persons who have dealings with Council.
- 1.12.2 Employees of Council are expected to proactively contribute to building a workplace that is free from sexual harassment, victimisation and bullying. Employees have a joint responsibility to respect the rights of fellow employees, by not taking part in any action that may constitute harassment of any form, and in doing so supporting and promoting the achievement of equal employment opportunity.
- 1.12.3 Some examples of behaviour which may constitute either sexual harassment or workplace bullying include:
 - Acting towards, or speaking to a person in a manner which threatens or vilifies that person.
 - Deliberately excluding a particular individual from relevant work-related activities or functions.
 - Making jokes, suggestive comments or offensive gestures related to a person's race, appearance, colour, ethnic origin, disability, gender, sexual characteristics, or personal appearance.

- Distribution or display of sexually explicit material (including through any Council electronic communication e.g. Teams, SharePoint, email, etc.) which may be offensive, including posters, pictures or MPEGS, racist or sexist jokes or cartoons.
- Persistent questions about a person's private life.
- Demands for sexual favours, either directly or by implication;
- Unwanted and deliberate physical contact;
- Indecent assault, rape and other criminal offences.

PRINCIPLE 2: PROMOTING THE PUBLIC GOOD

In recognition that the public sector is the mechanism through which the elected representatives deliver programs and services for the benefit of the people of Queensland, public service agencies, public sector entities and public officials:

- a. Accept and value their duty to be responsive to both the requirements of government and to the public interest; and
- b. Accept and value their duty to engage the community in developing and affecting official public sector priorities, policies and decisions; and
- c. Accept and value their duty to manage public resources effectively, efficiently and economically; and
- d. Value and seek to achieve excellence in service delivery; and
- e. Value and seek to achieve enhanced integration of services to better service clients.

2.1 Customer Service

- 2.1.1 It is expected that Council employees will strive to provide excellent customer service. Employees must treat members of the public equitably and with honesty, fairness, sensitivity and dignity.
- 2.1.2 All Council employees serve ratepayers directly or indirectly. If their role in Council involves regular contact with the public, it is important to know how to deal comfortably and calmly with difficult situations and difficult people.
- 2.1.3 Employees are expected to treat complaints from customers, ratepayers, and the community

or fellow employees seriously, and respond to constructive feedback as an opportunity for improvement.

- 2.1.4 Customers have a right to complain or criticise Council. Council expects its employees to show respect towards complainants. While Council must make all reasonable efforts to help customers lodge complaints, if employees think a situation is threatening or intimidating, they are entitled to withdraw. If in doubt, ask for help from a more experienced colleague, or a direct supervisor/manager. Council will support any employee who believes they are under threat from a member of the public.

2.2 Fairness to Suppliers

- 2.2.1 Council's contracting activities are regulated pursuant to Chapter 6 of the Local Government Regulation 2012. Further, Council has established policies, procedures and delegations of authority for various stages of procurement of goods and services which reflect the content of the Local Government Regulation 2012.
- 2.2.2 Employees must comply with the Local Government Regulation 2012 and Council Policy when seeking suppliers for goods or services.
- 2.2.3 If employees have been authorised to be involved in offering contracts or buying goods and services from outside Council, they must be sure they have taken reasonable, fair and consistent steps to allow all potential suppliers to bid for work.
- 2.2.4 Employees also need to ensure that they do not incur any liability or enter into any contract on behalf of Council or alter the terms or conditions of any contract which Council has already entered into unless they are authorised to do so.

2.3 Information Technology and Information Systems

2.3.1 Any file stored on, or information accessed using Council's information technology assets, is discoverable by Council. All devices (including personal devices) or systems connected to Council's corporate information technology network may be subject to scrutiny.

2.3.2 Employees can use Council's information technology assets for:

- Accessing data, information, websites, etc. for official purposes and as necessary where it supports or informs the work they do.
- Limited personal use in accordance with Council policy and procedure, providing they comply with Council's rules and guidelines about acceptable use of information technology and social media. Limited personal use means use that is infrequent and brief, and is performed during non-paid time, that is, before and after work and during lunch breaks.

2.3.3 Employees can use Council's telephones, messaging systems or computer systems for limited private purposes that they cannot reasonably do outside working hours. This must be done in an appropriate manner and within the scope of this code and other Council policies.

2.3.4 Employees must not use Council's information technology assets to:

- Store large quantities of personal data or photos or non-work documents.

- Download, stream or store music, movies, video clips, pictures, or other material not associated with their work.
- Make unauthorised copies of software, music, videos, games, etc.
- Introduce, download or use unauthorised software.
- connect any personal information technology device to Council's corporate information technology network, e.g. iPods, cameras, USB thumb drives, without prior approval from Council.
- Access or circulate inappropriate material.

2.3.5 Employees must not download or store Council's electronic files in an unauthorised location, e.g. on a home computer, personal USB memory stick or personal information technology device.

2.3.6 Employees must adhere to Council's security requirements and not attempt to bypass or modify any restriction or security measure put in place by Council or third parties.

2.4 Public Money

2.4.1 Employees must maintain high standards of accountability if they collect and use public money and are not to borrow or use Council money for private purposes. This also applies to items such as taxi vouchers or other vouchers.

2.4.2 Officers using Council monies for the purpose of entertainment and/or hospitality expenditure on Council's behalf must do so strictly in accordance with Council's Entertainment and Hospitality Expenditure Policy.

2.5 Intellectual Property

- 2.5.1 Any original work, invention or product employees have contributed to in association with their official duties as a Council employee remains the property of Council.
- 2.5.2 Employees must not publish or disclose any matters relating to Council's intellectual property without appropriate authority. This does not stop employees from sharing with other organisations information relating to their official duties. If information is shared, employees must make sure that this does not breach the confidentiality of Council information, its employees or its clients, or compromise Council's intellectual property rights.
- 2.5.3 Employees must respect the copyrights, trademarks and patents of suppliers and customers of Council. This requires that employees do not reproduce or quote suppliers' material unless they are authorised to do so. Where reference to the work of others is made it must cite or acknowledge the source.
- 2.5.4 Employees must not store or copy audio, video or image files, printed media and software on Council assets without an appropriate license or approval. Where this is unclear employees must seek written approval before arranging to publish, disclose or reproduce any articles or materials as part of their official duties.

2.6 Concern for the Environment

- 2.6.1 Council has legal responsibilities to protect and manage the environment. Council is also committed to leading the community by example by ensuring that services and activities are conducted in an environmentally sustainable and responsible manner.
- 2.6.2 Employees must not carry out any activity that causes, or is likely to cause, environmental harm. Employees must take all reasonable and practical measures to prevent or minimise environmental harm. Employees who become aware that environmental harm has been caused or has been threatened by someone else's act or omission must immediately advise their supervisor/manager.

- 2.6.3 We all share the responsibility to achieve Council's commitment to protect our natural environment, creating healthy surroundings for our community, and for managing the impacts of air, water, land and noise pollution. This includes individual responsibility for our own actions in how we dispose of waste and use and store chemicals, efficiently use energy and reduce waste, and apply high standards for environmental protection.

2.7 Appropriate Standard of Dress and Appearance

- 2.7.1 Employees are expected to present a professional image at all times. Integral to promoting this image is the personal presentation of Council employees. Council employees are employed in a diverse range of occupations and dress standards will reflect the requirements of particular work areas.
- 2.7.2 Employees who are dressed inappropriately will be sent home to change and will be expected to make up any lost time.
- 2.7.3 Council understands that the work undertaken by some employees may result in their clothing becoming stained or damaged.

That said, employees must present for work each day in a clean and tidy manner and not wear clothing which others might find offensive.
- 2.7.4 Employees must wear personal protective clothing and equipment where required. Personal protective clothing and equipment will be replaced on a fair wear and tear basis.
- 2.7.5 Those issued with identification badges should wear these when performing official Council duties.
- 2.7.6 Should employees find themselves in a public place, and still in uniform when off duty, they must be aware that they may be perceived by others as continuing to represent Council and must act accordingly.
- 2.7.7 Any corporate uniform supplied must be worn in accordance with Council's uniform guideline.
- 2.7.8 If an employee is unable to wear required PPE for any reason, they must advise their supervisor/manager immediately.

PRINCIPLE 3: COMMITMENT TO THE SYSTEM OF GOVERNMENT

In recognition that the public sector has a duty to uphold the system of government and the laws of the State, Commonwealth and Local Government, public service agencies, public sector entities and public officials:

- a. Accept and value their duty to uphold the system of government and the laws of the State, the Commonwealth and Local Government.
- b. Are committed to effecting official public sector priorities, policies and decisions professionally and impartially.
- c. Accept and value their duty to operate within the framework of Ministerial responsibility to government, the Parliament and the community.

These requirements do not limit the responsibility of a public service agency, public sector entity or public official to act independently of government if the independence of the agency, entity or official is required by legislation or government policy or is a customary feature of the work of the agency, entity or official.

3.1 Acting Within the Law

- 3.1.1 Employees of Council are expected to comply with legislation applicable to the completion of their work, local laws, industrial instruments, Council policies, procedures, directives, and this Code. Employees should locate and read all applicable policies as soon as practicable after their commencement with Council.
- 3.1.2 Employees have the right and responsibility to respectfully question how work is done, particularly if they think there is an imminent risk to their safety and the safety of others, or there is a better way of doing something, or if they think that a direction may be in breach of the law. When they have recorded their suggestion or concern, employees are expected to follow lawful and reasonable directions, subject to their rights and obligations under the *Work Health and Safety Act 2011*. Should a matter not be resolved within the work group, it should be immediately referred to a higher level of management.
- 3.1.3 If employees are charged with an offence and are required to attend court, they should immediately report the circumstances to their supervisor/manager.

3.1.4 Employees are required at all times to be appropriately licenced, qualified or certified to fulfil the requirements of their position. If any of these are revoked for any reason, employees are to immediately inform their supervisor/manager.

3.1.5 Where the revoked licence, qualification or certificate is a requirement of their job, consideration will be given to their ongoing employment.

3.2 Acting in Accordance with Delegations and Authority

3.2.1 If employees are requested to undertake an action on behalf of the CEO or Council, prior to exercising any power on behalf of the CEO they must ensure there exists an appropriate delegation or authorisation in line with State legislation, that allows them to exercise the power.

3.3 Raising Concerns

3.3.1 Employees have the right to comment on or raise concerns with their supervisor/manager about Council policies, practices, or priorities where these impact on their employment. Employees must do this in a respectful, reasonable, and constructive way and take responsibility for how their comments and views are expressed. Employees should raise their concerns initially with their direct supervisor/manager.

3.3.2 Employees must accept that Council has the right to determine its policies, practices, and priorities and that they must comply with all reasonable and lawful instructions, whether they personally agree with a given policy direction.

3.3.3 Employees must also refrain from raising concerns or complaints in a malicious, vexatious, or frivolous manner.

3.4 Privacy

3.4.1 Council maintains information about individuals, businesses and commercial issues which is private and sensitive, and which could harm a person's interest if released.

Employees should only access personal information and records they require to

perform their official Council duties.

3.4.2 Employees must ensure that the collection, storage, and use of personal information is done so in accordance with the Privacy Principles outlined pursuant to the *Information Privacy Act 2009*.

3.4.3 Generally, employees can maintain privacy by:

- Not discussing work matters with persons not entitled to know such information;
- Taking responsibility to safeguard confidential files and information;
- Ensuring collected information is only used in a manner consistent with the purpose for which it was originally collected; and
- Ensuring that they comply with Council's Right to Information policy and other relevant policy in relation to maintaining privacy of personal information.

3.4.4 It may be appropriate to share information based on an employee's personal and professional experience. However, in sharing their experiences, employees must ensure that where personal information is involved, they don't breach Council's privacy obligations. Employees may be in breach of this obligation even if comments are made or personal information other than their own is shared in their personal life, including via social media outlets such as 'Facebook' or 'Twitter'.

3.4.5 In addition to the *Information Privacy Act 2009*, section 200 of the *Local Government Act 2009* makes it an offence for a person who is, or has been, a Council employee to release information that the person knows, or should reasonably know, is information that:

- Is confidential to Council.
- Council wishes to keep confidential.

3.4.6 Personal and other information may on occasion be sought from Council by an employee or other members of the public in line with the *Right to Information Act 2009*. If such a request is made the employee must ensure that they refer such requests to the appropriate officer to be properly considered.

3.5 Fraud and Corruption

3.5.1 Fraud and corruption pose a serious risk to Council. The potential damage extends well beyond any financial losses and threatens both the Council's and individual's integrity.

3.5.2 Fraud and corruption can take many forms. Fraud is unethical and illegal acts which have the intention of deceiving others or Council, and is normally the deliberate, intentional and premeditated dishonest action that causes actual or potential loss to any person or Council. Corruption involves the abuse of entrusted authority or performance of an official duty for personal benefit and occurs when a person acts dishonestly or contrary to the best interests of Council.

3.5.3 Examples are:

- Theft of money, assets or other property.
- Misusing or deliberately misallocating Council resources e.g. using vehicles for private use without authorisation, using corporate expense card for non-work related purchases.
- The deliberate falsification, concealment, or destruction of documentation.
- Gaining benefit by dishonesty e.g. falsifying timesheets, claiming allowances not entitled to, not completing a leave application when leave has been taken, the improper use of information or position.
- Accepting gifts, money or entertainment in response to, or in the expectation of favourable tender outcomes or other decisions.

- Accepting or encouraging collusion in relation to tender pricing or conditions.
- Making false statements about qualifications, experience or competence for the purpose of obtaining a promotion or similar.

3.5.4 Council has adopted the following guiding principles:

- Prevention of fraud and corruption is an integral part of Council business processes and the responsibility of all employees.
- Employees are accountable for their own conduct.
- Employees are required to report fraudulent and corrupt activities, and will be supported in doing so.
- The use of integrated risk management principles to contain or minimise risk of fraud and corruption.

3.5.5 This Code will help to provide the expectations and standards of ethical behaviour within Council. Fraud and corruption can result from departures of these expected standards of behaviour. For more information please refer to Council's Fraud and Corruption Control Policy.

PRINCIPLE 4: ACCOUNTABILITY AND TRANSPARENCY

In recognition that public trust in public office requires high standards of public administration, public service agencies, public sector entities and public officials:

- a. Are committed to exercising proper diligence, care and attention.
- b. Are committed to using public resources in an effective and accountable way.
- c. Are committed to managing information as openly as practicable within the legal framework.
- d. Value and seek to achieve high standards of public administration.
- e. Value and seek to innovate and continuously improve performance.
- f. Value and seek to operate within a framework of mutual obligation and shared responsibility between public service agencies, public sector entities and public officials.

4.1 Using Council Assets

- 4.1.1 Council's assets include property (physical and intellectual property), plant, equipment, information technology assets and systems, ID and access cards, goods, products, and valuables (this includes surplus material, waste material, and off-cuts). All employees share the responsibility for looking after Council assets.
- 4.1.2 Employees responsible for assets must take good care of them while they are in their possession or use, ensure they are used economically and efficiently and within their design capabilities and purpose. It is an offence to allow the unlawful destruction, damage or misuse of Council property or assets. Employees must make sure assets in their control are secured against theft and properly stored, maintained and repaired.
- 4.1.3 Employees must abide by Council's security procedures and rules for accessing Council's assets and not allow anyone else unauthorised access to Council assets.
- 4.1.4 Employees must ensure that they use Council assets only for official Council business unless written approval has been granted by their supervisor/manager.
- 4.1.5 If employees use a Council vehicle, they must not use it for private or non-official purposes,

unless those circumstances are specifically allowed by Council or prior written approval from their supervisor/manager has been given.

- 4.1.6 When employees leave Council, they must return any Council assets they have on loan and all work-related documents.

- 4.1.7 Taking Council goods or property, regardless of the value, is not permitted unless an authorised agreement is in place. Supervisors do not have the authority to give away any Council property, including waste material. Stolen, lost or missing property shall be notified to the CEO as soon as the loss is established.

4.2 Diligence, Care and Attention

- 4.2.1 Council conducts its business with integrity, honesty, and fairness, and to achieve the highest standards in service delivery. Employees contribute to this by carrying out their duties honestly, responsibly, in a conscientious manner, and to the best of their ability. This includes:
 - Giving priority to official duties over personal activities during work time.
 - Helping Council achieve its mission and goals by acting to improve systems and practices.
 - Conducting themselves in a way so others gain confidence and trust in the way Council does business and within the law, Council policy and procedures and standards.
 - Not allowing their conduct to distract or prevent others from working.
 - Not exposing Council to a judgment for damages against it, as a result of their negligence or breach of any law or ordinance.
 - Ensuring that they carry out their work diligently, accurately, and to the required performance standards and timeframes.
 - Proactively seeking assistance if they are experiencing difficulties with their work.
 - Ensuring their personal conduct does not reflect adversely on Council's reputation.
- 4.2.2 Employees who are responsible for managing or supervising others, must also ensure that:

- They model the values and principles outlined in this Code and ensure that employees within their area of responsibility understand and comply with the Code.
- They do not come under a financial obligation to any employee they supervise or manage.
- Their work and the work of those they supervise contributes to the achievement of Council's goals.
- Employee performance is monitored and individuals are given constructive and regular feedback on their performance in line with procedures.
- Workloads are fairly distributed.
- Resourcing for a work team is neither excessive nor inadequate for the job.
- Employees who collect, handle or disburse public money are properly supervised.
- Employee work times, overtime, allowances and absences are correctly recorded on timesheets and pay summary reports, and time is accurately costed.
- They do not exercise their delegations until they have considered all the necessary information, and they are satisfied that all legislative or procedural requirements are met.
- Appropriate action is taken if breaches of this Code occur.

4.3 Attendance and Absence from Duty

- 4.3.1 Employees are expected to comply with Council policy relating to attendance at work and leave. This includes notifying their supervisor/manager of any unscheduled absences prior to the beginning of their shift (where practicable), not being absent without approval, and accurately and truthfully recording work and leave periods.
- 4.3.2 Absence without approval and without reasonable excuse can create concerns or employee safety and impact productivity and efficiency of Council operations.
- 4.3.3 Council's operational efficiency depends on punctuality and attendance at the workplace.

If employees are unavoidably detained, they should advise their direct supervisor/manager as soon as possible.

4.4 Comply with Reasonable Instructions

- 4.4.1 Employees are expected to comply with all reasonable instructions within their skill and capability. Employees must comply with the requirements of this Code and other guidelines about conduct which may be embodied in a variety of Council policies and procedures.

4.5 Continuing Development

- 4.5.1 All local government employees have an obligation to be proactive in the continual improvement of all aspects of their work performance. Employees should aim to maintain and improve their work performance and that of their work unit in the delivery of customer service. Employees have a continuing responsibility to maintain and enhance their skills and expertise and keep up to date the knowledge associated with their area of work.
- 4.5.2 Council will assist by providing equitable access to training and development opportunities. This may include accessing the study assistance program, learning new work duties, participating in project work or undertaking internal or external training.

4.6 Workplace Health & Safety

- 4.6.1 Council employees must strive to eliminate work-related injury and illness. Council aims to ensure that the risk of death, injury or illness caused by the workplace, relevant workplace area, work activities, or plant/substances for use at work, is minimised to as low as reasonably practicable.
- 4.6.2 Employees must take reasonable steps to ensure their own safety, health, and wellbeing in the workplace. Employees also have a duty of care to both fellow employees and members of the public.
- 4.6.3 While at work, employees must:
- Take reasonable care for their own physical and psychological health and safety.
 - Take reasonable care that their acts, or omissions, do not adversely affect the physical and psychological health and safety of others, including members of the public.
 - Comply, so far as reasonably able, with any

reasonable instruction that is given.

- Cooperate with any reasonable policy or procedure of the person conducting the business or undertaking relating to health or safety at the workplace that has been notified to employees.

4.6.4 Employees also have a duty to:

- Identify hazards and manage risks to health and safety.
- Immediately report any identified incidents or hazards to their direct supervisor.
- Support any workplace investigations.
- Perform all work safely and follow safe work practices.
- Take corrective action to 'make safe' the workplace, or work activities and implement improvements.
- Participate in any education or training programs as directed.
- Participate in rehabilitation and return to work programs if required.

4.7 Drugs and Alcohol

- 4.7.1 We must place guidelines around the use of drugs and alcohol if we are to maintain the trust and confidence of the broader public and ensure the health and safety of all employees, and members of the public. The use of drugs or alcohol can adversely affect productivity, attendance and on-the-job safety.
- 4.7.2 Employees must comply with Council's policies and procedures and workplace requirements relating to the use of illegal drugs and other substances that may impair their ability to perform work safely.
- 4.7.3 Unless in accordance with policy, consumption of alcohol by employees at any time when they are on duty is prohibited and may result in disciplinary action.

4.8 Smoke Free Workplace

- 4.8.1 Council is committed to providing a healthy work environment for individuals working, visiting or conducting business at Council workplaces.
- 4.8.2 Employees are required to comply with Council's Smoke Free Workplace policies and procedures and all requirements relating to smoking and the use of smoking products.
- 4.8.3 Council provides support to employees who require assistance in giving up smoking through the counselling services provided by the Employee Assistance Provider.

4.9 Working with Children and Young People

- 4.9.1 The following standards outline what Council considers appropriate employee conduct in relation to interactions with children and young people:
- Not physically or verbally abuse children, or young people, or expose them to physically or verbally abusive behaviour.
 - Not accept gifts from or purchase any items from children, or young people, or provide gifts to young people unless as part of a structured recognition or reward program.
 - Not have sexual relationships with children or young people.

- Treat young people with courtesy, respect and consideration.
- Act on complaints to the best of their ability.
- Respond professionally to suspicions or disclosures of harm and report them to the relevant authorities.
- Act as a positive role model.
- Employees must ensure permission is granted from a child's parent/guardian before taking an image of a child and the parent/guardian understands how the image will be used.

ETHICS AND COMPLIANCE

5.1 Breaches of the Code

- 5.1.1 Council expects all employees to comply with this Code and all other policies which Council implements.
- 5.1.2 A breach of the Code damages business effectiveness, public perception of Council and interpersonal work relationships.
- 5.1.3 Any act, or lack of action, by an employee that contravenes this Code may result in Council taking disciplinary action which could include dismissal, legal action and/or referred to the appropriate authorities for further investigations and action.
- 5.1.4 All suspected breaches will be treated individually on a case-by-case basis and all relevant circumstances will be taken into account. Suspected breaches will be treated in line with Council policy.
- 5.1.5 Suspected corrupt conduct must be referred to Council's CEO, and the CEO has a duty to notify the Crime and Corruption Commission of the suspected corrupt conduct.
- 5.1.6 In cases where a suspected breach of this Code is under investigation, and if the CEO deems it appropriate, any employee suspected of a breach of this Code may be suspended from duty on full pay until such time as the investigation has been completed.
- 5.1.7 All disciplinary action taken by Council against an employee for found breaches of this Code will be in accordance with Council policy and in compliance with Council's obligations pursuant to Chapter 8, Part 3 of the Local Government Regulation 2012.

5.2 Reporting Breaches of the Code

- 5.2.1 *The Public Interest Disclosure Act 2010* and the *Public Sector Ethics Act 1994* aim to create a work environment where public sector employees understand and maintain appropriate standards of conduct.

- 5.2.2 If employees have a concern or suspect a breach of the Code involving one or more Council employees, the Public Interest Disclosure Act 2010 gives employees the right to disclose, in the public interest, information about wrongdoings in the public sector and provides protection to employees when they make such a disclosure.

Should an employee wish to make such a disclosure they should contact:

- internal channels (e.g. internal channels e.g. Governance, CEO).
- other external channels (e.g. Crime and Corruption Commission, Anti-Discrimination Commission, Queensland Ombudsman).

- 5.2.3 If an employee reports a breach:

- Employees are required to keep the matter confidential, except as authorised by law or to enforce legal rights and participate in any potential investigation process.
- Be aware that Council does not tolerate bullying or the provision of false or misleading information used to bring someone into disrepute (i.e. those claims found to be unsubstantiated and made with the intention of causing detriment to another person).
- In a similar manner, Council does not tolerate the victimisation of, or reprisals against, employees who report a potential breach.

- 5.2.4 There are serious penalties under the *Crime and Corruption Act 2001 (Qld)* for any person who threatens, intimidates, or harasses (or attempts to do so) any person who gives evidence or helps the Crime and Corruption Commission in the performance of its functions.

5.2.5 There are also penalties under the *Public Interest Disclosure Act 2010 (Qld)* for anyone who commits a reprisal against a person who has made a public interest disclosure.

5.3 Review

5.3.1 This Code will be reviewed every two years.

5.4 Publication

5.4.1 In accordance with the requirements of the Public Sector Ethics Act 1994, the CEO will keep a printed copy of the Code available for inspection in Council's Administration Centres and Council will publish the Code on its intranet site for all employees to access.

5.5 Training

5.5.1 Education and training about public sector ethics will be included as part of the employee induction process and provided as frequently as the CEO determines.

5.6 Authority

5.6.1 In accordance with Section 16 of the Public Sector Ethics Act 1994, the following consultation process was followed in the development of the Whitsunday Regional Council Employee Code of Conduct:

- Human Resources and Safety Team
- Internal Stakeholders
- Executive Leadership Team
- Chief Executive Officer

5.6.2 This Code was approved by the

- Internal Stakeholders
- Executive Leadership Team
- Chief Executive Officer

5.6.3 This Code was approved by the Chief Executive Officer in accordance with section 17 of the Public Sector Ethics Act 1994.

5.7 Further Assistance

5.7.1 If employees read the Code and are still unsure of how it applies to them, it is important that they discuss this with their direct supervisor/

manager. In most cases, they will be able to answer their enquiries.

5.7.2 If you have concerns about approaching any of these people, contact the next most senior person in their area.

5.7.3 Alternatively, employees may wish to contact one of the following:

- Manager Governance and Administration
- Manager Human Resources and Safety
- Crime and Corruption Commission – in relation to suspected or actual corrupt conduct

APPENDICES

Appendix A: A Guide to Ethical Decision - Making

The following guide is designed to help employees reach an ethical decision based on the relevant facts and circumstances of a situation.

Step 1: Assess the situation

- What is the aim?
- What are the facts and circumstances?
- Does it break the law or go against Council policy?
- Is it in line with the Code's principles?
- What principles does it relate to? Why?
- Who is affected? What rights do they have?
- What are their obligations or responsibilities?

Step 2: Look at the situation from Council's viewpoint

- As a public official, what should you do?
- What are the relevant laws, rules, and guidelines?
- Who else should they consult?

Step 3: How would others see your actions?

- Would a reasonable person think you used your powers or position improperly?
- Would the public see your action or decision as honest and impartial?
- Do you face a conflict of interest?

Step 4: Consider the options

- Ask your supervisor, manager, or any person who is able to give sound, relevant advice.
- What options and consequences are consistent with Council's values, the four Principles and your obligations?
- What are the costs and long-term consequences?
- How would the public view each option?

Step 5: Choose your course of action

Make sure your actions are:

- Within your power to take, legal and in line with policy and this Code.

- Fair and able to be justified to your supervisor/ manager and the public.
- Documented so a statement of reasons can be supplied.
- Consistent with Council's mission, goals and values backed by advice from Council specialists, if this is appropriate.

Appendix B: Examples of Official Misconduct

The following is a list of actions or behaviours that Whitsunday Regional Council regards as official misconduct. Employees who are found to have demonstrated any of the actions or behaviours below whilst working or acting on behalf of Council may be subject to disciplinary action, which, depending on the severity of the situation, may include disciplinary action up to and including termination of employment.

1. Unsafe behaviour or work practices and/or failure to report an accident or hazard.
2. Failure to comply with the documented Council Policies or Procedures.
3. Theft/misappropriation of Council property or equipment.
4. Acts of fraud or misappropriation of any type.
5. Unauthorised or misuse of Council property or equipment.
6. Unauthorised or undesirable communication on behalf of Council.
7. Deliberate absenteeism or misuse of leave entitlements which are contrary to Whitsunday Regional Council Certified Agreement and policy/ procedure.
8. Repeated absence or late arrival without just cause which are contrary to Whitsunday Regional Council Certified Agreement and Policy/ Procedure.
9. Deliberate disruption to Council's services or operations.

10. Divulging confidential information to any unauthorised person (including the media).
11. Falsifying any official documents or records (including signing on/off records).
12. Leaving work area without permission or explanation, deliberately wasting time, loitering, or sleeping during work hours.
13. Disobedience of a reasonable and lawful instruction given by a Manager, Supervisor or authorised co-worker.
14. Reading or displaying pornographic or any other unseemly literature, including but not limited to books, magazines or electronic based documents during working hours.
15. Inappropriate or improper use of the internet and / or intranet.
16. Failure to notify Council of being indicted or charged with a criminal offence where the conduct may reasonably impact safety, performance, Council's reputation, public confidence or the employee's ability to perform their role.
17. Being convicted of a criminal offence where the conduct may reasonably impact safety, performance, Council's reputation, public confidence or the employee's ability to perform their role.
18. Harassment or discrimination in any form.
19. Being in possession of or under the influence of illegal drugs, alcohol or restricted substances whilst on duty.
20. Failure to report a breach of the Code of Conduct.
21. Accepting a bribe or inducement that would result in a benefit to the employee or associated entity or person.
22. Any comments, words, threats or acts of aggressive behaviour, emotional abuse or physical violence against a member of Council or the community. Including but not limited to use of profanities, obscene gestures or insulting remarks.
23. Fraudulent recording of timesheet or working hours.
24. Using a position of power in an abusive way.
25. Knowingly making false, misleading, malicious or vexatious statements intended to improperly damage the reputation of Council, a member of Council or the community.
26. Failure to correctly wear assigned uniform and/or correct Personal Protective Equipment.
27. Using obscene language/swearing whilst representing Council.
28. Purposefully or willfully defeating a safety device. (i.e. smoke alarm, lock out/tag out equipment, machinery guarding or other safety critical equipment).
29. Purposefully or willfully deviating from a known safety system of work or agreed safe work practice

This list is by no means exhaustive and is intended to be indicative only.

There may be other actions or behaviours not listed here that may be managed as misconduct under the Whitsunday Regional Council Code of Conduct.

Appendix C: Official Misconduct

In the Code of Conduct for Employees the following definitions are applicable:

Conflict of Interest	A conflict of interest involves a conflict between a Council employee's work responsibilities and their personal or private interests. A conflict of interest can arise from either gaining a personal advantage or avoiding a personal loss. Conflicts of interest can be real (actual) or perceived (apparent). Interests can be financial, non-financial, personal, private, family or business. A real conflict of interest is a conflict between the employees' duties and their private interests. A perceived conflict of interest is if it seems an employee's private interests could improperly influence them at work, as judged by a reasonable person.
Corrupt Conduct	Section 15 of the <i>Crime and Corruption Act 2001</i>, defines corrupt conduct: (Corruption must be reported to the CCC) 15 Meaning of Corrupt Conduct (1) Corrupt conduct means conduct of a person, regardless of whether the person holds or held an appointment, that— (a) adversely affects, or could adversely affect, directly or indirectly, the performance of functions or the exercise of powers of— (i) a unit of public administration; or (ii) person holding an appointment; and (b) results, or could result, directly or indirectly, in the performance of functions or the exercise of powers mentioned in paragraph (c) in a way that— (i) is not honest or is not impartial; or (ii) involves a breach of the trust placed in a person holding an appointment, either knowingly or recklessly; or (iii) involves a misuse of information or material acquired in or in connection with the performance of functions or the exercise of powers of a person holding an appointment; and (c) would, if proved, be— (i) a criminal offence; or (ii) a disciplinary breach providing reasonable grounds for terminating the person's services, if the person is or were the holder of an appointment. 2) Corrupt conduct also means conduct of a person, regardless of whether the person holds or held an appointment, that— (a) impairs, or could impair, public confidence in public administration; and (b) involves, or could involve, any of the following - (i) collusive tendering; (ii) fraud relating to an application for a licence, permit or other authority under an Act with a purpose or object of any of the following (however described)— (A) protecting health or safety of persons; (B) protecting the environment; (C) protecting or managing the use of the state's natural, cultural, mining or energy resources;

Corrupt Conduct	(iii) dishonestly obtaining, or helping someone to dishonestly obtain, a benefit from the payment or application of public funds or the disposition of state assets; (iv) evading a State tax, levy or duty or otherwise fraudulently causing a loss of State revenue; (v) fraudulently obtaining or retaining an appointment; and (c) would, if proved, be— (i) a criminal offence; or (ii) a disciplinary breach providing reasonable grounds for terminating the person's services, if the person is or were the holder of an appointment.
Council Employee	Any person performing work for Council (including contract employees) and including volunteers, work experience students, vacation employment students and/or any arrangement satisfying the requirements of an employee under the <i>Industrial Relations Act 1999 (Qld)</i> .
Councillor	A person elected by the community to run the Council – refer to <i>Local Government Act 2009</i> .
Customer	In relation to this code, 'customer' refers to any person with whom we may come into contact during the performance of our duties. It includes, but is not confined to, members of the public, work colleagues, persons participating in Council organised functions, and other local government employees.
EEO	Equal Employment Opportunity (EEO) is based on the principle that all employees and potential employees of Council have the right to equality of opportunity and fair treatment in employment. In practice, EEO is the establishment of working conditions, policies, practices, guidelines, and conditions which enable every individual to compete equally for recruitment, selection, promotion, transfer and to pursue careers based on merit. EEO is also about development and implementing decision-making processes, policies, practices, and conditions which ensure that all areas of employment are free from unlawful discrimination and harassment.
Environmental Harm	Is any adverse effect, or potentially adverse effect (whether temporary or permanent and of whatever magnitude, duration, or frequency) on any environmental value (<i>Environmental Protection Act 1994</i>).
Impartiality	Unbiased and not prejudiced towards or against any particular side or party.
Improper Use	Means using public resources for purposes other than official purposes. An example of improper use might be using public resources for a personal income producing activity.
Intellectual Property	Refers to an original piece of work, the results of research, an invention or the development of a product that can be protected under specific Acts and by common law. Computer software, artwork and training programs are examples of intellectual property.

Appendix D: Applying the Code - FAQ's

Does the Code apply if I am on leave?

The Code continues to apply where conduct during leave may negatively impact on the integrity of Council or your ability to resume duties at the completion of your leave.

Does the Code apply after work hours?

Local government employees have a responsibility to conduct themselves in a manner that will not undermine public confidence in the integrity of Council.

Can I use Council's purchasing price to order products from a supplier for my personal use?

No. The principle of integrity is breached if you accept this benefit, and in doing so you may have influenced the supplier in an improper way to obtain advantage.

If there is discarded or obsolete equipment or resources in my work area, can I take it home for personal use if my supervisor has mentioned it to me?

Taking the equipment or resources, even if it appears to be of low value, is not permitted without written authorisation from an appropriate level of management. The principle of economy and efficiency is breached if Council assets are stolen, misused, or wasted.

A supplier has invited me to lunch to discuss the purchase agreement for new mowing equipment for my work area. Can I accept and should I allow the supplier to pay for the lunch?

Hospitality from suppliers to employees that procure, manage, maintain, or use equipment may be provided to influence future decisions, and can lead to allegations of corruption. With the approval of their manager, it may be possible for employees to attend. Employees must be clear that their decision-making process is fair and transparent. Employees should not be improperly influenced by accepting a benefit which would create a conflict of interest.

I have seen plans for an upcoming project involving Council which is still being developed and has not been publicly announced. Can I mention the details to my sister who might have an interest in becoming a supplier to the project?

If the information is not public, it is not to be disclosed outside of Council. The principle of integrity may be compromised by releasing confidential information that an employee has become aware of through their employment with Council. This also includes information about costs of goods or services, or tender bids. In the situation described, it may also be a conflict of interest should employees or a family member benefit from the information provided.

I would like to write to my local Councillor in relation to the condition of the road surface in my street. Am I able to do so?

Yes, employees have the right to do so as a private individual. However, it would not be appropriate or necessary to refer to your status as a Council employee. In doing so, it may be an actual or perceived attempt to use your position with Council to influence a decision.

11.10 - Review of Councillor Representation Register

MEETING DETAILS: Ordinary Council Meeting - Wednesday 23 September 2026

AUTHOR: Manager Governance

AUTHORISING OFFICER: Director Corporate Support Services

PURPOSE

To provide Council with an opportunity to review Councillor representation on External Committees and appoint representatives where appropriate.

EXECUTIVE SUMMARY

Council's Committees Policy (GOV_01) provides the framework for the establishment and operation of Council committees, including the appointment of Councillor representatives to External Committees. External Committees are organisations or bodies operated by third parties where Council has been invited to participate through nominated representatives.

This report presents a review of Council's External Committee appointments to ensure Councillor representation remains appropriate, current and aligned with Council's strategic priorities, interests and responsibilities. External Committee representation provides valuable opportunities for Councillors to contribute to regional, state and local forums, strengthen partnerships and advocate for matters relevant to the Whitsunday community.

The review also reinforces the expectations of Councillors appointed to External Committees, including keeping Council informed of relevant decisions, activities and emerging issues through briefing sessions, reports, minutes or verbal updates.

The proposed appointments support effective engagement with key external organisations while maintaining transparency, accountability and compliance with Council's adopted Committees Policy and legislative obligations.

The Councillor Representation Register presented at **Attachment 11.10.1** to this report reflects the previous appointments resolved by Council at meetings held 11 April 2024 and 24 April 2024. The only proposed changes include adding Cr Clay Bauman as a Proxy Member to the Reef Guardian Councils and removing the Bowen Burdekin Local Marine Advisory Committee to which Cr Gary Simpson was the previous delegate as this Committee no longer operates.

OFFICER'S RECOMMENDATION

That Council review and appoint Councillor representatives to the identified External Committees for the remainder of the 2024–2028 term (**Attachment 11.10.1**), where representation aligns with Council's strategic interests, objectives and responsibilities.

BACKGROUND

Council's Committees Policy (GOV_01), endorsed on 24 April 2024, provides the framework for the establishment, operation and appointment of representatives to Council committees and committees to which Council provides representation. The policy supports consistent practice and ensures Council's committee arrangements comply with the *Local Government Act 2009* and *Local Government Regulation 2012*.

Under the policy, Council may establish and appoint members to Advisory, Standing, Statutory, Special and External Committees to address areas of interest to Council and the community. External Committees are committees run by third parties where Council has been invited to provide representation.

The policy provides that Councillors appointed to External Committees may inform Councillors at a Council Briefing Session about relevant agenda items and are required to provide regular updates to Council on the decisions, activities and issues affecting the committee. Updates may be provided by tabling minutes, giving a verbal update or submitting a written report for inclusion in a Briefing Session agenda.

DISCUSSION/CURRENT ISSUE

Council representation on External Committees provides an opportunity for Councillors to participate in forums that consider matters relevant to the Whitsunday region, Council operations and community interests.

The review of External Committee appointments ensures that Councillor representation remains appropriate, current and aligned with Council's strategic interests, objectives and responsibilities. In considering appointments, Council should have regard to whether the committee represents state, regional or local interests that may affect Council, whether the committee's purpose aligns with Council's objectives, and whether Council has a direct financial, strategic or property-related interest in the committee's activities.

Where Councillors are appointed to External Committees, they are expected to keep Council informed of relevant matters arising from those committees. This may include advising Councillors of agenda items through Council Briefing Sessions and providing regular updates on committee decisions, activities and issues by tabling minutes, giving verbal updates or submitting written reports for inclusion in a Briefing Session agenda.

The appointment of Councillor representatives will support effective engagement with External Committees while maintaining transparency, accountability and alignment with Council's adopted Committees Policy.

FINANCIAL IMPLICATIONS

External Committees established under Council's Committees Policy through delegation, representation and guest invites are considered as Council business and are covered under Councillor Expenses and Resources Policy and currently budgeted under the 2026-27 budget.

CONSULTATION/ENGAGEMENT

Chief Executive Officer
Manager Governance
Councillors

STATUTORY/COMPLIANCE MATTERS

Section 264 of the Local Government Regulation 2012 (Standing and Special Committees)
Section 265 of the Local Government Regulation 2012 (Advisory Committees)
Council Committees Policy
Councillor Expenses and Resources Policy

RISK ASSESSMENT/DEADLINES

There is a low governance risk if Councillor representation on External Committees is reviewed and appointed in accordance with Council's adopted Committees Policy.

Appointments should be confirmed in a timely manner to ensure Council representation remains current for the 2024–2028 term and Councillors can continue to meet any committee participation and reporting obligations.

Delays in confirming appointments may limit Council's ability to participate in relevant external forums and receive timely updates on matters affecting Council and the region.

STRATEGIC IMPACTS

Corporate Plan References:

- Working with our residents to provide opportunities, programs, facilities and resources.
- Building strong relationships and engagement which meets community expectations.
- Delivering accountable goals.
- Ensuring good governance, agile procurement, consolidated systems and robust financials.
- Prioritise the needs of the region.

11.11 - Delegations Policy and Annual Register Review

MEETING DETAILS: Ordinary Council Meeting - Wednesday 23 September 2026

AUTHOR: Legal, Risk and Reporting Coordinator

AUTHORISING OFFICER: Director Corporate Support Services

PURPOSE

To present the proposed Delegations Policy for Council's consideration and seek Council's approval of the reviewed Delegations Register, including the legislative delegations from Council to the Chief Executive Officer, as required under the *Local Government Act 2009* (the LG Act).

EXECUTIVE SUMMARY

Section 257 of the LG Act enables Council to delegate legislative powers to the Chief Executive Officer (CEO). Pursuant to section 257(5) of the LG Act, delegations to the CEO must be reviewed annually.

This report presents a proposed Delegations Policy (**Attachment 11.11.1**) for Council's consideration and the annual review of Council's Delegations Register. The proposed Policy establishes an overarching governance framework for legislative, financial, human resources and administrative delegations and authorities across the organisation, providing a consistent approach to the management, oversight and review of delegated decision-making.

Council last adopted the Delegations Register on 24 September 2025. A review has now been completed using the Local Government Association of Queensland (LGAQ) Delegations Portal, maintained by King & Company Solicitors, to ensure Council's delegations remain current and reflect legislative amendments and new legislative instruments introduced since the previous review.

The updated Delegations Register is presented at **Attachment 11.11.2** for Council's consideration and includes both existing delegations and additional delegations recommended for inclusion in the Register as part of the review. New provisions recommended by King & Company Solicitors are shown in yellow shading in **Attachment 11.11.2**. Adoption of the revised register will ensure Council's statutory powers continue to be exercised efficiently and in accordance with contemporary legislative requirements.

As the proposed Delegations Policy provides an integrated governance framework for all forms of delegated authority, the existing Financial Delegations Policy would no longer be required as a standalone Council Policy. Accordingly, should the proposed Delegations Policy be adopted, it is recommended that the Financial Delegations Policy be rescinded, with financial delegation limits and operational controls continuing to be maintained through the Financial Delegations Register and supporting operational documents.

OFFICER'S RECOMMENDATION

That Council:

1. Adopts the Delegations Policy, as presented in **Attachment 11.11.1**, and requires the Policy to be reviewed annually in conjunction with the review of Council's Delegations Register.

2. Delegates to the Chief Executive Officer, in accordance with section 257 of the *Local Government Act 2009*, the powers contained in the Delegations Register presented at **Attachment 11.11.2**, subject to the conditions and limitations contained in Schedule 2 - Conditions and Limitations to the Exercising of Delegated Powers, Duties and Functions, presented at **Attachment 11.11.3**.
3. Rescinds the Financial Delegations Policy adopted by Council 13 August 2019 on the commencement of the Delegations Policy.
4. Notes that the Chief Executive Officer will undertake any consequential amendments to the CEO to Employees/Contractors Delegations Register in accordance with section 259 of the *Local Government Act 2009*.

BACKGROUND

Section 257 of the LG Act enables Council to delegate powers under the LG Act and other legislation to the Chief Executive Officer. Pursuant to section 257(5), delegations to the CEO must be reviewed annually.

During 2025-26, Council continued to utilise the Local Government Association of Queensland (LGAQ) Delegations Portal, which is maintained and updated by King & Company Solicitors. A comprehensive review of all legislation applicable to local government has been undertaken to identify legislative powers that are appropriate for delegation to the CEO.

The CEO is required to maintain a Delegations Register recording all delegations made by Council. The register must be available for public inspection and include the legislative powers delegated, the delegate, and the relevant Council resolution details.

The completed review of delegations from Council to the CEO is provided at **Attachment 11.11.2** for Council's consideration.

DISCUSSION/CURRENT ISSUE

Council last adopted the Delegations Register on 24 September 2025. Since that review, legislative amendments and new legislation have resulted in a number of changes to the recommended delegations framework.

Attachment 11.11.2 includes all existing delegations together with additional delegations recommended by the review undertaken by King & Company Solicitors on behalf of the LGAQ. New and amended legislative instruments are highlighted in yellow within the attachment.

The review has identified changes arising from the following legislation:

- *Aged Care Act 2024 (Cth)*
- *Aged Care Rules 2025*
- *Anti-Discrimination Act 1991*
- *Child Safe Organisations Act 2024*
- *Crime and Corruption Act 2001*
- *Explosives Act 1999*
- *Ozone Protection and Synthetic Greenhouse Gas Management Act 1989*
- *Ozone Protection and Synthetic Greenhouse Gas Management Regulations 1995*
- *Queensland Competition Authority Act 1997*
- *Residential Tenancies and Rooming Accommodation Regulation 2025*

- *Sex Discrimination Act 1984*
- *Trusts Act 2025*
- *Vegetation Management Act 1999*
- *Workers' Compensation and Rehabilitation Regulation 2025*

Delegations enable the efficient administration of Council's statutory responsibilities by allowing decisions to be made at the appropriate level without requiring a Council resolution for each matter. They support timely decision-making, operational efficiency and accountability within the organisation.

A corresponding review of the CEO Sub-Delegations Register is also being undertaken to ensure alignment with the legislative delegations adopted by Council.

In addition to the annual review of the Delegations Register, Council is also being presented with a proposed Delegations Policy. The Policy establishes an overarching governance framework for all forms of delegated and authorised decision-making within Council, including legislative delegations, financial delegations, human resources delegations and other administrative authorities. Rather than maintaining separate governance arrangements for each category, the Policy provides a consistent set of principles relating to lawful authority, accountability, appropriate allocation of authority, transparency and oversight, while detailed limits, conditions and operational requirements continue to be managed through the relevant instruments, registers, procedures and systems.

The proposed Policy is intended to strengthen governance by ensuring all forms of authority are managed through a consistent framework while recognising the different legal and organisational bases on which those authorities are established. This approach promotes greater clarity regarding responsibilities, improves oversight of delegated decision-making, and supports a coordinated approach to the establishment, exercise, review and monitoring of delegations and administrative authorities across the organisation.

The proposed Delegations Policy establishes an integrated governance framework for legislative, financial, human resources and administrative authorities. As a result, the existing Financial Delegations Policy adopted by Council 13 August 2019 would no longer be required as a standalone Council Policy. Should the proposed Delegations Policy be adopted, it is recommended that the Financial Delegations Policy be rescinded, with financial delegation limits and operational controls continuing to be maintained through the Financial Delegations Register and supporting operational documents.

This approach aligns with Council's broader policy framework by distinguishing between governance requirements and operational controls, reducing duplication and ensuring delegation arrangements remain flexible, current and fit for purpose.

FINANCIAL IMPLICATIONS

Council is subscribed to LGAQ's delegations' services as part of Council's annual subscription, which is resourced through the 2026-27 budget.

CONSULTATION/ENGAGEMENT

Chief Executive Officer

STATUTORY/COMPLIANCE MATTERS

Section 257(5) of the *Local Government Act 2009* requires Council to review annually delegations to the Chief Executive Officer.

RISK ASSESSMENT/DEADLINES

Delegations are vital in ensuring that operations of the Council can be conducted legally and efficiently. Having appropriately delegated powers as identified in legislation, ensures that Council risk is mitigated when conducting operational activities. Failure to review and update delegations' registers may result in routine decisions having to be made by Council which are more appropriately exercised at a Council officer level and an inefficient use of Council's time and resources.

STRATEGIC IMPACTS

Corporate Plan Reference:

Ensuring good governance, agile procurement, consolidated systems and robust financials.

ATTACHMENTS

1. DRAFT Delegations Policy [11.11.1 - 9 pages]
2. Register of Delegations - Council to CEO - 2026 Review [11.11.2 - 562 pages]

Delegations Policy

Council Policy

Policy Summary

Purpose	The purpose of this Policy is to establish a clear, consistent and transparent framework for the establishment, exercise, recording, maintenance and review of delegations and administrative authorities across Council.
Scope	This Policy applies to Council, the Mayor, the Chief Executive Officer, Councillors, employees, contractors and other persons authorised to exercise a delegation or administrative authority on behalf of Council.
Principles	Council's approach to Delegations is underpinned by the following principles: • Delegations and administrative authorities have a clear legal, policy or management basis. • Delegates remain responsible for decisions made under their authority. • Authority is assigned at a level proportionate to the decision and associated risk. • Delegations and administrative authorities are clearly documented, accessible and auditable. • Delegations and administrative authorities are monitored and reviewed to remain current and appropriate.
Roles and responsibilities	Council Adopts this Policy, makes and reviews delegations that legislation reserves to Council, and retains oversight of powers delegated by Council. Mayor Exercises and, where legally permitted, delegates mayoral powers. Chief Executive Officer Establishes and administers delegations and administrative authorities within the CEO's authority and ensures an effective organisation-wide control framework. Governance Coordinates the overarching framework and legislative delegations, maintains relevant governance records and provides advice on validity, documentation and review requirements. Delegates Exercise authority only within its scope, maintain appropriate records, manage conflicts of interest and escalate matters outside or unsuitable for the authority held.
Review	{Date to be inserted – Annually from date of adoption}
Owner	Manager Governance

Delegations

1. Purpose

The purpose of this Policy is to establish a clear, consistent and transparent framework for the establishment, exercise, recording, maintenance and review of delegations and administrative authorities across Council.

The Policy explains how legislative, financial, human resources and other administrative delegations operate together while recognising the different legal and organisational bases on which those authorities are established.

2. Scope

This Policy applies to Council, the Mayor, the Chief Executive Officer, Councillors, employees, contractors and other persons authorised to exercise a delegation or administrative authority on behalf of Council. It applies to:

- legislative delegations made under the *Local Government Act 2009* or another Act;
- financial delegations;
- human resources delegations; and
- other administrative authorities established under Council policy or the Chief Executive Officer's management responsibilities.

Detailed authorities, financial limits, conditions and operational requirements are contained in the relevant instruments, registers, procedures and systems established under this Policy.

Nothing in this Policy permits the delegation of a power that legislation requires to be exercised by Council resolution or otherwise prohibits from delegation.

3. Intent

This Policy provides an integrated governance framework for delegations and administrative authorities, ensuring decision-making authority is clearly established, appropriately allocated and exercised with accountability.

4. Principles

Council's approach to Delegations is underpinned by the following principles:

Principle	Description
Lawful Authority	Delegations and administrative authorities have a clear legal, policy or management basis.
Accountability	Delegates remain responsible for decisions made under their authority.
Appropriate Allocation	Authority is assigned at a level proportionate to the decision and associated risk.

Delegations Policy

Date Approved:

Document Owner: Manager Governance

Document Number:

Next Review Date: DD Month YYYY

This document is uncontrolled when printed

Page 2

Principle	Description
Clarity and Transparency	Delegations and administrative authorities are clearly documented, accessible and auditable.
Effective Oversight	Delegations and administrative authorities are monitored and reviewed to remain current and appropriate.

5. Outcomes

This Policy is designed to deliver the following organisational and governance outcomes:

- A coordinated framework for all delegations and administrative authorities across Council.
- Clear responsibility for establishing, maintaining, exercising and reviewing each category of authority.
- Timely and effective decision-making at an appropriate organisational level.
- Reliable records of the source, scope, conditions and limits of decision-making authority.
- Effective oversight and assurance that delegations and authorities remain lawful, current and appropriate.

6. Policy Statement

Council maintains an integrated framework for delegations and administrative authorities to support lawful, timely and accountable decision-making.

Delegations and administrative authorities must have a clear source of authority, be conferred by the person or body authorised to do so, and be documented in an approved instrument, register or system. They must identify the delegate or authorised position, the extent of the authority and any applicable conditions, limitations or reporting requirements.

Legislative delegations are established and exercised in accordance with the enabling legislation. Financial, human resources and other administrative authorities are established under the applicable policy or management authority and operate within approved budgets, employment arrangements, organisational responsibilities and internal controls.

A person exercising delegated or administrative authority remains accountable for the decision and must act within the scope of the authority, for a proper purpose, without an unmanaged conflict of interest and with appropriate regard to risk. The exercise of powers outside an approved delegation may result in the decision being reviewed, revoked or otherwise dealt with in accordance with applicable legislation, Council procedures, employment arrangements or other appropriate management action.

Where a decision requires more than one authority, the decision-maker must hold each relevant authority. For example, authority to undertake an employment action does not of itself provide authority to approve the associated expenditure, and financial authority does not of itself confer authority to exercise a statutory or human resources power.

Delegations and administrative authorities must be maintained, monitored and reviewed to ensure they remain current, appropriate and aligned with legislative requirements, organisational responsibilities and Council's risk settings.

7. Categories of Delegations and Administrative Authorities

Category	Governance basis	Established by	Supporting Record
Legislative Delegations	A power under the <i>Local Government Act 2009</i> or another Act	Council, Mayor or CEO, as permitted by legislation	Instrument and Legislative Delegations Register
Financial Delegations	Authority arising under legislation, Council policy or the CEO's financial management responsibilities	CEO or other authorised decision-maker, subject to applicable legislative and policy requirements	Financial Delegations Register and financial systems
Human Resources Delegations	Authority arising under legislation, industrial instruments or the CEO's workforce management responsibilities	CEO or other authorised decision-maker, subject to legislation, industrial instruments and Council requirements	HR Delegations Instrument or Register and HR systems
Other Administrative Authorities	Internal decision-making or approval authority arising from management responsibility, policy or administrative arrangements	Person or body holding the relevant authority	Relevant instrument, register, procedure or system

Delegations and administrative authorities must be documented in the instrument, register or system applicable to their category. Legislative delegations required to be recorded in Council's Register of Delegations must be recorded and made available in accordance with legislative requirements. Financial, human resources and other administrative authorities must be maintained in the relevant controlled organisational register or system.

A delegation or authority must be classified and documented according to its source and legal effect. An internal administrative authority must not be represented as a statutory delegation unless it is supported by legislation.

8. Restrictions

The power to delegate is subject to the restrictions imposed by the *Local Government Act 2009* and any other applicable legislation. A delegation must not be made where legislation prohibits the delegation of a power or function (refer Schedule 1).

The Mayor must not:

- Delegate the power to give directions to the Chief Executive Officer.
- Further delegate a power delegated by Council where Council has directed that the power is not to be further delegated.

Delegations Policy

Date Approved:

Document Owner: Manager Governance

Document Number:

Next Review Date: DD Month YYYY

This document is uncontrolled when printed

Page 4

The Chief Executive Officer must not:

- Further delegate a power delegated by Council where Council has directed that the power is not to be further delegated.
- Delegate the power to keep a Register of Interests.

9. Roles and Responsibilities

Role	Responsibility
Council	Adopts this Policy, makes and reviews delegations that legislation reserves to Council, and retains oversight of powers delegated by Council.
Mayor	Exercises and, where legally permitted, delegates mayoral powers.
Chief Executive Officer	Establishes and administers delegations and administrative authorities within the CEO's authority and ensures an effective organisation-wide control framework.
Governance	Coordinates the overarching framework and legislative delegations, maintains relevant governance records and provides advice on validity, documentation and review requirements.
Chief Financial Officer	Administers financial delegations, associated registers and financial system controls, and monitors compliance with financial limits.
Human Resources	Administers HR delegations, associated registers and system controls, and monitors alignment with employment legislation and industrial and organisational requirements.
Directors and Managers	Ensure delegations and authorities within their areas remain appropriate and that delegates understand and comply with applicable conditions.
Delegates	Exercise authority only within its scope, maintain appropriate records, manage conflicts of interest and escalate matters outside or unsuitable for the authority held.

Delegations Policy

Page 5

10. Monitoring

This Policy will be reviewed annually in alignment with Council's review of the Delegations Register.

Each category of delegation or authority must have an identified functional owner responsible for ensuring that it:

- is established by the appropriate person or body;
- is accurately documented and reflected in relevant systems;
- remains aligned with legislation, organisational responsibilities and approved policies;
- is reviewed following legislative or organisational change and at the frequency applicable to that category; and
- is varied or revoked when it is no longer required or appropriate.

Governance will coordinate oversight of the overall framework. Functional owners will monitor and report on the delegations and authorities they administer.

Delegations from Council to the CEO will be reviewed annually as required by legislation. Other delegations and authorities will be reviewed periodically and when triggered by relevant legislative, policy, organisational, position or system changes.

REGISTER OF DELEGATIONS COUNCIL TO CEO***Aboriginal Cultural Heritage Act 2003***

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, in the circumstances set out in subsection (1), to take all reasonable and practicable steps to ensure that the human remains are taken into the custody of the chief executive.	Section 17 <i>Aboriginal Cultural Heritage Act 2003</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, in the circumstances set out in subsection (1), to advise the chief executive of the existence and location of the human remains and give the chief executive all details that the chief executive reasonably requires.	Section 18 <i>Aboriginal Cultural Heritage Act 2003</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person who carries out an activity, to take all reasonable and practicable measures to ensure the activity does not harm Aboriginal cultural heritage.	Section 23 <i>Aboriginal Cultural Heritage Act 2003</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to consult with the Minister about cultural heritage duty of care guidelines.	Section 28(2) <i>Aboriginal Cultural Heritage Act 2003</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person who is involved in putting an approved cultural heritage management plan into effect, to take all reasonable steps to ensure the chief executive is advised about all Aboriginal cultural heritage revealed to exist because of any activity carried out under the plan.	Section 30 <i>Aboriginal Cultural Heritage Act 2003</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person who carries out an activity, to advise the chief executive of Aboriginal cultural heritage revealed to exist because of the activity.	Section 31 <i>Aboriginal Cultural Heritage Act 2003</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to carry out a cultural heritage study and have its findings recorded in the register including all steps authorised or required by Part 6 of the Act for the purpose of carrying out the study, recording it in the register and objecting to the way the study is recorded in the register.	Sections 53, 56, 57, 58, 59, 60, 61, 62(2), 63(3), 64(2), 65(2), 67, 68, 69(2), 70, 71, 76, 77(2) and 153 <i>Aboriginal Cultural Heritage Act 2003</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS COUNCIL TO CEO***Aboriginal Cultural Heritage Act 2003***

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power to consult with the Minister about guidelines to help people in choosing suitable methodologies for carrying out cultural heritage studies.	Section 54(2) <i>Aboriginal Cultural Heritage Act 2003</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the owner or occupier of land, to consult with the sponsor about obtaining access to the land and determine whether or not access should be given.	Section 70(3) <i>Aboriginal Cultural Heritage Act 2003</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to consult with the chief executive about a cultural heritage study.	Section 72(1)(c) <i>Aboriginal Cultural Heritage Act 2003</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to object to the Land Court to:- (a) the chief executive's recording in the register of the findings of a cultural heritage study; and (b) the chief executive's refusal to record in the register the findings of a cultural heritage study.	Section 76 <i>Aboriginal Cultural Heritage Act 2003</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to develop, reach agreement on and seek approval for a cultural heritage management plan including all steps authorised or required by Part 7 of the Act for the purpose of developing, reaching agreement on and seeking approval of the plan and objecting to any refusal to approve the plan.	Sections 82, 83, 91, 92, 93, 94, 95, 96, 97(2), 98(2), 99(2), 100, 101, 103, 104, 105, 106, 107, 109(5), 111, 112, 113, 114, 115, 116, 117(5) and 153 <i>Aboriginal Cultural Heritage Act 2003</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to consult with the Minister about guidelines to help people in choosing suitable methodologies for developing cultural heritage management plans.	Section 85(1) <i>Aboriginal Cultural Heritage Act 2003</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the owner or occupier of land, to consult with a person who wishes to enter land to perform a cultural heritage activity about obtaining access to the land and to determine whether or not access should be given.	Section 153 <i>Aboriginal Cultural Heritage Act 2003</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS COUNCIL TO CEO***Acquisition of Land Act 1967***

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power as an entity taking the resource interest to give the relevant chief executive for the resource interest written notice.	Section 4B(2) <i>Acquisition of Land Act 1967</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to prepare, serve and amend a Notice of Intention to Resume, to discontinue a resumption and to give notice to the land registry.	Section 7 <i>Acquisition of Land Act 1967</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to hear the objector, consider the grounds of objection to the taking of land and to amend the notice of intention to resume or discontinue the resumption.	Section 8 <i>Acquisition of Land Act 1967</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to apply to the Minister that the land be taken and to respond to requests from the Minister for further particulars or information.	Section 9 <i>Acquisition of Land Act 1967</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

Chief Executive Officer	Power, as a person conducting a business or undertaking, to ensure that, before electrical work is carried out on or near electrical equipment, the equipment is tested by a competent person to decide whether or not it is energised.	Section 15 <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person conducting a business or undertaking, to ensure that electrical equipment that has been de-energised to allow electrical work to be carried out on or near the equipment is not inadvertently re-energised while the work is being carried out.	Section 16 <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person conducting a business or undertaking, to ensure the steps listed in subsection 19(1) are taken before electrical work on or near energised electrical equipment commences at a workplace	Section 19 <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person conducting a business or undertaking, to ensure that only persons authorised by Council enter the immediate area in which electrical work on or near energised electrical equipment is being carried out.	Section 20 <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person conducting a business or undertaking, to ensure that, while electrical work is being carried out on or near energised electrical equipment, all persons are prevented from creating an electrical risk by inadvertently making contact with an exposed energised part of the equipment.	Section 21 <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person conducting a business or undertaking, to ensure that electrical work on or near energised electrical equipment is carried out in accordance with the requirements of subsections 22(1) and (2).	Section 22 <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO***Electrical Safety Regulation 2013***

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, in the circumstances listed in subsection 23(1), to:- (a) keep a copy of the risk assessment; (b) keep a copy of the safe work method statement; (c) ensure a copy of each assessment and each statement is readily accessible to any worker engaged by Council to carry out electrical work to which the assessment or statement relates; and (d) ensure that a copy of each assessment and each statement is available for inspection under the Act.	Section 23 <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person conducting a business or undertaking, to ensure workers who are required to perform, or help in performing, electrical work are competent in rescue and resuscitation in accordance with recognised practices in the electricity industry.	Section 28 <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person conducting a business or undertaking, to ensure Council's workers do not contravene subsection 31(1).	Section 31(2) <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person conducting a business or undertaking, to ensure Council's workers do not contravene subsection 32(1).	Section 32(2) <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person conducting a business or undertaking, to ensure, so far as is reasonably practicable, that no person, plant or thing at the workplace comes within an unsafe distance of an overhead or underground electric line.	Section 68(1) <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person conducting a business or undertaking, where it is not reasonably practicable, to ensure the safe distance of a person, plant or thing from an overhead or underground electric line, to take those steps required by subsection 68(2).	Section 68(2) <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person conducting a business or undertaking that performs electrical work on an electrical installation, to ensure the electrical installation, to the extent it is affected by the electrical work, complies with the requirements of subsection 71(1).	Section 71(1) <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person conducting a business or undertaking that performs work on an electric motor, to ensure that a person does not contravene subsection 73(1).	Section 73(2) <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO***Electrical Safety Regulation 2013***

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, in the circumstances set out in section 74, to take all reasonable steps to ensure the defect is fixed.	Section 74 <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the person in control of the electrical installation that receives electricity distributed by an electricity entity, to do those things required by subsection 76(2).	Section 76(2) <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the person in control of the electrical installation, to ensure that any structure supporting an electric line or item of electrical equipment forming part of the electrical installation complies with the requirements of subsection 77(1).	Section 77(1) <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the person in control of the electrical installation, to maintain, to a reasonable extent, the integrity of the insulation of any electric line, or connection to an electric line, that is part of the electrical installation	Section 78 <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the person in control of an overhead electric line, to ensure that trees and other vegetation are trimmed, and other measures taken, to prevent contact with the line that is likely to cause injury from electric shock to any person or damage to property.	Section 79 <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the person in control of an overhead electric line, to ensure that , if the line is disconnected from its electricity supply, the line is:- (a) dismantled as soon as practicable after disconnection; or (b) maintained so it is electrically and mechanically safe.	Section 80(1) <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the transferor of residential land, to, on or before the date of possession for the land, give the transferee of the land written notice of whether an approved safety switch has been installed for the general purpose socket-outlets installed in the domestic residence on the land.	Section 82(1) <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the transferor of residential land, to, within 90 days after the date of possession for the land, give the regulator a written notice stating the transfer and safety switch information.	Section 83(1) <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to have an approved safety switch installed for any general purpose socket-outlet.	Section 84(1) <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO***Electrical Safety Regulation 2013***

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as the owner of the residential land in the circumstances set out in subsection 85(1), to ensure, within 90 days after the start date of the tenancy, that an approved safety switch is installed for any general purpose socket-outlet.	Section 85(2) <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person conducting a business or undertaking, to ensure that any unsafe electrical equipment at the workplace complies with subsection 101(1).	Section 101(1) <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person conducting a business or undertaking, to ensure that any cord extension set or flexible cable at the workplace complies with subsection 102(1).	Section 102(1) <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person conducting a business or undertaking, to ensure that all electrical equipment for the performance of work complies with the requirements of AS/NZS 3012 (Electrical installations—Construction and demolition sites)	Section 104(1) <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person conducting a business or undertaking, to ensure, for the purposes of the business or undertaking, electrical equipment mentioned in AS/NZS 3012, clause 3.1 is not fitted with a tag that includes the test or retest date for the equipment unless the requirements of subsection 104(3).	Section 104(3) <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person with management or control of a workplace where construction work is being carried out, to ensure that all construction wiring at the workplace complies with the requirements of AS/NZS 3012 (Electrical installations—Construction and demolition sites).	Section 104(5) <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person conducting a business or undertaking to which section 105 applies, to ensure workers carrying out work for the person do not use a double adaptor or piggyback plug.	Section 106(2) <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person conducting a business or undertaking to which section 105 applies, to ensure that specified electrical equipment of the person at the workplace complies with the requirements of subsections 107(1), (3) and (4).	Section 107 <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person conducting a business or undertaking to which section 105 applies, to ensure that each safety switch, other than a portable safety switch, at the workplace complies with subsection 110(2).	Section 110(2) <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO***Electrical Safety Regulation 2013***

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as a person conducting a business or undertaking to which section 105 applies, to ensure that each portable safety switch the person has at the workplace complies with subsection 110(3).	Section 110(3) <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power as a person conducting a business or undertaking to which section 105 applies, to ensure that each safety switch that is not working properly complies with subsection 110(4).	Section 110(4) <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power as a person conducting a business or undertaking to which section 111 applies, to ensure that specified electrical equipment of the person at the workplace is not used to perform work unless it complies with subsections 112(1), (2) and (3).	Section 112 <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person conducting a business or undertaking to which section 111 applies, to ensure that each safety switch, other than a portable safety switch, at the workplace complies with subsection 113(2).	Section 113(2) <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person conducting a business or undertaking to which section 111 applies, to ensure that each portable safety switch the person has at the workplace complies with subsection 113(3).	Section 113(3) <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person conducting a business or undertaking to which section 111 applies, to ensure that each safety switch that is not working properly complies with subsection 113(4).	Section 113(4) <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person conducting a business or undertaking to ensure that a worker does not carry out work in the roof space of a building, or enter the roof space for the carrying out of work in another part of the building, unless the circumstances in subsection 120C(1) apply and section 120C(3) is complied with (where applicable).	Section 120C <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, in the circumstances listing in subsection 209(1), before the work starts, to give the electricity entity whose works include the electric line written notice in a form approved by the electricity entity.	Section 209(2) <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, in the circumstances listing in subsection 209(1), to pay the costs reasonably incurred by the electricity entity acting under subsection 209(3).	Section 209(4) <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO***Electrical Safety Regulation 2013***

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, , as a person conducting a business or undertaking, to keep a copy of the report of the examination, inspection or test for at least 5 years after the report is made.	Section 230(2) <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, before installing a cathodic protection system, to:- (a) advise all relevant persons for the proposed cathodic protection system of the proposal to install the system; and (b) allow the relevant persons to examine the proposal.	Section 241(2) <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the owner of a cathodic protection system, to ensure that the system is designed and installed in accordance with the requirements of the cathodic protection standard.	Section 242 <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the owner of a cathodic protection system, to comply with the requirements of subsection 243(1).	Section 243(1) <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the owner of a cathodic protection system, to perform tests.	Section 244 <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the owner of a cathodic protection system that is a registered system, to perform further tests and interference tests.	Section 245 <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the owner of a relevant system, to perform interference tests on all foreign structures for the system.	Section 246 <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the owner of a cathodic protection system, where required by the regulator, to perform interference tests on a foreign structure for the system not previously tested by the owner.	Section 247 <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the owner of a cathodic protection system in the circumstances required by subsection 248(1), to keep records of tests carried out under this division for 10 years.	Section 248(1) <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the owner of a cathodic protection system, if asked by the regulator, to give copies of the records within 14 days after the request.	Section 248(2) <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the owner of a cathodic protection system, if required by the regulator, to provide access to, and facilities for the testing of, the system.	Section 249(2) <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the owner of a cathodic protection system, to ensure the system complies with the requirements of section 250 for a cathodic protection system.	Section 250 <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO***Electrical Safety Regulation 2013***

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as the owner of a cathodic protection system, to ensure the system complies with the requirements of section 251 for a cathodic protection system.	Section 251 <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the owner of a cathodic protection system, to ensure that the tolerances for measuring instruments used to test the system comply with the safety and technical requirements of the cathodic protection standard.	Section 252 <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the owner of a registrable system installed on land or premises not owned by the owner of the system, to identify the location of each anode groundbed of the system by erecting as close as practicable to the anode groundbed a clearly visible, durable sign suitably and indelibly inscribed with the location of the anode groundbed and the name of the owner of the system.	Section 253 <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to apply for registration of a cathodic protection system that is a registrable system and give the regulator further relevant information the regulator requires to decide the application.	Section 255 <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the owner of a registered system, to give notice of the change in name or address.	Section 259(1) <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the owner of a registered system, to give notice of the removal or the making inoperable.	Section 261 <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the owner of a registered system that is changed or where its method of operation is changed, to advise the regulator and give written notice complying with subsection 262(2).	Section 262(1) <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, where required by the regulator, to take all or part of the action an applicant for registration of a registrable system is required to take under Part 13.	Section 262(3) <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person who conducts a business or undertaking, to ensure that the regulator is notified, in a way that complies with subsections (2) to (4) , immediately after becoming aware that a serious electrical incident or dangerous electrical event arising out of the conduct of the business or undertaking has occurred.	Section 265(1) <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO

Electrical Safety Regulation 2013

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as a person who conducts a business or undertaking, to keep a record of each serious electrical incident or dangerous electrical event for at least 5 years after the day that notice of the incident or event is given to the regulator.	Section 265(6) <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, if a serious electrical incident or dangerous electrical event happens at a place, to ensure, so far as is reasonably practicable, that the site where the incident or event occurred is not disturbed until an inspector arrives at the site or any earlier time that an inspector directs.	Section 269(2) <i>Electrical Safety Regulation 2013</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO***Electricity Act 1994***

Note: This register contains the powers of Council as a road authority, public entity and street lighting customer only.
It does not contain provisions which apply to Council as a consumer of electricity.

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as a road authority, to enter a written agreement with an electricity entity.	Section 102(2) <i>Electricity Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a road authority, to give an electricity entity information about lines and levels for proposed roadworks.	Section 102(4) <i>Electricity Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a road authority, to consult with an electricity entity.	Section 103 <i>Electricity Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a public entity, to require an electricity entity to alter the position of the electricity entity's works in a publicly controlled place if the works could interfere with the exercise of the public entity's powers for the place.	Section 106 <i>Electricity Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a public entity, to refer a dispute with an electricity entity arising under Chapter 4, Part 4 of the Act to the Regulator.	Section 117(2) <i>Electricity Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person whose interests are affected by a decision mentioned in schedule 1, to apply to the reviewer for internal review of the decision, including all steps necessary to progress the internal review (such as applying for a statement of reasons, applying to QCAT for a stay, participating in a mediation or arbitration).	Sections 214, 215, 216 and 217 <i>Electricity Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person whose interests are affected by a decision of the regulator under section 218 to apply to QCAT for an external review of the decision.	Section 219 <i>Electricity Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO***Electricity Regulation 2006***

Note: This register contains the powers of Council as a public entity and local government only.
It does not contain provisions which apply to Council as a consumer of electricity.

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as a public entity, to agree on a different consultation period with an electricity entity.	Section 18(3) <i>Electricity Regulation 2006</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a public entity, to impose reasonable requirements on an electricity entity that proposes to undertake action on a publicly controlled place.	Section 19(1) <i>Electricity Regulation 2006</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a public entity, to require an electricity entity to provide additional warning or protection devices to safeguard the public whilst taking action on a publicly controlled place.	Section 20(2) <i>Electricity Regulation 2006</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a public entity, to agree with an electricity entity about the restoration of a publicly controlled place that has been opened or broken up, including the power to impose reasonable conditions and requirements for the restoration.	Section 21(2) <i>Electricity Regulation 2006</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a public entity, to agree with an electricity entity about the way maintenance work is to be carried out.	Section 22(2) <i>Electricity Regulation 2006</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a local government, to consult with a person about the installation of a low voltage electricity line beyond the person's property, including the power to state in writing whether or not Council has any objection to the proposal.	Section 24 <i>Electricity Regulation 2006</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO***Environmental Offsets Act 2014***

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power to make an environmental offsets policy available for inspection.	Section 12(3) <i>Environmental Offsets Act 2014</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an administering agency, to impose an offset condition if the circumstances in sections 14 and 15 apply.	Sections 14 and 15 <i>Environmental Offsets Act 2014</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to consider a notice of election and any offset delivery plan.	Section 19(1) <i>Environmental Offsets Act 2014</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to decide whether it is appropriate to deliver the environmental offset in the way stated in the notice of election, and any offset delivery plan, or whether the offset should be delivered in a different way and to give notice of the decision.	Sections 19(2) and 19(3) <i>Environmental Offsets Act 2014</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to agree to amend either or both of the agreed delivery arrangement and an offset delivery plan.	Section 19(7) <i>Environmental Offsets Act 2014</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to give the notice required to be given under subsection (4).	Section 19A <i>Environmental Offsets Act 2014</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to enter another agreed delivery arrangement.	Section 20 <i>Environmental Offsets Act 2014</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to decide an application to remove duplicate conditions, make other amendments to the authority, and give notice of the decision.	Section 25A <i>Environmental Offsets Act 2014</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a relevant agency, to enter an environmental offset agreement.	Section 26 <i>Environmental Offsets Act 2014</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a relevant agency, to enter another environmental offset agreement that varies, or terminates and replaces, an earlier environmental offset agreement.	Section 28 <i>Environmental Offsets Act 2014</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, in the circumstance specified in subsection 35(1)(a), to give a compliance notice in relation to the terms of the environmental offset agreement.	Section 35 <i>Environmental Offsets Act 2014</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO***Environmental Offsets Act 2014***

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, where Council has given a compliance notice and the person contravenes it by not doing something, to do the thing and recover any reasonable costs or expenses incurred in doing it as a debt.	Section 39 <i>Environmental Offsets Act 2014</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to credit amounts received by Council as a financial settlement offset to Council's trust fund.	Section 89(1) <i>Environmental Offsets Act 2014</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to transfer an amount received by Council as a financial settlement offset in one of the circumstances listed in subsection (2).	Section 89(2) <i>Environmental Offsets Act 2014</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an administering agency, to keep a register of the matters listed in subsection one, make the register available for inspection and give information held on the register to the chief executive.	Section 90 <i>Environmental Offsets Act 2014</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an administering agency, to decide an application to amend:- (a) an existing authority; (b) an authority granted, on or after commencement, as the result of an application that was made but not dealt with, before commencement, and to do all things authorised or required by section 95B following the making of the decision.	Section 95B <i>Environmental Offsets Act 2014</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO

Environmental Offsets Regulation 2014

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as an owner of land proposed to be included within a new area covered by a later environmental offset agreement, to decide whether or not to consent to the amended declaration of the environmental offset protection area.	Section 11(3)(c) <i>Environmental Offsets Regulation 2014</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a decision maker, to decide an application for an area of land to be identified as an advanced offset and to do all things authorised or required by section 14 following the making of the decision.	Section 14 <i>Environmental Offsets Regulation 2014</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a decision maker, to remove an advanced offset from the register kept under section 90 of the Act.	Section 14(7) <i>Environmental Offsets Regulation 2014</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a decision maker, to decide an application to vary the boundary of an area of land identified as an advanced offset and to do all things authorised or required by section 15 following the making of the decision.	Section 15 <i>Environmental Offsets Regulation 2014</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a relevant entity, to extend the time for applying for internal review.	Section 18(2) <i>Environmental Offsets Regulation 2014</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a relevant entity, to review a reviewable decision, make an internal review decision and to do all things authorised or required by section 19 following the making of the decision.	Section 19 <i>Environmental Offsets Regulation 2014</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as trustee, to:- (a) allow the auditor-general, a person mentioned in section 47(1)(a) to (d), or a person authorised by the chief executive of a department, to audit the trust's financial accounts; and (b) help the conduct of the audit, including the disclosure of financial institution accounts necessary for the audit.	Section 49 <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as trustee, to resign by signed notice of resignation given to the Minister and agree with the Minister on the day the resignation takes effect	Sections 50(1)(b) and 50(2) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to take all necessary action for the maintenance and management of trust land.	Sections 52(1) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as trustee, to apply to the Minister to take action under section 52(1) that is an inconsistent action.	Section 52AA(2)(a) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as trustee, to take an inconsistent action.	Section 52AA(3) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as trustee, to take action under section 52(1) that is inconsistent with the purpose for which the land is dedicated as a reserve or granted in trust if the circumstances in subsections 52AB(2)(a) and (b) are met.	Section 52AB(2) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as trustee, to surrender all or part of a deed of grant in trust on terms agreed with the Minister and with the Minister's written approval.	Section 55(1) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as trustee, to apply to surrender all or part of a deed of grant in trust.	Section 55A(1) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as trustee, to give notice of the intention to apply to surrender all or part of a deed of grant in trust.	Sections 55A(2) and 55A(3) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as owner of improvements on a deed of grant in trust that has been surrendered, to apply, in writing to the chief executive, to remove the improvements on the deed of grant in trust.	Section 55H(1) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as owner of improvements on a deed of grant in trust that has been surrendered, to remove the improvements on the deed of grant in trust with the written approval of the chief executive.	Section 55H(2) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO***Land Act 1994***

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as trustee, to lease all or part of the trust land if the trustee first obtains the Minister's written "in principle" approval to the lease.	Section 57(1) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power as trustee to, without the Minister's approval, grant a trustee lease (construction) or a trustee lease (State or statutory body) over all or part of the trust land.	Section 57(3) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as trustee, to register a trustee lease in the appropriate register.	Section 57(7) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to seek the Minister's approval to amend a trustee lease.	Section 57A(1) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as trustee lessee, to transfer, mortgage or sublease a trustee lease subject to the written approval of:- (a) the Minister for a sublease; or (b) otherwise, the chief executive.	Section 58(1) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to appeal against the Minister's or chief executive's decision to refuse to allow a transfer, mortgage or sublease of a trustee lease.	Section 58(7) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as trustee, to issue a trustee permit to use all or part of the trust land.	Section 60(1) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to lodge a trustee permit in the appropriate register.	Section 60(3) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to seek consent to group trust land reserved for similar purposes together.	Section 62 <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to seek the Minister's approval for rent from a trustee lease or trustee permit to be applied to costs other than on maintenance and enhancement of the trust land.	Section 63(3) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a relevant person, to apply to the Minister for written authority dispensing with the need to obtain the Minister's or chief executive's approval for relevant leases.	Section 64(1) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a relevant person, to apply for approval to lease, sublease or sub-sublease trust land even if an authority is in force.	Section 64(5) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as trustee, to cancel a trustee lease or trustee permit if the lessee or permittee does not comply with the conditions of the lease or permit.	Section 65(1) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO***Land Act 1994***

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power to allow the trustee lessee or trustee permittee to remove the trustee lessee's or trustee permittee's improvements on the land within a reasonable time stated by the trustee.	Section 66(1) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as trustee of a deed of grant in trust, to mortgage a deed of grant in trust issued prior the commencement of the <i>Land Act 1994</i> , subject to the Minister's approval under section 67(4).	Section 67(2) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to mortgage a deed of grant in trust issued after the commencement of the <i>Land Act 1994</i> subject to section 67(3)(a) and (b) and the Minister's approval under section 67(4).	Section 67(3) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as trustee of trust land for cemetery purposes, to repair or remove structures, monuments or tombstones from a cemetery on trust land.	Section 80(1) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to ask the Minister that a cemetery on trust land be closed to further burials.	Section 81(1) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to ask the Minister to re-open a cemetery previously closed for further burials.	Section 81(4) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to agree to take on the trusteeship of a cemetery from trustees of the cemetery, and to agree on the terms of the transfer.	Section 82 <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to seek approval from the Minister to exhume a body from a cemetery, in the absence of any local law covering the matter.	Section 83(1) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to apply to the Minister seeking approval to surrender land granted for an estate in fee simple for some community, public or similar purpose, the land to the State, and for the issue of a deed of grant in trust under this Act for a community or public purpose.	Section 84(1) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to apply for land to be dedicated as a road for public use.	Section 94(2) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to apply to the Minister to permanently close a road.	Section 99(1) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to apply to the Minister to temporarily close a road.	Section 99(3) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO***Land Act 1994***

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as an adjoining owner of land who makes an application to permanently close a road pursuant to section 99(1) of the <i>Land Act 1994</i> , to ask that the land be amalgamated with the adjoining owner's adjoining land upon its closure.	Section 99(4) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to object to a road closure application in response to a public notice.	Section 100 <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a road licensee, to surrender all or part of a road licence.	Section 105(3) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as registered owner of land, to apply for the simultaneous opening and closing of roads subject to the conditions in section 109A(1)(a), (b) and (c).	Section 109A(1) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as registered owner, to ask the Minister to include certain matters in the deed of grant in trust issued under section 358.	Section 109A(2) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as registered owner, to appeal against any conditions the Minister imposes under section 420I.	Section 109A(3) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as trustee or lessee, to apply for the simultaneous opening or closing of roads subject to section 109B(1)(a), (b) and (c).	Section 109B(1) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to ask the Minister to include certain matters in the deed of grant in trust issued under section 358 or dedicated as a reserve under section 31A (whichever is applicable).	Section 109B(2) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as lessee, to ask that the land in the road being closed be amalgamated in accordance with section 109B(3)(a) or (b) (whichever is applicable).	Section 109B(3) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as trustee or lessee, to appeal against any conditions the Minister imposes under section 420I.	Section 109B(4) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to apply for an interest in land that may be granted without competition.	Section 120A(1) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as lessee, to apply to the Minister that a lease be used for additional or fewer purposes.	Section 154 <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as lessee, to apply for extension of a term lease (40 years).	Section 155A(2) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as lessee, to apply for extension of a term lease (50 years).	Section 155B(2) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as lessee, to apply for extension of a term lease (75 years).	Section 155BA(2) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO***Land Act 1994***

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as lessee, to:- (a) provide the Minister with an improvements report; (b) give the Minister information, or further information, about a building or other structure on the lease land; and (c) give the Minister a report about the condition of the buildings and other structures on the lease land.	Sections 156(2) and (4) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as lessee, to within the reasonable period stated in the notice, make written submissions about any matter relevant to the reasons for the chief executive's proposal.	Section 157B(2)(a)(iii) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as lessee, to apply for an offer of a new lease (a renewal application).	Section 158 <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as trustee, to consult with the Chief Executive.	Section 159A(2) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an applicant for a renewal application, to appeal against the chief executive's decision to refuse the renewal application if the only reason for the refusal was that the applicant had not complied with the conditions of the lease.	Section 160(3) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a lessee under a rolling term lease, to apply to the Minister for an extension of the term.	Section 164C(1) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a lessee under a rolling term lease, to appeal to the Minister's refusal of an extension of the term.	Section 164C(7) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as lessee, to apply to convert a perpetual lease to freehold land and a term lease to a perpetual lease or to freehold land.	Section 166(1) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as applicant for a conversion application, to appeal against the chief executive's decision to refuse the conversion application if the only reason for the refusal was that the applicant had not complied with the conditions of the lease.	Section 168(5) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as lessee, to apply for approval to subdivide the lease.	Section 176(1) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to provide a statement of Council's views on the proposed subdivision.	Section 176(2)(b) <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to appeal against the Minister's decision to refuse an application for approval to subdivide a lease.	Section 176E <i>Land Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

Chief Executive Officer	Power, as a person dissatisfied with a decision of an industrial magistrate in proceedings brought under subsection 234(1), to appeal to the Industrial Court.	Section 234 <i>Mining and Quarrying Safety and Health Act 1999</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a relevant corporation, to make a written submission to the chief executive to show why the civil penalty should not be imposed.	Section 246H <i>Mining and Quarrying Safety and Health Act 1999</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to give an enforceable undertaking relating to a contravention or alleged contravention of the Act.	Section 246L <i>Mining and Quarrying Safety and Health Act 1999</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person who has given an enforceable undertaking, to withdraw the undertaking or vary the undertaking.	Section 246Q <i>Mining and Quarrying Safety and Health Act 1999</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an operator, to advise a subsequent worker that the original worker exercised rights under subsection (1).	Section 253(4) <i>Mining and Quarrying Safety and Health Act 1999</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person with obligation under the Act, to make a representation to an inspector or inspection officer.	Section 254 <i>Mining and Quarrying Safety and Health Act 1999</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the person from whom the information was obtained, to consent to the disclosure of information concerning Council.	Section 255(1)(a) <i>Mining and Quarrying Safety and Health Act 1999</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person give a notice by the CEO under subsection 259(1), to comply with the notice.	Section 259(3) <i>Mining and Quarrying Safety and Health Act 1999</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO***Mining and Quarrying Safety and Health Regulation 2017***

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as an operator, to ensure hazard identification for the mine's operations is done during the operations' planning and design.	Section 6(2) <i>Mining and Quarrying Safety and Health Regulation 2017</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person who has an obligation under the Act to manage risk at a mine, to apply hazard controls in the order identified in subsection (1).	Section 8(1) <i>Mining and Quarrying Safety and Health Regulation 2017</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person who has an obligation under the Act to manage risk at a mine, to monitor risk in the person's own work and activities at the mine.	Section 9(1) <i>Mining and Quarrying Safety and Health Regulation 2017</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a responsible person for a mine, to pay a safety and health fee.	Section 11C(1) <i>Mining and Quarrying Safety and Health Regulation 2017</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a responsible person for a mine, to give the chief executive a safety and health census.	Section 11D(1) <i>Mining and Quarrying Safety and Health Regulation 2017</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a responsible person for a mine, to apply to the chief executive to extend the period to give the a safety and health census.	Section 11D(2)(a) <i>Mining and Quarrying Safety and Health Regulation 2017</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a responsible person for a mine, in the circumstances set out in subsection 11DA(1), to choose to give a safety and health census each financial year rather than each quarter.	Section 11DA(2) <i>Mining and Quarrying Safety and Health Regulation 2017</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a responsible person for a mine, in the circumstances set out in subsection 11DB(1), to give the chief executive a safety and health census for the current quarter and each earlier quarter of the financial year, not previously given to the chief executive.	Section 11DB(3) <i>Mining and Quarrying Safety and Health Regulation 2017</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a responsible person for a mine, keep records enabling the accuracy of the information required to be included in the safety and health census to be verified.	Section 11DC(2) <i>Mining and Quarrying Safety and Health Regulation 2017</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a responsible person for a mine, to give the CEO the records within 14 days or a later period agreed in writing with the CEO.	Section 11DC(5) <i>Mining and Quarrying Safety and Health Regulation 2017</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO***Mining and Quarrying Safety and Health Regulation 2017***

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as a responsible person for a mine, to make submissions to the chief executive.	Section 11E(3) <i>Mining and Quarrying Safety and Health Regulation 2017</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a responsible person for a mine, to pay the amount of the safety and health fee stated in the invoice.	Section 11E(6) <i>Mining and Quarrying Safety and Health Regulation 2017</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an operator, to ensure:- (a) switchgear used at the mine allows for reliable circuit interruption, under fault conditions, at all points in the mine's electrical distribution system; and (b) each electrical circuit at the mine is protected against overload, short circuit and earth fault under all operating conditions to effectively:- (i) interrupt the electricity supply; and (ii) isolate faults.	Section 22 <i>Mining and Quarrying Safety and Health Regulation 2017</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an operator, to ensure that the electricity supply to the plant identified in section 23 is capable of interruption from an accessible position remote from the plant.	Section 23 <i>Mining and Quarrying Safety and Health Regulation 2017</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an operator, to ensure:- (a) each automatic, programmable or computerised electrical control system at the mine operates safely under all operating conditions, including power supply instability or failure; and (b) the emergency stopping systems and safety alarms at the mine remain effective if there is a fault or failure in a system mentioned in paragraph (a).	Section 24 <i>Mining and Quarrying Safety and Health Regulation 2017</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO***Mining and Quarrying Safety and Health Regulation 2017***

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as an operator, to ensure each earthing system at the mine is installed and maintained at sufficiently low impedance and has sufficient capacity to ensure:- (a) reliable operation of electrical protective systems and devices; and (b) adequate protection against contact with conductive parts that have become live under fault conditions.	Section 25 <i>Mining and Quarrying Safety and Health Regulation 2017</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an operator, to ensure the mine has earth leakage protection for each electrical circuit exceeding extra low voltage that:- (a) is in a portable, transportable or mobile apparatus; or (b) has an outlet for, or supplies electricity to, a trailing cable or flexible lead.	Section 26 <i>Mining and Quarrying Safety and Health Regulation 2017</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an operator, to ensure each item of electrical equipment used at the mine has a full current isolation facility in a location that is easily accessible by a person required to carry out the isolation.	Section 27(1) <i>Mining and Quarrying Safety and Health Regulation 2017</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an operator, to ensure the isolator is clearly marked or labelled and compatible with the mine's isolation and lock-out procedures.	Section 27(2) <i>Mining and Quarrying Safety and Health Regulation 2017</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an operator, to ensure electrical equipment exceeding extra low voltage used at the mine has a device or feature for preventing a person inadvertently contacting live parts of the equipment.	Section 29 <i>Mining and Quarrying Safety and Health Regulation 2017</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an operator, to ensure the prospective touch voltage at the mine is limited to a level necessary to achieve an acceptable level of risk.	Section 30 <i>Mining and Quarrying Safety and Health Regulation 2017</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an operator, to ensure voltage rise in an electrical installation at the mine caused by lightning strike, static electricity, voltage surges and other transient voltages is limited to a level necessary to achieve an acceptable level of risk	Section 31 <i>Mining and Quarrying Safety and Health Regulation 2017</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO***Mining and Quarrying Safety and Health Regulation 2017***

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as an operator of a mine mentioned in subsection (2), to provide adequate resources at the mine to ensure the effectiveness and implementation of the emergency response plan.	Section 35(3) <i>Mining and Quarrying Safety and Health Regulation 2017</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person who has an obligation under the Act to manage risk in relation to ground control at a mine during the mine's design, operation or abandonment, to ensure appropriate measures are taken to prevent or control local and area failures in ground integrity.	Section 44 <i>Mining and Quarrying Safety and Health Regulation 2017</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person who has an obligation under the Act to manage risk at a mine in relation to the mine layout, design and construction, to ensure the layout, design and construction is carried out having regard to the matters listed in section 45.	Section 45 <i>Mining and Quarrying Safety and Health Regulation 2017</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person who has an obligation under the Act to manage risk at a mine in relation to the design and construction of the mine's roads, to ensure the specification for the design and construction enables the safe movement of vehicles about the mine.	Section 46 <i>Mining and Quarrying Safety and Health Regulation 2017</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person who has an obligation under the Act to manage risk in relation to ventilation at a mine, to ensure appropriate measures are taken to ensure the ventilating air in a place where a person may be present at the mine is of a sufficient volume, velocity and quality to achieve a healthy atmosphere.	Section 48 <i>Mining and Quarrying Safety and Health Regulation 2017</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person who has an obligation under the Act to manage risk in relation to storing and handling hazardous chemical or dangerous goods, to ensure they are handled and stored in the manner prescribed under section 56.	Section 56 <i>Mining and Quarrying Safety and Health Regulation 2017</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person who has an obligation under the Act to manage risk in relation to selecting explosives for use at the mine, to ensure the explosives comply with the requirements of section 65.	Section 65 <i>Mining and Quarrying Safety and Health Regulation 2017</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person who has an obligation under the Act to manage risk at a mine in relation to the selection and design of plant, to ensure that the selection and design of plant complies with the requirements of sections 100, 101 and 102.	Sections 100, 101 and 102 <i>Mining and Quarrying Safety and Health Regulation 2017</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO***Mining and Quarrying Safety and Health Regulation 2017***

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as an operator, to ensure plant used or intended for use, at the mine is manufactured, constructed, stored, transported and installed in accordance with any applicable specifications and instructions.	Section 104(1) <i>Mining and Quarrying Safety and Health Regulation 2017</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an operator, to ensure for fixed plant:- (a) the plant is installed in a location and environment that is compatible with the plant and its use; and (b) the mine layout incorporates appropriate facilities and adequate space for:- (i) access to and egress from the plant during emergencies; and (ii) the plant's operation, monitoring servicing and maintenance.	Section 104(2) <i>Mining and Quarrying Safety and Health Regulation 2017</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an operator, to ensure plant is commission in its operating environment at the mine before it is used to ensure those matters listed in subsections (1) and (2).	Section 105 <i>Mining and Quarrying Safety and Health Regulation 2017</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person who has an obligation under the Act to manage risk at a mine in relation to the operation of plant, to ensure the plant is not operated in a way prescribed in section 106.	Section 106 <i>Mining and Quarrying Safety and Health Regulation 2017</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person who has an obligation under the Act to manage risk at a mine in relation to the monitoring of plant, to ensure the plant is monitored in accordance with section 108.	Section 108 <i>Mining and Quarrying Safety and Health Regulation 2017</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an operator, to ensure plant in use at the mine is serviced and maintained in accordance with section 109.	Section 109 <i>Mining and Quarrying Safety and Health Regulation 2017</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a worker's employer, to pay for the worker's health surveillance and health surveillance reports.	Section 131(6) <i>Mining and Quarrying Safety and Health Regulation 2017</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

Nature Conservation (Protected Areas Management) Regulation 2024

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Not Applicable	Power, as trustee of a conservation park listed in schedule 1, column 1, to exercise the powers of the chief executive stated in schedule 1, column 3 for that park.	Section 15(2)(b) <i>Nature Conservation (Protected Areas Management) Regulation 2024</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Not Applicable	Power, as trustee of a conservation park listed in schedule 1, column 1, to use a fee charged for a service provided in the park for giving effect to the management principles for the park	Section 17(2) <i>Nature Conservation (Protected Areas Management) Regulation 2024</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

Please note that this register only includes powers for councils that are trustees of a conservation park listed in schedule 1

These Regulations do not apply to Whitsunday Regional Council

REGISTER OF DELEGATIONS - COUNCIL TO CEO***Nature Conservation Act 1992***

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as a person given written notice about a proposal to declare an area of land a special wildlife reserve, to make a submission to the Minister about the proposal.	Section 43A(6) <i>Nature Conservation Act 1992</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a landholder, to enter a conservation agreement with the Minister for a proposed special wildlife reserve.	Section 43B(1) <i>Nature Conservation Act 1992</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a landholder, to agree with the Minister to amend a conservation agreement for a special wildlife reserve.	Section 43E(1) <i>Nature Conservation Act 1992</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a landholder of land in a special wildlife reserve, to consent to the Minister giving a lease, agreement, licence, permit or other authority over or in relation to the land.	Section 43F(1) <i>Nature Conservation Act 1992</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a landholder of land in a special wildlife reserve, to give a lease or sublease over the land, to obtain the consent of the chief executive for that lease or sublease, and to lodge the lease for registration with the entity required by section 43F(3).	Sections 43F(1)(c) and 43F(3) <i>Nature Conservation Act 1992</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, where a special wildlife reserve is declared over freehold land or land in a lease under the <i>Land Act 1994</i> , and Council intends, under the <i>Land Act 1994</i> to surrender all or part of the freehold land or lease, allow the lease to expire at the end of its term or transfer the lease, to obtain the chief executive's written consent.	Section 43L <i>Nature Conservation Act 1992</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a landholder, to make a submission to the Minister about the proposed declaration of a nature refuge.	Section 44(4) <i>Nature Conservation Act 1992</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a landholder, to enter a conservation agreement with the Minister about the declaration of a nature refuge.	Sections 45(1) and 48(1) <i>Nature Conservation Act 1992</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a landholder, to request the cancellation of a conservation agreement.	Section 47(2) <i>Nature Conservation Act 1992</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a landholder, to make an objection to a proposed compulsory declaration of a nature refuge.	Section 49(2)(c) <i>Nature Conservation Act 1992</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a landholder, to claim compensation for injurious affection arising out of the declaration of a nature refuge under section 49 of the Act.	Section 67(5) <i>Nature Conservation Act 1992</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a local government, to prepare a statement of management intent for protected wildlife required by the Minister and publish it on Council's website.	Section 100K <i>Nature Conservation Act 1992</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO***Nature Conservation Act 1992***

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as a landholder of land subject to an interim conservation order, to claim compensation.	Section 108(1) <i>Nature Conservation Act 1992</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a landholder, to make a submission about a draft management plan.	Section 115A(3)(c) <i>Nature Conservation Act 1992</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a landholder intending to enter a conservation agreement for a special wildlife reserve, to prepare and give the Minister a management program for the reserve.	Section 120EA <i>Nature Conservation Act 1992</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a landholder of land in a special wildlife reserve, to prepare an amended management program for the reserve and give it to the chief executive for approval.	Section 120EF(1) <i>Nature Conservation Act 1992</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a landholder of land in a special wildlife reserve, to jointly review the management program for the reserve with the chief executive, and agree to prepare an amended management program under section 120EF or leave the management program unchanged.	Section 120GA <i>Nature Conservation Act 1992</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a landholder, to claim compensation for injurious affection arising where:- (a) a regulation is made, or a conservation plan is approved, for an area identified under the regulation or plan as, or including, a critical habitat or an area of major interest; and (b) a landholder's interest in land in the area is injuriously affected by a restriction or prohibition imposed under the regulation or plan on the landholder's existing use of the land.	Section 137A(5) <i>Nature Conservation Act 1992</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an affected person for an original decision, to apply to the chief executive for a review of the decision.	Section 143E(1) <i>Nature Conservation Act 1992</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an affected person for an original decision, to ask the chief executive for an information notice for the decision.	Section 143E(2) <i>Nature Conservation Act 1992</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an affected person, to agree with the chief executive to a longer period for the chief executive to comply with section 143G(1).	Section 143G(2) <i>Nature Conservation Act 1992</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an affected person, to apply to QCAT for a stay of the operation of the decision.	Section 143H(2) <i>Nature Conservation Act 1992</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO

Nature Conservation Act 1992

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as an affected person, to apply to QCAT for a review of the internal review decision.	Section 143(2) <i>Nature Conservation Act 1992</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

Please note that this register only includes those powers which Councils have as landholders or regulatory bodies under the Act. It does not include powers to apply for the various permits/authorities contained in the Act

REGISTER OF DELEGATIONS - COUNCIL TO CEO***Ozone Protection and Synthetic Greenhouse Gas Management Act 1989***

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power to apply to the Minister for a licence.	Section 14(1) <i>Ozone Protection and Synthetic Greenhouse Gas Management Act 1989</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to give the Minister further information relating to an application under section 14.	Section 15 <i>Ozone Protection and Synthetic Greenhouse Gas Management Act 1989</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the holder of a licence, to apply to the Minister for a renewal of the licence.	Section 19AA(1) <i>Ozone Protection and Synthetic Greenhouse Gas Management Act 1989</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to give the Minister further information relating to an application under section 19AA.	Section 19AB <i>Ozone Protection and Synthetic Greenhouse Gas Management Act 1989</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to make a joint application for the transfer of a licence.	Section 19B(1) <i>Ozone Protection and Synthetic Greenhouse Gas Management Act 1989</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a licensee, to request that the Minister amend the licence.	Section 19C(1) <i>Ozone Protection and Synthetic Greenhouse Gas Management Act 1989</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to surrender a licence.	Section 21(1) <i>Ozone Protection and Synthetic Greenhouse Gas Management Act 1989</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a licensee, to apply to the Minister for a quota.	Section 27 <i>Ozone Protection and Synthetic Greenhouse Gas Management Act 1989</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a licensee, to transfer to another licensee the unused part of the HCFC quota as prescribed by subsections 35(2)(a) and (b).	Section 35(2) <i>Ozone Protection and Synthetic Greenhouse Gas Management Act 1989</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO***Ozone Protection and Synthetic Greenhouse Gas Management Act 1989***

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power to notify the Minister of a transfer under subsection 35(2).	Section 35(3) <i>Ozone Protection and Synthetic Greenhouse Gas Management Act 1989</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a SGG licensee, to transfer to another SGG licensee the unused part of the HFC quota prescribed by subsection 36F(2)(a) and (b).	Section 36F(2) <i>Ozone Protection and Synthetic Greenhouse Gas Management Act 1989</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to notify the Minister of a transfer under subsection 36F(2) or (3).	Section 36F(4) <i>Ozone Protection and Synthetic Greenhouse Gas Management Act 1989</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person who carries out the activities prescribed by subsections 46(1)(a) and (b), to give the Minister a report in relation to the activity.	Section 46(1) <i>Ozone Protection and Synthetic Greenhouse Gas Management Act 1989</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an owner of goods or the person from whom goods are seized, to apply to a designated court for an order that all or some of the identified goods, or that specified identified goods, are not forfeitable goods.	Section 60B(1) <i>Ozone Protection and Synthetic Greenhouse Gas Management Act 1989</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the owner of goods, to apply to a designated court for compensation.	Section 60D(1) <i>Ozone Protection and Synthetic Greenhouse Gas Management Act 1989</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, in response to a notice to produce, to give the information or produce the document.	Section 64B(3) <i>Ozone Protection and Synthetic Greenhouse Gas Management Act 1989</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an applicant or licensee, to apply to the Minister to reconsider a reviewable decision made in relation to the applicant or licensee.	Section 65Z(1) <i>Ozone Protection and Synthetic Greenhouse Gas Management Act 1989</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an applicant or licensee, to give the Minister further information about an application for reconsideration.	Section 65ZA(3) <i>Ozone Protection and Synthetic Greenhouse Gas Management Act 1989</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO

Ozone Protection and Synthetic Greenhouse Gas Management Act 1989

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power to apply to the Administrative Review Tribunal for a review of the decisions prescribed by subsections 65ZC(a) and (b).	Section 65ZC <i>Ozone Protection and Synthetic Greenhouse Gas Management Act 1989</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO***Ozone Protection and Synthetic Greenhouse Gas Management Regulations 1995***

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as a licensee, to keep a record in writing of those matters prescribed by subsections 5(1)(a) to (e).	Section 5(1) <i>Ozone Protection and Synthetic Greenhouse Gas Management Regulations 1995</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, in the circumstances prescribed in subsections 44(1)(a), (b) and (c), to apply for HFC quotas for both of the calendar years in an HFC quota allocation period.	Section 44(1) <i>Ozone Protection and Synthetic Greenhouse Gas Management Regulations 1995</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person engaged in a licensed regulated HCFC activity in the base period for the first HFC quota allocation period, to make a request prescribed in subsections 52(1)(a) and (b).	Section 52(1) <i>Ozone Protection and Synthetic Greenhouse Gas Management Regulations 1995</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person engaged in a licensed regulated HFC activity in the base period for an HFC quota allocation period, to make a request prescribed in subsections 52(2)(a) and (b).	Section 52(2) <i>Ozone Protection and Synthetic Greenhouse Gas Management Regulations 1995</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person who makes a request under subsections 52(1) or (2), to vary or withdraw the request.	Section 52(5) <i>Ozone Protection and Synthetic Greenhouse Gas Management Regulations 1995</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a SGG licensee, to make a comment on the proposed retirement under subsection 56(1).	Section 56(2)(b)(ii) <i>Ozone Protection and Synthetic Greenhouse Gas Management Regulations 1995</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, in the circumstances prescribed in subsections 61(1)(a) and (b), to apply for a reserve HFC quota for a calendar year.	Section 61(1) <i>Ozone Protection and Synthetic Greenhouse Gas Management Regulations 1995</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to apply to operate a refrigerant destruction facility.	Section 114(1) <i>Ozone Protection and Synthetic Greenhouse Gas Management Regulations 1995</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO***Petroleum and Gas (Production and Safety) Act 2004***

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power to make a submission about an application for a pipeline licence.	Section 411(2)(a)(vi) <i>Petroleum and Gas (Production and Safety) Act 2004</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a public road authority in the circumstances set out in subsection 427(1), to give the relevant pipeline licence holder a notice stating:- (a) details of the proposed road or proposed change; and (b) that the holder may, within a stated period, lodge submissions to the authority about the proposal at the office of the authority stated in the notice.	Section 427(2) <i>Petroleum and Gas (Production and Safety) Act 2004</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a public road authority in the circumstances set out in subsection 427(1), to give the holder notice of the decision to implement the proposal.	Section 427(5) <i>Petroleum and Gas (Production and Safety) Act 2004</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a public road authority in the circumstances set out in subsection 429(1), to comply with the request from the holder.	Section 429(2) <i>Petroleum and Gas (Production and Safety) Act 2004</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a public land authority in the circumstances set out in subsection 431(1), to give the holder a works direction.	Section 431(2) <i>Petroleum and Gas (Production and Safety) Act 2004</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a public land authority, to ensure the works the subject of the direction are carried out.	Section 432(2) <i>Petroleum and Gas (Production and Safety) Act 2004</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a public land authority, to recover from the holder as a debt any reasonable costs the authority incurs in ensuring the works are carried out.	Section 432(3) <i>Petroleum and Gas (Production and Safety) Act 2004</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an owner of land, to consult with the applicant about the proposed permission and conditions and lodge submissions.	Section 465(2)(c) <i>Petroleum and Gas (Production and Safety) Act 2004</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an owner of land, to agree with the authority holder that the equipment or improvements need not be removed from the land.	Section 560(3) <i>Petroleum and Gas (Production and Safety) Act 2004</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an owner or occupier of land in the circumstances set out in subsection 584(1), to claim compensation from the State.	Section 584(3) <i>Petroleum and Gas (Production and Safety) Act 2004</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO***Petroleum and Gas (Production and Safety) Act 2004***

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as an operator of an operating plant, for each stage of the plant, to make or adopt a safety management system and implement and maintain the system.	Section 674(1) <i>Petroleum and Gas (Production and Safety) Act 2004</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an operator of an operating plant, whenever the plant is operating, to:- (a) keep a copy of the safety management system for the plant or the part of the system relevant to the plant, open for inspection; (b) display, and keep displayed, in a conspicuous place at the plant a notice stating where the copy of the system is open for inspection; and (c) ensure each person who has an obligation under the system is told they have an obligation under the system within a reasonable period.	Section 676(1) <i>Petroleum and Gas (Production and Safety) Act 2004</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an operator of an operating plant, to take all reasonable steps to ensure everyone who has an obligation under the safety management system for the plant complies with their obligations.	Section 677(1) <i>Petroleum and Gas (Production and Safety) Act 2004</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an operator of an operating plant, to revise the safety management system for the plant if any of the circumstances listed in subsection 678(1) make the revision appropriate.	Section 678(1) <i>Petroleum and Gas (Production and Safety) Act 2004</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an operator of an operating plant, to:- (a) ensure resulting records for the safety management system for the plant are made and kept for a period of 7 years; and (b) whenever the plant is operating, keep a copy of the resulting records open for inspection at the place identified in subsection 678A(1)(b).	Section 678A(1) <i>Petroleum and Gas (Production and Safety) Act 2004</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an operator of an operating plant, to comply with a validation notice.	Section 679(4) <i>Petroleum and Gas (Production and Safety) Act 2004</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an operator of an operating plant, to comply with a revision notice.	Section 681(4) <i>Petroleum and Gas (Production and Safety) Act 2004</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an operator of an operating plant, to appoint a site safety manager for the site.	Section 692(1) <i>Petroleum and Gas (Production and Safety) Act 2004</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO***Petroleum and Gas (Production and Safety) Act 2004***

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as an operator of an operating plant, to comply with a notice of the chief inspector given pursuant to subsection 692(2).	Section 692(3) <i>Petroleum and Gas (Production and Safety) Act 2004</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an operator of an operating plant, to give the chief inspector a notice stating the information prescribed by regulation about the operating plant.	Section 694A(2) <i>Petroleum and Gas (Production and Safety) Act 2004</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power as a person mentioned in subsection 699(1) to take all reasonable steps to ensure no person or property is exposed to a level of risk in relation to the operating plant that is more than an acceptable level.	Section 699(2) <i>Petroleum and Gas (Production and Safety) Act 2004</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an operator of operating plant, to notify the chief executive if a prescribed incident happens at the plant.	Section 706(2) <i>Petroleum and Gas (Production and Safety) Act 2004</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a business other than operating plant, to notify the chief executive if a prescribed incident happens in relation to a gas related device.	Section 706(2) <i>Petroleum and Gas (Production and Safety) Act 2004</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an operator of operating plant to comply with a direction given to the operator under subsection 707(3).	Section 707(4) <i>Petroleum and Gas (Production and Safety) Act 2004</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person to whom a safety instruction applies, to comply with the instruction.	Section 708B(10) <i>Petroleum and Gas (Production and Safety) Act 2004</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a corporation, to apply to the chief inspector for a gas work authorisation for a gas device (type B) or a type of gas device (type B), other than a fuel gas refrigeration device. Section 54(3) <i>Torres Strait Islander Cultural Heritage Act 2003</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the owner or occupier of land, to consult with the sponsor about obtaining access to the land and determine whether or not access should be given.	Section 70(3) <i>Torres Strait Islander Cultural Heritage Act 2003</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to consult with the chief executive about a cultural heritage study.	Section 72(1)(c) <i>Torres Strait Islander Cultural Heritage Act 2003</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO

Torres Strait Islander Cultural Heritage Act 2003

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power to object to the Land Court to:- (c) the chief executive's recording in the register of the findings of a cultural heritage study; and (d) the chief executive's refusal to record in the register the findings of a cultural heritage study.	Section 76 <i>Torres Strait Islander Cultural Heritage Act 2003</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to develop, reach agreement on and seek approval for a cultural heritage management plan including all steps authorised or required by Part 7 of the Act for the purpose of developing, reaching agreement on and seeking approval of the plan and objecting to any refusal to approve the plan.	Sections 82, 83, 91, 92, 93, 94, 95, 96, 97(2), 98(2), 99(2), 100, 101, 103, 104, 105, 106, 107, 109(5), 111, 112, 113, 114, 115, 116, 117(5) and 153 <i>Torres Strait Islander Cultural Heritage Act 2003</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to consult with the Minister about guidelines to help people in choosing suitable methodologies for developing cultural heritage management plans.	Section 85(3) <i>Torres Strait Islander Cultural Heritage Act 2003</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the owner or occupier of land, to consult with a person who wishes to enter land to perform a cultural heritage activity about obtaining access to the land and to determine whether or not access should be given.	Section 153 <i>Torres Strait Islander Cultural Heritage Act 2003</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO

Transport Infrastructure (Public Marine Facilities) Regulation 2023

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power to manage the public marine facilities listed in schedule 1 for which Council is appointed as manager.	Section 5, 7, 9 and Schedule 1 <i>Transport Infrastructure (Public Marine Facilities) Regulation 2023</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a manager of a public marine facility, to give written approval for the use of the facility for another purpose.	Section 7(c)(i) <i>Transport Infrastructure (Public Marine Facilities) Regulation 2023</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a manager of a non-State managed boat harbour, to pay to the chief executive the fees stated in schedule 2 for each mooring in the boat harbour.	Section 8(1) <i>Transport Infrastructure (Public Marine Facilities) Regulation 2023</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO**Transport Infrastructure Act 1994**

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power to consult with the chief executive concerning the development of a roads implementation program if the chief executive believes that Council would be affected by the program.	Section 11(4) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to consult with the chief executive concerning the development of a rail implementation program if the chief executive believes that Council would be affected by the program.	Section 14(3)(a) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to consult with the chief executive concerning the development of implementation programs for miscellaneous transport infrastructure if the chief executive believes that Council would be affected by the programs.	Section 17(4) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to prepare and make submissions to the Minister in relation to any declaration, or revocation of a declaration that a road or route, or part of road or route, is a State-controlled road.	Section 25(b) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a railway manager, to:- (a) consult with, and make submissions to, the Minister before a declaration is made making a road or route, or part of a road or route, that crosses rail corridor land and continues on the other side of the rail corridor land a State-controlled road; (b) construct, maintain and operate a railway on a declared common area in a way not inconsistent with its use as a State-controlled road; (c) make an agreement with the chief executive regarding the State-controlled road on the common area.	Section 26 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to prepare and make submissions to the Minister in relation to any declaration or revocation of declaration that the whole or a part of a State-controlled road is a motorway.	Section 27(3)(b) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to enter into contracts with the chief executive in respect of road works, other works or the operation of State-controlled roads within and outside Council's local government area.	Section 29 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO**Transport Infrastructure Act 1994**

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power to make a sharing arrangement with the chief executive for the costs of:- (a) acquisition of land for transport infrastructure; (b) road works on a State-controlled road; (c) other works that contribute to the effectiveness and efficiency of the road network; or (d) the operation of a State-controlled road; including all necessary preliminary costs associated with acquisition, works, or operation.	Section 32 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to apply for an approval to carry out road works on a State-controlled road or interfere with a State-controlled road or its operation.	Section 33(2) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an owner or occupier of land, to provide written approval agreeing to the proposed temporary occupier occupying or using the land under section 35.	Section 36(1) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an owner or occupier of land, to make submissions to the proposed temporary occupier about the accommodation works or land management activities proposed to be carried out on the land.	Section 36(4) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an owner of land, to give notice to the chief executive claiming compensation for physical damage caused by the temporary entry, occupation, or use, or for the taking or consumption of material.	Section 37 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to enter into agreements with the chief executive in relation to funding for road works on Council's roads.	Section 40 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to enter into a financial arrangement with the chief executive for improvements to State-controlled roads that would be beneficial to Council's road network.	Section 41 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to obtain the chief executive's written approval for consent to carry out road works or make changes to the management of a Council road if conditions under subsection (1) apply and exceptions under subsections (2) or (5) do not apply.	Section 42 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to apply and enforce conditions to proposed road works or changes to the management of a Council road.	Section 42(5) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO***Transport Infrastructure Act 1994***

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power to obtain the chief executive's written consent to the erection, alteration or operation of an advertising sign or device that would be:- (a) visible from a motorway; (b) beyond the boundaries of the motorway; and (c) reasonably likely to create a traffic hazard; and on conditions that comply with fixed criteria.	Section 43 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to apply conditions to the erection, alteration or operation of an advertising sign or device.	Section 43(4) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to exercise all the powers Council may exercise for a local government road in its area in relation to State-controlled roads in its area.	Section 45 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to apply for an approval to construct, maintain, operate or conduct ancillary works and encroachments on a State-controlled road.	Section 50(3) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an owner of ancillary works and encroachments, to enter into an agreement with the chief executive for a contribution towards the cost of the alteration, relocation, making safe or removal of the ancillary works and encroachments.	Section 52(6) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to make submissions to the chief executive concerning a proposal to publish a gazette notice to make, amend or revoke a declaration or to make, amend or replace a policy for limited access roads.	Section 55 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to make an application to the chief executive to make a written decision stating any of the matters provided in sub-subsections (a)-(k) concerning access between 1 or more State-controlled roads and particular adjacent land which Council has an interest in.	Section 62(1) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to ask the chief executive, in writing, to give Council a copy of any decision in force under section 62(1) for land that Council has an interest in.	Section 67A <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO***Transport Infrastructure Act 1994***

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as an owner or occupier of land, to enter into an agreement with the chief executive for:- (a) the supply by the chief executive of, or a contribution towards the supply by the chief executive of, alternative road access works between a State-controlled road and Council's land or between Council's land and another road; or (b) the carrying out, or contributions towards the carrying out of, other works in relation to Council's land.	Section 72(2) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an owner or occupier of land, to recover, as a debt from the chief executive, compensation for the diminution in land value because of the prohibition or change made to the access between a State-controlled road and Council's land.	Section 73(4) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to enter into an agreement with the chief executive for the supply of roadside service centres, roadside rest facilities and other roadside businesses adjacent to or near State-controlled roads.	Section 76 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the owner of a public utility plant, to give the chief executive written notice of Council's intention to take action mentioned in section 80 on a State controlled road.	Section 81 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the owner of a public utility plant (whether existing or proposed), to arrange with the chief executive for the sharing of the costs, including preliminary costs, of all or any of the following:- (a) acquisition of land associated with the plant; or (b) construction, augmentation alteration or maintenance of the plant; or (c) construction of road works affected by the plant.	Section 83 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a railway manager, to consult with, and make submissions to, the Minister about an intended declaration under section 84A.	Section 84B(2) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a railway manager for a rail corridor land that has been declared to be part of a common area, to construct, maintain and operate a railway on the common area in a way not inconsistent with its use as a toll road.	Section 84B(4) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO**Transport Infrastructure Act 1994**

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as a railway manager for rail corridor land that has been declared to be part of a common area, to enter into an agreement with chief executive, or the lease holder for the particular State toll road corridor land, regarding the following:- (a) responsibility for maintaining a toll road, and the transport infrastructure relating to a toll road, on the common area; and (b) responsibility for the cost of removing road transport infrastructure from the common area and restoring the railway.	Section 84B(5) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to claim compensation regarding land, in which Council has an interest but has been declared to be State toll road corridor land under section 84A, under the <i>Acquisition of land Act 1967</i> , section 12(5A) and (5B), and part 4 as if the interest were land taken by the State under that Act.	Section 84D <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a railway manager, to:- (a) consult with, and make submissions to, the Minister regarding the construction, maintenance or operation of a road, or part of a road, that crosses rail corridor land and continues on the other side of the rail corridor land; (b) construct, maintain and operate a railway on the common area in a way not inconsistent with its use as a franchised road; (c) enter into an agreement with the franchisee regarding the franchised road on the common area.	Section 85A <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a toll road operator, to recover, as a debt, from the driver the amount of any unpaid toll or user administration charge, subject to any applicable agreement made by Council.	Section 94(2) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a toll road operator, to enter into an agreement with a person regarding the liability of a designated vehicle's driver for the toll payable at a toll plaza.	Section 95(2) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a toll road operator, to give the registered operator of a vehicle a written notice requiring the registered operator, within the prescribed time for the notice— (a) to pay Council the deferred toll amount; or (b) to give Council the information identified in subsection (3)(b).	Section 99 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO**Transport Infrastructure Act 1994**

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as a toll road operator, to give a single notice to a registered operator for notices under section 99 and 105ZH.	Section 99AA <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a toll road operator, to give written notice, in the approved form, under this section if Council has not received a deferred toll amount and it considers, on reasonable grounds, that a person other than the vehicle's registered operator has information that could help the toll road operator establish the name and address of the driver.	Section 100 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to give a statutory declaration complying with subsection (3).	Sections 100(2) and 105ZJ(2) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a toll road operator, to give a written notice, in the approved form, under this section if Council has not received a deferred toll amount and it considers, on reasonable grounds, that Council has correctly identified the person who was the driver.	Section 101 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a toll road operator, to give a single notice to a person for notices under section 101 and 105ZK.	Section 101A <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to disclose, allow access to, record or use personal information under certain circumstances.	Sections 104(2) and 105ZN(2) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to exercise all the powers of Council, including applying for the Minister's consent for a local government tollway, under Part 8 (Local Government Tollways). ²	Chapter 6, Part 8 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power— (a) as a railway manger, to consult with, and make submissions to, the Minister about an intended declaration under section 105H; (b) to construct, maintain and operate a railway on a declared common area in a way not inconsistent with its use as a local government tollway; (c) to make an agreement with the chief executive regarding the local government tollway on the common area.	Section 105I <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

² Specific powers under this Part will need to be specified in the register if the powers are sub-delegated to a Council officer.

REGISTER OF DELEGATIONS - COUNCIL TO CEO***Transport Infrastructure Act 1994***

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power to enter into a lease or sublease of local government tollway corridor land to another person, for use as a tollway.	Section 105J(9) and (10) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a person with an interest in land declared to be a local government tollway corridor land under section 105H, to claim compensation under the <i>Acquisition of Land Act 1967</i> , section 12(5A) and (5B) and part 4 as if the interest were land taken by the State under that Act.	Section 105JA(3) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a public utility provider, to do the following on local government tollway corridor land— (a) build, replace or take away, or alter, other than for maintenance or repair, its public utility plant; (b) maintain or repair, or alter, for maintenance or repair, its public utility plant; (c) take reasonable steps to stop obstruction or potential obstruction to, or interference or potential interference with, its public utility plant; (d) seek written agreement from the local government for whom the declaration of the local government tollway corridor land was made; (e) in the interests of public safety, carry out urgent maintenance of its public utility plant on local government tollway corridor land without the written agreement of the local government.	Section 105N <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a public utility provider, to ask another local government for information about lines and levels for planned local government tollway infrastructure on local government tollway corridor land.	Section 105O(1) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a public utility provider, to make an agreement with a local government regarding the reduction in cost of replacing or reconstructing a public utility plant.	Section 105X(4) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to enter into a local government tollway franchise agreement with another local government.	Section 105Y <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to make a local government tollway franchise agreement available for inspection and purchase.	Section 105Z(2) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO***Transport Infrastructure Act 1994***

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power for a local government tollway to give notice of the matters mentioned in schedule 5 before a toll becomes payable.	Section 105ZB(1) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power for a local government tollway to amend the notification given under subsection 105ZB(1).	Section 105ZB(2) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an owner or occupier of land, to allow the chief executive to enter the land by giving written consent to the chief executive.	Section 109A(4)(a) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to apply to the chief executive for a rail feasibility investigator's authority for an area of land.	Section 110 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power:- (a) as an owner or occupier of land, to consent to an investigator or an associated person to enter onto land; or (b) as an authorised investigator, to enter land, with the owner's or occupier's consent; for the purpose of investigating the land's potential and suitability as a rail corridor.	Section 114(3)(a) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an authorised investigator, to allow an associated person to act under the investigator's authority.	Section 115(1) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an owner or occupier of land, to ask person who has entered, is entering, or is about to enter Council's land under an authority for the person's identification or about the person's authority to enter Council's land.	Sections 115(4) and 408(4) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an authorised investigator, to do anything necessary or desirable to minimise damage to the land or inconvenience to the land's owner or occupier.	Section 117(b) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO**Transport Infrastructure Act 1994**

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as an owner or occupier of land, to:- (a) claim compensation from the relevant person for the loss or damage arising out of an entry onto land, any use made of the land, anything brought onto the land, or anything done or left on the land in connection with the relevant person's authority; (b) require the relevant person to carry out works to rectify, within a reasonable time, the damage after the relevant person has finished investigating the land under the authority; or (c) require the relevant person to carry out works to rectify the damage and claim compensation from the investigator for any loss or damage not rectified.	Section 118 (1) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power:- (a) as an owner or occupier of land, to make an agreement with the relevant person with regards to the amount of compensation; or (b) as an authorised investigator, to make an agreement with owner or occupier of the land with regards to the amount of compensation.	Section 118(4)(a) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an owner or occupier of land, to agree to agree to entry by a person to carry out railway works or accommodation works.	Section 164(2)(b) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an owner or occupier of land, to agree to allow the chief executive or an accredited person to take or use the material on Council's land.	Section 165(c) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an owner or occupier of land, to give written notice to the chief executive or an accredited person regarding:- (a) a claim for compensation for the loss or damage caused by the entry or railway works or accommodation works carried out on Council's land; (b) a claim for compensation for the taking or use of materials; (c) a requirement that the accredited person carry out works in restitution for the damage; or (d) a requirement that the accredited person carry out works in restitution for the damage and a claim for compensation for any loss or damage not restituted.	Section 166(1) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO**Transport Infrastructure Act 1994**

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power to seek the chief executive's written approval to carry out works near a railway.	Section 168 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an owner or occupier of land, to make an agreement with an authorised person to allow the authorised person to enter Council's land and inspect railway works.	Section 168(7)(b) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a railway manager, to— (a) temporarily close or regulate a railway crossing if satisfied it is necessary because of an immediate threat to— (i) the safety of the railway; or (ii) the public using it or who may use it; (b) construct a substitute crossing if Council decides to close or regulate a crossing.	Section 169 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a railway manager, to enter into a sublease with the chief executive for rail corridor land or non-rail corridor land.	Section 240(4) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a railway manager, to make an agreement with the chief executive to renew a sublease for a section of rail corridor land before or immediately after its expiry.	Section 240B(2A) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to make an agreement with the chief executive, or commence proceedings in a court, for compensation to be paid to Council because of the revocation of an unregistered right in a railway manager's sublease for a section of rail corridor land.	Section 240B (5)-(7) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to enter into a sublease with the chief executive for a section of non-rail corridor land.	Section 240D <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an owner of land, to seek and negotiate with the railway manager a right of access across a proposed railway if Council's land is adjacent to the relevant land or Council has access over the relevant land.	Section 240E(2) and (3) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a railway manager or as an owner of land, to ask the chief executive, if an agreement regarding right of access cannot be made, to decide whether a right of access across the proposed railway should be granted.	Section 240E(5) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a railway manager or an owner of land, to give the chief executive the information the chief executive requires in deciding whether to grant a right of access across the proposed railway.	Section 240E(7) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO**Transport Infrastructure Act 1994**

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as a railway manager of a rail corridor land or as a right of access holder, to agree to cancel the right of access to the land.	Section 240F(3)(a) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a railway manager of a rail corridor land or as an owner of land, to enter into an agreement in relation to the compensation payable for the cancellation of a right of access across a rail corridor land.	Section 240F(4) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an owner of land, to commence proceedings in the Land Court for compensation.	Section 240F(6) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a railway manager, to grant a sublicence in relation to an easement described in schedule 4 to a railway operator.	Section 241(3) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a railway manager, to— (a) alter the rail transport infrastructure; and (b) manage the railway using the rail transport infrastructure, whether or not altered; and (c) operate, or authorise a railway operator to operate, rolling stock on the railway.	Sections 244(2)(b) and 244A(2)(b) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power:- (a) as a railway manager for rail corridor land or future railway land, to construct, maintain and operate a railway on the common area in a way not inconsistent with its use as a relevant road; (b) to construct, maintain and operate a local government tollway corridor land within a declared common area in a way not inconsistent with its use as a railway	Section 249(3)(a) and (b) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power:- (a) to make an agreement with the railway manager for a railway within a common area; or (b) as a railway manager, to make an agreement with a relevant person for a relevant road within a common area; regarding the costs of removing rail transport infrastructure from the common area and restoring the relevant road.	Section 249(5) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO**Transport Infrastructure Act 1994**

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power:- (a) as a railway manager, to:- (i) in constructing or managing a railway, to alter the level of a road or require the authority responsible for the road to alter its level; (ii) make an agreement with the authority responsible for the road with regards to the responsibility for the payment of all reasonable expenses incurred in altering the road level; (iii) make an agreement with a person, whose land is directly affected by the road alteration, regarding the amount of compensation payable to the person; (iv) if an agreement cannot be reached with the person directly affected by the road alteration, make an application to a court with jurisdiction to make a decision on the amount of compensation; or (b) as an authority responsible for a road, to make an agreement with the railway manager with regards to the responsibility for the payment of all reasonable expenses incurred in altering the road level; or (c) as an occupier or owner of land that has been directly affected by the road alteration, to:- (i) make an agreement with the railway manager regarding the amount of compensation payable to Council; (ii) make an application to a court with jurisdiction to make a decision on the amount of compensation.	Section 250 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to construct, maintain and operate a road on rail corridor land or non-rail corridor land, if permitted by the chief executive, by way of a bridge or other structure that allows the road to go over or pass under the relevant infrastructure on the land, or a crossing at the same level as the relevant infrastructure.	Section 253(1) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO**Transport Infrastructure Act 1994**

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as a railway manager of rail corridor land or as a sublessee of non-rail corridor land, to consult with the chief executive before the chief executive makes a decision on proposed relevant infrastructure on rail corridor land or non-rail corridor land.	Section 253(3) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a railway manager of rail corridor land or as a sublessee of non-rail corridor land, to continue to use the land and the airspace above the land, other than any land and airspace excluded by a condition of the permission.	Section 253(4) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to enter into an agreement with the chief executive concerning the maintenance of a road and a bridge, structure or crossing constructed on rail corridor land or non-rail corridor land, as well as the costs of removing the bridge, structure or crossing when the road is no longer in use and the subsequent restoration of the relevant infrastructure on the land.	Section 253(7) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power:- (a) as a railway manager, to give written approval to a person seeking to interfere with the railway; or (b) to seek written approval from a railway's manager to interfere with the railway; and (c) to interfere with a railway provided that the interference is:- (i) with the railway manager's written approval; (ii) permitted or authorised under a right of access under sections 240E or 253, or under the <i>Transport (Rail Safety) Act 2010</i>; or (iii) otherwise approved, authorised or permitted under this Act or another Act.	Section 255(1) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a railway manager, to require, by written notice, a person who has contravened section 255(1) to rectify the interference within a stated reasonable time, or to rectify the interference if the person fails to comply with the requirement.	Section 256 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to make an application to the chief executive to make a change to the management of a local government road if the change would require work on a railway or would have a significant adverse impact on the safety and operational integrity of a railway or future railway.	Section 258A <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO**Transport Infrastructure Act 1994**

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as a railway manager, to construct and maintain a fence of substantially similar quality to any fence around the neighbouring land when the railway was constructed in order to satisfy its obligation under subsection (2)(b).	Section 260(3) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an owner or occupier of land next to existing railway, or as a railway manager of the existing railway, to enter into an agreement for compensation for railway works with the railway manager or the owner or occupier of the land, respectively.	Section 260(4)(b) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power:- (a) as an owner or occupier of land adjacent to an existing railway, to carry out further works at Council's expense, with the railway manager's agreement, if Council considers that the works carried out under section 260 are insufficient for the convenient use of the land; or (b) as a railway manager of an existing railway:- (i) to agree to the further works proposed to be carried out by the owner or occupier of land adjacent to the existing railway at its expense; (ii) to require, by written notice given to the owner or occupier, the further works to be carried out under the supervision of a person nominated by Council and according to plans and specifications approved by Council.	Section 260(6) and (7) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an owner or occupier of land adjacent to an existing railway, to cross the existing railway with Council's, and its employees' and agents', vehicles and livestock until the railway manager carries out the works pursuant to subsection (2), unless Council has received compensation for the works.	Section 260(9) and (11) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a railway manager, to give written notice to the chief executive, at least 2 months before a preserved train path is allocated to a person, stating details of the proposed allocation.	Section 266A(2)(a) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a railway manager, to make a submission against the imposition of a penalty pursuant to section 266C(2) in the way stated in the proposed penalty notice.	Section 266D <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a railway manager, to appeal a penalty notice to the Supreme Court against the chief executive's decision to impose a penalty.	Section 266F <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO

Transport Infrastructure Act 1994

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power to exercise all the powers and functions of a port authority under Chapter 8 if Council is given management of a port under Chapter 8.	Section 273 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power— (a) as a port lessor, port lessee or port manager of the Port of Brisbane, to impose charges in relation to port services and port facilities; (b) as a port user, to make an agreement with the port lessor, port lessee or port manager regarding subsection (1).	Section 279A <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a port lessor, port lessee or port manager of the Port of Brisbane, to enter into a port agreement with the Minister about charges imposed pursuant to section 279A.	Section 279B <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a port lessor, port lessee or port manager of the Port of Brisbane, to— (a) decide a reasonable time for payment of a charge imposed pursuant to section 279A and a reasonable interest rate to be applied to any unpaid amount; and (b) recover a charge, or part of a charge, and any interest payable in relation to the charge, as a debt payable to Council.	Section 281C <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO**Transport Infrastructure Act 1994**

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as a port lessor, port lessee or port manager of the Port of Brisbane, to (a) by written notice, require a person to give Council a security deposit as a security for a liability or debt incurred, or that may be incurred, by it under chapter 8, part 3A in relation the payment of a charge or damage caused, or that may be caused, to port facilities; (b) appropriate, or partly appropriate, a security deposit to meet the liability or indebtedness of the person if the liability or debt is unpaid after becoming due; (c) by written notice, require the person to give Council a further security deposit subsequent to the appropriation, or part appropriation, of a security deposit; and (d) by written notice, require the person to give Council a security deposit in a greater amount, or in a different form, or both, if Council considers that the person's liability or indebtedness, or potential liability or indebtedness, to Council under chapter 8, part 3A should be more adequately guaranteed.	Section 281F <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a port lessor of the Port of Brisbane, to display or publish a port notice to control activities or conduct in its port area if Council reasonably considers the activities or conduct may— (a) affect the port's operation; or (b) cause damage to the port authority's strategic port land or Brisbane core port land; or (c) cause damage to the environment.	Section 282 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a port lessor of the Port of Brisbane, to display or publish a port notice requiring a person or class of persons to produce to the port lessor or port lessor's delegate, information relevant to the matters listed in sub-subsections (a)-(e).	Section 282AA <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO**Transport Infrastructure Act 1994**

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as a port lessor of the Port of Brisbane, to control by port notice— (a) the movement or mooring of ships at its port facilities; or (b) the movement or mooring of ships if the movement or mooring may affect the port's operation; or (c) activities on or by ships moored at its port facilities or in its port if the activities may affect the port's operation.	Section 282A <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a port lessor of the Port of Brisbane, to control, by port notice, the movement, handling or storage of goods loaded, waiting to be loaded, unloaded or transhipped to or from ships at its port facilities.	Section 282C <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a port lessor of the Port of Brisbane, to control, by port notice, the movement of persons at its facilities including, for example, where the movement of members of the public, or another identified group, is restricted or prohibited.	Section 282D <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a port lessor of the Port of Brisbane, to control by port notice the parking or stopping of vehicles at or on its port facilities, strategic port land or Brisbane core port land including, for example, by indicating a place where parking or stopping of a vehicle is restricted or prohibited.	Section 282E <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a port lessor of the Port of Brisbane, to control by port notice the movement, stopping or parking of rolling stock at its port facilities including, for example, by indicating where parking of rolling stock is restricted or prohibited.	Section 282F <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a port lessor of the Port of Brisbane, to appoint a person as an authorised officer for Council.	Section 282K <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a port operator, to consult with the Minister before the Minister gives a direction under subsection (2).	Section 283ZJ <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO**Transport Infrastructure Act 1994**

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as an assessment manager for a development application for development on Brisbane core port land under the <i>Sustainable Planning Act 2009</i> , to impose a condition on the development approval for the application requiring a contribution only in relation to the following infrastructure provided by the Brisbane City Council or a service provider— (a) drainage; (b) public transport; (c) roads; (d) sewerage and water supply headworks.	Section 283ZZ <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to apply to the planning chief executive for a planning and development certificate for premises on Brisbane core port land.	Section 283ZZB <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an assessment manager for a development application for development on land that becomes Brisbane core port land, to give the application to the planning chief executive and respond to any request for information from the planning chief executive.	Section 283ZZJ <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a port lessor, port lessee or port manager of the Port of Brisbane, to grant a licence to enter and use port land, if leased by Council under the <i>Land Act 1994</i> , or trade lease of land, if subleased to Council.	Section 283ZZN <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to make written submissions in respect of a statement of proposal under section 285A or draft plan under section 285B made by a port authority over land in or adjoining Council's area.	Section 285C <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to apply to a port authority for approval to perform a controlled activity in a port authority's port area.	Section 289C <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, if Council's interests are affected by a decision mentioned in section 289F(1), to ask the port authority to review the decision or, pursuant to the <i>Transport Planning and Coordination Act 1994</i> , part 5, division 2, make an application to the Queensland Civil and Administrative Tribunal to have the original decision stayed.	Section 289G <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a port operator, to have abandoned property found at the port facility moved to a place Council considers appropriate.	Section 289I(2)(b) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO**Transport Infrastructure Act 1994**

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power to seek the return of abandoned property from a port authority or port operator.	Section 289J <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a port operator, to sell property that has remained unclaimed 28 days after the publication of a notice under section 289I about the abandoned property.	Section 289K <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a port operator, to sell abandoned property if it is perishable and it is impracticable for Council to keep it having regard to its nature and condition.	Section 289L <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a port operator, to dispose of abandoned property that is insufficient value property in the way Council considers appropriate.	Section 289N <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a port lessor of the Port of Brisbane, to delegate a function under Chapter 8, other than under part 3A, to a port lessee or port manager.	Section 289Z <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power:- (a) as a port lessor of the Port of Brisbane, to appoint an entity as a port manager for the Port of Brisbane; or (b) as a port lessee— (i) to seek written approval from the port lessor to appoint an entity as a port manager for the Port of Brisbane; and (ii) with the written approval of the port lessor, appoint an entity as a port manager for the Port of Brisbane.	Section 289ZA <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an owner or occupier of land, to give permission to a person proposing to enter Council's land for purposes other than for the performance of urgent remedial work to facilitate or maintain the operation of busway transport infrastructure.	Section 299(4)(a) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an owner or occupier of land, to claim compensation from the chief executive for loss or damage caused by the entry, occupation, or use, including by the taking or consumption of materials, of Council's land by the chief executive or a person authorised by the chief executive for purposes relating to busway transport infrastructure.	Section 300(2) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an owner or occupier of land, to commence proceedings in the Land Court against the chief executive for compensation in the absence of a prior agreement between Council and the chief executive for compensation.	Section 300(4) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO**Transport Infrastructure Act 1994**

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as a person given a written notice under section 303(2D), to claim compensation under the <i>Acquisition of Land Act 1967</i> , section 12(5A) and (5B) and part 4.	Section 303AAA <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to enter into a sublease with the State for an established busway, or a proposed busway, on busway land, including the power to negotiate, and agree upon, the terms of the sublease.	Section 303AA <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to seek a licence from the chief executive in relation to busway land or busway transport infrastructure for any of the following purpose:- (a) construction, maintenance or operation of any thing on the land; (b) the use of the land or infrastructure for any purpose; (c) maintenance, management or operation of the land or infrastructure.	Section 303AB(1) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, in relation to a licence granted under section 303AB(1), to:- (a) surrender the licence; and (b) mortgage, sublicense or transfer the licence with the consent of the chief executive.	Section 303AB(3A) and (4) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an owner or occupier of busway land or busway transport infrastructure that is subject to a licence granted under section 303AB, to:- (a) claim compensation from the chief executive for loss or damage caused by a relevant activity, including by the taking or consumption of materials; and (b) enter into an agreement with the chief executive about the payment of compensation; or (c) in the absence of an agreement about the payment of compensation, commence proceedings in the Land Court for payment of compensation.	Section 303AC(2) and (4) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO**Transport Infrastructure Act 1994**

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power to:- (a) consult with the chief executive concerning the nature and extent of the alteration of the level of the road for busway transport infrastructure works, or the management or operation of a busway, before the alteration is commenced; and (b) make an agreement regarding the amount payable to Council for costs incurred by Council in altering the road level.	Section 305(2) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to construct, maintain, and operate a road located on busway land, if permitted by the chief executive, by way of a bridge or other structure that allows traffic to pass over or under the level at which buses use the busway land.	Section 307(1) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to make an agreement with the chief executive concerning the maintenance of a road and a bridge or other structure located on busway land, and the costs of removing the bridge or other structure once it is no longer in use and the subsequent restoration of the busway land.	Section 307(5) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to enter into a contract with the chief executive for the following:- (a) carrying out busway transport infrastructure works on a busway or on land that is intended to become a busway; or (b) carrying out other works that contribute to the effectiveness and efficiency of the busway network; or (c) carrying out the operation of a busway; or (d) which powers of Council are to be exercised by the chief executive and which powers are to be exercised by Council for the busway – even though the contracted works or operations, as stated in (a), (b) or (c), relate to areas outside Council's area.	Section 308 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an owner of land adjacent to a busway, to make a request to the chief executive for work to be carried out on the land and enter into a contract with the chief executive for the chief executive to carry out works on the land.	Section 308(5) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO**Transport Infrastructure Act 1994**

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power to enter into an arrangement with the chief executive for the sharing of costs, including preliminary costs, of— (a) acquiring land for busway transport infrastructure; or (b) busway transport infrastructure works on a busway; or (c) other works that contribute to the effectiveness and efficiency of the busway network; or (d) the operation of a busway.	Section 308(10) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to obtain the chief executive's written approval if Council intends to approve the erection, alteration or operation of any advertising sign or device that is visible from a busway and may reasonably create a traffic hazard, and the conditions applied by Council to the erection, alteration or operation of the sign or device do not comply with the chief executive's permission criteria.	Section 309 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a public utility provider, to do the following things on busway land:- (a) build, replace or take away, or alter, other than for maintenance or repair, its public utility plant; (b) maintain or repair, or alter, for maintenance or repair, its public utility plant; (c) take reasonable steps to stop obstruction or potential obstruction to, or interference or potential interference with, its public utility plant.	Section 318(1) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a public utility provider, to seek written agreement from the chief executive for Council to do the things mentioned in subsection (1).	Section 318(2) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a public utility provider, to carry out urgent maintenance of its public utility plant on busway land without the written agreement of the chief executive, if acting in the interests of public safety and Council:- (a) makes all reasonable attempts to obtain the chief executive's oral agreement to the carrying out of the maintenance; and (b) whether or not the chief executive's oral agreement is obtained, acts as quickly as possible to advise the chief executive of the details of the maintenance being carried out.	Section 318(4) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO**Transport Infrastructure Act 1994**

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as a public utility provider, to make a request to the chief executive to give Council information about lines and levels for planned busway transport infrastructure on busway land necessary to enable Council to minimise possible adverse effects of the establishment of the infrastructure on Council's works.	Section 319 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a public utility provider, to enter into an agreement with the chief executive for the reduction of the cost to the chief executive for the replacement or reconstruction of a public utility plant owned by Council on busway land.	Section 328(2)(b) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to seek compensation from the chief executive for interference caused to land in which Council has an interest, or Council occupied land, by the establishment of busway transport infrastructure on busway land.	Sections 332, 333 and 335 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an owner or occupier of land, to enter into an agreement with the chief executive, with regards to the establishment or proposed establishment of busway transport infrastructure on busway land, for:- (a) the supply by the chief executive, or a contribution by the chief executive towards the supply, of works for alternative access for Council's land; or (b) the carrying out, or a contribution towards carrying out, of other works in relation to Council's land for the purpose of access for Council's land.	Section 334(1) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to:- (a) enter into an agreement with the chief executive concerning the period upon which an agreement for compensation is to be entered into between the parties; (b) enter into an agreement with the chief executive for compensation within 60 days of the compensation application or within an agreed period; and (c) make an application to the Land Court for compensation.	Section 335(3) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to apply to the chief executive for accreditation as the busway manager for a busway.	Section 335AC <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO**Transport Infrastructure Act 1994**

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as a busway manager, to apply to the chief executive for an amendment of the conditions of Council's accreditation as a busway manager.	Section 335AJ <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a busway manager, to show the chief executive officer that Council's accreditation should not be suspended or cancelled.	Sections 335AL(2)(e) and 335AM(4) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a busway manager, to surrender Council's accreditation by written notice given to the chief executive.	Section 335AO <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to apply to the chief executive for authorisation as an authorised busway user for a busway.	Section 337 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an owner or occupier of land, to give permission to the chief executive, or a person authorised by the chief executive, to enter, occupy, or use Council's land in order to perform work other than urgent remedial work to facilitate or maintain the operation of light rail transport infrastructure.	Section 350(4)(a) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an owner or occupier of land, to make a claim for compensation from the chief executive for loss or damage caused by the entry, occupation, or use, including by the taking or consumption of materials, of Council's land by the chief executive or a person authorised by the chief executive for purposes relating to light rail transport infrastructure.	Section 351(2) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an owner or occupier of land, to commence proceedings in the Land Court against the chief executive for compensation in the absence of a prior agreement between Council and the chief executive for compensation.	Section 351(4) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a light rail manager, to:- (a) enter into a sublease with the State for an established light rail, or a proposed light rail, on light rail land, including the power to negotiate, and agree upon, the terms of the sublease, such as an option to renew; and (b) if Council attaches light rail transport infrastructure to the land subject of the original sublease, and subsequent subleases, enter into an agreement with the chief executive concerning ownership of the infrastructure.	Section 355 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO***Transport Infrastructure Act 1994***

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power to seek a licence from the chief executive in relation to light rail land or light rail transport infrastructure for any of the following purposes— (a) construction, maintenance or operation of anything on the land; (b) the use of the land or infrastructure for any purpose, including, for example, a commercial or retail purpose; (c) maintenance, management or operation of the land or infrastructure.	Section 355A(1) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, in relation to a licence granted under section 355A(1), to:- (a) surrender the licence; and (b) mortgage, sublicense or transfer the licence with the consent of the chief executive.	Section 355A(3A) and (4) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an owner or occupier of light rail land or light rail transport infrastructure that is subject to a licence granted under section 355A, to:- (a) claim compensation from the chief executive for loss or damage caused by a relevant activity, including by the taking or consumption of materials; and (b) enter into an agreement with the chief executive about the payment of compensation; or (c) in the absence of an agreement about the payment of compensation, commence proceedings in the Land Court for payment of compensation.	Section 355B(2) and (4) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to:- (a) consult with the chief executive concerning the nature and extent of the alteration of the level of the road for light rail transport infrastructure works, or the management or operation of a light rail, before the alteration is commenced; and (b) make an agreement regarding the amount payable to Council for costs incurred by Council in altering the road level.	Section 357(2) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO***Transport Infrastructure Act 1994***

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power to construct, maintain, and operate a road located on light rail land, if permitted by the chief executive, which consists of a bridge or other structure to allow traffic to pass over the level at which light rail vehicles use the light rail land or a structure that allows traffic to pass under the level that light rail vehicles use the light rail land.	Section 358(1) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a light rail manager, to consult with the chief executive before the chief executive makes a decision regarding whether to give permission under subsection (1).	Section 358(2) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to make an agreement with the chief executive in relation to the following:- (a) maintenance of a road and a bridge or other structure located on light rail land; (b) the costs of removing the bridge, or other structure, once it is no longer in use; and (c) restoring the light rail land following the removal of the bridge or other structure.	Section 358(6) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a light rail manager, to consult with the chief executive before a designation under subsection (1) is made.	Section 359(3) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to consult with the chief executive before the chief executive includes any directions in the gazette notice designating light rail land as light rail land that is to be used as a road under the control of Council.	Section 359(6) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a light rail manager, to consult with the chief executive before a designation under subsection (1) is made.	Section 360(3) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO**Transport Infrastructure Act 1994**

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power to enter into a contract with the chief executive for the following:- (a) carrying out light rail transport infrastructure works on a light rail or on land that is intended to become a light rail; or (b) carrying out works on land affected by a light rail or proposed light rail, including, for example, road works on a road; or (c) carrying out other works that contribute to the effectiveness and efficiency of the light rail network; or (d) carrying out the operation of a light rail; or (e) carrying out the operation of a public passenger service using light rail transport infrastructure; or (f) which powers of Council are to be exercised by the chief executive and which are to be exercised by Council for the light rail – even though the contracted works or operations, as stated in (a)-(e), relate to areas outside Council's area.	Section 360A <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an owner of land adjacent to a light rail, to make a request to the chief executive for work to be carried out on the land and enter into a contract with the chief executive for the chief executive to carry out works on the land.	Section 360A(5) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to enter into an arrangement with the chief executive for the sharing of costs, including preliminary costs, of:- (a) acquiring land for light rail transport infrastructure; or (b) light rail transport infrastructure works on a on a light rail or land that is intended to become a light rail; or (c) works on land affected by a light rail or a proposed light rail, including, for example, road works on a road; or (d) other works that contribute to the effectiveness and efficiency of the light rail network; or (e) the operation of a light rail; or (f) the operation of a public passenger service using light rail transport infrastructure.	Section 360A(10) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO**Transport Infrastructure Act 1994**

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as a light rail manager, to:- (a) give written approval to allow a person to interfere with light rail transport infrastructure or light rail transport infrastructure works; and (b) consult with the chief executive before approval is given.	Section 362(1)(a) and (4) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a light rail manager, to give a written notice to a person who has interfered with light rail transport infrastructure, or light rail transport infrastructure works, requiring the person to rectify the interference, following consultation with the chief executive.	Section 363(2) and (3) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a light rail manager, to:- (a) rectify an interference with light rail transport infrastructure or light rail transport infrastructure works; and (b) recover the reasonable costs of rectifying the interference as a debt from the person who was given written notice of the interference.	Section 363(6) and (8) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a public utility provider, to do the following on light rail land:- (a) build, replace or take away, or alter, other than for maintenance or repair, its public utility plant; (b) maintain or repair, or alter, for maintenance or repair, its public utility plant; (c) take reasonable steps to stop obstruction or potential obstruction to, or interference or potential interference with, its public utility plant.	Section 366(1) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, regarding the matters mentioned in subsection (1) of the section:- (a) as a public utility provider, to seek written agreement from each light rail authority for the light rail land for Council to undertake the activities; or (b) as a light rail authority, to agree in writing to activities a public utility provider seeks to undertake.	Section 366(2) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO***Transport Infrastructure Act 1994***

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as a public utility provider, to carry out urgent maintenance of its public utility plant on light rail land without written agreement of each light rail authority for the light rail land, if acting in the interests of public safety and if Council:- (a) makes all reasonable attempts to obtain each authority's oral agreement to the carrying out of the maintenance; and (b) whether or not each authority's oral agreement is obtained, acts as quickly as possible to advise each authority of the details of the maintenance being carried out.	Section 366(4) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a public utility provider, to make a request to the chief executive to give Council information about lines and levels for planned light rail transport infrastructure on light rail land necessary to enable Council to minimise possible adverse effects of the establishment of the infrastructure on Council's works.	Section 367 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a light rail authority for light rail land, to consult with a public utility provider regarding a proposal by the provider to replace the whole or a substantial proportion of its public utility plant on light rail land.	Section 368 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a light rail authority, to require a public utility provider, at the provider's cost and within the time stated in a written notice, to take action to remedy an action undertaken by the provider pursuant to section 366(1) of the Act:- (a) without the written or oral agreement of Council; or (b) in a way inconsistent with an agreement between Council and the provider.	Section 369(2) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a light rail authority, to arrange for action the authority considers necessary to remedy the action undertaken by a public utility provider pursuant to section 366(1), should the provider fail to comply with subsection (2) notice.	Section 369(5) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a light rail authority, to ask a public utility provider owning public utility plant located on light rail land to give information defining the location of the plant.	Section 371(2) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a light rail authority, to agree to be liable for any damage to public utility plants located on light rail land.	Sections 372, 373 and 374 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO**Transport Infrastructure Act 1994**

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, regarding replacement or reconstruction of a public utility plant on light rail land:- (a) as a light rail manager, to enter into an agreement with a public utility provider for the reduction of the cost to Council of the replacement or reconstruction of public utility plant owned by the provider; or (b) as a public utility provider, to enter into an agreement with a light rail authority for the reduction of the cost to the authority of the replacement or reconstruction of a public utility plant owned by Council.	Section 376(2)(b) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a light rail manager, to give permission to a person to be on light rail, light rail land, light rail transport infrastructure or light rail transport infrastructure works site.	Section 377 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to enter into a light rail franchise agreement with the Minister.	Section 377B <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to give the Minister a written notice claiming that part of a light rail franchise agreement or an amendment to the agreement should be treated as confidential on the grounds of commercial confidentiality.	Section 377D(2)(a) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to:- (a) apply to the chief executive for compensation for compensable taking of overhead wiring easement or compensable overhead wiring damage; or (b) make an agreement with the chief executive to:- (i) allow a longer period during which a compensation application can be settled; or (ii) settle a compensation application; or (c) apply to the Land Court for the compensation.	Section 377R <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to seek compensation from the chief executive for an interference with access to land, in which Council has an interest, caused by the establishment of light rail transport infrastructure.	Sections 380 and 383(1) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO***Transport Infrastructure Act 1994***

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as an owner or occupier of land, to enter into an agreement with the chief executive, with regards to the establishment or proposed establishment of light rail transport infrastructure on light rail land, for:- (c) the supply by the chief executive, or a contribution by the chief executive towards the supply, of works for alternative access for Council's land; or (d) the carrying out, or a contribution towards carrying out, of other works in relation to Council's land for the purpose of access for Council's land.	Section 382(1) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to enter into an agreement with the chief executive with regards to the period of time during which an agreement for compensation can be made for an act done under chapter 10, part 4, division 5.	Section 383(3) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to apply to the Land Court to decide a compensation claim under subsection (1).	Section 383(3)(a) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an affected person, to enter into negotiations with the person proposing a development under Chapters 9 or 10 with regards to the entry to Council land.	Section 403(1) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to apply to the chief executive for an investigator's authority for the land.	Section 403(2) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an affected person, to consult with the chief executive about the proposed entry onto Council's land by a person proposing a development under Chapters 9 or 10.	Section 404(1)(a) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power:- (a) as an affected person, to give written consent to an investigator or an associated person of the investigator to enter Council's land; or (b) as an authorised investigator, to enter land with the affected person's written consent.	Section 407(3) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an authorised investigator, to allow an associated person of Council to act under Council's authority.	Section 408(1) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO**Transport Infrastructure Act 1994**

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as an affected person, to ask an individual who has entered, is entering or is about to enter Council's land under an investigator's authority for identification or about the individual's authority to enter the land.	Section 408(4) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an investigator under chapter 11, to do anything necessary or desirable to minimise the damage or inconvenience to an affected person's land.	Section 410(b) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an affected person, to require the investigator, once the investigator has finished investigating, to rectify loss or damage suffered by Council as a consequence of:- (a) the investigator entering the land; (b) the use made of the land by the investigator; (c) anything brought onto the land by the investigator; or (d) anything done or left on the land by the investigator under its authority.	Section 411(1) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an affected person, to give the investigator a compensation notice for the loss or damage to Council's land that was not rectified.	Section 411(2) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an affected person or as an investigator under chapter 11, to:- (a) make an agreement with the other party in relation to the compensation payable as a result of the failure to rectify the affected person's land; or (b) make an application to the Land Court to decide the compensation amount.	Section 412(2) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an operational licensee, to:- (a) apply for an approval by a responsible entity to construct, maintain, use or operate miscellaneous transport infrastructure stated in the licensee's operational licence across, over or under an intersecting area and (b) subject to any approval conditions, construct, maintain, use or operate the miscellaneous transport infrastructure identified in the application across, over or under the area.	Section 420 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO***Transport Infrastructure Act 1994***

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as a responsible entity for an intersecting area, to grant or refuse an approval for an application by a licensee to construct, maintain, use, or operate miscellaneous transport infrastructure stated in the licensee's operational licence across, over, or under an intersecting area.	Section 420(3) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an operational licensee, to apply in writing to the Minister for an approval under section 420 should the responsible entity refuse the application or fail to grant the application within 20 business days after the application is made.	Section 422 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to impose reasonable conditions on an approval given to a licensee's application made by Council or the Minister.	Section 423 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to jointly, with a licensee applicant, appoint an independent arbitrator to resolve a dispute concerning approval conditions.	Section 426(1) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to make an application to the Minister and the Minister administering the <i>Planning Act 2016</i> , if Council and the licensee applicant do not appoint an arbitrator within 10 business days of the giving of a dispute notice, to appoint an independent arbitrator to resolve a dispute concerning approval conditions.	Section 426(2) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an operational licensee, to make an agreement with the State regarding the ownership of miscellaneous transport infrastructure.	Section 431 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to commence proceedings against a licensee to claim an amount incurred by Council for the cost, damage, liability, or loss because of the existence, construction, maintenance, use or operation of the miscellaneous transport infrastructure by the licensee.	Section 432(3) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an owner or occupier of land, to give permission to the chief executive, or a person authorised by the chief executive, to occupy or use Council's land for the purposes of Chapter 12.	Section 434 <i>Transport Infrastructure act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an owner of land, to claim compensation from the chief executive for physical damage caused to Council's land by the entry, occupation, use, or for the taking or consumption of materials from the land under Chapter 12.	Section 435 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to apply to the chief executive for an exemption from complying with a provision of a regulation about transporting dangerous goods by rail	Section 443(1) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO***Transport Infrastructure Act 1994***

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power to help, or attempt to help, in a situation in which an accident or emergency involving dangerous goods happens or is likely to happen.	Section 458 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to consent to Council's appointment as a manager of a public marine facility.	Section 459(2) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the manager of a public marine facility, to exercise all its functions, powers and obligations under the <i>Local Government Act 2009</i> , and do anything Council considers necessary or convenient for the facility's effective and efficient management.	Section 462 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the manager of a public marine facility, to impose fees for the use of the facility, whether as a condition of an approval to use the facility or otherwise, and recover the fee as a debt owing to Council.	Section 466 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the manager of a public marine facility, to resign.	Section 467 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the manager of a public marine facility, to remove, within 3 months of its resignation or the revocation of the appointment, any improvements to the facility added by Council that do not form an integral part of the facility.	Section 468 <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an occupier of a place, to give consent to an authorised person under Chapter 15 to enter the place.	Section 475I <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an occupier of a place, to sign an acknowledgement of the consent given to an authorised person under Chapter 15 to enter the place.	Section 475J(3) and (5) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to make submissions to the chief executive in relation to a proposed declaration of a transport interface management area.	Section 475Zl(2) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to enter into a transport interface agreement for a transport interface.	Section 475Zj <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an owner or occupier of land, to provide written agreement to a person authorised by the chief executive to enter the land and inspect Council works that threaten, or are likely to threaten, the safety or operational integrity of transport infrastructure.	Section 476B(7)(b) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO**Transport Infrastructure Act 1994**

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as an owner or occupier of land, to undertake the following concerning the entry onto Council land pursuant to section 476B(7):- (a) claim compensation for loss or damage caused by the entry on Council land; or (b) claim compensation for the taking or use of materials; or (c) require the chief executive to carry out works in restitution for the damage; or (d) require the chief executive to carry out works in restitution for the damage and then claim compensation for any loss or damage not restituted.	Section 476C(2) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an owner or occupier of land, to enter into an agreement with the chief executive with regards to the amount of compensation to be claimed by Council pursuant to subsection (2).	Section 476C(4)(a) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to appeal to the Minister against a notice requiring Council to give to the chief executive, or to a specified person, information on a particular issue relevant to the discharge of functions or the exercise of powers under the Act or the <i>Planning Act 2016</i> .	Section 477(4) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a relevant entity under this section and lease holder under the <i>Land Act 1994</i> of port land or land relating to a declared project that has been subleased to a person, to grant a concurrent sublease of all or part of the land to another person for all or part of the term of the lease.	Section 477C <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a relevant entity under this section and lease holder of land under the <i>Land Act 1994</i> in relation to a declared project, to grant a licence to enter and use the land.	Section 477E <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a holder, or proposed holder, of a licence to construct or establish transport infrastructure under the Act, to:- (a) seek consent from the chief executive allowing Council to submit a compliance management plan; and (b) submit a compliance management plan addressing 1 or more compliance matters for the licence.	Section 477G <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power to retain penalties received or recovered by Council in relation to Council's tolling enforcement.	Section 480(4) <i>Transport Infrastructure Act 1994</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as sewerage service provider, to suspend or cancel a trade waste approval or seepage water approval.	Section 182 <i>Water Supply (Safety and Reliability) Act 2008</i>	Complying with section 183 of the <i>Water Supply (Safety and Reliability) Act 2008</i>
Chief Executive Officer	Power, as sewerage service provider, to give the approval holder a show cause notice about the proposed action.	Section 183 of the <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as sewerage service provider, to immediately suspend or cancel a trade waste approval or seepage water approval if urgent action is necessary in the interests of public health or safety, to prevent environmental harm, or to prevent damage to the sewerage system or the sewerage service provider has been given a regulator notice prohibiting the sewerage service provider from giving the trade waste approval or seepage water approval.	Section 184 <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as sewerage service provider, to, by notice given to the approval holder, amend the approval to ensure it is consistent with the conditions mentioned in section 185(1)(a) of the <i>Water Supply (Safety and Reliability) Act 2008</i> .	Section 185 <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as service provider, to give or refuse written consent for a person to connect or disconnect from Council's infrastructure.	Section 191 <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as service provider, to give or refuse written consent for a person to interfere with Council's infrastructure.	Section 192(1) <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a service provider, to give or refuse written consent for a person to: (a) build over; (b) interfere with access to; (c) increase or reduce the cover over; or (d) change the surface of land in a way causing ponding of water over an access chamber for; Council's infrastructure.	Section 192(2) <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as service provider, to give or refuse written consent for a person to discharge water from an ornamental pond, swimming pool or filtration system of a swimming pool into Council's infrastructure.	Section 193(3) <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as service provider, to give or refuse written consent for a person to take water from Council's infrastructure.	Section 195 <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO***Water Supply (Safety and Reliability) Act 2008***

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as a relevant entity for a recycled water scheme to apply for registration of the scheme.	Section 196AA <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a relevant entity for a recycled water scheme, other than a CSG recycled water scheme, to give additional information about an application under section 196AA to the regulator and to verify the information in a statutory declaration.	Section 196AB <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a relevant entity for a recycled water scheme, other than a CSG recycled water scheme, to change the details of the registration that are recorded in the register.	Section 196AD <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a relevant entity for a recycled water scheme, other than a CSG recycled water scheme, to apply to cancel the registration if recycled water is no longer supplied under the scheme.	Section 196AE <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the relevant entity of a recycled water scheme, to apply to the regulator for approval of a recycled water management plan for the scheme.	Section 202 <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the relevant entity of a recycled water scheme, to respond to the regulator's request for additional information or to verify any information by statutory declaration.	Section 203 <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a recycled water provider for a single-entity recycled water scheme, to give the regulator notice of the stoppage or proposed stoppage of production or supply of recycled water.	Section 208(2) <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a recycled water provider for a single-entity recycled water scheme, to stop supply of recycled water to the entity if the entity is using the water other than in a way or for the purpose provided for under the recycled water management plan.	Section 208(3) <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a scheme manager for a multiple-entity recycled water scheme, to give the regulator notice of the recycled water provider's stoppage or proposed stoppage of production or supply of recycled water.	Section 208(5) <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a recycled water provider for a multiple-entity recycled water scheme, to stop supply of recycled water to an entity if the entity is using the water other than in a way or for the purpose provided for under the recycled water management plan.	Section 208(6) <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as the relevant entity for recycled water scheme, to amend the recycled water management plan with the regulator's agreement.	Section 209 <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a recycled water provider for a single-entity recycled water scheme, to make a submission in response to the regulator's show cause notice issued under section 210(2) of the <i>Water Supply (Safety and Reliability) Act 2008</i> .	Section 210(3) <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a recycled water provider for a single-entity recycled water scheme, to amend a recycled water management plan in the way required by a notice issued by the regulator under section 210(3) of the <i>Water Supply (Safety and Reliability) Act 2008</i> and to give a copy of the amended plan to the regulator.	Section 210(3)(a) <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the scheme manager or declared entity for a multiple-entity recycled water scheme, to make a submission in response to the regulator's show cause notice issued under section 211(2) of the <i>Water Supply (Safety and Reliability) Act 2008</i> .	Section 211(3) <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a scheme manager or declared entity for a multiple-entity recycled water scheme, to amend the manager's scheme manager plan or the entity's scheme provider plan in the way required by a notice issued by the regulator under section 211(3) of the <i>Water Supply (Safety and Reliability) Act 2008</i> and to give a copy of the amended plan to the regulator.	Sections 211(3)(a) and 211(5) <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a relevant entity for the recycled water scheme to apply to the regulator for approval of an amendment to a recycled water management plan.	Sections 212 <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the responsible entity, scheme manager or declared entity for a recycled water scheme, to make submissions in response to the regulator's show cause notice issued under section 213(2)(a) or (b) of the <i>Water Supply (Safety and Reliability) Act 2008</i> .	Section 213(3) <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the relevant entity for a recycled water management plan that has been suspended under Chapter 3 Part 2 of the <i>Water Supply (Safety and Reliability) Act 2008</i> , to apply to the regulator for approval to resume supply of recycled water under the scheme.	Section 215(1) <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the relevant entity for a recycled water management plan that has been suspended under Chapter 3 Part 2 of the <i>Water Supply (Safety and Reliability) Act 2008</i> , to comply with a direction of the regulator pursuant to section 215(4)(c) or (d) of the <i>Water Supply (Safety and Reliability) Act 2008</i> .	Sections 215(4)(c) and 215(4)(d) <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as a declared entity for a multiple-entity recycled water scheme to amend the entity's scheme provider plan for the scheme.	Section 259(3)(b) <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a scheme manager for a multiple-entity recycled water scheme to apply to the regulator for approval of the amended recycled water management plan for the scheme.	Section 259(4) <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a relevant entity for a recycled water scheme, to arrange for an internal audit report and give it to the regulator.	Sections 260(1) and 260(2) <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the relevant entity for a recycled water scheme, to arrange for a regular audit report and give it to the regulator.	Sections 261(1) and 261(2) <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as recycled water service provider for a single-entity recycled water scheme, to respond to the regulator's show cause notice about a proposed spot audit.	Section 262(3) <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the scheme manager or declared entity for a multiple-entity recycled water scheme, to respond to the regulator's show cause notice about a proposed spot audit.	Section 262(3) <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the responsible entity, to comply with the regulator's notice issued pursuant to section 262(8) of the <i>Water Supply (Safety and Reliability) Act 2008</i> .	Sections 262(8) and 262(9) <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the relevant entity and any declared entity for a recycled water scheme, to give the auditor, and any person employed or authorised by the auditor, free and uninterrupted access to the infrastructure forming part of the scheme and any records relating to the infrastructure.	Sections 265 <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an alerting entity, to inform the regulator and the responsible entity for the non-compliance that the quality of recycled water produced or supplied under the recycled water scheme for the entity does not comply with the water quality criteria for the recycled water relevant to the scheme.	Sections 270(2) <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO***Water Supply (Safety and Reliability) Act 2008***

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as a responsible entity for the non-compliance, to give the regulator notice of the following:- a) the noncompliance and the circumstances that gave rise to the noncompliance; b) any action taken, or to be taken, by the entity to correct the noncompliance; c) the measures the entity will take to prevent the noncompliance in the future.	Sections 270(4) <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as an alerting entity, to inform the regulator and the responsible entity for the prescribed incident about a prescribed incident.	Sections 271(2) <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a responsible entity for the non-compliance, to give the regulator notice of the following:- a) the prescribed incident and the circumstances that gave rise to the prescribed incident; b) any action taken, or to be taken, by the entity relating to the prescribed incident; c) the measures the entity will take to prevent the prescribed incident in the future.	Sections 271(4) <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a relevant entity for a recycled water scheme, to prepare an annual report about the scheme and give it to the regulator.	Section 273 <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a relevant entity for a recycled water scheme to augment a supply of drinking water, or a relevant entity for a recycled water scheme to premises by way of a dual reticulation system, to prepare and make publicly available a public report about the scheme.	Section 274 <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as recycled water provider or another entity, to respond to a notice issued by the regulator pursuant to this section.	Section 302 <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a recycled water provider, or other entity for a multiple-entity recycled water scheme, to make submissions regarding the regulator's intention to make a declaration that the recycled water scheme is a critical recycled water scheme.	Section 303 <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the relevant entity for a critical recycled water scheme, to ask the regulator to review the making of the declaration that the scheme is a critical recycled water scheme, after one year since the declaration was made.	Section 306 <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO***Water Supply (Safety and Reliability) Act 2008***

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as sewerage service provider, to comply with a regulator notice.	Section 330 <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a sewerage service provider, to give the regulator a report about the actions taken to comply with a regulator notice.	Section 331 <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a recycled water provider or other declared entity, to give the scheme manager, information the scheme manager reasonably requires to comply with the scheme manager's obligations under the Act.	Section 333 <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the owner of a dam, to have it failure impact assessed, give it to the chief executive and pay the prescribed fee.	Sections 343, 344 and 345 <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the owner of a dam, to pay the cost of preparing and certifying a failure impact assessment where required under section 348.	Sections 348 <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a dam owner, to give the chief executive additional information about a failure impact assessment.	Section 349(2) <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a dam owner, to comply with an information notice issued by the chief executive pursuant to this section and return the recertified assessment to the chief executive.	Section 351 <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a dam owner, to comply with an information notice issued by the chief executive pursuant to this section.	Section 352 <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the owner of a referable dam, to prepare an emergency action plan for the dam and comply with the requirements of Chapter 4, Part 1, Division 2A, Subdivision 3 when preparing the plan.	Sections 352F, 352H and 352HA <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as a local government, to assess an emergency action plan for consistency with its disaster management plan, consult with the local group for the plan and give the owner of the dam a notice.	Section 352HB <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the owner of a referable dam, to comply with a notice issued by the chief executive pursuant to this section.	Section 352L <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

REGISTER OF DELEGATIONS - COUNCIL TO CEO***Water Supply (Safety and Reliability) Act 2008***

DELEGATE	DESCRIPTION OF POWER DELEGATED	LEGISLATION	CONDITIONS TO WHICH THE DELEGATION IS SUBJECT
Chief Executive Officer	Power, as the owner of a referable dam, to keep a copy of the approved emergency action plan for the dam and make it available to an individual:- (a) who has a function under the plan; or (b) who, under the plan, is named and required to be personally notified of a dam hazard event or emergency event.	Section 352N <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the owner of a referable dam, to comply with a notice issued by the chief executive pursuant to this section.	Section 352O <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the owner of a referable dam, to review an emergency action plan for the dam, give the chief executive a notice stating whether or not the owner proposes an amendment of the plan because of the review and if so, a copy of the amended plan.	Section 352P <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the owner of a referable dam, to ask to the chief executive to correct a minor error or make a change, that is not a change of substance, in an emergency action plan for the dam.	Section 352Q(1) <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the owner of a referable dam, to ask to the chief executive to record the change in ownership of the dam and make other changes to the plan required because of the change in ownership.	Section 352Q(1A) <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the owner of a referable dam, to apply to the chief executive for a change of substance to an emergency action plan for the dam.	Section 352R(1) <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the owner of a referable dam, to comply with a notice issued by the chief executive pursuant to this section.	Section 352R(2)(c) <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the owner of a referable dam, to prepare a new emergency action plan for the dam and give it to the chief executive for approval.	Section 352S <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the owner of a referable dam, to prepare an emergency event report in compliance with Chapter 4, Part 1, Division 2A, Subdivision 9 and give it to the chief executive.	Section 352T <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers
Chief Executive Officer	Power, as the owner of a referable dam, to comply with a notice issued by the chief executive pursuant to this section.	Section 352U <i>Water Supply (Safety and Reliability) Act 2008</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

Chief Executive Officer	Power to comply with a notice issued by the chief executive.	Section 370B(3) <i>Working with Children Check Act 2000</i>	Schedule 2 - Limits and Conditions to the Exercising of Powers

Schedule 2 - Conditions and Limitations to the Exercising of Delegated Powers, Duties and Functions	
1	Where Council in its budget or by resolution allocates an amount for the expenditure of Council funds in relation to a particular matter, the delegate in exercising delegated power in relation to that matter, will only commit the Council to reasonably foreseeable expenditure up to the amount allocated.
2	The delegate will not exercise any delegated power in relation to a matter which, to the delegate's knowledge adversely affects, or is likely to adversely affect, the Council's relations with the public at large.
3	The delegate will not exercise any delegated power in relation to a matter which has already been the subject of a resolution or other decision of the Council (including a policy decision relating to the matter).
4	The delegate will not exercise any delegated power in a manner, or which has the foreseeable affect, of being contrary to an adopted Council policy or procedure.
5	The delegate will only exercise a delegated power under this resolution in a manner which complies with the requirements of Council's Planning Scheme and any exercise of power which involves a departure from or variation of those requirements will only be undertaken by Council.
6	The delegate will not exercise any power which cannot lawfully be the subject of delegation by Council.
7	The delegate will only exercise a delegated power consistent with their financial delegations.

11.12 - Ex-gratia Payments Policy

MEETING DETAILS: Ordinary Council Meeting - Wednesday 23 September 2026

AUTHOR: Manager Governance

AUTHORISING OFFICER: Director Corporate Support Services

PURPOSE

To present the proposed Ex-Gratia Payments Policy for Council's consideration.

EXECUTIVE SUMMARY

Council does not currently have an Ex-Gratia Payments Policy. While there is no legislative requirement to adopt such a policy, the establishment of a formal governance framework for ex-gratia payments is recognised as good governance practice and supports accountability, transparency and sound financial stewardship in the use of public funds.

The proposed Policy has been developed having regard to governance guidance issued by the Queensland Audit Office and has been drafted using the LGMA/DLGWV Governance Advisory Service template. Following consideration by the Policy Review Working Group, the Policy has been refined to focus on governance principles, approval authorities and accountability requirements, supported by a separate Ex-Gratia Payments Procedure containing operational requirements.

Adoption of the Policy will provide Council with a consistent and transparent framework for the consideration and approval of ex-gratia payments.

OFFICER'S RECOMMENDATION

That Council adopts the Ex-Gratia Payments Policy as presented at **Attachment 11.12.1**.

BACKGROUND

Council does not currently have a dedicated Ex-Gratia Payments Policy. While ex-gratia payments may arise from time to time as part of Council's operations, there is no legislative requirement under the *Local Government Act 2009* or *Local Government Regulation 2012* for Council to adopt a specific policy governing their consideration and approval.

Notwithstanding the absence of a statutory requirement, the establishment of a formal governance framework for ex-gratia payments is considered good governance practice. Ex-gratia payments involve the expenditure of public funds in circumstances where Council may not have a legal obligation to make a payment, and therefore require appropriate oversight, transparency, accountability and recordkeeping.

The Queensland Audit Office (QAO) has identified weaknesses in ex-gratia payment arrangements across the public sector, including inadequate authorisation practices, poor documentation, insufficient governance controls and a lack of transparency in decision-making. The QAO has recommended that public sector entities implement clear policies, approval authorities and recordkeeping requirements to support sound financial stewardship and public confidence in decision-making.

DISCUSSION/CURRENT ISSUE

The Policy has been drafted using the LGMA/DLGWV Governance Advisory Service policy template, ensuring alignment with contemporary local government governance practices and Council's broader policy framework.

Consistent with Council's policy hierarchy, the Policy focuses on governance principles, decision-making responsibilities, approval authorities, accountability and transparency requirements. Detailed operational processes have been incorporated into a separate Ex-Gratia Payments Procedure to ensure a clear distinction between governance requirements and administrative processes.

The Policy establishes clear governance expectations for the consideration and approval of ex-gratia payments, ensuring decisions are appropriately authorised, proportionate to the circumstances, aligned with the public interest and supported by sound governance oversight.

FINANCIAL IMPLICATIONS

Ex-gratia payments are typically considered on a case-by-case basis and are not generally included as a specific budget allocation. Any approved payment will be funded from existing operational budgets or other available funding sources, subject to Council's financial management framework and budgetary constraints.

The proposed Policy establishes approval thresholds and governance controls for the consideration and approval of ex-gratia payments, including additional approval requirements for payments exceeding \$90,000.

CONSULTATION/ENGAGEMENT

The proposed Ex-Gratia Payments Policy has been considered by the Policy Review Working Group (PRWG) on 16 April 2026 and 3 September 2026.

Feedback received through the PRWG informed the development of the Policy, including the separation of governance requirements from operational processes. As a result, the Policy has been refined to focus on governance principles, accountability, decision-making responsibilities and approval authorities, with detailed administrative requirements incorporated into the accompanying Ex-Gratia Payments Procedure.

STATUTORY/COMPLIANCE MATTERS

While not a legislative requirement, the proposed Policy supports Council's compliance with the local government principles contained in the *Local Government Act 2009*, particularly those relating to accountability, transparency, effective decision-making and responsible financial management. The Policy also aligns with governance guidance published by the Queensland Audit Office concerning ex-gratia payment arrangements.

RISK ASSESSMENT/DEADLINES

Failure to adopt the proposed Policy may increase the risk of inconsistent decision-making, inadequate documentation, insufficient governance oversight and reputational impacts arising from the administration of ex-gratia payments.

Adoption of the Policy will strengthen Council's governance framework by establishing clear approval authorities, accountability requirements and decision-making expectations for ex-gratia payments.

STRATEGIC IMPACTS

Corporate Plan Reference:

Ensuring good governance, agile procurement, consolidated systems and robust financials.

ATTACHMENTS

1. DRAFT Ex-gratia Payments Policy [**11.12.1** - 4 pages]

Ex-gratia Payments

Policy Summary

Purpose	To establish protocols for facilitating ex-gratia payments, or special payments.	
Scope	This Policy applies to all ex-gratia payments made by council to employees or third parties. It does not cover payments required by law or contractual obligation.	
Principles	Council's approach to ex-gratia payments is underpinned by the following principles: - Decisions relating to ex-gratia payments will be made by appropriately authorised officers and supported by clear records and evidence. - Ex-gratia payments will be documented and capable of withstanding public and regulatory scrutiny, subject to lawful confidentiality requirements. - Each matter will be assessed on its own merits, considering the individual circumstances and aiming to achieve an equitable outcome. - Ex-gratia payments must represent an appropriate, reasonable and proportionate use of public funds. - Council will carefully consider legal, financial and reputational risks and seek to avoid creating unintended precedents through ex-gratia payment decisions.	
Roles and responsibilities	Council	Establishes the governance framework for ex-gratia payments through the approval and periodic review of this Policy.
	Mayor	Considers proposed ex-gratia payments exceeding \$90,000 in consultation with the Chief Executive Officer and provides input to inform the Chief Executive Officer's decision in accordance with this Policy.
	Chief Executive Officer	Administers and implements this Policy and exercises delegated authority relating to ex-gratia payments. The Chief Executive Officer may approve ex-gratia payments up to \$90,000. For proposed ex-gratia payments exceeding \$90,000, the Chief Executive Officer must consult with the Mayor before determining whether to approve the payment in accordance with this Policy.
	Council Officers	Comply with the requirements of this Policy and associated procedures and appropriately identify, assess and escalate matters that may warrant consideration of an ex-gratia payment.
Review	DD Month Year	
Owner	Manager Governance	

Council Policy

Ex-gratia Payments

1. Purpose

The purpose of this Policy is to establish protocols for facilitating ex-gratia payments, or special payments.

2. Scope

This Policy applies to all ex-gratia payments made by council to employees or third parties. It does not cover payments required by law or contractual obligation. This Policy should be read in conjunction with the companion Ex-gratia Payments Procedure.

3. Intent

The intent of this Policy is to provide a transparent, accountable and consistent framework for the consideration, approval and administration of ex-gratia payments by Whitsunday Regional Council (Council).

This Policy seeks to ensure that ex-gratia payments are only made in exceptional circumstances where there is no legal or contractual obligation to make a payment, but where Council considers it appropriate to do so as a matter of fairness, goodwill, dispute resolution, or in the public interest. The Policy also supports sound governance by ensuring that all ex-gratia payments are appropriately documented, authorised, proportionate, and represent an appropriate use of public resources.

4. Principles

Council's approach to ex-gratia payments is underpinned by the following principles:

Principle	Description
Accountability	Decisions relating to ex-gratia payments will be made by appropriately authorised officers and supported by clear records and evidence.
Transparency	Ex-gratia payments will be documented and capable of withstanding public and regulatory scrutiny, subject to lawful confidentiality requirements.
Fairness	Each matter will be assessed on its own merits, considering the individual circumstances and aiming to achieve an equitable outcome.
Value for Money	Ex-gratia payments must represent an appropriate, reasonable and proportionate use of public funds.
Risk and Precedent Management	Council will carefully consider legal, financial and reputational risks and seek to avoid creating unintended precedents through ex-gratia payment decisions.

Ex-gratia Payments

Date Approved:

Document Owner: Manager Governance

Document Number:

Next Review Date: DD Month YYYY

This document is uncontrolled when printed

Page 2

5. Outcomes

This Policy is designed to deliver the following organisational and governance outcomes:

- Ex-gratia payments are considered and approved in a consistent, fair, and transparent manner.
- Decisions regarding ex-gratia payments are supported by appropriate evidence, documentation, and delegated authority.
- Public funds are used responsibly and only where an ex-gratia payment is reasonable, proportionate, and in the public interest.
- Legal, financial, reputational, and governance risks associated with ex-gratia payments are effectively managed.
- Appropriate records are maintained to demonstrate accountability and support internal and external scrutiny.
- Alternative resolution options are considered before an ex-gratia payment is approved.

6. Policy Statement

Council may, in limited circumstances, make an ex-gratia payment to an individual, group or organisation where there is no legal obligation to provide compensation, but where Council considers a payment to be appropriate, reasonable and in the public interest.

Council recognises that ex-gratia payments are discretionary and may be considered as a goodwill gesture to assist in resolving matters where the circumstances warrant such consideration. Before an ex-gratia payment is considered, Council supports the use of reasonable alternative strategies to achieve a mutually agreeable outcome where appropriate. Council is committed to ensuring that ex-gratia payments are appropriate, defensible, transparent, and represent a responsible use of public funds. Each matter will be assessed on its own merits, having regard to the relevant facts and circumstances.

An ex-gratia payment does not constitute an admission of liability by Council and does not create a precedent, entitlement, or expectation that similar payments will be made in future matters.

6.1 Process and Approval

The assessment, approval, administration and recording of ex-gratia payments will be undertaken in accordance with Council's Ex-gratia Payments Procedure.

The decision to make an ex-gratia payment will be determined on a case-by-case basis and, where applicable and appropriate, based on independent legal advice to ensure it is not setting a precedent. The value of an ex-gratia payment must be reasonable and proportionate to the facts and circumstances of each matter.

The CEO is authorised to negotiate and approve ex-gratia payments for Council staff and third-party matters up to a maximum amount of \$90,000. Proposed ex-gratia payments exceeding \$90,000 may only be approved by the Chief Executive Officer following consultation with the Mayor.

If the ex-gratia payment relates to the CEO, Council must determine whether an ex-gratia payment is to be made and its value, unless council delegates the matter to the mayor to negotiate and authorise.

7. Roles and Responsibilities

Role	Responsibilities
Council	Establishes the governance framework for ex-gratia payments through the approval and periodic review of this Policy.
Mayor	Considers proposed ex-gratia payments exceeding \$90,000 in consultation with the Chief Executive Officer and provides input to inform the Chief Executive Officer's decision in accordance with this Policy.
Chief Executive Officer	Administers and implements this Policy and exercises any delegated authority relating to ex-gratia payments. The Chief Executive Officer may approve ex-gratia payments up to \$90,000. For proposed ex-gratia payments exceeding \$90,000, the Chief Executive Officer must consult with the Mayor before determining whether to approve the payment in accordance with this Policy.
Council Officers	Identify, assess and manage ex-gratia payment matters in accordance with this Policy and the Ex-gratia Payments Procedure.

8. Monitoring

Ongoing monitoring with scheduled reviews ensures continuing effectiveness and legislative alignment. This Policy will be reviewed every four years in accordance with the requirements of Council's Policy Framework.

11.13 - Unreasonable Customer and Complainant Conduct Policy

MEETING DETAILS: Ordinary Council Meeting - Wednesday 23 September 2026

AUTHOR: Manager Governance

AUTHORISING OFFICER: Director Corporate Support Services

PURPOSE

To present the draft Unreasonable Customer and Complainant Conduct Policy for Council's consideration.

EXECUTIVE SUMMARY

Following a Notice of Motion resolved at Council's Ordinary Meeting on 26 August 2026, a draft Unreasonable Customer and Complainant Conduct Policy has been developed for Council's consideration.

The Policy acknowledges the community's right to raise concerns, make complaints, seek information and access available review mechanisms, while also recognising Council's responsibility to provide a safe and respectful environment for Councillors, employees and members of the public. The proposed framework seeks to balance these interests by establishing clear principles for identifying and managing conduct that is unreasonable, without limiting legitimate engagement with Council.

The draft Policy has been informed by the Queensland Ombudsman's *Managing Unreasonable Complainant Conduct* framework and contemporary public sector better practice. It adopts a principles-based approach that focuses on behaviours and their impacts, rather than individuals, and supports fair, consistent and proportionate responses where conduct adversely affects health and safety, service delivery or the effective use of Council resources.

Adoption of the Policy will establish Council's strategic position and governance expectations for managing unreasonable customer and complainant conduct, with detailed operational processes to be addressed through supporting procedures and administrative controls. The Policy strengthens Council's commitment to respectful engagement, transparency, accessibility and accountability while supporting the wellbeing of Councillors and employees.

OFFICER'S RECOMMENDATION

That Council adopt the Unreasonable Customer and Complainant Policy as presented at **Attachment 11.13.1**.

BACKGROUND

At its Ordinary Meeting held on 26 August 2026, Council resolved a Notice of Motion directing the development of an Unreasonable Customer and Complainant Conduct Policy.

The resolution recognised the need to balance the community's right to raise concerns, make complaints, seek information and access review mechanisms, with Council's responsibility to provide a safe and respectful workplace and ensure the appropriate use of public resources.

In response to this resolution, a draft Unreasonable Customer and Complainant Conduct Policy has been developed for Council's consideration.

DISCUSSION/CURRENT ISSUE

The draft Policy establishes Council's governance framework for identifying and managing unreasonable customer and complainant conduct. The Policy recognises that individuals have a legitimate right to complain, question decisions, seek information and express dissatisfaction with Council services, while also acknowledging Council's responsibility to protect the health, safety and wellbeing of Councillors, employees and the broader community.

The Policy has been developed having regard to the Queensland Ombudsman's *Managing Unreasonable Complainant Conduct* framework and contemporary public sector better practice. Consistent with these approaches, the Policy focuses on conduct rather than individuals and promotes fair, consistent and proportionate responses to behaviour that adversely impacts health and safety, service delivery, resource allocation or equitable access to Council services.

The proposed framework aligns with Council's Policy Framework by establishing Council's strategic position, principles and governance expectations. Detailed operational processes and management arrangements will be addressed through supporting procedures and administrative controls to ensure consistent implementation across the organisation.

Adoption of the Policy will provide a clear and transparent basis for managing unreasonable conduct while maintaining Council's commitment to accessibility, accountability and respectful engagement with the community.

FINANCIAL IMPLICATIONS

The adoption of this Policy is not expected to result in any direct financial costs. However, unreasonable customer and complainant conduct can have a significant impact on Council resources through the disproportionate allocation of officer time, repeated correspondence, management intervention, legal advice and administrative oversight.

The Policy is intended to support the fair and efficient use of Council resources by providing a consistent framework for managing unreasonable conduct while maintaining appropriate access to Council services, complaints processes and review mechanisms. By promoting timely and proportionate responses, the Policy may assist in reducing the financial impacts associated with prolonged or resource-intensive interactions.

CONSULTATION/ENGAGEMENT

The draft Unreasonable Customer and Complainant Conduct Policy was considered by the Policy Review Working Group (PRWG) at its meeting held on 3 September 2026.

Feedback from the Working Group was incorporated into the final draft presented for Council's consideration. The Policy reflects the intent of Council's Notice of Motion and aligns with Council's broader Policy Framework and contemporary public sector better practice.

STATUTORY/COMPLIANCE MATTERS

There is no specific legislative requirement for Council to adopt an Unreasonable Customer and Complainant Conduct Policy. However, the Policy supports Council's obligations under the *Local Government Act 2009* to ensure accountable, transparent and effective local government and promotes the responsible use of public resources.

The Policy also assists Council to meet its obligations under work health and safety legislation by providing a framework to manage behaviours that may adversely affect the

health, safety and wellbeing of Councillors, employees and members of the public. The Policy has been developed having regard to the Queensland Ombudsman's guidance on managing unreasonable complainant conduct and is consistent with contemporary public sector governance practices.

RISK ASSESSMENT/DEADLINES

Council resolved through a Notice of Motion at its Ordinary Meeting on 26 August 2026 that an Unreasonable Customer and Complainant Conduct Policy be developed and presented for consideration at the September 2026 Ordinary Meeting. Adoption of the Policy will satisfy the requirements of the resolution and provide Council with a clear governance framework for managing unreasonable conduct.

Failure to adopt the Policy may expose Council to increased risks associated with unreasonable customer and complainant conduct, including impacts on the health, safety and wellbeing of Councillors and employees, disproportionate consumption of Council resources, disruption to service delivery and reduced capacity to respond to other community requests in a timely and equitable manner.

STRATEGIC IMPACTS

Corporate Plan Reference:

Ensuring good governance, agile procurement, consolidated systems and robust financials.

ATTACHMENTS

1. DRAFT Unreasonable Customer and Complainant Conduct Policy [11.13.1 - 5 pages]

Unreasonable Customer and Complainant Conduct

Policy Summary

Purpose	To establish Council's principles for identifying and managing conduct that raises substantial health, safety, resource or equity issues, while preserving legitimate complaint and access rights.	
Scope	Applies to all public interactions with Council and to Councillors, Council officers, contractors, volunteers and authorised representatives responding to those interactions.	
Principles	Council's approach to Unreasonable Customer and Complainant Conduct is underpinned by the following principles: • Open access, fairness and respect • Conduct, not labels • Proportionality and responsiveness • Health, safety, resources and equity • Procedural fairness and accountability	
Roles and responsibilities	Council	Adopts the Policy and sets Council's strategic position.
	Chief Executive Officer	Ensures implementation through the supporting Procedure and governance controls.
	Executive Leadership Team	Supports systematic and consistent application and monitors significant risks.
	Directors and Managers	Support officers and ensure decisions are within authority and proportionate.
	Governance	Maintains the framework and provides complaints, RTI, privacy and human rights advice.
	Officers and representatives	Treat people fairly and respectfully, communicate clearly, keep good records and apply approved strategies.

Council Policy

Unreasonable Customer and Complainant Conduct

1. Purpose

People have a right to complain about perceived failings or issues that affect them. Officers and members of the public also have a right to dignity, physical and emotional safety and respect.

The purpose of this Policy is to establish Council's principles for identifying and managing unreasonable customer and complainant conduct in order to protect health and safety, ensure fairness, and support the efficient, equitable and appropriate allocation of Council resources.

The Policy focuses on conduct rather than individuals and preserves legitimate rights to complain, seek information, criticise Council and access review mechanisms.

2. Scope

This Policy applies to conduct arising in all interactions with Council, including customer service, complaints, requests for service, statutory applications, community engagement, correspondence, telephone and digital channels, meetings Council facilities and Council events.

It applies to customers, complainants, ratepayers, applicants, service users, representatives and other members of the public, and to Councillors, Council officers, contractors, volunteers and authorised representatives responding to those interactions. Where a statutory process applies, that process must be followed.

3. Intent

Council is committed to open, accessible, transparent and accountable engagement. Most people interact with Council cooperatively and respectfully, and Council recognises that complainants who are heard, properly informed and treated respectfully are more likely to respond positively, including where an outcome is unfavourable.

Unreasonable customer and complainant conduct is conduct that raises substantial health, safety, resource or equity issues for Council, its officers, other customers or members of the public. Council will balance individual complaint and access rights with the rights of others and the fair delivery of services to the broader community.

Page 2

4. Principles

Council's approach to Unreasonable Customer and Complainant Conduct is underpinned by the following principles:

Principle	Description
Open access, fairness and respect	People have a right to complain about perceived failings or issues that affect them. Council will hear, properly inform and treat people fairly and respectfully, while recognising the dignity and physical and emotional safety of officers and members of the public.
Conduct, not labels	Council will avoid labelling people and will respond to observable conduct. Challenging or difficult conduct is not necessarily unreasonable. The issues raised will be considered separately from the person's conduct.
Proportionality and responsiveness	Council's response will take account of the circumstances, likely impacts, merit of the issues raised and human rights compatibility. Strategies will be responsive to the identified conduct and proportionate to its impact and risk. Council will use the least restrictive strategy reasonably available to prevent or minimise the effect of the conduct.
Health, safety, resources and equity	Council will effectively identify and manage conduct that raises substantial health, safety, resource or equity issues for Council, its officers and other customers and members of the public.
Procedural fairness and accountability	Material decisions will be authorised, comprehensive and timely records kept, restrictions communicated with reasons, and review or appeal provided where appropriate. Statutory rights will be preserved.

5. Outcomes

This Policy is designed to deliver the following organisational and governance outcomes:

- People retain fair and accessible pathways to raise concerns, make complaints, seek information, criticise Council and access review mechanisms.
- The health, safety, dignity and wellbeing of officers, complainants and others are protected.
- Complaint and customer service processes remain fair, consistent, responsive and equitable.
- Council resources are allocated efficiently and appropriately across the community.
- Unreasonable conduct is prevented or minimised where possible and managed systematically, consistently and proportionately.
- Decisions are based on observable conduct, documented reasons, human rights compatibility and appropriate review.

Unreasonable Customer and Complainant Conduct Policy

Date Approved:

Document Owner: Manager Governance

Document Number:

Next Review Date:

This document is uncontrolled when printed

Page 3

6. Policy Statement

A person's conduct is not necessarily unreasonable because it is challenging or difficult to manage. Council will separate the person's conduct from the issues raised and respond to observable conduct rather than labels.

The purpose of categorising conduct is to identify conduct that may affect how Council manages an interaction and to support a suitable response. Consistent with the Queensland Ombudsman framework, conduct may be considered by reference to persistence, demands, level of cooperation, arguments and behaviour.

Council will apply a systematic and consistent approach to assessing conduct and selecting strategies. Responses will take account of the circumstances, likely impacts on officers, other customers and service delivery, the merit of the issues raised, human rights compatibility, proportionality and responsiveness.

Council may implement reasonable and proportionate arrangements to prevent or minimise unreasonable conduct, protect health and safety, ensure fairness and support the efficient and equitable allocation of Council resources. Council will use the least restrictive strategy reasonably available.

Significant restrictions on communication, contact, or access to Council premises, facilities or services will only be imposed where reasonable, necessary and proportionate to the identified conduct and risk. Necessary emergency, essential service and statutory access pathways will be preserved.

Council may decline to provide repeated substantive responses to matters that have been appropriately considered and finalised unless materially new and relevant information is provided. This does not limit Council's legal, safety or statutory obligations.

This Policy does not remove or restrict statutory rights. Repeated or unreasonable use of Right to Information processes will be managed under the *Right to Information Act 2009 (Qld)* and the *Information Privacy Act 2009 (Qld)*. Any concerns regarding frequency or nature of applications made under those Acts will be addressed through the relevant legislative processes rather than through restrictions imposed under this Policy.

7. Roles and Responsibilities

Role	Responsibilities
Council	Adopts this Policy and sets the strategic expectation that unreasonable conduct is prevented or minimised and managed lawfully, fairly and consistently.
Mayor and Councillors	Support respectful community engagement and refer operational management of conduct to the Chief Executive Officer or authorised officers.
Chief Executive Officer	Ensures implementation through the supporting Procedure, delegations, policies, protocols, training and reporting.
Executive Leadership Team	Supports systematic and consistent application and monitors substantial health, safety, resource and equity issues.

Role	Responsibilities
Directors and Managers	Support officers, assess or escalate significant conduct, ensure decisions are within authority, and oversee implementation and monitoring of strategies.
Manager Governance	Governance maintains the framework and provides advice.
Officers and authorised representatives	Officers and authorised representatives treat people fairly and respectfully, communicate clearly, respond to observable conduct and keep comprehensive records.

8. Monitoring

Ongoing monitoring and scheduled review will support continuing effectiveness and legislative alignment. Council will monitor significant management and restriction decisions, incident and risk trends, effects on safety and service accessibility, complaints and review outcomes, statutory compliance and relevant external guidance.

11.14 - Artificial Intelligence Policy

MEETING DETAILS: Ordinary Council Meeting - Wednesday 23 September 2026

AUTHOR: Manager Governance

AUTHORISING OFFICER: Director Corporate Support Services

PURPOSE

To present the draft Artificial Intelligence Policy for Council's consideration.

EXECUTIVE SUMMARY

Artificial Intelligence (AI) is increasingly being incorporated into business systems, productivity tools and service delivery platforms across government and industry. As Council continues to explore opportunities to utilise AI to support service improvement, productivity, innovation and informed decision-making, it is important that its use occurs within an appropriate governance framework.

The draft Artificial Intelligence Policy establishes Council's strategic governance position relating to the responsible, ethical and lawful use of AI. The Policy provides a principles-based framework that promotes innovation and organisational improvement while ensuring appropriate accountability, transparency, privacy, information security and human oversight.

The Policy has been developed in accordance with recognised Australian and Queensland Government AI governance frameworks and contemporary governance practices. It also supports Council's broader obligations relating to privacy, information management, information security, accountability and human rights.

Operational requirements relating to the use, approval, monitoring and management of AI are addressed separately through supporting procedures and guidance material, ensuring the Policy remains strategic, adaptable and focused on governance outcomes.

OFFICER'S RECOMMENDATION

That Council adopts the Artificial Intelligence Policy as presented at **Attachment 11.14.1**.

BACKGROUND

Artificial Intelligence technologies are becoming increasingly prevalent across government, industry and the local government sector. AI capabilities are now commonly incorporated into software platforms, business applications, productivity tools and service delivery systems utilised by organisations to improve efficiency, automate routine tasks and support informed decision-making.

As part of Council's ongoing Policy Framework review and governance improvement program, an opportunity was identified to establish a contemporary policy position regarding the use of Artificial Intelligence. While AI presents significant opportunities to enhance productivity, service delivery and innovation, it also introduces governance considerations relating to transparency, privacy, security, accountability and appropriate human oversight.

The development of an Artificial Intelligence Policy ensures Council has a clear governance framework to guide the responsible adoption and use of these technologies.

DISCUSSION/CURRENT ISSUE

The draft Artificial Intelligence Policy establishes Council's governance position for the responsible, ethical and lawful use of Artificial Intelligence.

The Policy has been developed having regard to Australia's Artificial Intelligence Ethics Principles, the Queensland Government Artificial Intelligence Governance Policy (QGEA), the Australian Government Policy for the Responsible Use of Artificial Intelligence in Government, the National Framework for the Assurance of Artificial Intelligence in Government and contemporary AI governance practices.

The Policy:

- establishes principles for the responsible governance and use of Artificial Intelligence;
- supports innovation, service improvement and informed decision-making;
- strengthens accountability, transparency and human oversight; and
- separates operational AI requirements into supporting procedures and governance documents.

The Policy adopts a strategic and principles-based approach, focusing on Council's intent, governance principles and desired outcomes rather than prescribing detailed operational requirements. This approach supports emerging technologies while ensuring Council maintains appropriate oversight and accountability for AI-enabled activities.

Supporting procedures and guidance material provide the operational controls, approval processes and risk management requirements necessary to implement the Policy in practice.

FINANCIAL IMPLICATIONS

There are no direct budget implications arising from the adoption of the Policy.

The Policy establishes Council's governance position regarding the use of Artificial Intelligence and may assist in identifying opportunities to improve operational efficiency, productivity and service delivery outcomes over time.

Any future expenditure associated with AI systems, software, licences, implementation projects or specialist advice will be subject to separate business cases, procurement processes and budget considerations where required.

CONSULTATION/ENGAGEMENT

The draft Policy has been developed in consultation with relevant internal stakeholders, including Governance and Innovation and Technology.

The Policy has also been informed by recognised Australian and Queensland Government AI governance frameworks and contemporary sector practice.

The draft Policy was considered by the Policy Review Working Group (PRWG) at its meeting held on 3 September 2026, with feedback incorporated where appropriate prior to presentation to Council.

STATUTORY/COMPLIANCE MATTERS

While there is currently no legislative requirement for Council to maintain a standalone Artificial Intelligence Policy, the increasing use of AI technologies creates governance obligations relating to privacy, information management, information security, accountability and human rights.

The Policy supports Council's compliance with relevant legislative and regulatory obligations and aligns with Australian and Queensland Government guidance regarding the responsible use of Artificial Intelligence in government.

The Policy further supports Council's commitment to good governance, transparency and ethical decision-making.

RISK ASSESSMENT/DEADLINES

The use of Artificial Intelligence presents a range of potential governance, operational, privacy, security and reputational risks if not appropriately managed.

Without a clearly articulated governance framework, there is an increased risk of inconsistent AI use, inappropriate reliance on AI-generated outputs, privacy breaches, information security incidents and reduced public confidence in Council decision-making processes.

The adoption of the Artificial Intelligence Policy provides a clear governance framework to support the responsible and transparent use of AI, establish organisational expectations and reinforce accountability and human oversight. The Policy forms an important component of Council's broader governance and risk management framework and supports the proactive management of emerging technology risks.

STRATEGIC IMPACTS

Corporate Plan Reference:

Ensuring good governance, agile procurement, consolidated systems and robust financials.

ATTACHMENTS

1. DRAFT Artificial Intelligence Policy [11.14.1 - 7 pages]

Council Policy

Artificial Intelligence

Policy Summary

Purpose	To support and encourage the use of Artificial Intelligence (AI) to enhance Council's services, productivity, decision-making, innovation and value for money for the community, while ensuring AI is implemented and used in a responsible, ethical, secure and lawful manner.	
Scope	This Policy applies to Councillors, employees, contractors, volunteers and other persons acting on behalf of Council, and to the use of Artificial Intelligence technologies in the conduct of Council business. This includes Artificial Intelligence systems that are procured, developed, embedded within other technology platforms, or used to support Council functions, services, decision-making or administrative activities.	
Principles	Council's approach to Artificial Intelligence is underpinned by the following principles: • AI is used to support lawful, ethical and accountable decision-making. • Human oversight is to be expressly proportionate to the nature, consequence and risk of the AI use. • Privacy, security and information management obligations are protected. • AI use is transparent, fair and proportionate to risk. • AI supports innovation and service improvement while maintaining community trust.	
Roles and responsibilities	Council	Sets the strategic direction, principles and risk expectations for the use of AI and provides oversight to ensure AI use aligns with Council's objectives, legislative obligations and the public interest.
	CEO	Accountable for the implementation of this Policy and for ensuring appropriate governance, resources, controls and organisational capability are in place to support the responsible, ethical and lawful use of AI.
	Executive Leadership Team	Support the Chief Executive Officer in implementing this Policy and embedding responsible AI practices, risk management and appropriate oversight within their areas of responsibility.
	Managers and Supervisors	Ensure AI use within their areas is consistent with this Policy and Council governance requirements, and any approved procedures or controls.

Council Policy

Artificial Intelligence

	Councillors, Employees, Contractors and Volunteers	Comply with this Policy and support the responsible, ethical and lawful use of AI in Council activities, including maintaining appropriate human oversight and accountability. Ensuring appropriate human oversight is applied to AI use, commensurate with its purpose, complexity and level of risk.
Review	January 2027	
Owner	Manager Innovation and Technology	

Artificial Intelligence

1. Purpose

The purpose of this Policy is to support and encourage the use of Artificial Intelligence (AI) to enhance Council's services, productivity, decision-making, innovation and value for money for the community, while ensuring AI is implemented and used in a responsible, ethical, secure and lawful manner.

2. Scope

This Policy is applicable to:

- Councillors, employees, contractors, volunteers and other persons acting on behalf of Council; and
- the use of AI technologies in connection with Council functions, services, operations and decision-making activities.

3. Intent

The intent of this Policy is to:

- a) support and encourage the responsible adoption and use of Artificial Intelligence (AI) to improve productivity, service delivery, customer experience, innovation and value for money for the community;
- b) establish a governance framework that enables the safe, ethical, lawful and transparent use of AI across Council operations;
- c) provide clear direction for the assessment, adoption, deployment and ongoing use of AI technologies and tools;
- d) ensure appropriate accountability, human oversight, privacy, security and risk management arrangements are applied to the use of AI, where human oversight is proportionate to the nature, potential consequences and risks of the AI use;
- e) foster a culture of innovation, continuous improvement and responsible experimentation with AI; and
- f) maintain community trust and confidence through the transparent and responsible use of AI.

4. Principles

Council will apply the following principles to guide the responsible, ethical and lawful use of AI technologies. These principles align with Council's governance frameworks, strategic direction, legislative obligations, risk appetite and the public interest, and are informed by the Australian Government's *Artificial Intelligence Ethics Principles*.

Principle	Description
Innovation and enablement	Council embraces the responsible use of AI as an enabler of innovation, productivity and improved community outcomes. AI will be used to support staff, enhance services and create value for the community while maintaining appropriate governance, accountability and community trust.
Human, Societal and Environmental Wellbeing	AI will be used to deliver outcomes that benefit individuals, the community and the environment. Council will consider the broader social, environmental and service impacts of AI and seek to ensure its use supports positive public outcomes and maintains public trust.
Human-Centred Values	AI will be used in a manner that respects human rights, diversity and individual autonomy. Council will ensure AI supports, rather than replaces, human judgement, with appropriate and proportionate human oversight maintained where decisions affect individuals or service outcomes.
Fairness	AI will be used in a manner that is inclusive, equitable and free from unfair discrimination. Council will have regard to potential bias and disproportionate impacts, particularly where AI may influence service access, decision outcomes or community participation.
Lawful use	Council will use AI in accordance with applicable legislation, regulatory obligations and Council policies. AI will not diminish Council's accountability for complying with statutory responsibilities or exercising delegated authority.
Privacy Protection and Security	AI will be used in a manner that protects personal and sensitive information and complies with privacy, information security, records management and data protection obligations. Appropriate safeguards will be maintained to protect the confidentiality, integrity and security of information.
Reliability and Safety	AI will be used in a manner that is reliable, secure and fit for purpose. Council will recognise the limitations of AI and ensure outputs are appropriately reviewed before being relied upon in Council activities.
Transparency and Explainability	Council will be transparent about its use of AI and, where appropriate, communicate how AI informs decision-making and service delivery. The role of AI in influencing outcomes will be identifiable and understandable.
Contestability	Where AI may significantly impact individuals, communities or service outcomes, Council will ensure appropriate mechanisms exist to enable review, challenge and reconsideration of AI-influenced outcomes.
Accountability	Council remains accountable for decisions, actions and outcomes supported by AI. Clear governance, oversight and responsibility for AI use will be maintained throughout its lifecycle.

Page 4

5. Outcomes

This Policy is designed to deliver the following organisational and governance outcomes:

- Council employees are empowered to responsibly use AI to improve productivity, efficiency and service delivery;
- AI is adopted and utilised in a manner that enhances customer experience and delivers value for money for the community;
- Innovation and continuous improvement are supported through the safe and responsible use of AI technologies;
- AI is used in a manner that is lawful, ethical, transparent and aligned with Council values.
- Appropriate governance, accountability and proportionate human oversight are maintained across the use of AI within Council.
- Risks associated with the use of AI are identified, assessed and managed in a proportionate and consistent manner.
- Privacy, information security and information management obligations are protected when AI is used.
- Council is able to realise the benefits of AI while maintaining community trust and confidence.

6. Policy Statement

Council supports and encourages the responsible adoption and use of AI to improve productivity, service delivery, customer experience, innovation, decision-making and value for money for the community.

Council will enable the use of AI across its operations where it delivers demonstrable benefits and aligns with Council's values, strategic direction, legislative obligations, risk appetite and the public interest.

Council will govern the use of AI through its existing risk management, information management, information security, privacy and ethical frameworks, applying controls that are proportionate to the level of risk, impact and sensitivity of the AI application.

AI may be used to assist and enhance Council functions, service delivery and decision-making; however, appropriate and proportionate human oversight, accountability and transparency will be maintained at all times. The use of AI does not replace Council's responsibility for decisions, actions or outcomes.

Council will foster a culture of innovation, learning and continuous improvement by supporting the safe and responsible exploration, evaluation and adoption of AI technologies.

Council will maintain appropriate governance and oversight arrangements for AI use, including periodic reporting on significant AI initiatives, benefits, risks, outcomes and incidents.

Council will not use AI in a manner that is inconsistent with legislative obligations, compromises privacy, security or fairness, undermines public trust, or is inconsistent with Council values.

Council remains accountable for all decisions, actions and outcomes, regardless of whether AI has been used to support, inform or automate aspects of a process or decision.

Page 5

7. Governance and Accountability

Council will govern the use of AI through its existing frameworks for risk management, privacy, information management, information security and ethical conduct.

AI use will be subject to a proportionate, risk-based approach, with higher-risk applications requiring greater levels of oversight and assurance.

Council will not implement or use AI where risks cannot be appropriately managed or where its use would be inconsistent with Council values, strategic direction, legislative obligations, risk appetite and the public interest.

8. Roles and Responsibilities

Role	Responsibilities
Council	Sets the strategic direction, principles and risk expectations for the use of AI and provides oversight to ensure AI use aligns with Council's objectives, legislative obligations and the public interest.
CEO	Accountable for the implementation of this Policy and for ensuring appropriate governance, resources, controls and organisational capability are in place to support the responsible, ethical and lawful use of AI.
Executive Leadership Team	Support the Chief Executive Officer in implementing this Policy and embedding responsible AI practices, risk management and appropriate oversight within their areas of responsibility.
Managers and Supervisors	Ensure AI use within their areas is consistent with this Policy and Council governance requirements, and any approved procedures or controls.
Councillors, Employees, Contractors and Volunteers	Comply with this Policy and support the responsible, ethical and lawful use of AI in Council activities, including maintaining appropriate human oversight and accountability. Ensuring appropriate human oversight is applied to AI use, commensurate with its purpose, complexity and level of risk.

9. Monitoring

Ongoing monitoring with scheduled reviews ensures continuing effectiveness and legislative alignment.

11.15 - Infrastructure Services Activity Report April to June 2026

MEETING DETAILS: Ordinary Council Meeting - Wednesday 23 September 2026

AUTHOR: PA to the Director Infrastructure Services

AUTHORISING OFFICER: Director Infrastructure Services

PURPOSE

The purpose of this report is to provide an update pertaining to the functions of each branch within the Infrastructure Services Directorate for the period of April to June 2026.

EXECUTIVE SUMMARY

The Infrastructure Services Directorate provides a range of critical and essential services to the Community. The performance of each of the work unit areas within the Directorate are outlined in the attached Activity Report. During the reporting period there were structural changes at Council as the Infrastructure Services Directorate and the Capital Delivery and Network Planning Directorates were integrated into a single directorate.

OFFICER'S RECOMMENDATION

That Council receive the Infrastructure Services Activity Report (**Attachment 11.15.1**) for Quarter four for the 2025/26 financial year.

BACKGROUND

Report is for information purposes.

DISCUSSION/CURRENT ISSUE

This report provides an overview of Whitsunday Regional Council's Infrastructure Services Directorate for the 2025/2026 financial year with particular focus on the fourth quarter.

FINANCIAL IMPLICATIONS

There are no financial implications with the Council accepting this report.

CONSULTATION/ENGAGEMENT

Director Infrastructure Services
Chief Operating Officer Whitsunday Water
Manager Waste and Recycling
Acting Manager Capital Program
Acting Manager Transport and Drainage Assets
RMPC, Transport and Drainage Operations Manager
Disaster Management Officer Resilience Partner

STATUTORY/COMPLIANCE MATTERS

N/A

RISK ASSESSMENT/DEADLINES

Regular reporting on the Directorates progress and achievements ensures accountability and fosters a positive culture.

This is page 897 of the Agenda of Council's Ordinary Council Meeting - 23 September 2026

STRATEGIC IMPACTS

Corporate Plan Reference:

At the heart of the organisation are our people and community.

Delivering accountable goals.

Prioritise the needs of the region.

ATTACHMENTS

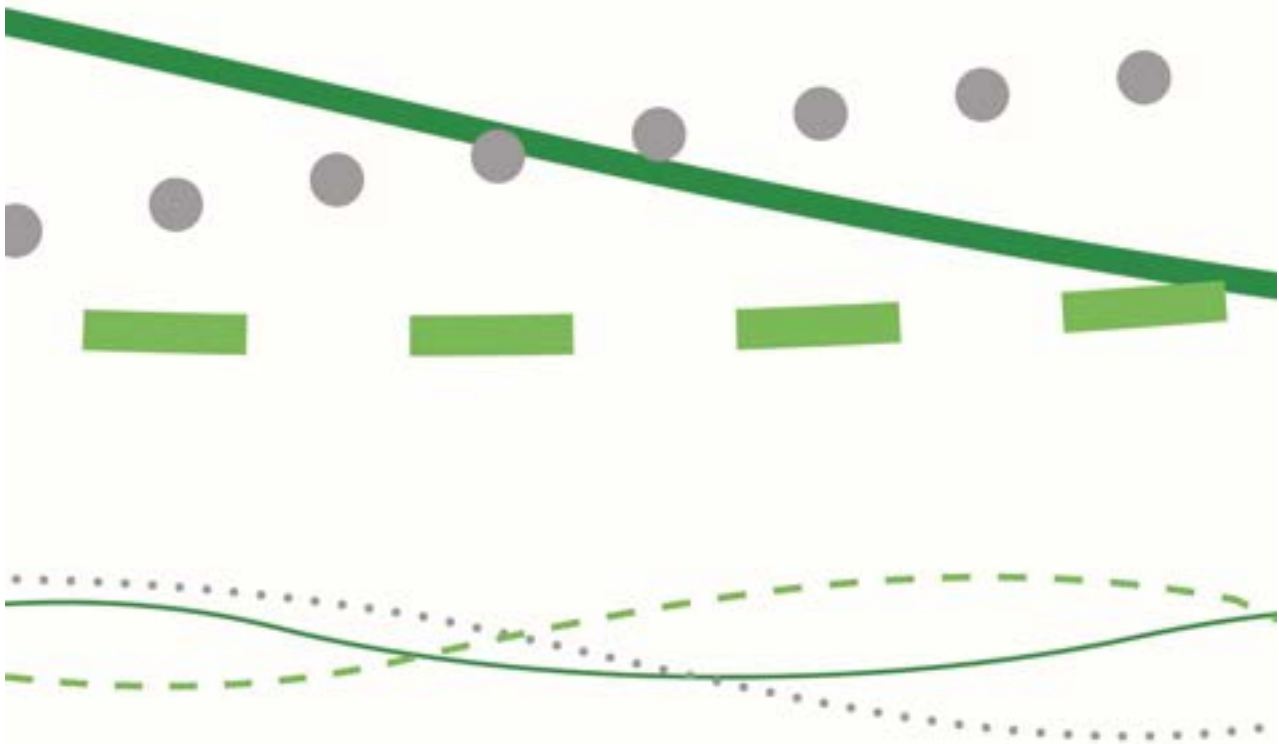

1. Infrastructure Services Activity Report April to June 2026 [**11.15.1** - 24 pages]

Infrastructure Services

Whitsunday Water
Waste & Recycling
Transport & Drainage
Capital Program
Disaster Management

Activity Report April-June 2026

Director's Report

The Infrastructure Services Directorate provides a range of critical and essential services to the Community. Many of the services provided have a direct interaction with the public or impact on the community.

The Infrastructure Services Directorate consists of the following departments:

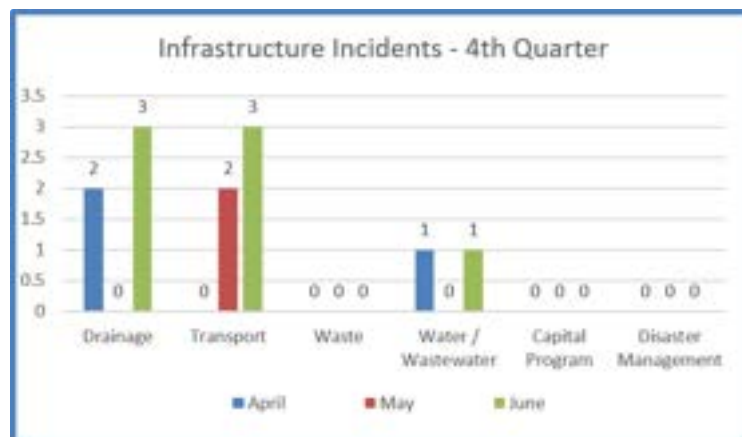

- Whitsunday Water
- Waste & Recycling
- Transport & Drainage
- Capital Program
- Disaster Management

Workplace Health and Safety (WHS) Update – Infrastructure Services Q4

The Infrastructure Directorate has made significant progress in addressing Workplace Health and Safety (WHS) incidents, accidents, and near misses during the fourth quarter.

Incident Summary

- Incidents Reported in Q4: 12
- Year-to-Date Total: 90

WHS Actions Overview

- Actions Assigned to Directorate by Others: 2
This reflects the strong safety performance of our sites and workers, demonstrating their commitment to operating safely within well-maintained worksites.
- Actions Assigned by Directorate to Others: 0

Actions Closed

- Total Actions Closed with Evidence: 55
- Total Actions Entered to Date: 60

Outstanding Actions

- Overdue Actions:
 - Oil drums at Proserpine Depot need bunding
 - Parking bays at Proserpine Depot need to be clearly marked and defined
 - Light pole deterioration around footpaths

Infrastructure Services remains committed to enhancing Council's WHS performance by fostering a culture of safety and vigilance throughout the organization. The progress made this quarter reflects the dedication of staff in prioritising safe practices and ensuring compliance. Safety have also released the first phase of WhitSafe this quarter allowing the automatic entry of incidents, hazards and near misses.

Whitsunday Water**Significant Projects and Opportunities – Timelines****2025/26**

- WRC Telemetry (SCADA) Upgrade Strategy – 2025/26 – Completed
- Biosolids Reuse Facility Strategy Stg1 – 2025/26 – Completed
- Proserpine STP Master Plan – 2025/26 – Completed
- Burdekin Regional Water Assessment – Commenced (multi-year project)
- Water & Sewer Operational Strategy & Network Plans – 2025/26 – Completed
- Full Cost Pricing – Price Path – 2025/26 – Completed
- Whitsunday Sewer and Water Network Modelling – Optimisation Update – 2025/26 – Completed
- Water Network Flow Continuity Assessment – 2025/26 & 2026/27 – Commenced

2026/27

- Water, Asset Management Plan – Update 2026/27
- WRC Regional Water Strategy Update (includes Bulk Water Strategy) – 2026/27
- Independent Operational Efficiency and Benchmarking Review – 2026/27 – Commenced
- Biosolids Reuse Facility Strategy Stg2 – 2026/27
- Recycled & Raw Water Irrigation Strategy – 2026/27
- Whitsunday Water Workforce Plan (including rostering) – 2026/27
- Regional Engineering Standards Alignment – Water & Sewer – 2026/27
- Sewer Manhole Monitoring Trial (AI – Analysis of Data) – 2026/27 - commenced
- Water Supply Borefield Optimisation Assessment – 2026/27
- Water Network Flow Continuity Assessment – *continuing into 2026/27 - commenced*

2027/28

- Sewerage Asset Management Plan – 2027/28
- Cannonvale STP Master Plan – 2027/28
- Smart Metering / District Metering/ Demand Management Strategy – 2027/28
- Pump Station and Facility Style Plan (including advertising/tours) – 2027/28
- Regional Sewerage Strategy Update – 2027/28

Key Strategic Risks:

Whitsunday Water continues to actively manage a range of strategic risks associated with delivering safe, reliable, and sustainable water and sewerage services. Key risks include securing infrastructure funding to support future growth, managing increasing water demand and wastewater flows, maintaining environmental compliance, and addressing rising operating costs.

Additional focus areas include protecting access to critical assets through land tenure and easement programs, strengthening workforce capability and resilience, and ensuring infrastructure delivered through development meets required standards.

To mitigate these risks, Whitsunday Water is progressing major network planning initiatives, advanced hydraulic modelling, demand management programs, environmental improvement projects, workforce planning, and long-term water security strategies. While some external risks remain elevated, ongoing investment and proactive management continue to strengthen the resilience and sustainability of water and sewerage services across the region.

Operational Resilience and Service Continuity

Whitsunday Water successfully maintained water supply to Collinsville and Scottville during a planned five-day shutdown of the Bowen River pipeline for Sunwater maintenance. With limited treated water storage available, the shutdown presented a significant operational risk and required detailed contingency planning and scenario testing.

The Collinsville operations team developed an innovative solution by repurposing an existing non-operational sedimentation dam as a temporary water storage facility and alternative clarification process. Delivery involved

reinstating existing infrastructure, installing temporary pipelines and pumping systems, mobilising equipment, and integrating engineering controls with water treatment processes.

Following commissioning, operational dosing and monitoring confirmed that the temporary system delivered effective clarification outcomes consistent with the treatment plant's existing processes. The system provided sufficient storage and supported continued treatment throughout the shutdown, maintaining uninterrupted community water supply until pipeline flows were restored.

This outcome demonstrates the team's strong technical capability, forward planning and ability to implement practical solutions under pressure.

Water Network Improvements

Construction commenced on Stage 1 of the Stanley Drive Network Reconfiguration Project, valued at \$461,375, with completion scheduled for 15 May 2026. The project will create a direct connection between the bulk water supply pipeline and the existing Stanley Drive Pump Station.

Once completed, the works will improve water pressure within the Whitsunday Acres catchment, increase supply efficiency and operational flexibility across Cannonvale, and support the future transition to the new Cannon Valley reservoirs.

The Stanley Drive project forms part of Council's broader Network Reconfiguration Program, which is focused on improving water system performance and resilience across six priority locations. The program's overall design has received \$857,000 through the North Queensland Recovery and Resilience Grant, with construction currently prioritised at Stanley Drive, Parker Road and Proserpine based on asset modelling.

Collaboration and Safety

Council's *Our Whitsunday Way: One Team, One Dream* values were demonstrated through the Bowen Water and Sewer team's support of the Capital Delivery team at the Bowen Lagoon. The crew responded promptly to assist with safe access to filter covers and pit lids, working outside their usual operational area to assess, secure and rectify access cover issues. Their efforts helped maintain a safe environment for community members and visitors.

The Corporate Buildings team also acknowledged the ongoing support and collaboration provided by the Water and Sewerage Network teams across the northern and southern areas. Collectively, these examples highlight the value of cross-functional cooperation in achieving safe, timely and practical outcomes across Council operations.

Industry Engagement and Continuous Improvement

Whitsunday Water was represented by three Council delegates at the OZwater '26 Conference in Brisbane. Delegates participated in technical sessions, executive briefings and industry networking focused on climate resilience, smarter asset management, circular economy opportunities, emerging technology and evolving governance arrangements.

Participation provided an opportunity to examine contemporary practices and operational innovations being adopted by water utilities nationally. The knowledge gained will support continuous improvement, strengthen organisational capability and help identify initiatives that may improve the efficiency, sustainability and value of Whitsunday Water's services.

Whitsunday Water also hosted the qldwater Water Connections Tour 2026, welcoming state agency representatives to inspect key regional water infrastructure. At the Bowen Water Treatment Plant, participants viewed upgrades supporting water quality and operational efficiency, including solar initiatives. The tour also included Peter Faust Dam, where Sunwater provided information on infrastructure supporting regional water security.

The tour provided a valuable opportunity to exchange knowledge, strengthen industry relationships and showcase water infrastructure improvements being delivered across the Whitsunday region.

Quarterly Summary

During the quarter, Whitsunday Water demonstrated strong performance across operational resilience, capital delivery, workplace safety, cross-team collaboration and industry engagement. Key outcomes included maintaining uninterrupted supply during a major pipeline shutdown, progressing strategic network improvements, resolving public safety issues through coordinated action, and strengthening organisational knowledge through industry participation.

These achievements reflect the professionalism, innovation and commitment of Whitsunday Water employees and supporting Council teams in delivering safe, reliable and sustainable water services to the community.

Whitsunday Water Statistics Breakdown:

Waste and Recycling

Operational Budget: - (expenditure) \$11.89m

**Staff Levels: 5
(1 vacancy)**

- (income) \$12.8m

Key Activities

- Significant business activity.
- Responsible for providing waste & recycling services.
- Committed to providing safe, reliable and valued services.
- Deliver excellent customer service, environmental management and operations.
- Making a positive contribution to the social, economic and environmental sustainability of the Whitsunday Region.

Waste & Recycling Services Assets

- 2 x Landfills (Bowen & Kelsey Creek) - Managed by Wanless Waste Management Pty Ltd
- 2 x Transfer Stations (Collinsville, Cannonvale) - Managed by JJ Richard's
- 14 x Unattended Satellite Stations
- 12 x Legacy Landfills (remediation phase)
- 15,483 waste services
- 13,352 recycle services

Significant Projects and Opportunities

- Waste & Recycling Strategy – update medium term plan
- Waste & Recycling Operational Strategy - complete current draft
- Waste & Recycling Network Plan – 30-year horizon to be developed

- Kelsey Creek Landfill (KCL) Masterplan - Update
- Bowen Landfill (BL) Masterplan - Update
- KCL & BL – Leachate & Stormwater Management Plans
- Cannonvale Transfer Station Masterplan - develop
- Full Cost Pricing – Price Path finalised
- Waste, Asset Management Plan - Update
- Waste Education and Communication Strategy – develop and implement
- Satellite Waste Transfer Stations - Review

Major Risks

- Full cost recovery – & Cost drivers
- Consumption of landfill space
- Legacy landfills
- Leachate, Stormwater & Gas management
- Future planning and catering for growth
- Changing legislation
- Emerging Contaminants of Concern – PFAS, Micro Plastics etc
- Staff Resourcing/Market Constraints – Borne from Olympic Games Infrastructure Projects
- Service Contracts – Landfill, Transfer Stations, Shredding, Mulching, Crushing

Bowen Landfill Infrastructure Improvements

Civil works for the Bowen Landfill Leachate Tank Pad are progressing well and remain on schedule, with activities tracking within the expected timeframes and no delays reported.

Key activities completed or commenced during the reporting period included:

- Survey set-out
- Site clearing, grubbing and topsoil stripping
- Excavation of cut areas and table drains
- Construction of the leachate tank pad embankment using site-generated fill
- Placement of imported general fill
- Assembly of the steel reinforcement cage for the concrete tank footing

The project continues to advance steadily across all work areas, supporting the delivery of improved leachate management infrastructure at the Bowen Landfill.

Waste Education and Community Engagement

Council continued delivering waste and recycling education across the Whitsunday region, with activities focused on reducing food and packaging waste and encouraging practical, sustainable habits at school and at home.

Compostology School Program

The final phase of Council's waste and recycling education program focused on reducing food waste sent to landfill and increasing awareness of home composting opportunities. The Term 1 Compostology program was delivered across six primary schools, engaging more than 400 students from Prep to Year 6 through interactive, curriculum-aligned sessions about organic waste and composting.

Participation was strong, with several schools completing the full four-session program. Feedback highlighted the practical and interactive delivery as a key strength, supporting

student engagement and retention of the information presented. Early indicators also showed an intention among participating students and schools to introduce composting practices, expand school garden programs and adopt more sustainable waste habits.

Waste-Free Lunchbox Challenge

Waste education activities also continued during Under 8's Day celebrations in May, with presentations delivered at Proserpine State School, Queens Beach State School in Bowen and St Catherine's Catholic College in Cannonvale.

The Waste-Free Lunchbox Challenge encouraged students and families to reduce everyday waste by using reusable containers, avoiding single-use packaging and making more sustainable lunchbox choices. Interactive activities allowed students to compare reusable and disposable items, explore practical low-waste alternatives and take waste-reduction messages home to their families. A printable waste-free lunchbox checklist was also provided to support continued learning and behaviour change.

Quarterly Summary

During the reporting period, Waste Services continued progressing important landfill infrastructure while delivering practical waste education initiatives across the region.

The Bowen Landfill Leachate Tank Pad Civil Works project remained on schedule, with strong progress achieved across site preparation, earthworks, embankment construction and footing reinforcement activities. Council's school education initiatives also engaged students through practical learning about composting, food waste reduction, reusable products and waste-free lunchboxes.

Together, these activities support Council's ongoing efforts to improve waste infrastructure while building community awareness and encouraging sustainable waste practices from an early age.

Waste & Recycling Statistics Breakdown:

Waste Management

- Bowen Landfill: **6,526** tonnes of waste received.
- Kelsey Creek Landfill: **8,014** tonnes of waste received.
- Landfilled: **11,962** tonnes of waste landfilled.
- **2,203** Tonnes of Kerbside General Waste collected.

- **375 Tonnes** of Kerbside Recycling collected and delivered to the MRF in Mackay.

Waste diversion from landfill

The total tonnage of waste managed was **16,302** tonnes.

- **14,539** tonnes received at Kelsey Creek & Bowen Landfills.
- **1,639** tonnes recycling waste received at Cannonvale & Collinsville Transfer station
- **375** tonnes kerbside recycling collection – (disposed at Materials Recovery Facilities - MRFs)
- **2,576** tonnes of waste were diverted from landfill.

Transfer Station Update

Cannonvale	Collinsville
• Total tonnes received – 1,424 • Daily Average (tonnes) – 46.93 • Total transactions – 16,593 • Daily Average – 547	• Total tonnes received – 354 • Daily Average (tonnes) – 16.15 • Total transactions – 2,087 • Daily Average – 96

Kerbside Waste Collection

Roads and Drainage

Key Activities:

Construction and maintenance of all council owned:

- Roads
- Bridges
- Footpaths
- Carparks
- Bridges
- Stormwater drainage systems

Within the Whitsunday Region, Council maintains approximately:

- 616km of sealed roads
- 1160km of unsealed roads
- 130.7km of footpaths
- 377km of kerb
- 33 bridges
- Maintenance to the 538km of the Bruce Highway and other State Controlled Roads – contract value more than \$5.3M annually
- Circa 50,000 assets under management

Significant Projects and Opportunities:

- Circa \$52M of Disaster Recovery Works are nearing completion for the 23' event by 30 June 2025.

Other than a few issues with damage on damage delaying some packages due to the new event in February/March this year – the Capital Delivery Team supported by Infrastructure Services have completed an amazing amount of work.

Infrastructure Services supports DRFA activities via undertaking some packages of restoration and all the ancillary works on the network not covered by DRFA funding, for example, table drain maintenance, restoration of haul roads, missing links not covered by DRFA, prioritisation, matching our works program to DRFA activities, customer enquiries on timing of works and assisting with quality control.

As the asset owner there are also many decisions required for asset renewals to support the Capital Teams delivery.

Major Risks:

- Cost escalation in excess of revenue increases
- Availability of skilled operators
- Significant legacy drainage issues
- Resourcing CRM's
- Lack of succession planning for Manager Roads and Drainage role and building engineering capacity in the department
- Relaxation of development conditions leading to a future issue

Overview

During the reporting period, the Roads and Drainage team continued delivering road maintenance, rehabilitation, drainage improvements, active transport planning and strategic infrastructure projects across the region. Activities focused on improving network safety and resilience, maintaining community access, strengthening asset information and progressing projects through planning, design, procurement and construction.

Road Renewal and Rehabilitation

The Strathmore Road Re-Sheet Program continued between Bowen Developmental Road, also known as Peter Delemothe Road, and Ted Cunningham Bridge. The program involves approximately 34 kilometres of 100-millimetre re-sheeting to address pavement deterioration and maintain safe and reliable access. Council crews completed the first 10 kilometres, with the remaining works anticipated for completion by June 2026, weather permitting.

Additional rehabilitation and formation improvements were completed on Strathmore Road, improving road safety, reliability and overall performance. Restoration works were also completed on Roma Peak Road through the Disaster Recovery Funding Arrangements program, addressing weather-related damage and improving the road's long-term serviceability.

Scopes were confirmed for Council's 2025/26 reseal and resurface programs, incorporating both Transport Infrastructure Development Scheme-funded and Council-funded works. The delivery tender was released to the market, with the program structured to complete the funded works by 30 June 2026. Condition information was also collected to support development of the 2026/27 program and enable an efficient transition between annual programs where contractor continuity can be achieved.

Bridge, Bypass and Marine Infrastructure

The Kelsey Creek Road Bridges project progressed into its delivery phase, with a four-week Design and Construct tender process planned. Following tender award, detailed design was expected to be completed by 30 June 2026.

To support the bridge replacement works, the Proserpine Roads Crew constructed a 1.6-kilometre bypass road under difficult site conditions. The bypass will provide safe and efficient traffic management while the bridge works are undertaken.

Design development also continued for the Ted Cunningham Bridge approaches. The project scope focuses on the northern approach and includes an approximately 60-metre concrete roadway extension with rock protection to improve durability and resilience. Construction funding was applied for through the Queensland Reconstruction Authority.

Repairs to the Proserpine River pontoon were completed by contractors with funding from Maritime Safety Queensland. The completed works restored the pontoon to full operating condition and maintained safe and reliable access for users. The Molongle Boat Club pontoon was also completed, providing a practical and fit-for-purpose outcome.

Local Road and Streetscape Improvements

A hot-mix asphalt repair was completed in a highly trafficked area at the Proserpine Airport Terminal. The works commenced at 7.00 am and were completed by 9.00 am, minimising disruption to pedestrians and terminal operations and allowing the area to be promptly returned to service.

Works commenced on Airlie Beach Main Street to repair and replace cracked pavers and stone tiles. Planning also progressed for works at the Paluma Road intersection to support replacement of a water valve, resurfacing and replacement of faulty detector loops. Traffic management arrangements were approved with conditions.

Parking signage replacement also progressed throughout Airlie Beach and Cannonvale to reflect updated parking restrictions. New signposts were installed by 1 July 2026, while works on Waterson Way were substantially completed, with start and end-point signage remaining. Four posts damaged at separate locations required reinstatement, and line marking was scheduled to commence following completion of the signage installation.

Drainage and Stormwater Management

Council continued delivering stormwater improvements across northern and southern catchments. Works at Korah Street, Marshall Street, Gladstone Park Road and Golf Links Road were completed and moved into the monitoring phase. Soldiers Road and Hillview Road were identified as the next northern priority, while works progressed across southern assets at Island Drive, Fuller Street, Armitage Avenue, Butterfly Court and the Chapman Street and Marathon Street catchment.

The Roseric Crescent project advanced to detailed design, with the procurement package valued at more than \$350,000. The Homestead Place Stormwater Upgrade also approached completion, with minor works remaining to extend the levee and manage downstream water velocities before handover to maintenance.

Further drainage and resilience works completed during the period included:

- Roadside clearing and drainage improvements along Bootooloo Road to improve water flow, wet-weather performance and motorist visibility.
- Scour protection and remediation at Lorikeet Crescent to stabilise the area and restore drainage infrastructure.
- Reconstruction and protection of the Banyan Street drainage outlet.
- Drainage improvements at the Richmond Road and Lower Don Road intersection to improve runoff management during heavy rainfall.

Flood Mitigation and Catchment Planning

The Airlie Drainage Scheme commenced on 19 March, with initial investigations identifying three to four viable flood mitigation options for further refinement and assessment.

Preparatory investigations also progressed for the Bells Gully Road design upgrade package. Feature surveying was undertaken along the Kings Beach Road to Jillets Road corridor, with comparison of the 2018 and 2026 survey results planned to identify changes in ground levels.

Further technical assessment was planned for Campbell Creek, including updated TUFLOW modelling incorporating a 20 per cent blockage factor in accordance with Australian Rainfall and Runoff and Queensland Urban Drainage Manual guidelines. Potential improvements to long-term conveyance performance, including a composite creek base, will also be assessed.

Strategic Network and Growth Planning

Council formally adopted the Growth Corridor Network Plan, establishing an endorsed strategic framework to inform future transport infrastructure planning and project prioritisation across the region's growth corridors. Alignment and locations for future roads and bridges within the Cannonvale Growth Corridor were confirmed, with concept design development identified as the next stage.

Engagement with the Department of Transport and Main Roads continued regarding the Principal Cycle Network. The internally prepared Options Analysis for the Jubilee Pocket Shared Path was submitted for review, progressing the active transport project toward its next stage, subject to departmental feedback.

Construction also commenced on Boardwalk Stage 3. Bringing the project forward reduced material costs and improved the efficiency of site establishment while accelerating delivery of the recreational asset.

Pedestrian Access and School Infrastructure

Design work progressed for new footpaths at George Street in Bowen, Hazelwood Crescent in Cannonvale and Devlin Street in Collinsville. The projects are intended to improve pedestrian safety, accessibility and local connectivity.

Designs were completed for the Proserpine State Primary School parking area and on-street taxi parking for students with disability at Proserpine State High School. The Department of Transport and Main Roads approved the designs, which were ready to be presented to the schools. The schools will be responsible for funding and will engage Council directly if construction proceeds.

Asset Management and Forward Planning

Council continued verifying road condition information across the sealed road network to validate automated consultant assessments and strengthen future investment decisions. Inspections commenced at Shute Harbour and progressed through Cannonvale. Later reporting indicated the asset condition data collection program had reached 90 per cent completion.

This information will support renewal forecasting, maintenance prioritisation and forward capital planning. Development of the future capital budget also progressed, with the program adopted in June for the 2026/27 financial year.

Routine Network Maintenance

Alongside major projects, field crews delivered routine maintenance throughout the region, including:

- Sign and guidepost maintenance
- Pothole and pavement-edge repairs
- Vegetation clearing
- Roadside spraying
- General safety and access maintenance

These activities support the ongoing safety and functionality of Council's road network and complement the larger renewal, rehabilitation and drainage programs.

Quarterly Summary

The reporting period delivered progress across road rehabilitation, bridge access, stormwater upgrades, growth planning, active transport, streetscape improvements and asset management. Notable outcomes included construction of the Kelsey Creek bypass, completion of pontoon repairs, progression of the Strathmore Road works, delivery of targeted drainage improvements and adoption of the Growth Corridor Network Plan.

The combination of strategic planning, improved asset information and ongoing field delivery provides a coordinated foundation for future renewal and capital investment while supporting safe, reliable and resilient transport and drainage infrastructure across the region.

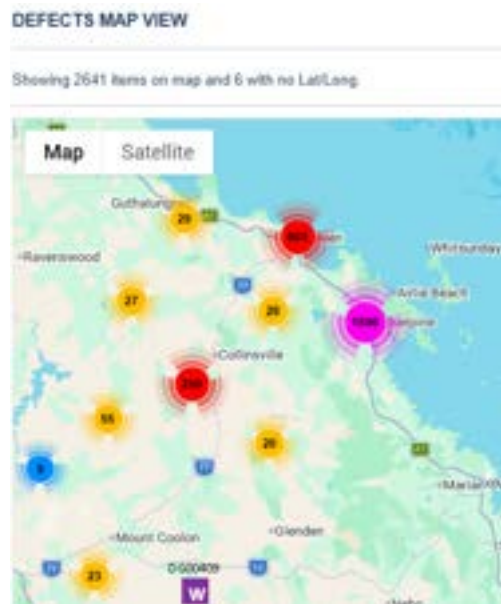

Roads & Drainage Statistics Breakdown:**Accomplishments by Activity – Local Roads**

Activity Name	No. of Activities Completed	Qty Accomplished	Unit of Measure

Capital Program

Overview

Council's capital works program continued to progress across community facilities, transport infrastructure, water and sewer networks, waste management, recreation and renewable energy projects. Key achievements included commencement of the Cannonvale Community Hub, substantial advancement of the Collinsville Community Hub, completion of the Bicentennial Boardwalk Upgrade, progression of Gloucester Avenue works and commencement of major infrastructure supporting future regional housing.

Cannonvale and Collinsville Community Hubs

The Cannonvale and Collinsville Community Hub projects both achieved significant construction milestones during the quarter.

The construction contract for the \$30 million Cannonvale Community Hub was awarded, with the site transferred to the contractor and early works commencing. Site establishment, construction fencing, bulk earthworks and preparation of the building pad were completed, enabling underground services and structural works to proceed. The next stage includes bored piers, pad footings, stormwater infrastructure, electrical conduits, and sewer and water connections. Completion is anticipated in October 2027.

The Collinsville Community Hub continued to progress ahead of schedule, with early completion targeted for January 2027. Structural steel, roofing, plumbing and electrical rough-ins, internal framing, precast panels and major footing works were completed. The project has now transitioned toward internal and external finishes, including flooring, the mezzanine floor, timber stage, painting, lighting, gabion walls and footpaths.

Together, the projects represent a significant investment in inclusive community infrastructure and will support local connection, service delivery and future growth.

Gloucester Avenue Betterment Project

The Gloucester Avenue Betterment Project progressed across Sections 1A, 1B and 1C. The first seal was completed on Section 1C on 28 April as part of the

Queensland Reconstruction Authority scope. Supporting activities included traffic management, environmental and sediment controls, earthworks, pavement preparation, rock excavation, culvert and drainage installation, and concrete driveway works.

Subsequent reporting indicated continued progress on Section 1C and completion of clearing, grubbing and topsoil stripping across Sections 1A and 1B. Earthworks were advancing in preparation for the next stage of construction.

Road Renewal and Bridge Projects

Delivery of the 2025/26 Reseal, Resurfacing and Rehabilitation Program progressed across the road network in accordance with the delivery schedule, with substantial completion anticipated by August 2026. The program is intended to improve pavement condition, extend asset life and enhance road-user safety across multiple locations.

Procurement for the Kelsey Creek Bridges Replacement Project also progressed, with tender evaluations underway and contract award scheduled for the first week of August. The planned award will enable detailed planning and mobilisation activities to commence.

Stormwater infrastructure works at the Marathon Street and Chapman Street intersection were completed, allowing the project to move into civil finishing works. Footpath concreting was underway, with asphalt resurfacing scheduled to follow. The project will improve drainage performance, pedestrian access and road function.

Build Whitsundays Housing Infrastructure Project

The official sod-turning ceremony for the \$52 million Build Whitsundays Housing Infrastructure Project was held in Proserpine on 30 June 2026. Funded through the Queensland Government's Residential Activation Fund, the project will deliver water and sewer infrastructure to support more than 3,000 new homes across Bowen, Proserpine and Cannonvale over the next decade.

Water Network Improvements

The Jubilee Pocket Water Main Upgrade reached approximately 30 per cent completion during the reporting period. Progress was affected by wet weather, with delivery expected to accelerate as conditions improved.

Stage 1 of the Stanley Drive Network Reconfiguration Project, valued at \$461,375, also commenced construction. The project will directly connect the existing Stanley Drive Pump Station to the bulk supply pipeline, improving water pressure in the Whitsunday Acres catchment and supporting the future transition to the Cannon Valley reservoirs.

The project forms part of Council's broader Network Reconfiguration Program across six priority locations. Program design was supported by \$857,000 through the North Queensland Recovery and Resilience Grant, with construction prioritised at Stanley Drive, Parker Road and Proserpine based on asset modelling.

Waste Infrastructure

The contract for the Bowen Landfill Leachate Infrastructure Project was awarded, with works commencing in early April. The project will support safe and effective management of leachate at the Bowen Landfill.

Recreation and Public Amenities

Bicentennial Boardwalk Upgrade

The Bicentennial Boardwalk Upgrade was completed on 25 June, improving an important recreational and active transport connection between Airlie Beach and Cannonvale. The upgraded boardwalk supports safe public access along the waterfront and was already being used by residents and visitors following completion.

Dingo Beach Swimming Enclosure

The Dingo Beach Swimming Enclosure reached its final delivery stages, with major construction activities completed. Remaining works included final finishes, inspections and commissioning ahead of handover and community use.

Renewable Energy Improvements

Significant progress was achieved on the Bowen and Proserpine town pool solar projects between April and June.

The Proserpine installation was completed and operational, with minor items remaining before practical completion. At Bowen, unexpected ground conditions required foundation redesigns and delayed delivery. All structures were subsequently erected, with solar panel installation and commissioning underway. Practical completion of both projects was expected by the end of July 2026.

Quarterly Summary

The capital works program achieved meaningful progress across several major projects during the quarter. Community hub construction advanced at Collinsville and Cannonvale, the Bicentennial Boardwalk Upgrade was completed, and the Dingo Beach Swimming Enclosure approached handover. Road, bridge and drainage projects also progressed through construction and procurement, including Gloucester Avenue, Kelsey Creek Bridges and the regional reseal and rehabilitation program.

The commencement of the Build Whitsundays Housing Infrastructure Project represents a major investment in enabling future residential development, while the Stanley Drive and Jubilee Pocket water projects are improving network capacity and reliability. Waste infrastructure and town pool solar projects also continued to advance, supporting improved environmental management and facility sustainability.

Collectively, the program is delivering infrastructure that supports community access, service reliability, regional growth and the long-term performance of Council assets.

Disaster Management

Overview

During the reporting period, the Disaster Management Unit continued strengthening Council's preparedness, response and recovery capabilities while progressing resilience initiatives, community education programs and strategic planning activities. Key achievements included endorsement of the Local Resilience Action Plan, progression of disaster preparedness initiatives, funding success for resilience projects, and recognition of Council's innovative community engagement programs.

Disaster Preparedness and Resilience

The 2025/26 storm season concluded with the final scheduled meeting of the Whitsunday Disaster Management Group for the season. While meeting frequency will reduce during the non-storm season, the group will continue to meet throughout the year to advance disaster management initiatives, preparedness activities and emerging priorities.

A significant milestone was achieved with Council's formal endorsement of the Local Resilience Action Plan (LRAP), providing a strategic framework to strengthen community resilience through coordinated preparedness, response and recovery initiatives. Ongoing implementation of LRAP priorities remains a key focus, supported by planned workshops to refresh awareness and maintain momentum across identified actions.

The Disaster Management Unit also commenced development of a Camping, Caravan and Holiday Park Disaster Plan Project aimed at improving preparedness, communication and evacuation arrangements across accommodation precincts during severe weather and flood events. Early engagement activities are currently underway with industry stakeholders.

Capability Building, Recovery Planning and Funding Outcomes

Significant work has continued to strengthen organisational disaster management capability and recovery readiness. This includes ongoing development of Standard Operating Procedures for both the Whitsunday Disaster Management Group and the Whitsunday Disaster Coordination Centre, alongside improvements to systems used for capturing disaster impacts and funding information. These initiatives support more effective response coordination, recovery planning and funding administration.

The Unit secured several positive funding outcomes during the quarter, including \$1 million in Community Relief Funding to support clean-up activities and funding for the Ted Cunningham Bridge project through the Federal Resilience Program. Collaboration with the Queensland Reconstruction Authority has also continued, with training activities supporting ongoing capability development.

Further improvements to disaster preparedness include enhanced staff scheduling systems, training aligned with industry best practice and preparation for simulation exercises designed to strengthen coordination, communication and leadership during emergency events.

Community Education and Engagement

Community resilience and preparedness education remained a strong focus throughout the quarter, with programs delivered across schools and community events throughout the region. Activities included participation in regional Under 8's events and delivery of disaster preparedness education to Year 5 students at Proserpine State School. These initiatives support greater awareness of local hazards, emergency preparedness measures and personal safety actions from an early age.

The education program is designed not only to build understanding among young people but also to encourage preparedness discussions within households, helping to strengthen resilience across the broader community. Engagement activities also provided opportunities to connect with families, educators and community members while promoting available disaster preparedness resources.

Recognition and Industry Leadership

The Disaster Management Unit received significant recognition during the quarter as a finalist in the 2026 LGMA Awards for Excellence in the Community Shaping category for the Turbine Tentacles Campaign. The award nomination acknowledges the campaign's success in building disaster awareness through innovative, youth-focused community education initiatives and reflects Council's ongoing commitment to strengthening community resilience.

Quarterly Summary

During the quarter, the Disaster Management Unit continued to strengthen preparedness, response and recovery capabilities across the organisation while progressing several initiatives aimed at improving community resilience.

Notable achievements included endorsement of the Local Resilience Action Plan, advancement of the Camping, Caravan and Holiday Park Disaster Plan Project, implementation of improved recovery and funding management processes, successful funding outcomes, ongoing collaboration with key disaster management agencies, and delivery of community education programs focused on disaster preparedness. The Unit's recognition as a finalist in the 2026 LGMA Awards for Excellence further highlights the positive impact of Council's approach to community resilience and disaster awareness.

11.16 - Commercial Businesses Activity Report - April to June 2026

MEETING DETAILS: Ordinary Council Meeting - Wednesday 23 September 2026

AUTHOR: Administration Officer - Aviation & Tourism

AUTHORISING OFFICER: Director Commercial Businesses

PURPOSE

To advise Council of the activities of the Commercial Businesses Directorate from April to June 2026.

EXECUTIVE SUMMARY

Council's Commercial Businesses Directorate consists of the following business units:

- Whitsunday Coast Airport and Aerodromes;
- Shute Harbour Marine Terminal;
- Whitsunday Holiday Parks;
- Foxdale Quarry,
- Proserpine Entertainment Centre,
- Commercial Car Parking and;
- Other commercial undertakings as identified.

Operational updates from each business unit are detailed in **Attachment 11.16.1**.

OFFICER'S RECOMMENDATION

That Council endorse the Commercial Businesses Activity Report from April to June 2026 as per **Attachment 11.16.1**.

BACKGROUND

This report is for information purposes only.

DISCUSSION/CURRENT ISSUE

Please refer to **Attachment 11.16.1** detailing the activities during April to June 2026 by the Commercial Businesses Directorate.

Whitsunday Regional Council

Commercial Businesses Activity Report

April to June 2026

Whitsunday Coast Airport

Operations

Whitsunday Coast Airport recorded 137,369 passengers from April to June 2026, with an average load factor of approximately 89%, demonstrating continued strong demand across the quarter.

Key operational activities included:

- A Special Event Zone was established airside in April to support filming involving commercial aircraft for a major Hollywood production - *Honeymoon with Harry*.
- Continued maintenance and operational works across Proserpine, Bowen and Collinsville aerodromes, including reopening Runway 12/30 at Bowen and repairs to the Collinsville apron/taxiway shoulders.
- Progression of the Bay 1 apron expansion.
- Installation of Lock Out Stations across airport operational areas to strengthen equipment isolation and safety processes.
- CASA audit recommendations were incorporated into operational manuals and ongoing work progressed on the Perimeter Security Plan and Transport Security Program.
- Terminal improvements included baggage handling repairs, replacement of Arrivals Carousel 1 components, installation of replacement UPS units, X-ray roller replacement and commencement of the airport gift shop redevelopment.
- Recruitment progressed for operational positions, with a new Airport Reporting Officer and cleaner appointed to commence in July.

Accessibility and destination development also progressed during the quarter, including new baggage reclaim floor decals, reserved boarding gate seating and the launch of the Kerbside Assistance Program.

The Airport participated in the Australian Tourism Exchange Aviation Hub and Tourism Whitsundays East Coast Roadshow, while work commenced on Queensland Tourism Awards submissions.

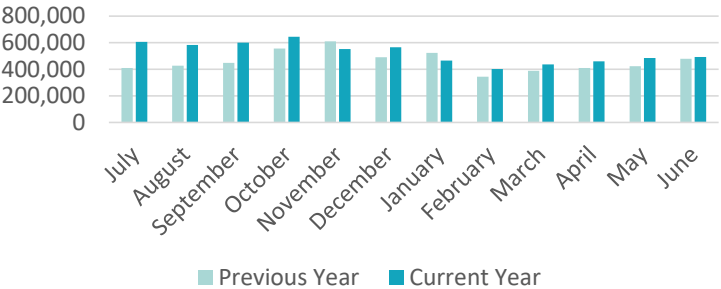

Whitsunday Coast Airport

Flight Dashboard – Actual Results as of June 2026

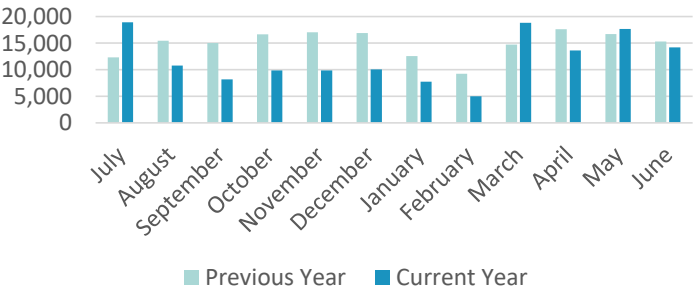

Total Aerodrome Fuel Sales

Fuel Supply - Jet A1

Fuel Supply - Avgas

Shute Harbour Marine Terminal

Operations

Shute Harbour Marine Terminal maintained strong operational and commercial activity throughout the quarter, with the 2025–26 cruise season concluding in April following visits from *Celebrity Solstice* and *Oceania Vista*. Both calls were successfully delivered, with *Oceania Vista* marking the final cruise visit until the commencement of the 2026–27 season in November.

The terminal also supported a private Hayman Island charter transfer involving approximately 160 guests associated with filming of *Honeymoon with Harry*, while continuing to support commercial marine operators, ferry services, tourism businesses and marina users.

Commercial development progressed strongly during the quarter:

- The Pontoon 3 Commercial Occupancy Opportunities tender closed in April.
- Submissions were evaluated and recommended allocations progressed to Council.
- Council subsequently endorsed the recommended Pontoon 3 allocations, with lease documentation issued to successful respondents.
- Planning commenced for commercial occupancy opportunities for Pontoons 1 and 2.

A business case progressed to investigate conversion of part of the function space into two commercial office tenancies.

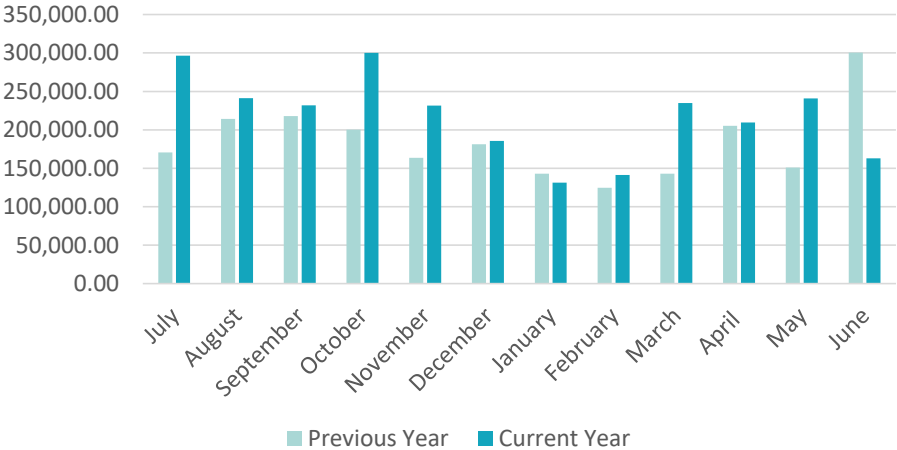

Routine inspections, maintenance and compliance activities continued throughout the quarter with marina and terminal operations conducted without incident.

Fuel sales: 613,488 litres sold

Resort Connection passengers: 14,876

Cruise Ship Passengers: 3,696

Fuel Sales

Foxdale Quarry

Operations

Foxdale Quarry maintained strong production throughout the quarter despite wet weather, staffing constraints and planned maintenance.

Quarterly performance:

- 41,897 tonnes of product sold.
- 32,567 tonnes of material crushed.
- Crushing undertaken on 47 of 61 available working days.
- No safety issues or reportable incidents recorded throughout the quarter.

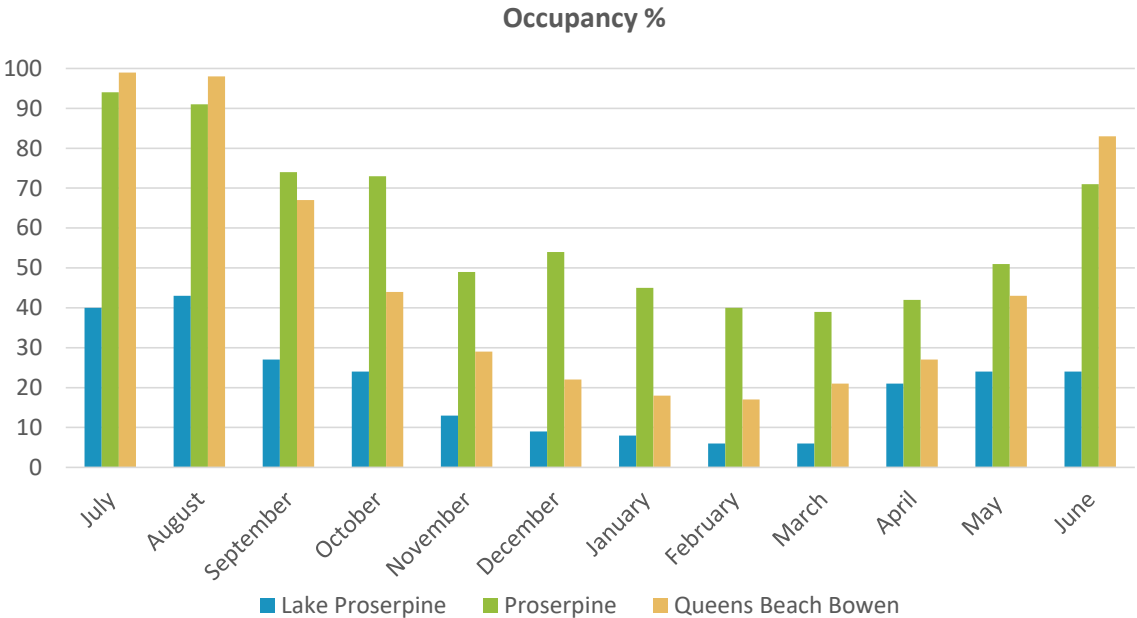

Production included Type 2.1 and 2.3 road base and cane road gravel. High demand continued in April and June, with 18,173 tonnes sold in June alone.

Wet conditions impacted production, particularly during May, allowing scheduled heavy maintenance to be brought forward, including relining steel wear plates within the 40-tonne rock feed hopper. June production was also affected by continued rainfall and wet feed material.

The operational focus moving into the new financial year is the production of 20mm concrete aggregate to replenish low stock levels.

Whitsunday Holiday Parks

Operations

Whitsunday Holiday Parks is entering the lead up to peak visitor season, with increased visitation across the portfolio and strong patronage at the Proserpine RV Park following its reopening on 1 April. May visitation increased across all parks compared with May 2025, while Barra and Boots at Lake Proserpine was a major success, attracting approximately 550 participants.

Capital works and improvement projects also progressed across the parks, including the new caretaker shelter at Proserpine Holiday Park and planned upgrades to the residence and office facilities at Queens Beach Bowen Holiday Park. By June, occupancy had reached 24% at Lake Proserpine, 71% at Proserpine and 83% at Queens Beach Bowen, reflecting the beginning of strong seasonal demand.

Commercial Parking

Operations

Significant progress was made during the quarter to prepare Council's new coordinated approach to commercial parking management ahead of implementation from 1 July 2026.

Key milestones included:

- Legal review and progression of amendments to Subordinate Local Law No. 5.1 (Parking).
- Council subsequently resolved the amendment during the quarter.
- Community communications and engagement commenced to raise awareness of the changes.
- Continued implementation planning with IT, Roads and other internal teams.
- Continued engagement with AeroRanger regarding technology and rollout processes.
- New parking signage installed across regulated areas, with updated line marking progressing.
- Recruitment undertaken to establish the new commercial parking function.

The Commercial Businesses Support Officer commenced on 2 June, with the first Commercial Parking Officer commencing on 29 June, positioning the team for commencement of the new operating model from the start of the 2026–27 financial year

Other Commercial Business

Queens Beach Hub Bowen

- Bowen Potters and South Sea Outriggers continued operating from the Queens Beach Hub following commencement of occupancy in February. Tenant inspections for June to review progress were schedule.

RV Park Proserpine

- The Proserpine RV Park reopened on 1 April 2026 following Development Approval and completion of improvements including new fencing, entrance concrete works, branding and signage.
- The facility experienced strong patronage throughout the quarter, with positive visitor feedback and continued evidence of visitors supporting local businesses through expenditure on groceries, fuel and other services.

Proserpine Entertainment Centre

Operations

The Proserpine Entertainment Centre delivered a strong quarter across cinema, live entertainment, venue hire and community events.

Across April to June, the PEC recorded approximately:

- 6,427 cinema tickets
2,355 live performance tickets

April included Morning Melodies, Beatlemania and a sold-out Melbourne International Comedy Festival performance, with strong cinema attendance during the school holiday period.

May continued the strong performance with SPOT, a sold-out Luke Kidgell performance and the Creedence Clearwater Collective tribute show. A new 'Can Bar' concept was successfully introduced during sold-out performances to reduce pressure on the main bar and generate additional revenue. The venue also hosted the State of the Region and Reconciliation Day community events.

June included venue hire performances The Sweet Caroline Tour and Echoes of Pink Floyd, each attracting approximately 300 attendees, along with Morning Melodies, a Citizenship Ceremony, internal training and the *Stitch in Time* exhibition.

11.17 - Monthly Finance Report

MEETING DETAILS: Ordinary Council Meeting - Wednesday 23 September 2026

AUTHOR: Coordinator Strategic Finance

AUTHORISING OFFICER: Director Corporate Support Services

PURPOSE

To inform Council of the current unaudited financial performance and position for the reporting period.

EXECUTIVE SUMMARY

This report promotes sound financial management and accountability by presenting the Unaudited Monthly Finance Reports and sustainability ratios for year-to-date August 2026 to Council, including relevant commentary on the financial performance against budget and any risks associated with Council's financial position.

OFFICER'S RECOMMENDATION

That Council receive the Unaudited Monthly Financial Report, including the monthly unaudited Financial Statements for year-to-date August 2026.

BACKGROUND

The Chief Executive Officer is required by Section 204(2) of the *Local Government Regulation 2012* to present the financial report at a meeting of the Local Government on a monthly basis.

The financial report must state the progress that has been made in relation to the Local Government's budget for the period for the financial year up to a day as near as practicable to the end of the month before the meeting is held.

DISCUSSION/CURRENT ISSUE

Year to Date Results

This report and the attachments provide the estimated financial performance and position for the relevant period in the current financial year.

- **Attachment 11.17.1** contains a summary of the financial performance with commentary around significant items.
- **Attachment 11.17.2** contains monthly unaudited Financial Statements.

The 2025/26 comparative figures in these reports are subject to change following end of financial reconciliations, accruals and other year-end transactions as the Financial Statements are finalised and substantiated with working papers for External Audit. Therefore they are estimated and in draft.

FINANCIAL IMPLICATIONS

Maintaining a balanced budget throughout the financial year and remaining financially sustainable remain key objectives.

CONSULTATION/ENGAGEMENT

Director Corporate Support Services
Acting Manager Financial Services and Systems
Management Accountant

STATUTORY/COMPLIANCE MATTERS

Local Government Regulation 2012

204 Financial Report

- (1) The local government must prepare a financial report.
- (2) The Chief Executive Officer must present the financial report -
 - (a) If the local government meets less frequently than monthly - at each meeting of the local government; or
 - (b) Otherwise - at a meeting of the local government once a month.
- (3) The financial report must state the progress that has been made in relation to the local government's budget for the period of the financial year up to a day as near as practicable to the end of the month before the meeting is held.

RISK ASSESSMENT/DEADLINES

If actual revenue or expenditure exceeds budget, financial risks may apply. These risks will either be managed on a project basis or mitigated through the operational budgets of Council.

A budget risk register is maintained to collate any identified budget risks as they arise during the financial year to be mitigated in quarterly budget reviews.

There is mandatory reporting to Council each month as per *Section 204 of the Local Government Regulation 2012* to ensure ongoing oversight of the financial position.

STRATEGIC IMPACTS

Advance the independence of commercial business structures to promote their ability to grow and deliver improved returns to the community.

Ongoing improvement to asset management systems to support future planning, maintenance schedules and capital works forecasts. Progress the implementation of the asset management framework and systems.

ATTACHMENTS

1. Monthly Financial Report August 2026 [11.17.1 - 4 pages]
2. Financial Statements for the period ending 31 August 2026 [11.17.2 - 5 pages]

FINANCIAL REPORT

Financial Year: 2026/27
Period Ending: 31 August 2026

BACKGROUND

This report provides the unaudited estimated financial performance and position of Whitsunday Regional Council for the relevant period in the current financial year against the 2026/27 Original Budget.

IMPORTANT TIMING UPDATES

The 2026/27 Budget was adopted on Wednesday, 17 June 2026.

The Rates were issued on 12th August 2026 and due on 11th September 2026.

Water Rate notices will be issued on the 7th September 2026.

INCOME & EXPENDITURE EXECUTIVE SUMMARY

Overall, Council's Net Operating position is better than expected at the 2-month mark (83% left) for 2026/27.

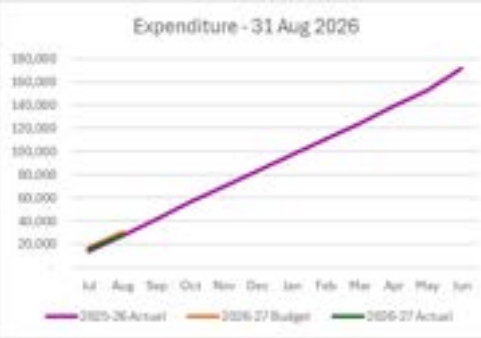

Material movements to 31 August 2026 include:

- Rates & Charges – The General rates revenue is on budget with first half year rates issued in August, Water rates are set to be issued on the 7th September 2026.
- Fees and Charges – new budget included for commercial parking. Actuals to commence in the coming months.
- Grants and subsidies – are under budget with phasing to be reviewed.
- Staff costs – are on budget
- Materials and supply costs – Contractors are under budget with phasing to be reviewed.

Statement of Income & Expenditure to 31 August 2026

	Current Budget	Actual to date	Amount Left	Amount Left
	\$'000	\$'000	\$'000	%
Rates and charges	125,816	60,986	64,830	52%
Income from customers	45,905	6,115	39,790	87%
Grants and subsidies	7,947	491	7,456	94%
Interest earned	6,138	1,735	4,403	72%
Other revenue	2,867	541	2,326	81%
Total recurrent earnings	188,674	69,868	118,805	63%
Staff costs	53,397	8,067	45,330	85%
Materials and supply costs	81,453	13,004	68,449	84%
Total direct spend	134,850	21,071	113,779	84%
Finance Costs	2,368	404	1,963	83%
Depreciation	39,345	6,630	32,715	83%
Operating Surplus/(Deficit)	12,111	41,763		

Revenue and expense graphs are below comparing last years actuals to this years YTD budget and actuals

Income  Revenue - 31 Aug 2026 The graph shows revenue from July to August. The 2025-26 Actual (purple) starts at approximately \$25,000 in July and rises to about \$180,000 in August. The 2026-27 Budget (orange) starts at approximately \$25,000 in July and rises to about \$180,000 in August. The 2026-27 Actual (green) starts at approximately \$25,000 in July and rises to about \$180,000 in August.	Expenses  Expenditure - 31 Aug 2026 The graph shows expenditure from July to August. The 2025-26 Actual (purple) starts at approximately \$20,000 in July and rises to about \$180,000 in August. The 2026-27 Budget (orange) starts at approximately \$20,000 in July and rises to about \$180,000 in August. The 2026-27 Actual (green) starts at approximately \$20,000 in July and rises to about \$180,000 in August.
Notes: • YTD actuals are lower than last year • YTD actuals are below the YTD budget for 2026/27 due to the claims for recoverable works being later than budgeted.	Notes: • YTD Actuals are higher than last year and below YTD Budget mainly due to budget phasing that requires review.

For the period under review, Council's operating surplus stood at \$41.8M after charging depreciation of \$6.6M and is behind YTD budget due to income for recoverable works to be claimed and grants and subsidies budget phasing to be reviewed.

BALANCE SHEET (COMMUNITY WEALTH) EXECUTIVE SUMMARY

This represents the value of resources Council reports on its balance sheet and represents assets, liabilities and equity for the reporting period. Net Community wealth at the end of the period stood at \$1.47B. The main movements from budget to actuals are explained as follows:

- **Cash and investments** are over budget at 88% due to the timing of capital spend and interest on cash investments with \$93M in Term Deposits at competitive rates to maximise the return on investment. In addition, cash and investments held mainly consist of funds for major projects including Collinsville Community Precinct (RCIF), Residential Activation Funding, Cannonvale Community Facility Hub, Works for Queensland and Disaster Recovery Funding. A key consideration is that as projects progress and cash balances reduce, interest revenue will also decline.
- **Property Plant and other like assets** are lower than budgeted due to being the beginning of the financial year and lower capital spend in August than budgeted. Those capital projects that were not completed by 30 June 2026 will be carried over into the 2026/27 financial year for completion.
- **Debtors and receivables** are above budget mainly due to Rates debtors as Rates have recently been issued. Total figures have increased from \$29.9M in July to \$78.5M in August. A summary of debtors and receivables is below with General debtors.
- **Creditors, accruals and provisions** have increased due to contract liabilities for grants received in advance for the Residential Activation Fund and Queensland Reconstruction Authority (QRA) flood damage funded projects. Contract liabilities are held as in the balance sheet until the works they relate to are delivered and are then recognised as revenue.

Statement of Financial Position as 31 August 2026

	Current Budget	Actual to Date	Movement	Movement
